(insert date of primary)

OFFICE OF THE (insert name of county, town, village, city, or school district) CLERK

TO THE ELECTORS OF (insert name of county, town, village, city, or school district):

Notice is hereby given of a spring primary election to be held in (insert name of county, town, village, city, or school district) on the (insert full date of election), at which the officers named below shall be nominated. The names of the candidates for each office, whose nominations have been certified to or filed in this office, are given under the title of the office, each in its proper column, together with the questions submitted to a vote, for a referendum, if any, in the sample ballot below.

INFORMATION TO ELECTORS

Upon entering the polling place, an elector shall state his or her name and address and sign the poll book before being permitted to vote. Where ballots are distributed to electors, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the elector shall retire alone to a voting booth and cast his or her ballot except that an elector who is a parent or guardian may be accompanied by the elector's minor child or minor ward. An election official may inform the elector of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

At the spring primary election, where **paper ballots** are used, the elector shall make a cross (X) in the square next to the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the elector shall write in the name of the person of his or her choice in the space provided for a write-in vote. On referendum questions, the elector shall make a cross (X) in the square next to "yes" if in favor of the question, or the elector shall make a cross (X) in the square next to "no" if opposed to the question.

Where **optical scan** voting is used, the elector shall fill in the oval or connect the arrow next to the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the elector shall write in the name of the person of his or her choice in the space provided, and fill in the oval or connect the arrow on the write-in line. On referendum questions, the elector shall fill in the oval or connect the arrow next to "yes" if in favor of the question, or the elector shall fill in the oval or connect the arrow next to "no" if opposed to the question.

Where **touch screen** voting systems are used, the elector shall touch the screen next to the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the elector shall type in the name of the person of his or her choice in the space provided for a write-in vote. On referendum questions, the elector shall touch the screen next to "yes" if in favor of the question, or the elector shall touch the screen next to "no" if opposed to the question.

Type B Notice
Spring Primary
Page Two

The vote should not be cast in any other manner. Not more than five minutes' time shall be allowed inside a voting booth. Sample ballots or other materials to assist the elector in casting his or her vote may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

If the elector spoils a **paper or optical scan ballot**, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one elector. If the ballot has not been initialed by two inspectors or is defective in any other way, the elector shall return it to the election official, who shall issue a proper ballot in its place. After casting his or her vote, the elector shall leave the voting booth, properly deposit the ballot and promptly leave the polling place.

The elector may spoil a **touch screen** ballot at the voting station before the ballot is cast.

After an official **paper ballot** is marked, it shall be folded so the inside marks do not show, but so the printed endorsements and inspectors' initials on the outside do show. The elector shall leave the booth, deposit the ballot in the ballot box, or deliver the ballot to an inspector for deposit, and shall leave the polling place promptly.

After an official **optical scan ballot** is marked, it shall be inserted in the security sleeve so the marks do not show. After casting his or her vote, the elector shall leave the booth, insert the ballot in the voting device and discard the sleeve, or deliver the ballot to an inspector for deposit. If a central count system is used, the elector shall insert the ballot in the ballot box and discard the sleeve, or deliver the ballot to an inspector for deposit. The elector shall leave the polling place promptly.

After an official **touch screen** ballot is cast, the elector shall leave the polling place promptly.

An elector may select an individual to assist in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the elector's employer or an agent of that employer or an officer or agent of a labor organization which represents the elector.

INSTRUCTIONS FOR PREPARING NOMINATION PAPERS FOR NONPARTISAN OFFICE

This is a sample nomination paper form. It conforms to the statutory requirements for nomination papers for nonpartisan office. All information concerning the candidate must be completed in full before circulating this form to obtain signatures of electors. All information concerning the signing electors and the circulator must be completed in full before filing with the appropriate filing officer. This form may be reproduced in any way. A candidate's picture and biographical data may also be added to this form. The Government Accountability Board has determined that no disclaimer or other attribution statement is required on nomination papers.

Page Numbers – Number each page consecutively, beginning with “1”, before submitting to the filing officer. A space for page numbers has been provided in the lower right-hand corner of the form.

