SUBJECT: Recall Petitions Challenges Procedure

INTRODUCTION

A total of 9 recall petitions have been filed against 9 separate State Senators. Invariably, after recall petitions are offered for filing, challenges to those recall petitions are also filed. The Board's members will be asked to rule on those challenges at the May 23 and May 31 meetings. The challenges received timely were posted to the G.A.B. website, where the Board may find each actual challenge document, rebuttal, and reply (if filed.) The Board may view these filed documents by clicking on a recall committee name at: <http://gab.wi.gov/elections-voting/recall>.

The Board's staff will prepare a written report on the challenges and any available rebuttals or replies for each recall petition. Prior to the Board meetings, staff will distribute this written report to the Board and the attorneys for the recall committees and officers subject to the recalls.

Pursuant to GAB §2.07(2)(b), Wis. Adm. Code, as applied to challenges of election petitions, including recall petitions, by GAB §2.11(1), Wis. Adm. Code, the G.A.B. shall decide the challenges with or without a hearing. The Board has determined that it will decide the challenges with a hearing as provided below.

The recall petitions against the following officers will be before the Board on May 23: Senators Kapanke, Hopper, and Olsen.

The recall petitions against the following officers will be before the Board on May 31: Senators Harsdorf, Hansen, Holperin, Wirch, Darling, and Cowles.

Since these recall efforts are unprecedented in State and national history, staff also provides the Board members with the following review of the recall challenge procedure and treatment and sufficiency of election petitions.

HEARING PROCEDURE:

Since these challenge hearings are administrative proceedings subject to statutory administrative procedures and potential court review, each recall petition shall be handled separately. In other words, rather than having the Board listen to presentations from counsel on all cases before considering staff recommendations, the Board Chair shall announce each recall petition, request any presentations on behalf of the officeholder and then the recall committee regarding that matter, consider the staff recommendation, and then vote on each case prior to calling the next recall petition. This procedure will help the Board to retain the facts of each case and the related presentations at the time of the Board's decision, and to create a concise record for any potential court review of a particular decision. There will be no public comment except from representatives of the officeholder and the recall committee as set out below.

1. The challenger (officer subject to the recall) or his or her representative shall be provided an opportunity to address the Board and present a statement or argument, up to a maximum of 15 minutes.
2. The petitioner or his or her representative shall be provided an opportunity to address the Board and present a statement or argument, up to a maximum of 15 minutes.
3. The challenger (officer subject to the recall) or his or her representative shall be provided an opportunity to address the Board to reply to any new matter raised in the petitioner's or his or her representative's address to the Board.
4. G.A.B. staff shall present its written report and recommendations to the Board for consideration.
5. The Board may ask additional questions of either the challenger or the petitioner, or their representatives, at any point in the proceeding. In addition, the Board may permit additional public comments limited to no more than 5 minutes for each person. The Board may restrict the number of public comments as necessary to ensure that the challenger and petitioner have a full opportunity to be heard on each recall petition and to ensure completion of the hearing in a timely fashion.

RECALL PROCEDURE: §9.10, Wis. Stats. and GAB ch. 2, Wis. Adm. Code

1. Registration and Circulation §9.10(1) and (2), Wis. Stats.:

The qualified electors of any legislative district may petition for the recall of any incumbent elective official by filing a petition demanding the recall of the officeholder.

A petition for recall of an officer shall be signed by electors equal to at least 25% of the vote cast for the office of governor at the last election within the same district as that of the officeholder being recalled.

No petition may be offered for filing for the recall of an officer unless the petitioner first files a registration statement under §11.05(1) or (2), Wis. Stats. Pursuant to §11.05(1), Wis. Stats.,

any person other than an individual and any combination of 2 or more persons shall register as a committee, if they make or accept contributions, incur obligations or make disbursements in a calendar year in the aggregate amount in excess of \$25.00. Pursuant to §11.05(2), Wis. Stats., every individual who accepts contributions, incurs obligations or makes disbursements in a calendar year in the aggregate amount in excess of \$25.00 shall file a registration statement.

The petitioner shall append to the registration a statement indicating his or her intent to circulate a recall petition against a legislative officer and the name of the officer for whom recall is sought.

No petitioner may circulate a petition for the recall of an officer prior to completing registration.

The last date that a petition for the recall of an officer may be offered for filing is 5 p.m. on the 60th day commencing after registration. After the recall petition has been offered for filing, no name may be added or removed. No signature may be counted unless the date of the signature is within the 60-day period between the date of the committee's or individual's registration and the date the petition is offered for filing.

2. Signatures on a Recall Petition Sheet: §9.10(2)(e) and (em), Wis. Stats.

A. An individual signature on a petition sheet may not be counted if:

1. The signature is not dated.
2. The signature is dated outside the circulation period.
3. The signature is dated after the date of certification contained on the petition sheet.
4. The residency of the signer of the petition sheet cannot be determined by the address given.
5. The signature is that of an individual who is not a resident of the jurisdiction or district from which the elective official being recalled is elected.
6. The signer has been adjudicated not to be a qualified elector on grounds of incompetency or limited incompetency as provided in §6.03(3), Wis. Stats.

B. No signature on a petition sheet may be counted if:

1. The circulator fails to sign the certification of circulator.
2. The circulator is not a qualified circulator.

3. Wisconsin Administrative Code: Treatment and Sufficiency of Election Petitions

- A. Pursuant to GAB §2.09(1), Wis. Adm. Code, the standards established in GAB §2.05, Wis. Adm. Code, for determining the treatment and sufficiency of nomination papers apply to recall petitions.

B. Relevant Portions of GAB §2.05, Wis. Adm. Code:

1. Where circumstances and the time for review permit, the filing officer may consult maps, directories and other extrinsic evidence to ascertain the correctness and sufficiency of information on the nomination paper (recall petition.)
2. Any information which appears on a nomination paper (recall petition) is entitled to a presumption of validity.
3. Where any required item of information on a nomination paper (recall petition) is incomplete, the filing officer shall accept the information as complete if there has been substantial compliance with the law.
4. An elector shall sign his or her own name unless unable to do so because of physical disability. If unable to sign because of a physical disability, the elector shall be present when another person signs on behalf of the disabled elector and shall specifically authorize the signing.
5. A person may not sign for his or her spouse, or for any other person, even when they have been given a power of attorney by that person (unless the elector is disabled and follows the above procedure).
6. The signature of a married woman shall be counted when she uses her husband's first name instead of her own.
7. Only one signature per person for the same office is valid.
8. A complete address, including municipality of residence for voting purposes, and the street and number, if any, of the residence, (or postal address if it is located in the jurisdiction of the officer subject to the recall petition) shall be listed for each signature.
9. No signature on a nomination paper (recall petition) shall be counted unless the elector who circulated the nomination paper completes and signs the certificate of circulator and does so after, not before, the paper is circulated.
10. An individual signature on a nomination paper (recall petition) may not be counted when any of the following occur:
 - i. The date of the signature is missing.
 - ii. The signature is dated after the date of certification contained in the certificate of circulator.
 - iii. The address of the signer is missing or incomplete, unless residency can be determined by the information provided on the nomination paper (recall petition.)

- iv. The signature is that of an individual who is not 18 years of age at the time the paper is signed.
- v. The signature is that of an individual who has been adjudicated not to be a qualified elector on the grounds of incompetency or limited competency as provided in §6.03(3), Wis. Stats., or is that of an individual who was not, for any other reason, a qualified elector at the time of signing the nomination paper (recall petition.)

4. Petitioner May File Affidavits Correcting Insufficiencies: §9.10(2)(r), Wis. Stats.

- A. Correcting the failure of the circulator to sign the certification of circulator.
- B. Correcting the failure of the circulator to include all necessary information.

The person giving the correcting affidavit shall have personal knowledge of the correct information and shall file the affidavit not later than three calendar days after the date the petition is offered for filing. GAB §2.05(4), Wis. Adm. Code.

5. The G.A.B. shall review verified challenges to recall petitions of legislators. §9.10(2)(f), Wis. Stats.

- A. The burden of proof for any challenge rests with the individual bringing the challenge. See also GAB §2.07(3)(a), Wis. Adm. Code.
- B. The burden of proof applicable to establishing or rebutting a challenge is clear and convincing evidence. GAB §2.07(4), Wis. Adm. Code.
- C. Any challenge to the validity of signatures on the petitions shall be presented by affidavit or other supporting evidence demonstrating a failure to comply with statutory requirements. See also GAB §2.07(2)(a), Wis. Adm. Code.
- D. If the challenger establishes that the information on the nomination paper (recall petition) is insufficient, the burden is on the challenged candidate (officer subject to the recall petition) to establish its sufficiency. GAB §2.07(3)(a), Wis. Adm. Code.
- E. The invalidity or disqualification of one or more signatures on a nomination paper (recall petition) shall not affect the validity of any other signatures on that paper. GAB §2.07(3)(a), Wis. Adm. Code.
- F. If a challenger can establish that a person signed the recall petition more than once, the 2nd and subsequent signatures may not be counted. See also GAB §2.07(3)(b), Wis. Adm. Code.
- G. If a challenger demonstrates that someone other than the elector signed for the elector, the signature may not be counted unless the elector is unable to sign due to physical disability and authorized another individual to sign on his or her behalf. See also GAB §2.05(8) and (9), Wis. Adm. Code.

- H. If a challenger demonstrates that the date of a signature is altered and the alteration changes the validity of the signature, the signature may not be counted.
 - I. If a challenger establishes that an individual is ineligible to sign the petition, the signature may not be counted. See also GAB §2.05(15)(d) and (e), Wis. Adm. Code.
 - J. No signature may be stricken on the basis that the elector was not aware of the purpose of the petition, unless the purpose was misrepresented by the circulator.
 - K. No signature may be stricken if the circulator fails to date the certification of circulator.
 - L. If a signature on a petition sheet is crossed out by the petitioner before the sheet is offered for filing, the elimination of the signature does not affect the validity of other signatures on the petition sheet. See also GAB §2.05(16), Wis. Adm. Code.
 - M. Challenges are not limited to these categories.
6. Challenge, Certification, and Election Timelines: §9.10(3)(b), Wis. Stats.
- A. Within 10 days after a petition is offered for filing, the officer against whom the petition is filed may file a written challenge, specifying any alleged insufficiency.
 - B. If a challenge is filed, the petitioner may file a written rebuttal to the challenge within 5 days after the challenge is filed.
 - C. If a rebuttal is filed, the officer against whom the petition is filed may file a reply to any new matter raised in the rebuttal within 2 days after the rebuttal is filed.
 - D. Within 14 days after the expiration of the time allowed for filing a reply to a rebuttal, the G.A.B. shall file a certificate or amended certificate.
 - E. Within 31 days after a petition is offered for filing, the G.A.B. shall determine by careful examination whether the petition on its face is sufficient and so state in a certificate attached to the petition.
 - F. If the G.A.B. finds that the petition is sufficient, the G.A.B. shall file the petition and call a recall election to be held on the Tuesday of the 6th week commencing after the date of filing the petition.
 - G. The petition may be amended to correct any insufficiency within 5 days following the affixing of the original certificate. Within 5 days after the offering of the amended petition for filing, the G.A.B. shall again carefully examine the face of the petition to determine sufficiency.
 - H. Upon a showing of good cause, the circuit court for the county in which the petition is offered for filing may grant an extension of any of these time periods.

In fact, Dane County Circuit Court Judge Markson did just that for all 9 recalls and for the most part by stipulation of all the parties. Judge Markson allowed the petitioner and

challengers to interpret the “day” deadlines as “business days,” not calendar days. This provided a slight extension for the challenges, rebuttals and replies. Most significantly, Judge Markson approved the Board’s request to certify sufficiency or insufficiency on May 31, 2011, but no later than June 3, 2011. This is an extension of a few weeks for the early recall petitions and less of an extension for the later petitions; however, it permitted staff to prepare the Board for meetings on the challenges and certifications of the recall petitions.

ANNOTATION

The Wisconsin Constitution, Article XIII, Section 12, establishes in detail the rights of qualified electors of the state, of any congressional, judicial or legislative district or of any county to petition for the recall of any incumbent elective officer after the first year of the term for which the incumbent was elected. Article XIII, Section 12(7) specifically provides: “This section shall be self-executing and mandatory. Laws may be enacted to facilitate its operation but no law shall be enacted to hamper, restrict or impair the right of recall.”

As a general rule, the policy of the G.A.B. with respect to the nomination process has been to help or facilitate candidate ballot access, not to find a justification for impeding that access, and the challenge procedure was applied in that spirit. As much as possible, the selection and elimination of candidates should be left to the electorate. In addition, with respect to the election petition process, including recall petitions, the policy of the former State Elections Board and now the G.A.B. has been and is to help facilitate the will of the electorate with respect to the petition at hand, not to find a justification for impeding the will of the electorate as expressed in a particular petition.

The statutory standard for compliance is "substantial compliance" as set forth in §5.01(1), Wis. Stats., as follows:

***5.01 Scope. (1) CONSTRUCTION OF CHS. 5 TO 12.** Except as otherwise provided, chs.5 to 12 shall be construed to give effect to the will of the electors, if that can be ascertained from the proceedings, notwithstanding informality or failure to comply with some of their provisions.*

Note that GAB §2.05(4), Wis. Adm. Code, provides that "Any information on a nomination paper is entitled to a presumption of validity." Pursuant to GAB §2.09(1) and (5), Wis. Adm. Code, this presumption of validity is extended to the treatment and sufficiency of election petitions, including recall petitions. Consequently, any challenge to any information on the recall petition must rebut that presumption, (under §903.01, Wis. Stats.), by clear and convincing evidence that “the nonexistence of the presumed fact is more probable than its existence.” (See also GAB §§2.07(4) and 2.11(1), Wis. Adm. Code).

Unless otherwise provided, this section applies to filling vacancies in the U.S. senate and house of representatives, executive state offices except the offices of governor, lieutenant governor, and district attorney, judicial and legislative state offices, county, city, village, and town offices, and the offices of municipal judge and member of the board of school directors in school districts organized under ch. 119. If the special election is held on the day of the general election, the primary for the special election, if any, shall be held on the day of the September primary. If the special election is held on the day of the spring election, the primary for the special election, if any, shall be held on the day of the spring primary.

When the common council issues the order, it shall be filed in the office of the city clerk. When the board of trustees issues the order, it shall be filed in the office of the village clerk. When the town board of supervisors issues the order, it shall be filed in the office of the town clerk. When the school board of a school district organized under ch. 119 issues the order, it shall be filed and recorded in the office of the city board of election commis-

The appellant shall also serve notice on the board if the chairperson of the board or the chairperson's designee is responsible for determining the election. The appellant shall serve the notice by certified mail or in person. The appellant shall file the notice with the clerk of circuit court together with an undertaking and surety in the amount approved by the court, conditioned upon the payment of all costs taxed against the appellant.

(b) If an appeal is filed from a recount determination in an election which is held in more than one judicial circuit, the chief judge of the judicial administrative district in which the election is held shall consolidate all appeals relating to that election and appoint a circuit judge, who shall be a reserve judge if available, to hear the appeal. If the election is held in more than one judicial administrative district, the chief justice of the supreme court shall make the appointment.

