Absentee Ballot Certificate Envelope

An absentee ballot is marked by an absent voter, and sealed in an Absentee Ballot Certificate Envelope (GAB-122). The Absentee Ballot Certificate Envelope (GAB-122) is then completed and signed by the absentee voter, witnessed by an adult U.S. Citizen, and mailed or delivered in person to the municipal clerk.

The municipal clerk reviews each absentee certificate envelope when it is returned to the clerk's office for any errors (e.g. missing certificate, voter signature, witness signature, or two SVD signatures).

If there is an error, the clerk should contact the voter, if possible.

A quicker, easier to complete, electronic version of this form is also available on FVAP.gov. For any questions about this form, consult your Voting Assistance Officer or the Voting Assistance Guide available in hard copy or on FVAP.gov.

The gray numbers and instructions below correspond to the gray numbered boxes on the face of the form.

- 1 The classification you choose determines in which election(s) you will be allowed to vote. Choose the one that best represents your current situation.
 - 2 If you want to vote in primary elections, most States require you to specify a political party. Check your State's pages in the Voting Assistance Guide on FVAP.gov to see if your State requires you to specify a political party.
 - 3 The information you enter for your name should match the information you normally put on legal or official forms. For example, it should be the same name that appears on your driver's license or other government-issued ID.
 - 4 While most States allow you to enter either your driver's license number or the last 4 digits of your Social Security Number, some will invalidate this form without your full SSN. Check your State's pages in the Voting Assistance Guide on FVAP.gov to see if your State requires the full SSN.
- Also, many States ask that you provide your race or ethnic group in order to demonstrate that they are complying with the Voting Rights Act and the National Voter Registration Act.
- 5 If there are questions or problems with your form, local election officials will use this information to contact you. An email address is the simplest and fastest way for them to do so. Your voting materials will be sent to the email address(es) that you provide here if you request it and your State allows it. Include an alternate phone number in Box 9 if necessary.
 - 6 Indicate your preferred method for receiving your ballot by ranking each box 1, 2, or 3. All States and jurisdictions must send absentee ballots to military and overseas voters by at least one of the following: email, online download, or fax if requested. Check your State's pages in the Voting Assistance Guide on FVAP.gov to learn what your State allows. You can always get your absentee ballot by mail.
 - 7 This determines the jurisdiction where you vote. For military voters the

voting address is your legal U.S. residence. For overseas citizens this is usually the U.S. address where you last lived. You do not need to have any current physical ties to this address. Do not use a post office box number. If the area has no street names, enter the route number and box number.

- 8 Enter the address where you want voting materials to be sent to you. Voting materials will be sent to this address unless you enter a forwarding address in Box 9.
- 9 Enter anything here that would help ensure that your ballot is accepted. Check your State's pages in the Voting Assistance Guide on FVAP.gov for anything your State may specifically require here. For example, some States require last date of residency in the U.S., previous location of registration, overseas employer, or witness address.

If you want your voting materials to be sent somewhere other than where you live now, enter that alternate (forwarding) address here. Provide an alternate phone number here.

Affirmation. Read this carefully. It is what you are agreeing to under oath and penalty of perjury by filling out and sending in this form. Some States require that your form be witnessed. Check the Voting Assistance Guide on FVAP.gov for your State's requirements.

Processing Absentee Ballots at the Polls

1. On Election Day, the municipal clerk delivers absentee ballots to the polling place or alternate absentee canvassing site. The ballots are delivered in a sealed envelope or container that bears the name and official title of the clerk and the language found in §6.88(1), Wis. Stats. (GAB-125 Absentee Ballot Carrier).

Alternate absentee canvassing sites require approval by the municipalities governing body and the Elections Division of the Government Accountability Board.

2. All absentee ballots must be processed in the same room the votes are cast or at an alternate absentee canvassing location so that any interested observer is able to hear the public announcement of the names of the absentee electors.
 - a. Any observer, including an election inspector can challenge an absentee elector's ballot the same as if the elector were voting in person.
 - b. The procedures for challenging an elector's ballot are the same as the challenge procedure in person.
 - c. See the "Challenging Electors" section of this manual for the complete challenge procedure.
3. The election inspectors may process absentee ballots at any time between the opening and closing hours of the polling place, except absentee certificate envelopes marked "To Be Rejected."
 - a. "To Be Rejected" envelopes are envelopes which are missing signatures of either the voter or the witness, signatures of both special voting deputies, or contain no certification language. These envelopes should be set aside and not processed until 8 p.m. on Election Day to give the voter an opportunity to correct any errors.
 - i. A voter may correct the certificate envelope at the polling place/central count site.
 - ii. The election inspectors shall issue a new certificate envelope to the voter.
 - iii. The voter must open the original certificate envelope, verify their ballot, and seal the ballot in the new certificate envelope.
 - iv. The voter may NOT remove the ballot from the voting area.

