VERIFIED SWORN APPEAL STATEMENTS TO THE WISCONSIN ELECTION COMMISSION

I, FORMALLY APPEAL the filing officer's decision on January 3, 2024 to act in accordance with the Challenge Complaint procedures and dismiss my challenge even before the challengers REQUIRED response. The filing officer has acted outside of her sworn duties and must be removed from office pursuant to the 14th Amendment Section 3 of the United States Constitution as she has chosen to rebel against the United States Constitution and disregard her oath to act in accordance to and with tin the Constitution.

The filing officer's decision and inaction is not in conformity with clearly established law as detailed infra. This appeal is made to the Wisconsin Election Commission through this submission of sworn written statements. My signature below verifies and affirms, under oath, UNDER PENALTY OF PERJURY the following **facts** that are **true** and **correct** to the best of my personal knowledge, recollection and belief as it relates to events between January 2, 2024 and January 3, 2024 in my interactions, correspondences and notifications between myself and that of the Milwaukee Election Commission Office, & the Milwaukee Election Commission's sworn 'officer' Claire Woodall –Vogg (filing officer) (Executive Director of the Milwaukee Election Commission) as it relates to my being challenges to Cavalier Johnson, David King, Jonathan Brostoff and Russell Stamper's names being placed on the ballot due to failure to abide by mandates to be place on the ballot, constituting an 'impediment'..

1. Claire Woodall-Vogg personally was given and received my challenge, which was not in relation to nomination papers but four mandatory papers that must be filed in order for a candidate's name to appear on the ballot.

2. If these four papers are not received per election laws of the State of Wisconsin's, the candidate's name SHALL NOT be placed on the ballot.
3. I provided the Milwaukee Election Commission and the Board of Election Commissioners an affidavit under penalty of perjury that Candidates Johnson, King, Brostoff and Stamper failed to comply with statutory and other legal requirements to be placed on the ballot.
4. The next day Claire Woodall-Vogg dismissed the challenge contrary to the mandatory procedures as it relates to challenges.
5. Woodall-Vogg has a non discretionary duty to abide by an act in accordance with clearly established election laws, including a non discretionary duty to abide by and act in accordance with the Wisconsin Constitution and the United States Constitution.
6. My affidavit is entitled to the presumption of validity.
7. There has not been provided to me or any evidence given or shown to me or on record a RESPONSE by the challenged as mandated by law.
8. Anything not refuted is deemed admitted.
9. There are four primary documents that must be filed by the deadline for a candidate to gain a place on the ballot.
10. Ballot access documents must first be SUBMITTED per election cycle, after such they are allowed to be admitted
11. The four primary documents that must be 'FILED' by the deadline for a candidate to gain placement. The language of the legislation does not state four documents that can be AMENDED, if this was the case, and then a declaration of candidacy would not have to be FILED each election cycle, it would simply be allowed to be 'amended. (Emphasis

Added), of these four documents a Campaign Registration must be FILED, again there is no legislature language stating amended. A 'guide' 'memo' is not rule nor is it law and cannot substitute ENACTED law.

12. Notarized statements must be notarized by those under lawful authority to notarize in accordance with the law. There are no exceptions to this mandate.

13. Election laws can only be enacted through the legislature. The election commission is not endowed to enact laws only to abide them. Woodall-Vogg simply does not have lawmaking power.

14. I have a right to a free and fair election.

15. Johnson, King, Brostroff and Stamper have not met all conditions precedent in regards to candidacy, qualifications and eligibility to have their names placed on the ballot (s). They all have failed to meet the burdens they are required to make.

16. Wis. State Statue 8.30 outlines situations where a candidate may be ineligible for ballot placement, including 'impediments'.

17. EL 2.07(2) (a) states that 'any' challenge shall be made by verified complaint…the challenge shall be established by affidavit OR other supporting evidence, demonstrating a FAILURE to COMPLY with STATUTORY or other 'LEGAL' REQUIREMENTS.

18. The RESPONSE to a 'challenge' pursuant to EL 2.07 challenges 'SHALL' be filed 'by the candidate challenged' within 3 calendar days of the filing of the challenge and SHALL be verified. It is AFTER the 'response' that the elections commissions or local filing officer SHALL decide the challenge. See EL 2.07(2)(b).

19. All three candidates failed to response and as such admitted the allegations; Woodall-Vogg cannot substitute an admission with guide memos.

20. The Law is CLEAR the candidate's name AND 'Municipality' for voting purposes. Failed to cite his 'municipality' for voting purposes and not merely 'residence'.

21. The law is clear an attorney must be licensed to practice law to be a notary.

22. THE LAW IS CLEAR, A CAMPAIGN REGISTRY MUST BE SUBMITTED first per election cycle.

23. I am entitled to rely on the Milwaukee Election Commission to comply with their duties and laws of the Wisconsin Constitution, State of Wisconsin and the United States Supreme Court as well as obligations under the Wisconsin Election laws.

24. I am ENTITLED to EQUAL RIGHTS, EQUAL OPPORTUNITY & EQUAL PROTECTION under the laws of the United States.

Being first duly sworn under oath, signed before a notary this 11th day of January 2023
