### **Statement of Intent**

This recall effort is being pursued due to the unacceptable and unprecedented actions recently taken by Wisconsin State Senator Dave Hansen. State Senator Hansen's decision to leave the state to avoid his sworn and sacred responsibility to his constituents during a critical three week debate period in the Wisconsin State Senate is clearly and undeniably a dereliction of duty. His lack of respect and representation during this critical time in Wisconsin state history necessitates this recall effort. No elected official, regardless of party affiliation, should be allowed to remain in office for purposely avoiding their responsibility to their district and subverting the democratic process.