(7) COURT PROCEDURES. (a) The court with whom an appeal is filed shall forthwith issue an order directing each affected county or municipal clerk or board to transmit immediately all ballots, papers and records affecting the appeal to the clerk of court or to impound and secure such ballots, papers and records, or both. The order shall be served upon each affected county or municipal clerk or board and all other candidates and persons who filed a written notice of appearance before any board of canvassers involved in the recount.

(b) The appeal shall be heard by a judge without a jury. Promptly following the filing of an appeal, the court shall hold a scheduling conference for the purpose of adopting procedures that will permit the court to determine the matter as expeditiously as possible. Within the time ordered by the court, the appellant shall file a complaint enumerating with specificity every alleged irregularity, defect, mistake or fraud committed during the recount. The appellant shall file a copy of the complaint with each person who is entitled to receive a copy of the order under par. (a). Within the time ordered by the court, the other parties to the appeal shall file an answer. Within the time ordered by the court, the parties to the appeal shall provide the court with any other information ordered by the court. At the time and place ordered by the court, the matter shall be summarily heard and determined and costs shall be taxed as in other civil actions. Those provisions of chs. 801 to 806 which are inconsistent with a prompt and expeditious hearing do not apply to appeals under this section.

(8) SCOPE OF REVIEW. (a) Unless the court finds a ground for setting aside or modifying the determination of the board of canvassers or the chairperson of the board or chairperson's designee, it shall affirm the determination.

(b) The court shall separately treat disputed issues of procedure, interpretations of law, and findings of fact.

(c) The court may not receive evidence not offered to the board of canvassers or the chairperson or chairperson's designee except for evidence that was unavailable to a party exercising due diligence at the time of the recount or newly discovered evidence that could not with due diligence have been obtained during the recount, and except that the court may receive evidence not offered at an earlier time because a party was not represented by counsel in all or part of a recount proceeding. A party who fails to object or fails to offer evidence of a defect or irregularity during the recount waives the right to object or offer evidence before the court except in the case of evidence that was unavailable to a party exercising due diligence at the time of the recount or newly discovered evidence that could not with due diligence have been obtained during the recount or evidence received by the court due to unavailability of counsel during the recount.

(d) The court shall set aside or modify the determination of the board of canvassers or the chairperson of the board or chairperson's designee if it finds that the board of canvassers or the chairperson or chairperson's designee has erroneously interpreted a provision of law and a correct interpretation compels a particular action. If the determination depends on any fact found by the board of canvassers or the chairperson or chairperson's designee, the court may not substitute its judgment for that of the board of

canvassers or the chairperson or designee as to the weight of the evidence on any disputed finding of fact. The court shall set aside the determination if it finds that the determination depends on any finding of fact that is not supported by substantial evidence.

(9) APPEAL TO COURT OF APPEALS. (a) Within 30 days after entry of the order of the circuit court, a party aggrieved by the order may appeal to the court of appeals.

(b) If an appeal is filed in respect to an election which is held in more than one court of appeals district, the chief justice of the supreme court shall consolidate all appeals relating to that election and designate one district to hear the appeal, except that if an appeal is filed in respect to an election for statewide office or a statewide referendum, the appeal shall be heard by the 4th district court of appeals.

(c) The court of appeals shall give precedence to the appeal over other matters not accorded similar precedence by law.

(10) STANDARD FORMS AND METHODS. The government accountability board shall prescribe standard forms and procedures for the making of recounts under this section. The procedures prescribed by the government accountability board shall require the boards of canvassers in recounts involving more than one board of canvassers to consult with the government accountability board staff prior to beginning any recount in order to ensure that uniform procedures are used, to the extent practicable, in such recounts.

(11) EXCLUSIVE REMEDY. This section constitutes the exclusive judicial remedy for testing the right to hold an elective office as the result of an alleged irregularity, defect or mistake committed during the voting or canvassing process.

History: 1971 c. 251; 1971 c. 304 s. 29 (2); 1971 c. 336; 1973 c. 313; 1973 c. 334 ss. 23 to 26, 57; 1975 c. 41, 422; 1977 c. 394 s. 53; 1977 c. 427; 1979 c. 200; 1979 c. 260 ss. 66 to 68, 93; 1979 c. 311, 355; 1983 a. 183; 1983 a. 484 s. 172 (3); 1983 a. 538; 1985 a. 304; 1987 a. 391; 1989 a. 192; 1993 a. 213; 1997 a. 27; 1999 a. 49, 182; 2001 a. 16; 2003 a. 265, 321; 2005 a. 149, 451; 2007 a. 1, 96.

Cross-reference: See also s. GAB 6.04, Wis. adm. code.

A challenge of compliance with procedures for absent voting is within the board of canvassers' jurisdiction. Absent connivance, fraud, or undue influence, substantial compliance with statutory voting procedures is sufficient. *Appeal From Recount in Election Contest*, 105 Wis. 2d 468, 313 N.W.2d 869 (Ct. App. 1981).

Sub. (8) does not require the party against whom the board rules to object to the board's determination to preserve the issue for judicial review. *Clifford v. Colby School District*, 143 Wis. 2d 581, 421 N.W.2d 852 (Ct. App. 1988).

Post-election eligibility challenges are properly brought under this section. *Logerquist v. Naseewaunee Canvassers*, 150 Wis. 2d 907, 442 N.W.2d 551 (Ct. App. 1989).

The recount statute does not violate due process or equal protection and does not deny the electorate the right to have the winning candidate hold office. The relationship of recount and quo warranto actions is discussed. *Shroble v. Prusener*, 185 Wis. 2d 103, 517 N.W.2d 169 (1994).

When the board of canvassers' actions in a recount reflected proper application of the statutes, the reviewing court's finding that the board had another option available to it was immaterial. *DeBroux v. City of Appleton Board of Canvassers*, 206 Wis. 2d 321, 557 N.W.2d 423 (Ct. App. 1996), 96-1287.

This section is the exclusive remedy for any claimed election fraud or irregularity. Generally, to successfully challenge an election, the challenger must show the probability of an altered outcome in the absence of the challenged irregularity. *Carlson v. Oconto County Board of Canvassers*, 2001 WI App 20, 240 Wis. 2d 438, 623 N.W.2d 195, 00-1788.

A party's failure to timely file an appeal under sub. (6) does not preclude the party from later intervening in another's appeal. To appeal under sub. (6) requires a party to be aggrieved. A party advocating a position that prevailed is not aggrieved. *Roth v. LaFarge School District Board of Canvassers*, 2001 WI App 221, 247 Wis. 2d 708, 634 N.W.2d 882, 01-0160.

The sub. (6) (a) requirement that a vote-recount appeal to the circuit court be served on the other candidates is fundamental. That a candidate who was not served knew about the appeal and sought and was permitted to intervene in an appeal of a recount was immaterial to the validity of that appeal. The command that "other candidates" be served with the appeal is mandatory rather than directory. *Logic v. City of South Milwaukee Board of Canvassers*, 2004 WI App 219, 277 Wis. 2d 421, 689 N.W.2d 692, 04-1642.

9.10 Recall. (1) RIGHT TO RECALL; PETITION SIGNATURES. (a) The qualified electors of the state, of any county, city, village, or town, of any congressional, legislative, judicial, town sanitary, or school district, or of any prosecutorial unit may petition for the recall of any incumbent elective official by filing a petition with the same official or agency with whom nomination papers or declarations of candidacy for the office are filed demanding the recall of the officeholder.

(b) Except as provided in par. (c), a petition for recall of an officer shall be signed by electors equal to at least 25% of the vote cast

for the office of governor at the last election within the same district or territory as that of the officeholder being recalled.

(c) If no statistics are available to calculate the required number of signatures on a petition for recall of an officer, the number of signatures shall be determined as follows:

1. The area of the district in square miles shall be divided by the area of the municipality in square miles in which it lies.

2. The vote for governor at the last general election in the municipality within which the district lies shall be multiplied by 25% of the quotient determined under subd. 1. to determine the required number of signatures.

3. If a district is in more than one municipality, the method of determination under subds. 1. and 2. shall be used for each part of the district which constitutes only a fractional part of any area for which election statistics are kept.

(d) The official or agency with whom declarations of candidacy are filed for each office shall determine and certify to any interested person the number of signatures required on a recall petition for that office.

(2) PETITION REQUIREMENTS. (a) Every recall petition shall have on the face at the top in bold print the words "RECALL PETITION". Other requirements as to preparation and form of the petition shall be governed by s. 8.40.

(b) A recall petition for a city, village, town, town sanitary district, or school district office shall contain a statement of a reason for the recall which is related to the official responsibilities of the official for whom removal is sought.

(c) A petition requesting the recall of each elected officer shall be prepared and filed separately.

(d) No petition may be offered for filing for the recall of an officer unless the petitioner first files a registration statement under s. 11.05 (1) or (2) with the filing officer with whom the petition is filed. The petitioner shall append to the registration a statement indicating his or her intent to circulate a recall petition, the name of the officer for whom recall is sought and, in the case of a petition for the recall of a city, village, town, town sanitary district, or school district officer, a statement of a reason for the recall which is related to the official responsibilities of the official for whom removal is sought. No petitioner may circulate a petition for the recall of an officer prior to completing registration. The last date that a petition for the recall of an officer may be offered for filing is 5 p.m. on the 60th day commencing after registration. After the recall petition has been offered for filing, no name may be added or removed. No signature may be counted unless the date of the signature is within the period provided in this paragraph.

(e) An individual signature on a petition sheet may not be counted if:

1. The signature is not dated.
2. The signature is dated outside the circulation period.
3. The signature is dated after the date of the certification contained on the petition sheet.
4. The residency of the signer of the petition sheet cannot be determined by the address given.

5. The signature is that of an individual who is not a resident of the jurisdiction or district from which the elective official being recalled is elected.

6. The signer has been adjudicated not to be a qualified elector on grounds of incompetency or limited incompetency as provided in s. 6.03 (3).

7. The signer is not a qualified elector by reason of age.
8. The circulator knew or should have known that the signer, for any other reason, was not a qualified elector.

(em) No signature on a petition sheet may be counted if:

1. The circulator fails to sign the certification of circulator.
2. The circulator is not a qualified circulator.

(f) The filing officer or agency shall review a verified challenge to a recall petition if it is made prior to certification.

(g) The burden of proof for any challenge rests with the individual bringing the challenge.

(h) Any challenge to the validity of signatures on the petition shall be presented by affidavit or other supporting evidence demonstrating a failure to comply with statutory requirements.

(i) If a challenger can establish that a person signed the recall petition more than once, the 2nd and subsequent signatures may not be counted.

(j) If a challenger demonstrates that someone other than the elector signed for the elector, the signature may not be counted, unless the elector is unable to sign due to physical disability and authorized another individual to sign in his or her behalf.

(k) If a challenger demonstrates that the date of a signature is altered and the alteration changes the validity of the signature, the signature may not be counted.

(L) If a challenger establishes that an individual is ineligible to sign the petition, the signature may not be counted.

(m) No signature may be stricken on the basis that the elector was not aware of the purpose of the petition, unless the purpose was misrepresented by the circulator.

(n) No signature may be stricken if the circulator fails to date the certification of circulator.

(p) If a signature on a petition sheet is crossed out by the petitioner before the sheet is offered for filing, the elimination of the signature does not affect the validity of other signatures on the petition sheet.

(q) Challenges are not limited to the categories set forth in pars. (i) to (L).

(r) A petitioner may file affidavits or other proof correcting insufficiencies, including but not limited to:

4. Failure of the circulator to sign the certification of circulator.

5. Failure of the circulator to include all necessary information.

(s) No petition for recall of an officer may be offered for filing prior to the expiration of one year after commencement of the term of office for which the officer is elected.

(3) STATE, COUNTY, CONGRESSIONAL, LEGISLATIVE AND JUDICIAL OFFICES. (a) This subsection applies to the recall of all elective officials other than city, village, town, town sanitary district, and school district officials. City, village, town, town sanitary district, and school district officials are recalled under sub. (4).

(b) Within 10 days after the petition is offered for filing, the officer against whom the petition is filed may file a written challenge with the official, specifying any alleged insufficiency. If a challenge is filed, the petitioner may file a written rebuttal to the challenge with the official within 5 days after the challenge is filed. If a rebuttal is filed, the officer against whom the petition is filed may file a reply to any new matter raised in the rebuttal within 2 days after the rebuttal is filed. Within 14 days after the expiration of the time allowed for filing a reply to a rebuttal, the official shall file the certificate or an amended certificate. Within 31 days after the petition is offered for filing, the official with whom the petition is offered for filing shall determine by careful examination whether the petition on its face is sufficient and so state in a certificate attached to the petition. If the official finds that the amended petition is sufficient, the official shall file the petition and call a recall election to be held on the Tuesday of the 6th week commencing after the date of filing of the petition. If Tuesday is a legal holiday, the recall election shall be held on the first day after Tuesday which is not a legal holiday. If the official finds that the petition is insufficient, the certificate shall state the particulars creating the insufficiency. The petition may be amended to correct any insufficiency within 5 days following the affixing of the original certificate. Within 5 days after the offering of the amended petition for filing, the official with whom the petition is filed shall again carefully examine the face of the petition to determine sufficiency and shall attach a certificate stating the

findings. Upon showing of good cause, the circuit court for the county in which the petition is offered for filing may grant an extension of any of the time periods provided in this paragraph.

(bm) Within 7 days after an official makes a final determination of sufficiency or insufficiency of a recall petition under par. (b), the petitioner or the officer against whom the recall petition is filed may file a petition for a writ of mandamus or prohibition with the circuit court for the county where the recall petition is offered for filing. Upon filing of such a petition, the only matter before the court shall be whether the recall petition is sufficient. The court may stay the effect of the official's order while the petition is under advisement and may order the official to revise the election schedule contained in the order if a revised schedule is necessitated by judicial review. Whenever the recall petitioner files a petition under this paragraph, the officer against whom the recall petition is filed shall be a party to the proceeding. The court shall give the matter precedence over other matters not accorded similar precedence by law.

(c) The official against whom the recall petition is filed shall be a candidate at the recall election without nomination unless the official resigns within 10 days after the original filing of the petition. Candidates for the office may be nominated under the usual procedure of nomination for a special election by filing nomination papers not later than 5 p.m. on the 4th Tuesday preceding the election and have their names placed on the ballot at the recall election.

(d) If more than 2 persons compete for a nonpartisan office, a recall primary shall be held. The names of the 2 persons receiving the highest number of votes in the recall primary shall be certified to appear on the ballot in the recall election, but if any person receives a majority of the total number of votes cast in the recall primary, a recall election shall not be held. If the incumbent receives a majority of the votes cast, the incumbent shall be retained in office for the remainder of the term. If another candidate receives a majority of the votes cast, that candidate shall be elected to serve for the residue of the unexpired term of the incumbent. Write-in votes are permitted only at a recall primary or at a recall election in which no primary is held.