- v. The election inspectors may NOT serve as the witness (the original witness must be present).
 - vi. The original certificate envelope is then destroyed.
 - vii. The election inspector should document that a correction was made and the ballot accepted on the Absentee Ballot Log (GAB-124).
- b. Absentee ballots may not be counted until after the polls close.
 - c. Processed absentee ballots are placed in the ballot box or optical scan equipment and are counted* when all the other ballots are counted.
- *It is considered counting once the polls have closed and all ballots are tabulated, either by equipment or by a hand tally.
- 4. If the election inspectors have reliable proof that an elector has died before Election Day, the absentee ballot should be rejected.

Procedure

To process absentee ballots, the following procedure should be followed:

- 1. Open the large carrier envelopes or containers (GAB-125) containing the absentee ballots.
- 2. Remove an Absentee Certificate Envelope (GAB-122) and announce the absentee elector's name and address.
- 3. Carefully review the certificate envelope to determine that:
 - a. The envelope is not open.
 - b. The envelope has not been opened and then resealed.
 - c. The signature of the elector appears on the certificate.
 - d. The certificate contains the signature of one witness who is an adult US citizen.

Note: If the envelope has been opened or resealed, or the signature of either the elector or the witness is missing, the absentee ballot certificate envelope is insufficient and the absentee ballot must be rejected.

- 4. If the Absentee Certificate Envelope (GAB-122) is found to be **insufficient**:
 - a. Do not open the envelope.

- b. Mark the envelope “Rejected ballot #_” (beginning with the number 1). Write the reason for rejection on the envelope.
 - c. List the elector’s name, identifying serial number of the rejected ballot (see “b.” above), and the reason for rejection on the Inspectors' Statement (GAB-104).
 - d. Record the reason for rejection next to the elector’s name on the Absentee Ballot Log.
 - e. Place the unopened certificate envelope in the Certificate of Rejected Absentee Ballots (GAB-102) brown carrier envelope.
5. If the Absentee Certificate Envelope (GAB-122) is found to be **sufficient**:
- a. Carefully remove the ballot from the certificate envelope.
 - b. Examine the contents of the envelope to assure that:
 - i. No more than the proper number of ballots is enclosed.
 - 1. If more than one of the same type of ballot is marked in a single envelope, both ballots must be rejected.
 - a. Mark each of those same type ballots “rejected.”
 - b. Return the rejected ballots to the absentee voter’s certificate envelope and mark it “Rejected Ballot #_” (beginning with ‘1’) and list the reason.
 - c. Note on the Inspectors' Statement (GAB-104) that these ballots were rejected because the absentee voter marked more than one ballot. If hand-count, paper ballots are used, indicate the type of ballot, i.e. state & county, municipal, school district.
 - d. Place the rejected certificate envelope in the Certificate of Rejected Absentee Ballots (GAB-102) brown carrier envelope.
 - 2. If only one marked type of ballot is in the envelope (i.e. the other ballots is blank), the marked ballot CAN be accepted.
 - a. Place the marked ballot in the ballot box.

- b. Write “Unused ballot #__” (beginning with ‘1’) on the unmarked ballot and place it in the absentee voter’s certificate envelope.
- c. Note on the Inspectors’ Statement (GAB-104) that there was more than one ballot of the same kind, but only one of the “same type” ballots was marked. Indicate the serial number (see “b.” above) issued for the unused ballot.
- d. Place the Absentee Certificate Envelope (GAB-122) in the Used Certificate Envelopes of Absentee Electors (GAB-103) white carrier envelope.

- ii. The ballot contains the initials of the issuing clerk.

If the ballot does not contain the initials of the clerk or deputy clerk, do NOT reject the ballot. Make a note on the Inspectors’ Statement (GAB-104) to remind the clerk to be more careful when issuing absentee ballots.

- iii. If the voter list or the absentee certificate envelope have the notation “POR Required,” the inspector should verify that a copy of proof of residence was enclosed. If not, process as a provisional ballot.
- c. Record the voter number on the voter list. Confirm that the elector voted “absentee” and that this is recorded in the “notation section” on the voter list. Also, record the voter’s name and information on the absentee ballot log.
- d. Place the ballots in the appropriate ballot box or voting equipment.
- e. Place the used certificate envelope in the Used Certificate Envelopes of Absentee Electors GAB-103 white carrier envelope.