Candidate's Name - Insert the candidate's name. A candidate may use his or her full legal name, or any combination of first name, middle name, and initials or nickname with last name. The Government Accountability Board has determined that, absent any evidence of an attempt to manipulate the electoral process, candidates are permitted to choose any form of their name, including nicknames, by which they want to appear on the ballot.

No titles are permitted. In addition, names such as “Red” or “Skip” are permitted, but names which have an apparent electoral purpose or benefit, such as “Lower taxes,” “None of the above” or “Lower Spending” are not permitted. It is also not permissible to add nicknames in quotes or parentheses between first and last names. For example, John “Jack” Jones or John (Jack) Jones are not acceptable, but John Jones, Jack Jones or John Jack Jones are acceptable.

Candidate's Residence - If a candidate's municipality of residence is different from the municipality used for mailing purposes, both must be given. Indicate if the municipality of residence is a town, village, or city.

Date of Election - Insert the date of the election. If the nomination paper is being circulated for a spring election, the date is the first Tuesday in April. If the election is a special nonpartisan election, the date of the special election must be listed.

Title of Office - The name of the office must be listed **along with any branch, district, or seat number** that clearly identifies the office the candidate is seeking. If necessary, the name of the jurisdiction that identifies the office, such as Dane County Circuit Court Judge, Branch 3, must also be listed.

Name of Jurisdiction - The nomination papers must also indicate the municipality or jurisdiction in which the signing electors are qualified to vote, as it relates to the office sought by the candidate named on the nomination paper. For example, for a statewide office the jurisdiction is the State of Wisconsin. Others may be the county, town, village, city, aldermanic district, school district, or town sanitary district, as required.

Signatures of Electors - Only qualified electors of the jurisdiction or the district the candidate seeks to represent may sign the nomination papers. Each elector's municipality of residence must be listed on the nomination paper along with the mailing address, including any street, fire or rural route number, box number (if rural route) and street or road name. The Street & Number or Rural Route section for each elector's address is split into two lines. The first line is for the street address. The second line is for the municipality for mailing purposes. The Municipality of Residence listed for each signing elector must clearly identify the town, village or city where the elector's voting residence is located. A post office box number alone does not show where the elector actually resides. The date the elector signed the nomination paper, including month, day and year, must be indicated. Ditto marks that follow correct and complete address or date information are acceptable. The circulator may add any missing or illegible address or date information before the papers are filed with the filing officer.

Signature of Circulator - The circulator should carefully read the language of the *Certification of Circulator*. **THE CIRCULATOR MUST PERSONALLY PRESENT THE NOMINATION PAPER TO EACH SIGNER. THE NOMINATION PAPER MAY NOT BE LEFT UNATTENDED ON COUNTERS OR POSTED ON BULLETIN BOARDS.** The circulator's complete address (**including municipality of residence**) must be listed in the certification. After obtaining signatures of electors, the circulator must sign and date the certification.

Other Instructions - Candidates and circulators should review Ch. GAB §§ 2.05, 2.07, Wis. Adm. Code.

- *Original* nomination papers must be in the physical custody of the appropriate filing officer by the filing deadline. A postmark on the filing deadline is **NOT** sufficient. Nomination papers **CANNOT** be faxed to the filing officer. Ch. GAB § 6.04(2), Wis. Adm. Code.
- Nomination papers with the required number of signatures must be filed with the appropriate filing officer **no later than 5:00 p.m.** on the first Tuesday in January (or the next day if the first Tuesday is a holiday) before the spring election. Special elections may have different filing deadlines. Check with the filing officer.
- In order for a candidate's name to be placed on the ballot, a candidate must file a *Campaign Registration Statement* (GAB-1), a *Declaration of Candidacy* (GAB-162), and *Nomination Papers* (GAB-169) containing the appropriate number of signatures for the office sought no later than the filing deadline. §8.10(3), Wis. Stats. Candidates for state office and municipal judge must also file a statement of economic interests with the Government Accountability Board by the third business day after the nomination paper filing deadline. §19.43, Wis. Stats. If any one of these required forms is not filed by the deadline, the candidate's name will not be placed on the ballot. §8.30, Wis. Stats.
- If a candidate or circulator has any questions, he or she should contact the filing officer.