(e) For any partisan office, a recall primary shall be held for each political party which is entitled to a separate ballot under s. 5.62 (1) (b) or (2) and from which more than one candidate competes for the party's nomination in the recall election. The primary ballot shall be prepared in accordance with s. 5.62, insofar as applicable. The person receiving the highest number of votes in the recall primary for each political party shall be that party's candidate in the recall election. Independent candidates shall be shown on the ballot for the recall election only.

(f) If a recall primary is required, the date specified under par. (b) shall be the date of the recall primary and the recall election shall be held on the Tuesday of the 4th week commencing after the recall primary or, if that Tuesday is a legal holiday, on the first day after that Tuesday which is not a legal holiday.

(4) CITY, VILLAGE, TOWN, TOWN SANITARY DISTRICT, AND SCHOOL DISTRICT OFFICES. (a) Within 10 days after a petition for the recall of a city, village, town, town sanitary district, or school district official, is offered for filing, the officer against whom the petition is filed may file a written challenge with the municipal clerk or board of election commissioners or school district clerk with whom it is filed, specifying any alleged insufficiency. If a challenge is filed, the petitioner may file a written rebuttal to the challenge with the clerk or board of election commissioners within 5 days after the challenge is filed. If a rebuttal is filed, the officer against whom the petition is filed may file a reply to any new matter raised in the rebuttal within 2 days after the rebuttal is filed. Within 14 days after the expiration of the time allowed for filing a reply to a rebuttal, the clerk or board of election commissioners shall file the certificate or an amended certificate. Within 31 days after the petition is offered for filing, the clerk or board of election commissioners shall determine by careful examination of the face of the petition whether the petition is sufficient and shall

so state in a certificate attached to the petition. If the petition is found to be insufficient, the certificate shall state the particulars creating the insufficiency. The petition may be amended to correct any insufficiency within 5 days following the affixing of the original certificate. Within 2 days after the offering of the amended petition for filing, the clerk or board of election commissioners shall again carefully examine the face of the petition to determine sufficiency and shall attach to the petition a certificate stating the findings. Immediately upon finding an original or amended petition sufficient, except in cities over 500,000 population, the municipal clerk or school district clerk shall transmit the petition to the governing body or to the school board. Immediately upon finding an original or amended petition sufficient, in cities over 500,000 population, the board of election commissioners shall file the petition in its office.

(d) Promptly upon receipt of a certificate under par. (a), the governing body, school board, or board of election commissioners shall call a recall election. The recall election shall be held on the Tuesday of the 6th week commencing after the date on which the certificate is filed, except that if Tuesday is a legal holiday the recall election shall be held on the first day after Tuesday which is not a legal holiday.

(e) The official against whom the recall petition is filed shall be a candidate at the recall election without nomination unless the official resigns within 10 days after the date of the certificate. Candidates for the office may be nominated under the usual procedure of nomination for a special election by filing nomination papers or declarations of candidacy not later than 5 p.m. on the 4th Tuesday preceding the election and have their names placed on the ballot at the recall election.

(f) If more than 2 persons compete for an office, a recall primary shall be held. The names of the 2 persons receiving the highest number of votes in the recall primary shall be certified to appear on the ballot in the recall election, but if any person receives a majority of the total number of votes cast in the recall primary, a recall election shall not be held. If the incumbent receives a majority of the votes cast, the incumbent shall be retained in office for the remainder of the term. If another candidate receives a majority of the votes cast, that candidate shall be elected to serve for the residue of the unexpired term of the incumbent. Write-in votes are permitted only at a recall primary or at a recall election in which no primary is held.

(g) If a recall primary is required, the date specified under par. (d) shall be the date of the recall primary and the recall election shall be held on the Tuesday of the 4th week commencing after the recall primary or, if that Tuesday is a legal holiday, on the first day after that Tuesday which is not a legal holiday.

(h) All candidates for any village, town, and town sanitary district office, other than the official against whom the recall petition is filed, shall file nomination papers, regardless of the method of nomination of candidates for town or village office under s. 8.05.

(5) VOTING METHOD; ELECTION RESULTS. (a) The recall primary or election of more than one official may be held on the same day. If more than one official of the same office designation elected at large for the same term from the same district or territory is the subject of a recall petition, there shall be a separate election contest for the position held by each official. Candidates shall designate which position they are seeking on their nomination papers. Instructions shall appear on the ballot to electors to vote for each position separately.

(b) The official against whom a recall petition has been filed shall continue to perform the duties of his or her office until a certificate of election is issued to his or her successor. The person receiving a plurality of votes at the recall election or a majority of votes at a primary when authorized under sub. (3) (d) or (4) (f) shall be declared elected for the remainder of the term. If the incumbent receives the required number of votes he or she shall continue in office. Except as provided in sub. (4) (f), if another person receives the required number of votes that person shall

succeed the incumbent if he or she qualifies within 10 days after receiving a certificate of election.

(6) **LIMITATION ON RECALL ELECTIONS.** After one recall petition and recall election, no further recall petition may be filed against the same official during the term for which he or she was elected.

(7) **PURPOSE.** The purpose of this section is to facilitate the operation of article XIII, section 12, of the constitution and to extend the same rights to electors of cities, villages, towns, town sanitary districts, and school districts.

Cross-reference: See also ss. GAB 2.09, 2.11, and 6.04, Wis. adm. code.

Striking an entire page of signatures for one invalid signature violated the elector's right to recall. *Stahovic v. Rajchel*, 122 Wis. 2d 370, 363 N.W.2d 243 (Ct. App. 1984).

This section applies to members of Congress. 68 Atty. Gen. 140.

9.20 Direct legislation. (1) A number of electors equal to at least 15% of the votes cast for governor at the last general election in their city or village may sign and file a petition with the city or village clerk requesting that an attached proposed ordinance or resolution, without alteration, either be adopted by the common council or village board or be referred to a vote of the electors. The individual filing the petition on behalf of the electors shall designate in writing an individual to be notified of any insufficiency or improper form under sub. (3).

(2) The preparation and form of the direct legislation petition shall be governed by s. 8.40.

(2m) After the petition has been offered for filing, no name may be erased or removed. No signature may be considered valid or counted unless the date is less than 60 days before the date offered for filing.

(3) Within 15 days after the petition is filed, the clerk shall determine by careful examination whether the petition is sufficient and whether the proposed ordinance or resolution is in proper form. The clerk shall state his or her findings in a signed and dated certificate attached to the petition. If the petition is found to be insufficient or the proposed ordinance or resolution is not in proper form, the certificate shall give the particulars, stating the insufficiency or improper form. The petition may be amended to correct any insufficiency or the proposed ordinance or resolution may be put in proper form within 10 days following the affixing of the original certificate and notification of the individual designated under sub. (1). When the original or amended petition is found to be sufficient and the original or amended ordinance or resolution is in proper form, the clerk shall so state on the attached certificate and forward it to the common council or village board immediately.

(4) The common council or village board shall, without alteration, either pass the ordinance or resolution within 30 days following the date of the clerk's final certificate, or submit it to the electors at the next spring or general election, if the election is more than 6 weeks after the date of the council's or board's action on the petition or the expiration of the 30-day period, whichever first occurs. If there are 6 weeks or less before the election, the ordinance or resolution shall be voted on at the next election there-

after. The council or board by a three-fourths vote of the members-elect may order a special election for the purpose of voting on the ordinance or resolution at any time prior to the next election, but not more than one special election for direct legislation may be ordered in any 6-month period.

(5) The clerk shall cause notice of the ordinance or resolution that is being submitted to a vote to be given as provided in s. 10.06 (3) (f).

(6) The ordinance or resolution need not be printed in its entirety on the ballot, but a concise statement of its nature shall be printed together with a question permitting the elector to indicate approval or disapproval of its adoption.

(7) If a majority vote in favor of adoption, the proposed ordinance or resolution shall take effect upon publication under sub. (5). Publication shall be made within 10 days after the election.

(8) City ordinances or resolutions adopted under this section shall not be subject to the veto power of the mayor and city or village ordinances or resolutions adopted under this section shall not be repealed or amended within 2 years of adoption except by a vote of the electors. The common council or village board may submit a proposition to repeal or amend the ordinance or resolution at any election.

History: 1977 c. 102; 1983 a. 484; 1989 a. 192, 273.

This section implements legislative powers reserved by the people. Subject to certain conditions, a common council has no authority to make an initial judgment of the constitutionality or validity of proposed direct legislation. *State ex rel. Althouse v. Madison*, 79 Wis. 2d 97, 255 N.W.2d 449 (1977).

A proposal that is administrative, rather than legislative in character, is not the proper subject of initiative proceedings. *State ex rel. Becker v. City of Milwaukee Common Council*, 101 Wis. 2d 680, 305 N.W.2d 178 (Ct. App. 1981).

A city clerk has a mandatory duty to forward to the common council a sufficient petition and ordinance in proper form. *State ex rel. North v. Goetz*, 116 Wis. 2d 239, 342 N.W.2d 747 (Ct. App. 1983).

The power of initiative does not extend to legislative decisions that have already been made by the legislative body. *Schaefer v. Potosi Village Board*, 177 Wis. 2d 287, 501 N.W.2d 901 (Ct. App. 1993).

If statutes establish procedures for the accomplishment of legislation in a certain area, an initiative may not effect legislation that would modify the statutory directives that would bind a municipality if it were legislating in the same area. Section 62.23 establishes such procedures for zoning; zoning may not be legislated or modified by initiative. An ordinance constituting a pervasive regulation of, or prohibition on, the use of land is zoning. *Heitman v. City of Mauston*, 226 Wis. 2d 542, 595 N.W.2d 450 (Ct. App. 1999), 98-3133.

There are 4 exceptions to the sub. (4) requirement that requested direct legislation be either passed or submitted to the electors: 1) when the proposed direct legislation involves executive or administrative matters, rather than legislative ones; 2) when it compels the repeal of an existing ordinance, or compels the passage of an ordinance in clear conflict with existing ordinances; 3) when it seeks to exercise legislative powers not conferred on a municipality; and 4) when it would modify statutorily prescribed directives that would bind a municipality if it were attempting to legislate in the same area. *Mount Horeb Community Alert v. Village Board of Mt. Horeb*, 2002 WI App 80, 252 Wis. 2d 713, 643 N.W.2d 186, 01-2217.

Mandamus is the appropriate action when a city council refuses either option of sub. (1) *Mount Horeb Community Alert v. Village Board of Mt. Horeb*, 2002 WI App 80, 252 Wis. 2d 713, 643 N.W.2d 186, 01-2217.

A proposed ordinance, initiated by a group of citizens, to require a village to hold a binding referendum prior to the start of construction on any new village building project requiring a capital expenditure of \$1 million or more was an appropriate subject of direct legislation. *Mount Horeb Community Alert v. Village Board of Mt. Horeb*, 2003 WI 100, 263 Wis. 2d 544, 665 N.W.2d 229, 01-2217.

Section 893.80 (1) (b), which requires the filing of a notice of claim before an action may be commenced against a municipality, did not apply to an action for mandamus seeking to compel a city council to comply with this section. *Oak Creek Citizen's Action Committee v. City of Oak Creek*, 2007 WI App 196, 304 Wis. 2d 702; 738 N.W.2d 168, 06-2697.

ELECTION RELATED PETITIONS

GAB 2.05 Treatment and sufficiency of nomination papers.
GAB 2.07 Challenges to nomination papers.

GAB 2.09 Treatment and sufficiency of election petitions.
GAB 2.11 Challenges to election petitions.

Note: Chapter EIBd 2 was renumbered chapter GAB 2 under s. 13.92 (4) (b) 1., Stats., and corrections made under s. 13.92 (4) (b) 2. and 7., Stats., Register April 2008 No. 628.

GAB 2.05 Treatment and sufficiency of nomination papers. (1) Each candidate for public office has the responsibility to assure that his or her nomination papers are prepared, circulated, signed, and filed in compliance with statutory and other legal requirements.

(2) In order to be timely filed, all nomination papers shall be in the physical possession of the filing officer by the statutory deadline. Each of the nomination papers shall be numbered, before they are filed, and the numbers shall be assigned sequentially, beginning with the number "1". Notwithstanding any other provision of this chapter, the absence of a page number will not invalidate the signatures on that page.

(3) The filing officer shall review all nomination papers filed with it, up to the maximum number permitted, to determine the facial sufficiency of the papers filed. Where circumstances and the time for review permit, the filing officer may consult maps, directories and other extrinsic evidence to ascertain the correctness and sufficiency of information on a nomination paper.

(4) Any information which appears on a nomination paper is entitled to a presumption of validity. Notwithstanding any other provision of this chapter, errors in information contained in a nomination paper, committed by either a signer or a circulator, may be corrected by an affidavit of the circulator, an affidavit of the candidate, or an affidavit of a person who signed the nomination paper. The person giving the correcting affidavit shall have personal knowledge of the correct information and the correcting affidavit shall be filed with the filing officer not later than three calendar days after the applicable statutory due date for the nomination papers.

(5) Where any required item of information on a nomination paper is incomplete, the filing officer shall accept the information as complete if there has been substantial compliance with the law.

(6) Nomination papers shall contain at least the minimum required number of signatures from the circuit, county, district or jurisdiction which the candidate seeks to represent.

(7) The filing officer shall accept nomination papers which contain biographical data or campaign advertising. The disclaimer specified in s. 11.30 (2), Stats., is not required on any nomination paper.

(8) An elector shall sign his or her own name unless unable to do so because of physical disability. An elector unable to sign because of physical disability shall be present when another person signs on behalf of the disabled elector and shall specifically authorize the signing.

(9) A person may not sign for his or her spouse, or for any other person, even when they have been given a power of attorney by that person, unless sub. (8) applies.

(10) The signature of a married woman shall be counted when she uses her husband's first name instead of her own.

(11) Only one signature per person for the same office is valid. Where an elector is entitled to vote for more than one candidate for the same office, a person may sign the nomination papers of as many candidates for the same office as the person is entitled to vote for at the election.

(12) A complete address, including municipality of residence for voting purposes, and the street and number, if any, of the residence, (or a postal address if it is located in the jurisdiction that the candidate seeks to represent), shall be listed for each signature on a nomination paper.

(13) A signature shall be counted when identical residential information or dates for different electors are indicated by ditto marks.

(14) No signature on a nomination paper shall be counted unless the elector who circulated the nomination paper completes and signs the certificate of circulator and does so after, not before, the paper is circulated. No signature may be counted when the residency of the circulator cannot be determined by the information given on the nomination paper.

(15) An individual signature on a nomination paper may not be counted when any of the following occur:

(a) The date of the signature is missing, unless the date can be determined by reference to the dates of other signatures on the paper.

(b) The signature is dated after the date of certification contained in the certificate of circulator.

(c) The address of the signer is missing or incomplete, unless residency can be determined by the information provided on the nomination paper.

(d) The signature is that of an individual who is not 18 years of age at the time the paper is signed. An individual who will not be 18 years of age until the subject election is not eligible to sign a nomination paper for that election.

(e) The signature is that of an individual who has been adjudicated not to be a qualified elector on the grounds of incompetency or limited competency as provided in s. 6.03 (3), Stats., or is that of an individual who was not, for any other reason, a qualified elector at the time of signing the nomination paper.

