SUBJECT: Update on the Completion of the 2012-2013 Four-Year Voter Record Maintenance

The Government Accountability Board's role in 2012-2013 Four-Year Voter Record Maintenance was completed May 15, 2013. The voter records of individuals who did not respond to the Notice of Suspension of Registration sent on April 15, 2013 were updated to Inactive status in the Statewide Voter Registration System (SVRS). Municipal and County clerks continue to record any unprocessed or late arriving undeliverable mailings. Voters who did not return an Application for Continuation of Suspension of Registration will be required to reregister.

Based upon the information recorded in SVRS, of the 299,748 postcards mailed, 105,667 postcards were returned as undeliverable, 16,652 postcards were returned requesting continuation, and 177,422 postcards were not returned or were not recorded in SVRS. The following chart displays the outcome of the postcards sent by the G.A.B. on April 15, 2013, as reported by clerks as of May 15, 2013.
