This is a magnificent store! Very friendly staff, a great selection of brighton, plus carrying some of the only mens items in lake geneva! Great Prices as well! Plus they have a adorable little dog named Zoey who welcomes people as they enter!

I really like this store. They have such trendy clothes. Some of my favorite things have come from this place. Most of their clothes are colorful and well made. They sell brands like Lucky Brand and Silver which are both brands that I like to wear.

They have an outfit for every occasion. Going to the club...they have cute dresses AND shoes. Going out on a date...they have cute tops and pants that make your booty look awesome! I even bought my winter boots here last year...and they still look almost brand new.

I stop here once a week during the summer and fall...I don't always buy something, but I would if I could afford it.

The girls that work there are very friendly and don't get upset when you want to try on 20+items.