(16) After a nomination paper has been filed, no signature may be added or removed. After a nomination paper has been signed, but before it has been filed, a signature may be removed by the circulator. The death of a signer after a nomination paper has been signed does not invalidate the signature.

(17) This section is promulgated pursuant to the direction of s. 8.07, Stats., and is to be used by election officials in determining the validity of all nomination papers and the signatures on those papers.

GAB 2.07 Challenges to nomination papers. (1) The board shall review any verified complaint concerning the sufficiency of nomination papers of a candidate for state office that is filed with the board under ss. 5.05 and 5.06, Stats.; and the local filing officer shall review any verified complaint concerning the sufficiency of nomination papers of a candidate for local office that is filed with the local filing officer under s. 8.07, Stats. The filing officer shall apply the standards in s. GAB 2.05 to determine the sufficiency of nomination papers, including consulting extrinsic sources of evidence under s. GAB 2.05 (3).

Unofficial Text (See Printed Volume). Current through date and Register shown on Title Page.

(2) (a) Any challenge to the sufficiency of a nomination paper shall be made by verified complaint, filed with the appropriate filing officer. The complainant shall file both an original and a copy of the challenge at the time of filing the complaint. Notwithstanding any other provision of this chapter, the failure of the complainant to provide the filing officer with a copy of the challenge complaint will not invalidate the challenge complaint. The filing officer shall make arrangements to have a copy of the challenge delivered to the challenged candidate within 24 hours of the filing of the challenge complaint. The filing officer may impose a fee for the cost of photocopying the challenge and for the cost of delivery of the challenge to the respondent. The form of the complaint and its filing shall comply with the requirements of ch. GAB 20. Any challenge to the sufficiency of a nomination paper shall be filed within 3 calendar days after the filing deadline for the challenged nomination papers. The challenge shall be established by affidavit, or other supporting evidence, demonstrating a failure to comply with statutory or other legal requirements.

(b) The response to a challenge to nomination papers shall be filed, by the candidate challenged, within 3 calendar days of the filing of the challenge and shall be verified. After the deadline for filing a response to a challenge, but not later than the date for certifying candidates to the ballot, the board or the local filing officer shall decide the challenge with or without a hearing.

(3) (a) The burden is on the challenger to establish any insufficiency. If the challenger establishes that the information on the nomination paper is insufficient, the burden is on the challenged candidate to establish its sufficiency. The invalidity or disqualification of one or more signatures on a nomination paper shall not affect the validity of any other signatures on that paper.

(b) If a challenger establishes that an elector signed the nomination papers of a candidate more than once or signed the nomination papers of more than one candidate for the same office, the 2nd and subsequent signatures may not be counted. The burden of proving that the second and subsequent signatures are that of the same person and are invalid is on the challenger.

(c) If a challenger establishes that the date of a signature, or the address of the signer, is not valid, the signature may not be counted.

(d) Challengers are not limited to the categories set forth in pars. (a) and (b).

(4) The filing officer shall examine any evidence offered by the parties when reviewing a complaint challenging the sufficiency of the nomination papers of a candidate for state or local office. The burden of proof applicable to establishing or rebutting a challenge is clear and convincing evidence.

(5) Where it is alleged that the signer or circulator of a nomination paper does not reside in the district in which the candidate being nominated seeks office, the challenger may attempt to establish the geographical location of an address indicated on a nomination paper, by providing district maps, or by providing a statement from a postmaster or other public official.

(2) In order to be timely filed, all petitions required to comply with s. 8.40, Stats., and required by statute or other law to be filed by a time certain, shall be in the physical possession of the filing officer not later than the time set by that statute or other law.

(3) All petitions shall contain at least the number of signatures, from the election district in which the petition was circulated, equal to the minimum required by the statute or other law establishing the right to petition.

(4) Only one signature per person for the same petition, is valid.

(5) This section applies to all petitions which are required to comply with s. 8.40, Stats., including recall petitions, and to any other petition whose filing would require a governing body to call a referendum election.

GAB 2.11 Challenges to election petitions. (1) Except as expressly provided herein, the standards established in s. GAB 2.07 for determining challenges to the sufficiency of nomination papers apply equally to determining challenges to the sufficiency of petitions required to comply with s. 8.40, Stats., including recall petitions, and to any other petition whose filing requires a governing body to call a referendum election.

(2) (a) Any challenge to the sufficiency of a petition required to comply with s. 8.40, Stats., shall be made by verified complaint filed with the appropriate filing officer. The form of the complaint, the filing of the complaint and the legal sufficiency of the complaint shall comply with the requirements of ch. GAB 20; the procedure for resolving the complaint, including filing deadlines, shall be governed by this section and not by ch. GAB 20.

(b) The complaint challenging a petition shall be in the physical possession of the filing officer within the time set by the statute or other law governing the petition being challenged or, if no time limit is specifically provided by statute or other law, within 10 days after the day that the petition is filed.

(3) The response to a challenge to a petition shall be filed within the time set by the statute or other law governing that petition or, if no time limit is specifically provided by statute or other law, within 5 days of the filing of the challenge to that petition. After the deadline for filing a response to a challenge, the filing officer shall decide the challenge with or without a hearing.

MEMORANDUM

DATE: March 11, 2011

TO: All Interested Persons and Committees Involved With Recall Efforts

FROM: Kevin J. Kennedy
Director and General Counsel
Government Accountability Board

SUBJECT: **Meaning of “Offer to File” Recall Petition
Complete Dates Required for Each Individual Recall Petition Signature**

Government Accountability Board staff have received numerous inquiries regarding the meaning of “offer to file” a recall petition and clarification of signature date requirements on recall petition sheets. In addition, the Board has started receiving individual original recall petition sheets from circulators, likely not part of an organized recall effort. This Memorandum shall provide further clarification in response to these inquiries and concerns.

I. Meaning of “Offer to File” Recall Petition:

After a recall petition has been “offered for filing,” no name may be added or removed. §9.10(2)(d), Wis. Stats. In the Board’s recall manual entitled “Recall of Congressional, County and State Officials” (June 2009), the following definition is provided for “offered for filing”:

Submitting the petition to the filing officer for review for certificate of sufficiency or insufficiency (note: the filing officer should not accept partial petitions and make partial determinations of sufficiency until such time as the petitioner is submitting the petition for a complete review for sufficiency and the filing officer is prepared to make the sufficiency determination.)

The importance of offering a petition for filing cannot be understated. If a recall petitioner states an intent to the filing officer that he or she is offering the petition for filing, the circulation period for the petition ends and the sufficiency review and challenge procedures found in §9.10(3)(b), Wis. Stats., are triggered. Once the petition for recall is offered for filing, the filing officer is prohibited from accepting additional signature sheets, which is different than the procedure for nomination papers where supplemental signatures are accepted up until the statutory deadline for the filing of nomination papers. Whatever is submitted to the filing officer at the time the recall petition is offered for filing is all that will be reviewed for sufficiency. Incomplete petitions offered for filing could result in a certification of insufficiency and require the petitioner to begin the process anew.

Please be sure to inform your circulators of this legal matter and make sure that only an authorized representative of a recall committee presents himself or herself to the Board to offer the recall petition for filing. Please also communicate to your circulators the need to return petition sheets to the relevant recall committee and petitioner to assemble them for filing. As the Board receives individual original recall petition sheets, staff will attempt to return the originals to the senders, provided we have a legible address to do so.

II. Complete Dates Required for Each Individual Recall Petition Signature

Sec. 9.10(2)(e)1., Wis. Stats., clearly states that an individual signature on a petition sheet may not be counted if the signature is not dated. This statutory language likely arose from a Wisconsin Supreme Court decision entitled *Baxter v. Beckley*, 212 N.W. 792, 192 Wis. 397 (Wis. 1927). In the *Baxter v. Beckley* case, the Wisconsin Supreme Court rejected petition signatures that contained no year after the date of signing. In effect, the month and day was present, but not the year of signing. The G.A.B. staff opines that this statutory language and case law requires full dates to appear for every signature on recall petition sheets. This is an exception from the application of GAB Sec. 2.05(13), Wis. Adm. Code, which permits a filing officer to count signatures when identical dates for different electors are indicated by ditto marks or equivalents. As you may know, pursuant to GAB Sec. 2.09(1) and (5), Wis. Adm. Code, the regulations for the treatment and sufficiency of nomination papers found in GAB Sec. 2.05, Wis. Adm. Code, are incorporated by reference and apply to recall petitions. However, the language of GAB Sec. 2.05(13), Wis. Adm. Code, cannot override the specific language found in a statute, particularly Sec. 9.10(2)(e)1., Wis. Stats. This means that while a ditto mark or equivalent is acceptable for identical residential information on recall petition sheets, the same is not true for dates. The actual complete date (month, day and year) are required for each and every signature on recall petition sheets.

However, the G.A.B. staff opines that there is nothing in Sec. 9.10, Wis. Stats., which overrides the ability for a circulator or signer of a recall petition sheet to rehabilitate missing dates (ditto marked or equivalent included) by way of a correcting affidavit in compliance with GAB Sec. 2.05(4), Wis. Adm. Code. In addition, since a correcting affidavit by someone with personal knowledge of the correct information can be completed within 3 days of the day that the recall petition is offered for filing, the G.A.B. staff also opines that a circulator with personal knowledge may likewise correct missing or incomplete date or other information prior to offering the recall petition for filing. The G.A.B. staff has always advised that circulators may pre-populate all information but signatures on nomination papers and other petitions, including recall petitions, as well as enter all information but the signature for signers, so long as the circulator has personal knowledge of the correctness of the information entered.

SUBJECT: Recall Petition Challenge: Senator Dan Kapanke

Introduction:

Staff has prepared this Memorandum to summarize staff's review of the recall petition and any challenges, rebuttal, or reply thereto.

Legal Challenge:

A. Senator Kapanke's Legal Challenge to the Entirety of the Recall Petition

Senator Kapanke argues that only the Committee to Recall Kapanke has filed a registration statement as required by §9.10(2)(d), Wis. Stats., but that the Petitioner, Patrick Scheller, has failed to do so. Senator Kapanke argues that the Petitioner's act of properly registering according to the requirements of §9.10(2)(d), Wis. Stats., is critical to the sufficiency of a recall petition because the Petitioner may not circulate a petition "prior to completing registration." Essentially, Senator Kapanke argues that since the Petitioner, Patrick Scheller, has yet to file a registration statement, the 60-day circulation period has not begun and no signatures offered for filing may be counted. Senator Kapanke argues that the failure of the Petitioner to file a registration statement as the recall petitioner, a mandatory statutory requirement, is fatal to the entirety of the recall petition therefore the G.A.B. should issue a certificate of insufficiency of the recall petition.

The “Memorandum of Law in Support of Senator Dan Kapanke’s Written Challenge to the Recall Petition Offered for Filing on April 1, 2011” and “Senator Kapanke’s Reply in Support of his Written Challenge to the Recall Petition Offered for Filing on April 1, 2011” can be found on the G.A.B. website at: <http://gab.wi.gov/node/1671>.

B. Petitioner’s Rebuttal to Senator Kapanke’s Legal Challenge

The Petitioner, Patrick Scheller, argues that the G.A.B. accepted his registration statement and appended statement of intent to circulate a recall petition in compliance with Board policy as prescribed by the Board manual entitled Recall of Congressional, County and State Officials (June 2009.) The Petitioner argues that he is a representative of the Committee to Recall Kapanke and that he is the constitutionally and statutorily required qualified elector eligible to circulate a recall petition.

The Petitioner argues that the Wisconsin Constitution guarantees the right of electors to seek the recall of their elected officials and statutory provisions related to recalls are to be liberally interpreted in favor of the electorate. Finally, the Petitioner notes that §5.01(1), Wis. Stats., provides that the construction of chs. 5 -12, Wis. Stats., “shall give effect to the will of the electors, if that can be ascertained from the proceedings, notwithstanding informality or failure to fully comply with some of its provisions.” The Petitioner requests that the Board order a recall election for Senator Kapanke.

The “Petitioner’s Rebuttal of Senator Kapanke’s Challenges to Petitions” can be found on the G.A.B. website at: <http://gab.wi.gov/node/1671>. (PDF entitled--2011_04_19 JPL to Kennedy (GAB) encl Pet Rebuttal.pdf)

C. Analysis:

The Wisconsin Constitution, Article XIII, Section 12, establishes in detail the rights of qualified electors of the state, of any congressional, judicial or legislative district or of any county to petition for the recall of any incumbent elective officer after the first year of the term for which the incumbent was elected. To demand the recall of an incumbent, the qualified electors file a petition with the filing officer with whom the officer filed his or her nomination petition to the office. The recall petition must be signed by electors equaling at least twenty-five percent of the vote cast for the office of governor at the last preceding election in the district which the incumbent represents. (Article XIII, Section 12(1)). Article XIII, Section 12(7) specifically provides: “This section shall be self-executing and mandatory. Laws may be enacted to facilitate its operation but no law shall be enacted to hamper, restrict or impair the right of recall.” The Wisconsin Constitution continues in Article XIII, Section 12(2-6), to prescribe very specific details of the recall process as follows:

--The date for the recall election: the Tuesday of the 6th week after the date of filing the petition.

--The fact that the incumbent continues to perform the duties of the office until the recall election results are officially declared.

--The incumbent is automatically a candidate for the recall election, unless he or she declines within 10 days after the filing of the petition.

--Other candidates for the recall election may file for the office in the manner provided by law for special elections.

--When 2 or more persons compete for a nonpartisan office, a recall primary shall be held, except that if any candidate receives a majority of the total number of votes cast in the recall primary, that candidate shall assume the office and a recall election shall not be held.

--For any partisan office, a recall primary shall be held for each political party from which more than one candidate competes for the party's nomination in the recall election and specifies that independent candidates shall be shown on the ballot for the recall election only.

--When a recall primary is required, the Tuesday of the 6th week after the date of filing the petition shall be the date of the recall primary and the recall election shall be held on the Tuesday of the 4th week after the recall primary.

--The person who receives the highest number of votes in the recall election shall be elected for the remainder of the term.

--After one such petition and recall election, no further recall petition shall be filed against the same officer during the term for which he or she was elected.

This constitutional right for qualified electors to recall incumbent elective officers was created in 1926 and amended once in 1981. This is not an insignificant constitutional right. Past Legislatures enacted §9.10, Wis. Stats., and its precursors, to facilitate the operation of Article XIII, Section 12, of the Wisconsin Constitution. In fact, §9.10(7), Wis. Stats., specifically states: "The purpose of this section is to facilitate the operation of Article XIII, Section 12, of the Constitution and to extend the same rights to electors of cities, villages, towns, town sanitary districts, and school districts." (For a detailed history of §9.10, Wis. Stats., see *Recall of Certain Officials of City of Delafield v. Jensen*, 63, Wis.2d 362, 369-371, 217 N.W.2d 277 (Wis. 1974)).

