6. The Statement of Intent identifies Patrick Scheller as the “Recall Petitioner” and Patrick Scheller signed the Statement of Intent on the line designated for “Signature of Petitioner.”

7. On information and belief, Patrick Scheller has not filed a registration statement with the Government Accountability Board pursuant to Wis. Stat. § 11.05(2).

8. The Recall Petition is invalid because the petitioner, Patrick Scheller, did not first file a registration statement as required by Wis. Stat. § 9.10(2)(d). As described further in the attached Memorandum of Law in support of this challenge, the Government Accountability Board must find the Recall Petition is insufficient because of this fatal defect.

9. On information and belief, the Recall Petition includes the following irregularities, which are supported by the Affidavit of John W. Hogan, attached hereto:

- a. At least eighty-eight signatories to the Recall Petition did not date their signatures. Pursuant to Wis. Stat. § 9.10(2)(e)1., these signatures may not be counted.
- b. At least six signatories signed the Recall Petition outside the purported circulation period. Pursuant to Wis. Stat. § 9.10(2)(e)2., these signatures may not be counted.
- c. At least forty-seven signatories signed the Recall Petition subsequent to the respective circulator’s certification. Pursuant to Wis. Stat. § 9.10(2)(e)3., these signatures may not be counted.
- d. The residency of at least 148 signatories to the Recall Petition cannot be determined by the address given. Pursuant to Wis. Stat. § 9.10(2)(e)4., these signatures may not be counted.

- e. At least 273 signatories to the Recall Petition reside outside of the 32nd Senate District. Pursuant to Wis. Stat. § 9.10(2)(e)5., these signatures may not be counted.
- f. At least twelve signatories are not qualified electors, as their names appear on the Ineligible Voter List provided by the Government Accountability Board. Pursuant to Wis. Stat. § 9.10(2)(e)8., these signatures may not be counted.
- g. At least forty-six signatories signed the Recall Petition twice. Pursuant to Wis. Stat. § 9.10(2)(i), these signatures may not be counted.
- h. At least forty-four Recall Petition pages, collectively containing 293 individual signatures, were not properly certified by the circulator. Pursuant to Wis. Stat. §§ 8.40(2) and 9.10(2)(em), these signatures may not be counted.
- i. At least eleven signatories did not sign the Recall Petition.

10. Given the above-referenced insufficiencies, there is reason to believe that additional evidence of irregularities regarding the signatures on the Recall Petition will be discovered and the Government Accountability Board should conduct a thorough review of the Recall Petition as required under Wis. Stat. § 9.10(3)(b).

11. For the foregoing reasons, the Recall Petition fails to meet the mandatory standards outlined in Wis. Stat. § 9.10 and is insufficient.

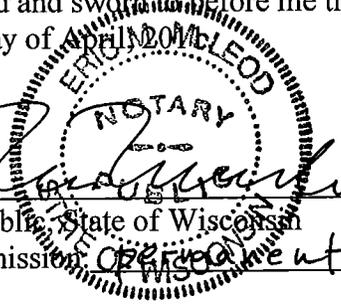

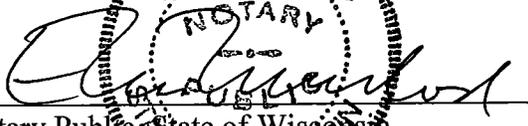

I, Daniel E. Kapanke, being first duly sworn upon oath, state that I personally read the above written challenge and that the above allegations are true and correct based on my personal knowledge and, as to those allegations stated on information and belief, I believe them to be true.

Dated this 15th day of April, 2011.

IN RE PETITION TO
RECALL SENATOR DAN KAPANKE
OF THE 32nd SENATE DISTRICT

**MEMORANDUM OF LAW IN SUPPORT OF SENATOR DAN KAPANKE'S
WRITTEN CHALLENGE TO THE RECALL PETITION OFFERED FOR FILING
ON APRIL 1, 2011**

INTRODUCTION

The recall petition filed on April 1, 2011 purporting to seek the recall of State Senator Dan Kapanke (the "Recall Petition") must be rejected in its entirety as insufficient. The Recall Petition is fatally defective because the Petitioner, Patrick Scheller, failed to first file a registration statement as required by Wis. Stat. § 9.10(2)(d).

