As campaign manager for Jason Sladky candidate for the State Assembly 25th District, I would like to challenge the signatures on the nomination papers submitted by Barry Nelson (candidate I.D. 105402) candidate for the State Assembly 25th District. I am challenging these signatures based upon the fact that Mr. Nelson filed his nomination papers on June 1st 2012 the same day that he filed his GAB-1 therefore he circulated papers prior to being registered with GAB.

Sincerely,