When construing election laws, one must begin with the fundamental principle that the will of the electorate is to be furthered. *Stahovic v. Rajchel*, 122 Wis.2d 370, 376, 363 N.W.2d 243 (Wis. Ct. App. 1984). "Except as otherwise provided, chs.5 to 12 shall be construed to give effect to the will of the electors, if that can be ascertained from the proceedings, notwithstanding informality or failure to comply with some of their provisions." §5.01(1), Wis. Stats. "The object of election laws is to secure the rights of duly qualified electors and not to defeat them." *Stahovic*, 122 Wis.2d at 376 (citing *State ex rel. Dithmar v. Bunnell*, 131 Wis. 198, 206, 110 N.W. 177 (Wis. 1907)). A review of Wisconsin case law demonstrates that substantial, and not literal, compliance with election laws has been deemed consistent with §5.01(1), Wis. Stats., and the appellate courts have consistently construed the provisions of election statutes as directory, rather than mandatory, so as to preserve the will of the elector. *Id.* at 377. However, filing deadlines have consistently been treated as mandatory. *Ahlgrimm v. S.E.B.*, 82 Wis.2d 585, 592, 263 N.W.2d 152 (Wis. 1978)(filing nomination papers with the correct filing officer and timely is mandatory.)

“Generally, statutory provisions relating to recall are liberally interpreted in favor of the electorate.” *Id.* at 374. See also *Beckstrom v. Kornsi*, 63 Wis.2d 375, 388, 217 N.W.2d 283 (Wis. 1974); *Matter of Recall of Redner v. Berning*, 153 Wis.2d 383, 388, 450 N.W.2d 808 (Wis. Ct. App. 1989); *Carlson v. Jones*, 147 Wis.2d 630, 636, 433 N.W.2d 635 (Wis. Ct. App. 1988); *Matter of Recall of Haase v. Angove*, 120 Wis.2d 40, 46, 353 N.W.2d 821 (Wis. Ct. App. 1984). The statutory requirements for preparation, signing, and execution of petitions for recall are directory rather than mandatory. *Matter of Recall of Redner*, 153 Wis.2d at 390. See also *Jensen v. Miesbauer*, 121 Wis.2d 467, 469, 360 N.W.2d 535 (Wis. Ct. App. 1984). Only substantial compliance with the recall procedure is necessary and that merely requires the petitions to be circulated in a manner that protects against fraud and assures the signers knew the contents of the petitions. *Id.* at 390-91. See also *Matter of Recall of Haase*, 120 Wis.2d at 46.

Section 9.01(2)(d), Wis. Stats., does state that “no petition may be offered for filing for the recall of an officer unless the petitioner first files a registration statement under §11.05(1) or (2), Wis. Stats.” Section 11.05(1), Wis. Stats., requires a committee to file a registration statement with the G.A.B., if the committee makes or accepts contributions, incurs obligations, or makes disbursements exceeding \$25 in a calendar year. A committee is defined, in part, as any person other than an individual and any combination of two or more persons which makes or accepts contributions or makes disbursements. §11.01(4), Wis. Stats. Except as provided in §9.10(2)(d), Wis. Stats., §11.05(2) requires any individual who makes or accepts contributions, incurs obligations, or makes disbursements exceeding \$25 in a calendar year to support the election nor nomination of a candidate an election to file a registration statement.

Section 9.01(2)(d), Wis. Stats., further states that “the petitioner shall append to the registration a statement indicating his or her intent to circulate a recall petition” and the name of the officer for whom recall is sought. §9.01(2)(d), Wis. Stats. Finally, “no petitioner may circulate a petition for the recall of an officer prior to completing registration.” *Id.*

Pursuant to §5.05(1), Wis. Stats., the G.A.B. has the general authority for the responsibility of the administration of chs. 5 -12, which specifically includes §9.10, Wis. Stats., relating to recalls. Pursuant to this general authority, the G.A.B. has approved a manual entitled Recall of Congressional, County and State Officials (June 2009). The most recent version of this manual was approved by the G.A.B. on June 22, 2009. The manual provides guidance regarding the application of §9.10, Wis. Stats., relating to recalls. On page 10 of the manual, the G.A.B. advises: “The filing of a Campaign Registration Statement (GAB-1) containing a declaration of intent to circulate a recall petition is treated as registration for campaign finance disclosure purposes.” Furthermore, in the manual’s Glossary of Terms at page 11, “registration” as used in §9.10(2)(d), Wis. Stats., is defined as: “The act of filing a Campaign Registration Statement (GAB-1) with the appropriate filing officer along with a Statement of Intent to Recall, which includes the name of the officeholder and the reason for recall.” Therefore, the Board’s policy has long been that the “registration” constitutes the total of the GAB 1 form campaign finance registration statement along with the Statement of Intent to Recall.

In the instant matter, there is no dispute that the Petitioner, Patrick Scheller, filed the petition to recall Senator Kapanke with the correct filing officer and within the statutory 60-day deadline for doing so. The Petitioner has satisfied the only arguable mandatory requirements of §9.10(2)(d), Wis. Stats.

Senator Kapanke does raise an argument that the Petitioner never completed the registration requirement of §9.10(2)(d), Wis. Stats., therefore the 60-day time period for circulation has not yet begun; however, registration was in fact completed on March 2, 2011. There is no dispute that the Committee to Recall Kapanke filed a GAB 1 form campaign registration statement on March 2, 2011, identifying Peter Larson as the Treasurer. There is no dispute that §9.10(2)(d), Wis. Stats., permits a recall petitioner to file a registration statement in the form of a committee pursuant to §11.05(1), Wis. Stats. There is no dispute that appended to the Committee to Recall Kapanke GAB 1 form campaign finance registration statement and filed concurrently was Petitioner Patrick Scheller's Statement of Intent to Circulate Recall Petition, which indicated specifically his intent to circulate a recall petition against Senator Kapanke. There is no dispute that Peter Larson and Patrick Scheller are two persons, two individuals. There is no dispute that this meets the definition of committee pursuant to §11.01(4), Wis. Stats. There can be no dispute that "appended" means "to add as a supplement or appendix." Therefore, Petitioner Patrick Scheller did in fact complete the registration required by §9.10(2)(d), Wis. Stats., because the Statement of Intent to Circulate Recall Petition was appended to the GAB 1 form campaign finance registration statement for the Committee to Recall Kapanke and constitutes a supplement thereto.

Liberalistically construing the directory requirement of §9.10(2)(d), Wis. Stats., for a petitioner to file a registration, the petitioner has appended to the registration filed by the Committee to Recall Kapanke a statement of his intent to circulate a recall petition. The registration constitutes the total of the GAB 1 form campaign finance registration statement for the Committee to Recall Kapanke AND the Statement of Intent to Circulate Recall Petition. Even if one would determine that the GAB 1 form campaign finance registration statement from the Committee to Recall Kapanke was a separate and distinct document from the Statement of Intent to Circulate Recall Petition filed concurrently by Petitioner Patrick Scheller, the Petitioner has substantially complied with the registration required by §9.10(2)(d), Wis. Stats. Liberalistically construing the statute and to give effect to the will of the substantial numbers of the electorate having signed the recall petition, failure to include Petitioner Patrick Scheller's name on the GAB 1 form campaign finance registration statement is not fatal to the registration because the Petitioner's name and signature were appended to the GAB 1, which substantially complies with the registration requirement of §9.10(2)(d), Wis. Stats.

Interestingly, counsel for Senator Kapanke has in a separate matter concluded that the registration statement requirements of §9.10(2)(d), Wis. Stats., are satisfied when a Statement of Intent to Circulate a Recall Petition (signed by the Petitioner) is attached to a GAB 1 form campaign finance registration statement for a recall committee (absent the Petitioner's name.) See *Rebuttal to Memorandum in Response to Senator Jim Holperin's Challenge*, page 1. There, counsel for Senator Kapanke represents a recall committee and petitioner having circulated a petition against a State Senator. The Jim Holperin Recall Committee filed a GAB 1 form campaign finance registration statement and identified Donna Goeddaeus as the treasurer. In addition, Kim Simac signed a Statement of Intent to Circulate Recall Petition as the recall petitioner; however, Ms. Simac's name does not appear anywhere on the GAB 1 form campaign finance registration statement filed by the Jim Holperin Recall Committee. In describing the background of that recall matter in his Memorandum in Response to Senator Jim Holperin's Challenge, counsel specifically states: "On February 22, 2011, Kim Simac filed with the G.A.B. a statement of her intention to circulate a petition seeking the recall of State Senator Jim Holperin and registered Jim Holperin Recall Committee as a recall committee.

Having satisfied the registration requirements of §9.10(2)(d), Wis. Stats., this filing began the statutory 60-day time period within which Ms. Simac could circulate the Recall Petition.”

D. Conclusion:

In the context of a specific constitutional right for qualified electors to recall a legislative officer, the constitutional provision prohibiting enactment of laws that hamper, restrict or impair the right of recall, legislative intent as adopted in statute establishing the fundamental principle to give effect to the will of the electors, overwhelming precedent establishing the principle that statutory provisions relating to recall are to be liberally construed, overwhelming precedent establishing the principle that the requirements for preparation, signing and execution of petitions for recall are directory rather than mandatory, and longstanding policy of the G.A.B. (and former State Elections Board,) it is clear that Senator Kapanke’s legal challenge to the recall petition must fail.

Factual Challenges of Individual Signatures:

A total of 15,588 valid recall petition signatures were required for a certification of sufficiency to recall Senator Kapanke. Following staff’s first and second reviews of the recall petition, a total of 21,868 valid signatures were verified.

Staff has prepared an exhibit that follows this Memorandum. If specific challenged signatures are not identified in staff’s exhibit, staff has already struck the signatures after completing its first and second review of the petition and for the same reason as the challenge.

Signatures identified by page and line number in staff’s exhibit were reviewed more thoroughly as a result of the challenges.

For any signatures shaded in red, staff recommends that the Board affirm the challenge and strike the signatures, reducing staff’s verified number of signatures in the same amount.

For any signatures shaded in yellow, staff recommends that the Board deny the challenge for the reasons stated. (If the Board does not adopt staff’s recommendation and affirms a challenge to any of the signatures shaded in yellow, those signatures should be struck and staff’s verified number of signatures must be reduced in the same amount.)

For any signatures shaded in green, staff recommends that the Board deny the challenge as the signatures were already struck after completing the first and second review of the petition, but for a different reason than the challenge.

A. Failure to Date Signatures:

Challenges of 88 individual signatures for failure to provide a date are set forth in Exhibit A of the Affidavit of John W. Hogan.

Based upon the challenges and staff’s reviews, staff recommends that the Board affirm the challenges and strike the 2 signatures identified in staff’s exhibit, shaded in red.

After the first and second review and considering these challenges, staff recommends that the Board accept the 4 signatures identified in staff's exhibit, shaded in yellow, and deny the challenges.

In the first and second review by staff, 7 challenged signatures shaded in green were already struck by staff, but for a different reason than the challenge. Therefore, no change in staff's verified total is warranted.

Recommendation—Reduce Verified Total by 2

B. Signatures Outside Circulation Period:

Challenges of 6 individual signatures having fallen outside the circulation period are set forth in Exhibit B of the Affidavit of John W. Hogan.

After the first and second review and considering these challenges, staff recommends that the Board accept the 1 signature identified in staff's exhibit, shaded in yellow, and deny the challenge.

Recommendation—No Change

C. Signatures Dated Subsequent to Date of Circulator's Certification:

Challenges of 47 individual signatures dated subsequent to the date of the circulator's certification are set forth in Exhibit C of the Affidavit of John W. Hogan.

Based upon the challenges and staff's reviews, staff recommends that the Board affirm the challenges and strike the 7 signatures identified in staff's exhibit, shaded in red.

After the first and second review and considering these challenges, staff recommends that the Board accept the 14 signatures identified in staff's exhibit, shaded in yellow, and deny the challenges.

In the first and second review by staff, 3 challenged signatures shaded in green were already struck by staff, but for a different reason than the challenge. Therefore, no change in staff's verified total is warranted.

Recommendation—Reduce Verified Total by 7

D. Inability to Determine Residency by Address Provided:

Challenges of 148 individual signatures for inability to determine residency by address provided are set forth in Exhibit D of the Affidavit of John W. Hogan.

Based upon the challenges and staff's reviews, staff recommends that the Board affirm the challenges and strike the 1 signature identified in staff's exhibit, shaded in red.

After the first and second review and considering these challenges, staff recommends that the Board accept the 20 signatures identified in staff's exhibit, shaded in yellow, and deny the challenges.

In the first and second review by staff, 7 challenged signatures shaded in green were already struck by staff, but for a different reason than the challenge. Therefore, no change in staff's verified total is warranted.

Recommendation—Reduce Verified Total by 1

E. Signatures from Persons Outside the 32nd Senate District:

Challenges of 273 individual signatures from persons outside the 32nd Senate District are set forth in Exhibit E of the Affidavit of John W. Hogan.

Based upon the challenges and staff's reviews, staff recommends that the Board affirm the challenges and strike the 2 signatures identified in staff's exhibit, shaded in red.

After the first and second review and considering these challenges, staff recommends that the Board accept the 7 signatures identified in staff's exhibit, shaded in yellow, and deny the challenges.

In the first and second review by staff, 3 challenged signatures shaded in green were already struck by staff, but for a different reason than the challenge. Therefore, no change in staff's verified total is warranted.

Recommendation—Reduce Verified Total by 2

F. Signatures from Unqualified Electors:

Challenges of 12 individual signatures from unqualified electors are set forth in Exhibit F of the Affidavit of John W. Hogan. During the first and second reviews, staff does not examine the elector qualification and eligibility of persons having signed the recall petition.

Based upon the challenges and staff's reviews, staff recommends that the Board affirm the challenges and strike the 12 signatures identified in staff's exhibit, shaded in red.

Recommendation—Reduce Verified Total by 12

G. Duplicate Signatures:

Challenges of 46 individual signatures that have a duplicate (totaling 92) are set forth in Exhibit G of the Affidavit of John W. Hogan. During the first and second reviews, staff does not examine the recall petition for duplicate signatures.

Based upon the challenges and staff's reviews, staff recommends that the Board affirm the challenges and strike the 46 signatures identified in staff's exhibit, shaded in red.

After the first and second review and considering these challenges, staff recommends that the Board accept the 46 signatures identified in staff's exhibit, shaded in yellow, and deny the challenges. Pursuant to statute and administrative code, the first signature should be included in the total and the Board's approval of the yellow-shaded signatures counts one instance of each.

Recommendation—Reduce Verified Total by 46

H. Petition Pages Improperly Certified by Circulator:

Challenges of 44 petition pages containing 293 individual signatures improperly certified by the circulator are set forth in Exhibit H of the Affidavit of John W. Hogan.

Based upon the challenges and staff's reviews, staff recommends that the Board affirm the challenges and strike the 3 petition pages containing 22 signatures identified in staff's exhibit, shaded in red.

After the first and second review and considering these challenges, staff recommends that the Board accept the 1 petition page containing 10 signatures identified in staff's exhibit, shaded in yellow, and deny the challenges.

Recommendation—Reduce Verified Total by 22

I. Failure to Sign:

Challenges that 11 individual signatures do not exist and are set forth in Exhibit I of the Affidavit of John W. Hogan.

After the first and second review and considering these challenges, staff recommends that the Board accept the 7 signatures identified in staff's exhibit, shaded in yellow, and deny the challenges.