BACKGROUND

On March 2, 2011, Patrick Scheller signed and filed with GAB a Statement of Intent to Circulate Recall Petition ("Statement of Intent"), by which Mr. Scheller stated his intention to circulate a petition to recall Dan Kapanke, State Senator District 32.¹ The Statement of Intent identifies Patrick Scheller as the "Recall Petitioner" and Patrick Scheller signed the Statement of Intent on the line designated for "Signature of Petitioner."

On April 1, 2011, State Senator Dan Kapanke was notified by GAB staff that the Committee to Recall Kapanke ("Recall Committee") had "filed their signed recall petition" with GAB on that date. GAB attached to its April 1, 2011 letter² a copy of a "Recall Petition Receipt"

¹ A copy of Mr. Scheller's Statement of Intent to Circulate Recall Petition is attached to this Memorandum at Tab 1.

² A copy of the April 1, 2011 letter, with attachments, is included at Tab 2.

which indicated that the Recall Petition was delivered by Patrick Scheller and consisted of approximately 3,000 pages and approximately 30,000 signatures.³

Pursuant to Wis. Stat. 9.10(3)(b), on April 8, 2011, the Dane County Circuit Court, Judge Markson presiding, extended to April 15, 2011 the deadline for Senator Kapanke to file a challenge to the Recall Petition.

ARGUMENT

Patrick Scheller Has Failed To Follow The Mandatory Statutory Prerequisites For Filing A Recall Petition

Notwithstanding GAB staff's statement in its April 1, 2011 letter that the Recall Committee filed the Recall Petition, it is clear that Patrick Scheller is the recall Petitioner. Patrick Scheller is the only person who has filed a statement of intent to circulate a recall petition related to Senator Kapanke. At no time has the Recall Committee filed a statement of intent to circulate a recall petition. Furthermore, Patrick Scheller delivered the Recall Petition to GAB on April 1, as evidenced by the Recall Petition Receipt.

Mr. Scheller has not, however, filed a registration statement under Wis. Stat. §11.05 (2). This failure is fatal to the Recall Petition, because Wis. Stat. § 9.10(2)(d) states unequivocally that “[n]o petition may be offered for filing for the recall of an officer unless the petitioner first files a registration statement” More importantly, Mr. Scheller is barred from “circulat[ing] a petition for the recall of [Senator Kapanke] prior to completing registration.” Wis. Stat. § 9.10(2)(d). Since Mr. Scheller has not filed a registration statement, the circulation period has not begun and none of the signatures on the Recall Petition may be counted. Wis. Stat. §

³ A more careful review of the Recall Petition shows that it consists of 2,965 pages and includes approximately 22,975 signatures.

9.10(2)(e)2. (“an individual signature on a petition sheet may not be counted if . . . the signature is dated outside the circulation period”).

While we anticipate that the Recall Committee will argue that it is the recall petitioner, the Recall Committee has not filed a statement of intent to circulate recall petition pursuant to Wis. Stat. § 9.10(2)(d). That provision states that a petitioner “shall” file such a statement. By use of the word “shall,” the requirement to file such a statement is mandatory. *See Scanlon v. City of Menasha*, 16 Wis. 2d 437, 443, 114 N.W.2d 791 (1962) (“the word ‘shall’ is presumed mandatory when it appears in a statute”). Thus, in the absence of such a statement filed by the Recall Committee, it may not proceed to circulate petitions.

CONCLUSION

The Recall Petition is invalid because the petitioner failed to follow the mandatory procedures of Wis. Stat. § 9.10(2)(d) in order to trigger the start of the circulation period. No signature on the Recall Petition may be counted and the entire petition is, therefore, insufficient.

9.10(2)(e)2. (“an individual signature on a petition sheet may not be counted if . . . the signature is dated outside the circulation period”).