Instructions For Municipal Canvass:

- Write the name of your municipality, the kind of election - primary, spring, or special election, etc., and the date of the election in the heading.
- Enter the complete name of the office with the seat or district number in the shaded area.
- List the names of the candidates for the office in ballot order below the shaded area.
- Make sure that all wards or ward combinations are listed in proper numerical order in the left hand column. The smallest number in a combination determines the order. (*Example: Wards 1&4; Wards 2,6 & 7; and Wards 3&5.*)
- For each reporting unit, list the number of votes cast for each candidate.
- Don't forget the write-in votes - they must be listed individually by name.
- Enter the total number of votes cast for each candidate at the bottom of the column. Please give the **total number of votes cast** (not voters!) for each office in the "Total Votes Cast-Office" space. This total is the sum of the vote totals for each candidate plus the write-ins.

Notes for Municipal and County Clerks:

Combining Reporting Units. A municipality may provide for combined wards by resolution up to 30 days* before the spring primary or election, if your population is under 35,000. It's important to remember that for the spring primary and the spring election, wards in a municipality may be combined for judicial offices even though separate results may be required for county, municipal, or school district offices. The wards being combined must use the same polling place.

*60 days before a September Primary or General Election.

Reporting for annexations requires special attention. As long as the area being annexed belongs to the same representative districts, i.e., congressional, legislative, and county supervisory districts, as the adjacent area to which it's being annexed, then the annexed area is reported together with the adjacent area using the same ward number. But if the annexed area has **different** representative districts from its adjacent area or crosses county lines, the municipality is required by law to create a separate ward giving it the *next consecutive number*. All election results from this new ward must be reported under the new ward number.

Instructions For County Canvass:

- Write the name of your county, the kind of election - primary, partisan primary, spring/general election, or special, etc., and the date of the election in the heading.
- A separate report must be completed for each political party in a *partisan primary only*. Write in the name of the political party on the line provided.
- Enter the complete name of the office with the branch or district number in the shaded area.
- List the names of the candidates for the office in ballot order below the shaded area.
- Please list all municipalities and wards in the correct order in the left hand column. The smallest number in a combination determines the order. (*Example: Wards 1&4; Wards 2,6 & 7; and Wards 3&5.*)
 1. Towns, alphabetically, wards numerically.
 2. Villages, alphabetically, wards numerically.
 3. Cities, alphabetically, wards numerically.
- Make sure that all wards or ward combinations are listed along with the municipality name. If a municipality is divided by wards, but combines them for voting purposes and reports one total, **you must still identify the numbers of the wards** being reported. (*Example: Town of Anywhere, Wards 1&2. If a municipality is not divided by wards do not list "Ward 1."*)
- For each reporting unit, list the number of votes cast for each candidate.
- Don't forget the scattering column - if there are no write-in votes for a reporting unit, list 0.
- Enter the total number of votes cast for each candidate at the bottom of the column. Please give the **total number of votes cast** (not voters!) for each office in the "Total Votes Cast-Office" space. This total is the sum of the vote totals for each candidate plus the scattering.

Destruction of Materials

The following chart is designed to assist clerks in determining when to destroy election materials. Materials and supplies associated with an election may be destroyed according to the following chart unless there is a recount, notice of an election contest, or any contest or litigation pending with respect to the election. For specific dates please see the *Calendar of Election and Campaign Events* from the Government Accountability Board. All materials and documentation associated with a federal election must be retained at least 22 months after the election.

* Unless a petition for recounts is filed, in which case the materials must be retained.

** Before units can be cleared or erased, the information must be transferred to a disk or other recording medium and retained for 22 months. This provision applies to elections that contain a federal office. For additional information on retention requirements for electronic media, please see the clerk communication dated June 9, 2010, available at the following link: <http://gab.wi.gov/node/1126>

*** Federal offices are President of the U.S., U.S. Senator and U.S. Representative in Congress.

⁺ Candidates who are exempt from filing campaign finance reports are not required to “terminate.” Campaign Registration Statements of these candidates may be destroyed if 6 years have passed since the candidate’s name has appeared on a ballot.