In the first and second review by staff, 1 challenged signature shaded in green was already struck by staff, but for a different reason than the challenge. Therefore, no change in staff's verified total is warranted.

Recommendation—No Change

Summary of Recommendations:

Staff recommends that the Board deny Senator Kapanke's legal challenge to the whole of the recall petition and affirm or deny the challenges to individual signatures as set forth more fully in the motions below.

Staff recommends that the Board affirm challenges to 92 individual recall petition signatures, deny challenges to 109 individual recall petition signatures, and certify sufficiency of the recall petition with 21,776 valid signatures.

Proposed Motions:

MOTION: Adopt staff's legal analysis and deny Senator Kapanke's legal challenge to the whole of the recall petition.

MOTION: Affirm challenges to 92 individual recall petition signatures and deny challenges to 109 individual recall petition signatures for the reasons stated in staff's exhibit.

MOTION: Verify 21,776 valid recall petition signatures.

MOTION: Direct staff to file the recall petition and attach a certificate of sufficiency on May 31, 2011 but no later than June 3, 2011 and call a recall election for July 12, 2011.

MEMORANDUM

DATE: For the May 23, 2011 Meeting

TO: Members, Wisconsin Government Accountability Board

FROM: Kevin J. Kennedy
Director and General Counsel
Government Accountability Board

Nathaniel E. Robinson
Elections Division Administrator
Government Accountability Board

Prepared and Presented by:

Shane W. Falk, Staff Counsel
David Buerger, Elections Specialist

SUBJECT: Recall Petition Challenge: Senator Randy Hopper

Introduction:

Staff has prepared this Memorandum to summarize staff's review of the recall petition and any challenges, rebuttal, or reply thereto.

Legal Challenge:

A. Senator Hopper's Legal Challenge to the Entirety of the Recall Petition

Senator Hopper argues that only the Committee to Recall Hopper has filed a registration statement as required by §9.10(2)(d), Wis. Stats., but that the Petitioner, Scott Dillman, has failed to do so. Senator Hopper argues that the Petitioner's act of properly registering according to the requirements of §9.10(2)(d), Wis. Stats., is critical to the sufficiency of a recall petition because the Petitioner may not circulate a petition "prior to completing registration." Essentially, Senator Hopper argues that since the Petitioner, Scott Dillman, has yet to file a registration statement, the 60-day circulation period has not begun and no signatures offered for filing may be counted. Senator Hopper argues that the failure of the Petitioner to file a registration statement as the recall petitioner, a mandatory statutory requirement, is fatal to the entirety of the recall petition therefore the G.A.B. should issue a certificate of insufficiency of the recall petition.

The “Memorandum of Law in Support of Senator Randy Hopper’s Written Challenge to the Recall Petition Offered for Filing on April 7, 2011” and “Senator Hopper’s Reply in Support of his Written Challenge to the Recall Petition Offered for Filing on April 7, 2011” can be found on the G.A.B. website at: <http://gab.wi.gov/node/1662>.

B. Petitioner’s Rebuttal to Senator Hopper’s Legal Challenge

The Petitioner, Scott Dillman, argues that the G.A.B. accepted his registration statement and appended statement of intent to circulate a recall petition in compliance with Board policy as prescribed by the Board manual entitled Recall of Congressional, County and State Officials (June 2009.) The Petitioner argues that he is a representative of the Committee to Recall Hopper and that he is the constitutionally and statutorily required qualified elector eligible to circulate a recall petition.

The Petitioner argues that the Wisconsin Constitution guarantees the right of electors to seek the recall of their elected officials and statutory provisions related to recalls are to be liberally interpreted in favor of the electorate. Finally, the Petitioner notes that §5.01(1), Wis. Stats., provides that the construction of chs. 5 -12, Wis. Stats., “shall give effect to the will of the electors, if that can be ascertained from the proceedings, notwithstanding informality or failure to fully comply with some of its provisions.” The Petitioner requests that the Board order a recall election for Senator Hopper.

The “Petitioner’s Rebuttal of Senator Hopper’s Challenges to Petitions” can be found on the G.A.B. website at: <http://gab.wi.gov/node/1662>.

C. Analysis:

The Wisconsin Constitution, Article XIII, Section 12, establishes in detail the rights of qualified electors of the state, of any congressional, judicial or legislative district or of any county to petition for the recall of any incumbent elective officer after the first year of the term for which the incumbent was elected. To demand the recall of an incumbent, the qualified electors file a petition with the filing officer with whom the officer filed his or her nomination petition to the office. The recall petition must be signed by electors equaling at least twenty-five percent of the vote cast for the office of governor at the last preceding election in the district which the incumbent represents. (Article XIII, Section 12(1)). Article XIII, Section 12(7) specifically provides: “This section shall be self-executing and mandatory. Laws may be enacted to facilitate its operation but no law shall be enacted to hamper, restrict or impair the right of recall.” The Wisconsin Constitution continues in Article XIII, Section 12(2-6), to prescribe very specific details of the recall process as follows:

--The date for the recall election: the Tuesday of the 6th week after the date of filing the petition.

--The fact that the incumbent continues to perform the duties of the office until the recall election results are officially declared.

--The incumbent is automatically a candidate for the recall election, unless he or she declines within 10 days after the filing of the petition.

--Other candidates for the recall election may file for the office in the manner provided by law for special elections.

--When 2 or more persons compete for a nonpartisan office, a recall primary shall be held, except that if any candidate receives a majority of the total number of votes cast in the recall primary, that candidate shall assume the office and a recall election shall not be held.

--For any partisan office, a recall primary shall be held for each political party from which more than one candidate competes for the party's nomination in the recall election and specifies that independent candidates shall be shown on the ballot for the recall election only.

--When a recall primary is required, the Tuesday of the 6th week after the date of filing the petition shall be the date of the recall primary and the recall election shall be held on the Tuesday of the 4th week after the recall primary.

--The person who receives the highest number of votes in the recall election shall be elected for the remainder of the term.

--After one such petition and recall election, no further recall petition shall be filed against the same officer during the term for which he or she was elected.

This constitutional right for qualified electors to recall incumbent elective officers was created in 1926 and amended once in 1981. This is not an insignificant constitutional right. Past Legislatures enacted §9.10, Wis. Stats., and its precursors, to facilitate the operation of Article XIII, Section 12, of the Wisconsin Constitution. In fact, §9.10(7), Wis. Stats., specifically states: "The purpose of this section is to facilitate the operation of Article XIII, Section 12, of the Constitution and to extend the same rights to electors of cities, villages, towns, town sanitary districts, and school districts." (For a detailed history of §9.10, Wis. Stats., see *Recall of Certain Officials of City of Delafield v. Jensen*, 63, Wis.2d 362, 369-371, 217 N.W.2d 277 (Wis. 1974)).

When construing election laws, one must begin with the fundamental principle that the will of the electorate is to be furthered. *Stahovic v. Rajchel*, 122 Wis.2d 370, 376, 363 N.W.2d 243 (Wis. Ct. App. 1984). "Except as otherwise provided, chs.5 to 12 shall be construed to give effect to the will of the electors, if that can be ascertained from the proceedings, notwithstanding informality or failure to comply with some of their provisions." §5.01(1), Wis. Stats. "The object of election laws is to secure the rights of duly qualified electors and not to defeat them." *Stahovic*, 122 Wis.2d at 376 (citing *State ex rel. Dithmar v. Bunnell*, 131 Wis. 198, 206, 110 N.W. 177 (Wis. 1907)). A review of Wisconsin case law demonstrates that substantial, and not literal, compliance with election laws has been deemed consistent with §5.01(1), Wis. Stats., and the appellate courts have consistently construed the provisions of election statutes as directory, rather than mandatory, so as to preserve the will of the elector. *Id.* at 377. However, filing deadlines have consistently been treated as mandatory. *Ahlgrimm v. S.E.B.*, 82 Wis.2d 585, 592, 263 N.W.2d 152 (Wis. 1978)(filing nomination papers with the correct filing officer and timely is mandatory.)

“Generally, statutory provisions relating to recall are liberally interpreted in favor of the electorate.” *Id.* at 374. See also *Beckstrom v. Kornsi*, 63 Wis.2d 375, 388, 217 N.W.2d 283 (Wis. 1974); *Matter of Recall of Redner v. Berning*, 153 Wis.2d 383, 388, 450 N.W.2d 808 (Wis. Ct. App. 1989); *Carlson v. Jones*, 147 Wis.2d 630, 636, 433 N.W.2d 635 (Wis. Ct. App. 1988); *Matter of Recall of Haase v. Angove*, 120 Wis.2d 40, 46, 353 N.W.2d 821 (Wis. Ct. App. 1984). The statutory requirements for preparation, signing, and execution of petitions for recall are directory rather than mandatory. *Matter of Recall of Redner*, 153 Wis.2d at 390. See also *Jensen v. Miesbauer*, 121 Wis.2d 467, 469, 360 N.W.2d 535 (Wis. Ct. App. 1984). Only substantial compliance with the recall procedure is necessary and that merely requires the petitions to be circulated in a manner that protects against fraud and assures the signers knew the contents of the petitions. *Id.* at 390-91. See also *Matter of Recall of Haase*, 120 Wis.2d at 46.

Section 9.01(2)(d), Wis. Stats., does state that “no petition may be offered for filing for the recall of an officer unless the petitioner first files a registration statement under §11.05(1) or (2), Wis. Stats.” Section 11.05(1), Wis. Stats., requires a committee to file a registration statement with the G.A.B., if the committee makes or accepts contributions, incurs obligations, or makes disbursements exceeding \$25 in a calendar year. A committee is defined, in part, as any person other than an individual and any combination of two or more persons which makes or accepts contributions or makes disbursements. §11.01(4), Wis. Stats. Except as provided in §9.10(2)(d), Wis. Stats., §11.05(2) requires any individual who makes or accepts contributions, incurs obligations, or makes disbursements exceeding \$25 in a calendar year to support the election nor nomination of a candidate an election to file a registration statement.

Section 9.01(2)(d), Wis. Stats., further states that “the petitioner shall append to the registration a statement indicating his or her intent to circulate a recall petition” and the name of the officer for whom recall is sought. §9.01(2)(d), Wis. Stats. Finally, “no petitioner may circulate a petition for the recall of an officer prior to completing registration.” *Id.*

Pursuant to §5.05(1), Wis. Stats., the G.A.B. has the general authority for the responsibility of the administration of chs. 5 -12, which specifically includes §9.10, Wis. Stats., relating to recalls. Pursuant to this general authority, the G.A.B. has approved a manual entitled Recall of Congressional, County and State Officials (June 2009). The most recent version of this manual was approved by the G.A.B. on June 22, 2009. The manual provides guidance regarding the application of §9.10, Wis. Stats., relating to recalls. On page 10 of the manual, the G.A.B. advises: “The filing of a Campaign Registration Statement (GAB-1) containing a declaration of intent to circulate a recall petition is treated as registration for campaign finance disclosure purposes.” Furthermore, in the manual’s Glossary of Terms at page 11, “registration” as used in §9.10(2)(d), Wis. Stats., is defined as: “The act of filing a Campaign Registration Statement (GAB-1) with the appropriate filing officer along with a Statement of Intent to Recall, which includes the name of the officeholder and the reason for recall.” Therefore, the Board’s policy has long been that the “registration” constitutes the total of the GAB 1 form campaign finance registration statement along with the Statement of Intent to Recall.

In the instant matter, there is no dispute that the Petitioner, Scott Dillman, filed the petition to recall Senator Hopper with the correct filing officer and within the statutory 60-day deadline for doing so. The Petitioner has satisfied the only arguable mandatory requirements of §9.10(2)(d), Wis. Stats.

Senator Hopper does raise an argument that the Petitioner never completed the registration requirement of §9.10(2)(d), Wis. Stats., therefore the 60-day time period for circulation has not yet begun; however, registration was in fact completed on March 2, 2011. There is no dispute that the Committee to Recall Hopper filed a GAB 1 form campaign registration statement on March 2, 2011, identifying Peter Larson as the Treasurer. There is no dispute that §9.10(2)(d), Wis. Stats., permits a recall petitioner to file a registration statement in the form of a committee pursuant to §11.05(1), Wis. Stats. There is no dispute that appended to the Committee to Recall Hopper GAB 1 form campaign finance registration statement and filed concurrently was Petitioner Scott Dillman's Statement of Intent to Circulate Recall Petition, which indicated specifically his intent to circulate a recall petition against Senator Hopper. There is no dispute that Peter Larson and Scott Dillman are two persons, two individuals. There is no dispute that this meets the definition of committee pursuant to §11.01(4), Wis. Stats. There can be no dispute that "appended" means "to add as a supplement or appendix." Therefore, Petitioner Scott Dillman did in fact complete the registration required by §9.10(2)(d), Wis. Stats., because the Statement of Intent to Circulate Recall Petition was appended to the GAB 1 form campaign finance registration statement for the Committee to Recall Hopper and constitutes a supplement thereto.

Liberalistically construing the directory requirement of §9.10(2)(d), Wis. Stats., for a petitioner to file a registration, the petitioner has appended to the registration filed by the Committee to Recall Hopper a statement of his intent to circulate a recall petition. The registration constitutes the total of the GAB 1 form campaign finance registration statement for the Committee to Recall Hopper AND the Statement of Intent to Circulate Recall Petition. Even if one would determine that the GAB 1 form campaign finance registration statement from the Committee to Recall Hopper was a separate and distinct document from the Statement of Intent to Circulate Recall Petition filed concurrently by Petitioner Scott Dillman, the Petitioner has substantially complied with the registration required by §9.10(2)(d), Wis. Stats. Liberalistically construing the statute and to give effect to the will of the substantial numbers of the electorate having signed the recall petition, failure to include Petitioner Scott Dillman's name on the GAB 1 form campaign finance registration statement is not fatal to the registration because the Petitioner's name and signature were appended to the GAB 1, which substantially complies with the registration requirement of §9.10(2)(d), Wis. Stats.

Interestingly, counsel for Senator Hopper has in a separate matter concluded that the registration statement requirements of §9.10(2)(d), Wis. Stats., are satisfied when a Statement of Intent to Circulate a Recall Petition (signed by the Petitioner) is attached to a GAB 1 form campaign finance registration statement for a recall committee (absent the Petitioner's name.) See *Rebuttal to Memorandum in Response to Senator Jim Holperin's Challenge*, page 1. There, counsel for Senator Hopper represents a recall committee and petitioner having circulated a petition against a State Senator. The Jim Holperin Recall Committee filed a GAB 1 form campaign finance registration statement and identified Donna Goeddaeus as the treasurer. In addition, Kim Simac signed a Statement of Intent to Circulate Recall Petition as the recall petitioner; however, Ms. Simac's name does not appear anywhere on the GAB 1 form campaign finance registration statement filed by the Jim Holperin Recall Committee. In describing the background of that recall matter in his Memorandum in Response to Senator Jim Holperin's Challenge, counsel specifically states: "On February 22, 2011, Kim Simac filed with the G.A.B. a statement of her intention to circulate a petition seeking the recall of State Senator Jim Holperin and registered Jim Holperin Recall Committee as a recall committee.

