Absentee Ballot Applications: Checked by canvassers

Number of Absentee Ballots: 328. Canvassers counted 324, added back in 1 for Warren Timm witness signature verified by poll book. 2 thrown out,1 no certificate envelope for certification; 1 completely missing witness signature and address; Jim Severson ballot was returned on 9/30/2016 but envelope was not included. Canvassers decided because voter intent was there and it was counted in original totals and envelope was misplaced by a clerk - it will be counted. Total drawdown of 2 but two paper ballots that were remade on an optical scan for counting were included with certification envelopes. Those original paper ballots were used as the drawdown for a total of 324 ballots. Exhibit A drawdown minus one Hillary Clinton; Exhibit B drawdown minus one for Hillary Clinton.
