TO: Wisconsin County Clerks

Milwaukee County Election Commission

FROM: Michael Haas, Elections Division Administrator

SUBJECT: Informational Materials for Voter Verification Postcards

Government Accountability Board staff has posted a new training webinar regarding Voter Verification Postcards. The webinar is an excerpt from the SVRS List Maintenance webinar held on December 4, 2013 and includes the Voter Verification Postcards segment of that webinar. This allows clerks to view the Voter Verification Postcard portion without having to watch the entire webinar.

You may view the webinar on the G.A.B. website on the Webinars page, at the following link: http://gab.wi.gov/publications/video/voter-verification-postcards-webinar

With the webinar, we have also posted several reference documents relating to voter verification postcards:

- A verification postcards overview document for quick reference;
- A sample 30 day notice letter that clerks can use to respond to undeliverable postcards;
- A Frequently Asked Questions document that includes the postcard-related questions that were asked during the SVRS List Maintenance webinar.

These documents have also been posted on the Recent Clerk Communications page along with this memo.

We hope these materials will be useful and helpful to clerks. If you have any questions regarding these materials or Voter Verification Postcards, please contact the G.A.B. Help Desk at 608-261-2028 or gabhelpdesk@wi.gov.