Having satisfied the registration requirements of §9.10(2)(d), Wis. Stats., this filing began the statutory 60-day time period within which Ms. Simac could circulate the Recall Petition.”

D. Conclusion:

In the context of a specific constitutional right for qualified electors to recall a legislative officer, the constitutional provision prohibiting enactment of laws that hamper, restrict or impair the right of recall, legislative intent as adopted in statute establishing the fundamental principle to give effect to the will of the electors, overwhelming precedent establishing the principle that statutory provisions relating to recall are to be liberally construed, overwhelming precedent establishing the principle that the requirements for preparation, signing and execution of petitions for recall are directory rather than mandatory, and longstanding policy of the G.A.B. (and former State Elections Board,) it is clear that Senator Hopper’s legal challenge to the recall petition must fail.

Factual Challenges of Individual Signatures:

A total of 15,269 valid recall petition signatures were required for a certification of sufficiency to recall Senator Hopper. Following staff’s first and second reviews of the recall petition, a total of 23,127 valid signatures were verified.

Staff has prepared an exhibit that follows this Memorandum. If specific challenged signatures are not shaded in staff’s exhibit, staff has already struck the signatures after completing its first and second review of the petition and for the same reason as the challenge.

Signatures identified by page and line number in staff’s exhibit were reviewed more thoroughly as a result of the challenges.

For any signatures shaded in red, staff recommends that the Board affirm the challenge and strike the signatures, reducing staff’s verified number of signatures in the same amount.

For any signatures shaded in yellow, staff recommends that the Board deny the challenge for the reasons stated. (If the Board does not adopt staff’s recommendation and affirms a challenge to any of the signatures shaded in yellow, those signatures should be struck and staff’s verified number of signatures must be reduced in the same amount.)

For any signatures shaded in green, staff recommends that the Board deny the challenge as the signatures were already struck after completing the first and second review of the petition, but for a different reason than the challenge.

A. Failure to Date Signatures:

Challenges of 148 individual signatures for failure to provide a date are set forth in Exhibit A of the Affidavit of John W. Hogan.

Based upon the challenges and staff’s reviews, staff recommends that the Board affirm the challenges and strike the 1 signature identified in staff’s exhibit, shaded in red.

After the first and second review and considering these challenges, staff recommends that the Board accept the 6 signatures identified in staff's exhibit, shaded in yellow, and deny the challenges.

In the first and second review by staff, 1 challenged signature shaded in green was already struck by staff, but for a different reason than the challenge. Therefore, no change in staff's verified total is warranted.

Recommendation—Reduce Verified Total by 1

B. Signatures Outside Circulation Period:

Challenges of 8 individual signatures having fallen outside the circulation period are set forth in Exhibit B of the Affidavit of John W. Hogan.

After the first and second review and considering these challenges, staff recommends that the Board accept the 2 signatures identified in staff's exhibit, shaded in yellow, and deny the challenges.

Recommendation—No Change

C. Signatures Dated Subsequent to Date of Circulator's Certification:

Challenges of 46 individual signatures dated subsequent to the date of the circulator's certification are set forth in Exhibit C of the Affidavit of John W. Hogan.

Based upon the challenges and staff's reviews, staff recommends that the Board affirm the challenges and strike the 4 signatures identified in staff's exhibit, shaded in red.

After the first and second review and considering these challenges, staff recommends that the Board accept the 14 signatures identified in staff's exhibit, shaded in yellow, and deny the challenges.

In the first and second review by staff, 1 challenged signature shaded in green was already struck by staff, but for a different reason than the challenge. Therefore, no change in staff's verified total is warranted.

Recommendation—Reduce Verified Total by 4

D. Inability to Determine Residency by Address Provided:

Challenges of 124 individual signatures for inability to determine residency by address provided are set forth in Exhibit D of the Affidavit of John W. Hogan.

Based upon the challenges and staff's reviews, staff recommends that the Board affirm the challenges and strike the 2 signatures identified in staff's exhibit, shaded in red.

After the first and second review and considering these challenges, staff recommends that the Board accept the 20 signatures identified in staff's exhibit, shaded in yellow, and deny the challenges.

Recommendation—Reduce Verified Total by 2

E. Signatures from Persons Outside the 18th Senate District:

Challenges of 332 individual signatures from persons outside the 18th Senate District are set forth in Exhibit E of the Affidavit of John W. Hogan.

Based upon the challenges and staff's reviews, staff recommends that the Board affirm the challenges and strike the 18 signatures identified in staff's exhibit, shaded in red.

After the first and second review and considering these challenges, staff recommends that the Board accept the 16 signatures identified in staff's exhibit, shaded in yellow, and deny the challenges.

In the first and second review by staff, 23 challenged signatures shaded in green were already struck by staff, but for a different reason than the challenge. Therefore, no change in staff's verified total is warranted.

Recommendation—Reduce Verified Total by 18

F. Signatures from Unqualified Electors:

Challenges of 23 individual signatures from unqualified electors are set forth in Exhibit F of the Affidavit of John W. Hogan. During the first and second reviews, staff does not examine the elector qualification and eligibility of persons having signed the recall petition.

Based upon the challenges and staff's reviews, staff recommends that the Board affirm the challenges and strike the 6 signatures identified in staff's exhibit, shaded in red.

In the first and second review by staff, 17 challenged signatures shaded in green were already struck by staff, but for a different reason than the challenge. Therefore, no change in staff's verified total is warranted.

Recommendation—Reduce Verified Total by 6

G. Duplicate Signatures:

Challenges of 143 individual signatures that have a duplicate (totaling 286) and 4 individual signatures are in triplicate (totaling 12) are set forth in Exhibit G of the Affidavit of John W. Hogan. During the first and second reviews, staff does not examine the recall petition for duplicate signatures.

Based upon the challenges and staff's reviews, staff recommends that the Board affirm the challenges and strike the 143 signatures identified in staff's exhibit, shaded in red.

After the first and second review and considering these challenges, staff recommends that the Board accept the 144 signatures identified in staff's exhibit, shaded in yellow, and deny the challenges. Pursuant to statute and administrative code, the first signature should be included in the total and the Board's approval of the yellow-shaded signatures counts one instance of each.

In the first and second review by staff, 3 challenged signatures shaded in green were already struck by staff, but for a different reason than the challenge. Therefore, no change in staff's verified total is warranted.

Recommendation—Reduce Verified Total by 143

H. Petition Pages Improperly Certified by Circulator:

Challenges of 9 petition pages containing 76 individual signatures improperly certified by the circulator are set forth in Exhibit H of the Affidavit of John W. Hogan.

After the first and second review and considering these challenges, staff recommends that the Board accept the 5 petition pages containing 50 signatures identified in staff's exhibit, shaded in yellow, and deny the challenges.

Recommendation—No Change

I. Failure to Sign:

Challenges that 19 individual signatures do not exist and are set forth in Exhibit I of the Affidavit of John W. Hogan.

After the first and second review and considering these challenges, staff recommends that the Board accept the 12 signatures identified in staff's exhibit, shaded in yellow, and deny the challenges.

In the first and second review by staff, 7 challenged signatures shaded in green were already struck by staff, but for a different reason than the challenge. Therefore, no change in staff's verified total is warranted.

Recommendation—No Change

J. Illegible or Multiple Signatures With Same Handwriting

Challenges of 25 individual signatures for illegibility or due to multiple signatures appearing to be the same handwriting and are set forth in Exhibit J of the Affidavit of John W. Hogan.

After the first and second review and considering these challenges, staff recommends that the Board accept the 23 signatures identified in staff's exhibit, shaded in yellow, and deny the challenges.

In the first and second review by staff, 2 challenged signatures shaded in green were already struck by staff, but for a different reason than the challenge. Therefore, no change in staff's verified total is warranted.

Recommendation—No Change

Summary of Recommendations:

Staff recommends that the Board deny Senator Hopper's legal challenge to the whole of the recall petition and affirm or deny the challenges to individual signatures as set forth more fully in the motions below.

Staff recommends that the Board affirm challenges to 174 individual recall petition signatures, deny challenges to 287 individual recall petition signatures, and certify sufficiency of the recall petition with 22,953 valid signatures.

Proposed Motions:

MOTION: Adopt staff's legal analysis and deny Senator Hopper's legal challenge to the whole of the recall petition.

MOTION: Affirm challenges to 174 individual recall petition signatures and deny challenges to 287 individual recall petition signatures for the reasons stated in staff's exhibit.

MOTION: Verify 22,953 valid recall petition signatures.

MOTION: Direct staff to file the recall petition and attach a certificate of sufficiency on May 31, 2011 but no later than June 3, 2011 and call a recall election for July 12, 2011.

MEMORANDUM

DATE: For the May 23, 2011 Meeting

TO: Members, Wisconsin Government Accountability Board

FROM: Kevin J. Kennedy

Elections Division Administrator

Prepared and Presented by:

SUBJECT: Recall Petition Challenge: Senator Luther Olsen

Introduction:

Staff has prepared this Memorandum to summarize staff's review of the recall petition and any challenges, rebuttal, or reply thereto.

Legal Challenge:

A. Senator Olsen's Legal Challenge to the Entirety of the Recall Petition

Senator Olsen argues that only the Committee to Recall Olsen has filed a registration statement as required by §9.10(2)(d), Wis. Stats., but that the Petitioner, Ann Schmidt, has failed to do so. Senator Olsen argues that the Petitioner's act of properly registering according to the requirements of §9.10(2)(d), Wis. Stats., is critical to the sufficiency of a recall petition because the Petitioner may not circulate a petition "prior to completing registration." Essentially, Senator Olsen argues that since the Petitioner, Ann Schmidt, has yet to file a registration statement, the 60-day circulation period has not begun and no signatures offered for filing may be counted. Senator Olsen argues that the failure of the Petitioner to file a registration statement as the recall petitioner, a mandatory statutory requirement, is fatal to the entirety of the recall petition therefore the G.A.B. should issue a certificate of insufficiency of the recall petition.

The “Memorandum of Law in Support of Senator Randy Olsen’s Written Challenge to the Recall Petition Offered for Filing on April 18, 2011” can be found on the G.A.B. website at: <http://gab.wi.gov/node/1658>.

B. Petitioner’s Rebuttal to Senator Olsen’s Legal Challenge

The Petitioner, Ann Schmidt, argues that the G.A.B. accepted her registration statement and appended statement of intent to circulate a recall petition in compliance with Board policy as prescribed by the Board manual entitled Recall of Congressional, County and State Officials (June 2009.) The Petitioner argues that she is a representative of the Committee to Recall Olsen and that she is the constitutionally and statutorily required qualified elector eligible to circulate a recall petition.

The Petitioner argues that the Wisconsin Constitution guarantees the right of electors to seek the recall of their elected officials and statutory provisions related to recalls are to be liberally interpreted in favor of the electorate. Finally, the Petitioner notes that §5.01(1), Wis. Stats., provides that the construction of chs. 5 -12, Wis. Stats., “shall give effect to the will of the electors, if that can be ascertained from the proceedings, notwithstanding informality or failure to fully comply with some of its provisions.” The Petitioner requests that the Board order a recall election for Senator Olsen.

The “Petitioner’s Rebuttal of Senator Olsen’s Challenges to Petitions” can be found on the G.A.B. website at: <http://gab.wi.gov/node/1658>.

C. Analysis:

The Wisconsin Constitution, Article XIII, Section 12, establishes in detail the rights of qualified electors of the state, of any congressional, judicial or legislative district or of any county to petition for the recall of any incumbent elective officer after the first year of the term for which the incumbent was elected. To demand the recall of an incumbent, the qualified electors file a petition with the filing officer with whom the officer filed his or her nomination petition to the office. The recall petition must be signed by electors equaling at least twenty-five percent of the vote cast for the office of governor at the last preceding election in the district which the incumbent represents. (Article XIII, Section 12(1)). Article XIII, Section 12(7) specifically provides: “This section shall be self-executing and mandatory. Laws may be enacted to facilitate its operation but no law shall be enacted to hamper, restrict or impair the right of recall.” The Wisconsin Constitution continues in Article XIII, Section 12(2-6), to prescribe very specific details of the recall process as follows:

--The date for the recall election: the Tuesday of the 6th week after the date of filing the petition.

--The fact that the incumbent continues to perform the duties of the office until the recall election results are officially declared.

--The incumbent is automatically a candidate for the recall election, unless he or she declines within 10 days after the filing of the petition.

--Other candidates for the recall election may file for the office in the manner provided by law for special elections.

--When 2 or more persons compete for a nonpartisan office, a recall primary shall be held, except that if any candidate receives a majority of the total number of votes cast in the recall primary, that candidate shall assume the office and a recall election shall not be held.

--For any partisan office, a recall primary shall be held for each political party from which more than one candidate competes for the party's nomination in the recall election and specifies that independent candidates shall be shown on the ballot for the recall election only.

--When a recall primary is required, the Tuesday of the 6th week after the date of filing the petition shall be the date of the recall primary and the recall election shall be held on the Tuesday of the 4th week after the recall primary.

--The person who receives the highest number of votes in the recall election shall be elected for the remainder of the term.

--After one such petition and recall election, no further recall petition shall be filed against the same officer during the term for which he or she was elected.

This constitutional right for qualified electors to recall incumbent elective officers was created in 1926 and amended once in 1981. This is not an insignificant constitutional right. Past Legislatures enacted §9.10, Wis. Stats., and its precursors, to facilitate the operation of Article XIII, Section 12, of the Wisconsin Constitution. In fact, §9.10(7), Wis. Stats., specifically states: "The purpose of this section is to facilitate the operation of Article XIII, Section 12, of the Constitution and to extend the same rights to electors of cities, villages, towns, town sanitary districts, and school districts." (For a detailed history of §9.10, Wis. Stats., see *Recall of Certain Officials of City of Delafield v. Jensen*, 63, Wis.2d 362, 369-371, 217 N.W.2d 277 (Wis. 1974)).

When construing election laws, one must begin with the fundamental principle that the will of the electorate is to be furthered. *Stahovic v. Rajchel*, 122 Wis.2d 370, 376, 363 N.W.2d 243 (Wis. Ct. App. 1984). "Except as otherwise provided, chs.5 to 12 shall be construed to give effect to the will of the electors, if that can be ascertained from the proceedings, notwithstanding informality or failure to comply with some of their provisions." §5.01(1), Wis. Stats. "The object of election laws is to secure the rights of duly qualified electors and not to defeat them." *Stahovic*, 122 Wis.2d at 376 (citing *State ex rel. Dithmar v. Bunnell*, 131 Wis. 198, 206, 110 N.W. 177 (Wis. 1907)). A review of Wisconsin case law demonstrates that substantial, and not literal, compliance with election laws has been deemed consistent with §5.01(1), Wis. Stats., and the appellate courts have consistently construed the provisions of election statutes as directory, rather than mandatory, so as to preserve the will of the elector. *Id.* at 377. However, filing deadlines have consistently been treated as mandatory. *Ahlgrimm v. S.E.B.*, 82 Wis.2d 585, 592, 263 N.W.2d 152 (Wis. 1978)(filing nomination papers with the correct filing officer and timely is mandatory.)

“Generally, statutory provisions relating to recall are liberally interpreted in favor of the electorate.” *Id.* at 374. See also *Beckstrom v. Kornsi*, 63 Wis.2d 375, 388, 217 N.W.2d 283 (Wis. 1974); *Matter of Recall of Redner v. Berning*, 153 Wis.2d 383, 388, 450 N.W.2d 808 (Wis. Ct. App. 1989); *Carlson v. Jones*, 147 Wis.2d 630, 636, 433 N.W.2d 635 (Wis. Ct. App. 1988); *Matter of Recall of Haase v. Angove*, 120 Wis.2d 40, 46, 353 N.W.2d 821 (Wis. Ct. App. 1984). The statutory requirements for preparation, signing, and execution of petitions for recall are directory rather than mandatory. *Matter of Recall of Redner*, 153 Wis.2d at 390. See also *Jensen v. Miesbauer*, 121 Wis.2d 467, 469, 360 N.W.2d 535 (Wis. Ct. App. 1984). Only substantial compliance with the recall procedure is necessary and that merely requires the petitions to be circulated in a manner that protects against fraud and assures the signers knew the contents of the petitions. *Id.* at 390-91. See also *Matter of Recall of Haase*, 120 Wis.2d at 46.

Section 9.01(2)(d), Wis. Stats., does state that “no petition may be offered for filing for the recall of an officer unless the petitioner first files a registration statement under §11.05(1) or (2), Wis. Stats.” Section 11.05(1), Wis. Stats., requires a committee to file a registration statement with the G.A.B., if the committee makes or accepts contributions, incurs obligations, or makes disbursements exceeding \$25 in a calendar year. A committee is defined, in part, as any person other than an individual and any combination of two or more persons which makes or accepts contributions or makes disbursements. §11.01(4), Wis. Stats. Except as provided in §9.10(2)(d), Wis. Stats., §11.05(2) requires any individual who makes or accepts contributions, incurs obligations, or makes disbursements exceeding \$25 in a calendar year to support the election nor nomination of a candidate an election to file a registration statement.

Section 9.01(2)(d), Wis. Stats., further states that “the petitioner shall append to the registration a statement indicating his or her intent to circulate a recall petition” and the name of the officer for whom recall is sought. §9.01(2)(d), Wis. Stats. Finally, “no petitioner may circulate a petition for the recall of an officer prior to completing registration.” *Id.*

Pursuant to §5.05(1), Wis. Stats., the G.A.B. has the general authority for the responsibility of the administration of chs. 5 -12, which specifically includes §9.10, Wis. Stats., relating to recalls. Pursuant to this general authority, the G.A.B. has approved a manual entitled Recall of Congressional, County and State Officials (June 2009). The most recent version of this manual was approved by the G.A.B. on June 22, 2009. The manual provides guidance regarding the application of §9.10, Wis. Stats., relating to recalls. On page 10 of the manual, the G.A.B. advises: “The filing of a Campaign Registration Statement (GAB-1) containing a declaration of intent to circulate a recall petition is treated as registration for campaign finance disclosure purposes.” Furthermore, in the manual’s Glossary of Terms at page 11, “registration” as used in §9.10(2)(d), Wis. Stats., is defined as: “The act of filing a Campaign Registration Statement (GAB-1) with the appropriate filing officer along with a Statement of Intent to Recall, which includes the name of the officeholder and the reason for recall.” Therefore, the Board’s policy has long been that the “registration” constitutes the total of the GAB 1 form campaign finance registration statement along with the Statement of Intent to Recall.

In the instant matter, there is no dispute that the Petitioner, Ann Schmidt, filed the petition to recall Senator Olsen with the correct filing officer and within the statutory 60-day deadline for doing so. The Petitioner has satisfied the only arguable mandatory requirements of §9.10(2)(d), Wis. Stats.

Senator Olsen does raise an argument that the Petitioner never completed the registration requirement of §9.10(2)(d), Wis. Stats., therefore the 60-day time period for circulation has not yet begun; however, registration was in fact completed on March 2, 2011. There is no dispute that the Committee to Recall Olsen filed a GAB 1 form campaign registration statement on March 2, 2011, identifying Peter Larson as the Treasurer. There is no dispute that §9.10(2)(d), Wis. Stats., permits a recall petitioner to file a registration statement in the form of a committee pursuant to §11.05(1), Wis. Stats. There is no dispute that appended to the Committee to Recall Olsen GAB 1 form campaign finance registration statement and filed concurrently was Petitioner Ann Schmidt's Statement of Intent to Circulate Recall Petition, which indicated specifically her intent to circulate a recall petition against Senator Olsen. There is no dispute that Peter Larson and Ann Schmidt are two persons, two individuals. There is no dispute that this meets the definition of committee pursuant to §11.01(4), Wis. Stats. There can be no dispute that "appended" means "to add as a supplement or appendix." Therefore, Petitioner Ann Schmidt did in fact complete the registration required by §9.10(2)(d), Wis. Stats., because the Statement of Intent to Circulate Recall Petition was appended to the GAB 1 form campaign finance registration statement for the Committee to Recall Olsen and constitutes a supplement thereto.

Liberalistically construing the directory requirement of §9.10(2)(d), Wis. Stats., for a petitioner to file a registration, the petitioner has appended to the registration filed by the Committee to Recall Olsen a statement of her intent to circulate a recall petition. The registration constitutes the total of the GAB 1 form campaign finance registration statement for the Committee to Recall Olsen AND the Statement of Intent to Circulate Recall Petition. Even if one would determine that the GAB 1 form campaign finance registration statement from the Committee to Recall Olsen was a separate and distinct document from the Statement of Intent to Circulate Recall Petition filed concurrently by Petitioner Ann Schmidt, the Petitioner has substantially complied with the registration required by §9.10(2)(d), Wis. Stats. Liberalistically construing the statute and to give effect to the will of the substantial numbers of the electorate having signed the recall petition, failure to include Petitioner Ann Schmidt's name on the GAB 1 form campaign finance registration statement is not fatal to the registration because the Petitioner's name and signature were appended to the GAB 1, which substantially complies with the registration requirement of §9.10(2)(d), Wis. Stats.

Interestingly, counsel for Senator Olsen has in a separate matter concluded that the registration statement requirements of §9.10(2)(d), Wis. Stats., are satisfied when a Statement of Intent to Circulate a Recall Petition (signed by the Petitioner) is attached to a GAB 1 form campaign finance registration statement for a recall committee (absent the Petitioner's name.) See *Rebuttal to Memorandum in Response to Senator Jim Holperin's Challenge*, page 1. There, counsel for Senator Olsen represents a recall committee and petitioner having circulated a petition against a State Senator. The Jim Holperin Recall Committee filed a GAB 1 form campaign finance registration statement and identified Donna Goeddaeus as the treasurer. In addition, Kim Simac signed a Statement of Intent to Circulate Recall Petition as the recall petitioner; however, Ms. Simac's name does not appear anywhere on the GAB 1 form campaign finance registration statement filed by the Jim Holperin Recall Committee. In describing the background of that recall matter in his Memorandum in Response to Senator Jim Holperin's Challenge, counsel specifically states: "On February 22, 2011, Kim Simac filed with the G.A.B. a statement of her intention to circulate a petition seeking the recall of State Senator Jim Holperin and registered Jim Holperin Recall Committee as a recall committee.

Having satisfied the registration requirements of §9.10(2)(d), Wis. Stats., this filing began the statutory 60-day time period within which Ms. Simac could circulate the Recall Petition.”

D. Conclusion:

In the context of a specific constitutional right for qualified electors to recall a legislative officer, the constitutional provision prohibiting enactment of laws that hamper, restrict or impair the right of recall, legislative intent as adopted in statute establishing the fundamental principle to give effect to the will of the electors, overwhelming precedent establishing the principle that statutory provisions relating to recall are to be liberally construed, overwhelming precedent establishing the principle that the requirements for preparation, signing and execution of petitions for recall are directory rather than mandatory, and longstanding policy of the G.A.B. (and former State Elections Board,) it is clear that Senator Olsen’s legal challenge to the recall petition must fail.

Factual Challenges of Individual Signatures:

A total of 14,733 valid recall petition signatures were required for a certification of sufficiency to recall Senator Olsen. Following staff’s first and second reviews of the recall petition, a total of 22,381 valid signatures were verified.

Staff has prepared an exhibit that follows this Memorandum. If specific challenged signatures are not shaded in staff’s exhibit, staff has already struck the signatures after completing its first and second review of the petition and for the same reason as the challenge.

Signatures identified by page and line number in staff’s exhibit were reviewed more thoroughly as a result of the challenges.

For any signatures shaded in red, staff recommends that the Board affirm the challenge and strike the signatures, reducing staff’s verified number of signatures in the same amount.

For any signatures shaded in yellow, staff recommends that the Board deny the challenge for the reasons stated. (If the Board does not adopt staff’s recommendation and affirms a challenge to any of the signatures shaded in yellow, those signatures should be struck and staff’s verified number of signatures must be reduced in the same amount.)

For any signatures shaded in green, staff recommends that the Board deny the challenge as the signatures were already struck after completing the first and second review of the petition, but for a different reason than the challenge.

A. Failure to Date Signatures:

Challenges of 183 individual signatures for failure to provide a date are set forth in Exhibit A of the Affidavit of John W. Hogan.

Based upon the challenges and staff’s reviews, staff recommends that the Board affirm the challenges and strike the 1 signature identified in staff’s exhibit, shaded in red.

After the first and second review and considering these challenges, staff recommends that the Board accept the 10 signatures identified in staff's exhibit, shaded in yellow, and deny the challenges.

In the first and second review by staff, 5 challenged signatures shaded in green were already struck by staff, but for a different reason than the challenges. Therefore, no change in staff's verified total is warranted.

Recommendation—Reduce Verified Total by 1

B. Failure to Sign:

Challenges that 5 individual signatures do not exist and are set forth in Exhibit B of the Affidavit of John W. Hogan.

After the first and second review and considering these challenges, staff recommends that the Board accept the 4 signatures identified in staff's exhibit, shaded in yellow, and deny the challenges.

In the first and second review by staff, 1 challenged signature shaded in green was already struck by staff, but for a different reason than the challenge. Therefore, no change in staff's verified total is warranted.

Recommendation—No Change

C. Signatures Dated Subsequent to Date of Circulator's Certification:

Challenges of 89 individual signatures dated subsequent to the date of the circulator's certification are set forth in Exhibit C of the Affidavit of John W. Hogan.

Based upon the challenges and staff's reviews, staff recommends that the Board affirm the challenges and strike the 18 signatures identified in staff's exhibit, shaded in red.

After the first and second review and considering these challenges, staff recommends that the Board accept the 16 signatures identified in staff's exhibit, shaded in yellow, and deny the challenges.

In the first and second review by staff, 3 challenged signatures shaded in green were already struck by staff, but for a different reason than the challenges. Therefore, no change in staff's verified total is warranted.

Recommendation—Reduce Verified Total by 18

D. Inability to Determine Residency by Address Provided:

Challenges of 235 individual signatures for inability to determine residency by address provided are set forth in Exhibit D of the Affidavit of John W. Hogan.

Based upon the challenges and staff's reviews, staff recommends that the Board affirm the challenges and strike the 6 signatures identified in staff's exhibit, shaded in red.

After the first and second review and considering these challenges, staff recommends that the Board accept the 69 signatures identified in staff's exhibit, shaded in yellow, and deny the challenges.

In the first and second review by staff, 17 challenged signatures shaded in green were already struck by staff, but for a different reason than the challenges. Therefore, no change in staff's verified total is warranted.

Recommendation—Reduce Verified Total by 6

E. Signatures from Persons Outside the 14th Senate District:

Challenges of 474 individual signatures from persons outside the 14th Senate District are set forth in Exhibit E of the Affidavit of John W. Hogan.

Based upon the challenges and staff's reviews, staff recommends that the Board affirm the challenges and strike the 30 signatures identified in staff's exhibit, shaded in red.

After the first and second review and considering these challenges, staff recommends that the Board accept the 37 signatures identified in staff's exhibit, shaded in yellow, and deny the challenges.

In the first and second review by staff, 5 challenged signatures shaded in green were already struck by staff, but for a different reason than the challenge. Therefore, no change in staff's verified total is warranted.

Recommendation—Reduce Verified Total by 30

F. Signatures from Unqualified Electors:

Challenges of 19 individual signatures from unqualified electors are set forth in Exhibit F of the Affidavit of John W. Hogan. During the first and second reviews, staff does not examine the elector qualification and eligibility of persons having signed the recall petition.

Based upon the challenges and staff's reviews, staff recommends that the Board affirm the challenges and strike the 18 signatures identified in staff's exhibit, shaded in red.

In the first and second review by staff, 1 challenged signature shaded in green was already struck by staff, but for a different reason than the challenge. Therefore, no change in staff's verified total is warranted.

Recommendation—Reduce Verified Total by 18

G. Duplicate Signatures:

Challenges of 139 individual signatures that have a duplicate (totaling 278) and 1 individual signature is in triplicate (totaling 3) are set forth in Exhibit G of the Affidavit of John W. Hogan. During the first and second reviews, staff does not examine the recall petition for duplicate signatures.

Based upon the challenges and staff's reviews, staff recommends that the Board affirm the challenges and strike the 101 signatures identified in staff's exhibit, shaded in red.

After the first and second review and considering these challenges, staff recommends that the Board accept the 116 signatures identified in staff's exhibit, shaded in yellow, and deny the challenges. Pursuant to statute and administrative code, the first signature should be included in the total and the Board's approval of the yellow-shaded signatures counts one instance of each.

In the first and second review by staff, 10 challenged signatures shaded in green were already struck by staff, but for a different reason than the challenge. Therefore, no change in staff's verified total is warranted.

Recommendation—Reduce Verified Total by 101

H. Petition Pages Improperly Certified by Circulator:

Challenges of 30 petition pages containing 177 individual signatures improperly certified by the circulator are set forth in Exhibit H of the Affidavit of John W. Hogan.

After the first and second review and considering these challenges, staff recommends that the Board accept 3 of the challenged petition pages containing 23 signatures identified in staff's exhibit, shaded in yellow, and deny the challenges.

Recommendation—No Change

Summary of Recommendations:

Staff recommends that the Board deny Senator Olsen's legal challenge to the whole of the recall petition and affirm or deny the challenges to individual signatures as set forth more fully in the motions below.

Staff recommends that the Board affirm challenges to 174 individual recall petition signatures, deny challenges to 275 individual recall petition signatures, and certify sufficiency of the recall petition with 22,207 valid signatures.

Proposed Motions:

MOTION: Adopt staff's legal analysis and deny Senator Olsen's legal challenge to the whole of the recall petition.

MOTION: Affirm challenges to 174 individual recall petition signatures and deny challenges to 275 individual recall petition signatures for the reasons stated in staff's exhibit.

MOTION: Verify 22,207 valid recall petition signatures.

MOTION: Direct staff to file the recall petition and attach a certificate of sufficiency on May 31, 2011 but no later than June 3, 2011 and call a recall election for July 12, 2011.