Electronic Conversion of Election Records

The Legislature, in Wis. Stat. § 7.23, established a schedule for the destruction of election materials, but it did not provide in that statute, or in any other elections statute, a schedule

or timetable for the conversion of elections records from “hard-copy” to electronic format or to microfiche.

The statute that authorizes the conversion of hard copies, Wis. Stat. § 19.21(4)(c), reads as follows:

(c) Any local governmental unit or agency may provide for the keeping and preservation of public records kept by that governmental unit through the use of microfilm or another reproductive device, optical imaging or electronic formatting. A local governmental unit or agency shall make such provision by ordinance or resolution. Any such action by a subunit of a local governmental unit or agency shall be in conformity with the action of the unit or agency of which it is a part. Any photographic reproduction of a record authorized to be reproduced under this paragraph is deemed an original record for all purposes if it meets the applicable standards established in §§16.61 (7) and 16.612. This paragraph does not apply to public records kept by counties electing to be governed by Chapter 228.

At its July 18, 2007 meeting, the former State Elections Board formally adopted the recommendation that counties or municipalities who convert their elections or campaign finance records from paper or “hard-copy” to microfilm or electronic format must retain the “hard copies” of those records for at least two years after the election immediately following the creation of those records, or for that period of time requested by the district attorney for that county or whose jurisdiction includes that municipality.

Questions and Answers

1) When is a “Certificate of Election” (GAB-153) issued to the winner of a school board member election?

Choose the best answer:

- a) After the votes are counted and an unofficial winner is declared on election night.
- b) After the deadline for filing a petition for a recount has passed.
- c) Immediately after the School District Board of Canvasser’s meets and certifies the election results.
- d) When the Superintendent of the school district determines the winner of the election.

ANSWER: b is the best answer. The deadline for filing a petition for a recount is 3 business days. Once the deadline has passed, and no petition has been filed, the certificates of election should be issued to the winners.

2) Voting equipment that is accessible for individuals with disabilities is required for which of the following election(s):

Choose the correct answer:

- a) Elections in which only federal offices are on the ballot.
- b) Elections in which state and federal offices are on the ballot.
- c) Elections in which only school district offices are on the ballot.
- d) All of the above.

ANSWER: d is correct answer. Voting equipment that is accessible for individuals with disabilities must be used for all elections in Wisconsin regardless of what offices are on the ballot.

3) What materials are examined at a meeting of the School District Board of Canvassers?

Choose the correct answer:

- a) Tally sheets, ballots and Inspectors’ Statement.
- b) Poll list, tally sheet and Inspectors’ Statement.
- c) Ballots, poll list and tally sheets.
- d) Poll list, ballots and Inspectors’ Statement.

ANSWER: b is the correct answer. The school district clerk must receive a poll list, tally sheet and Inspectors’ Statement from each municipal clerk. These documents are examined for accuracy and used to determine the outcome of the school district election.

4) What may not be opened at the meeting of the School District Board of Canvassers?

Choose the correct answer:

- a) Your lunch.
- b) Your eyes.
- c) Ballot bags.
- d) None of the above.

ANSWER: c is the correct answer. Ballot bags are NOT opened at the canvass. Ballots bags are opened and ballots examined only at a recount.

5.) What is the deadline for the school district to file a referendum question with the official responsible for printing ballots?

Choose the correct answer:

- a) 70 days before the election event at which the question will appear.**
- b) 42 days before the election event at which the question will appear.**
- c) 28 days before the election event at which the question will appear.**
- d) 14 days before the election event at which the question will appear**

ANSWER: a is the correct answer. S. 8.37, Wis. Stats.

6.) When the school district is the only level of government holding an election, the school district may choose to close one or more polling places. What criteria must apply to the polling place in order for it to be eligible for closing?

Choose two correct answers:

- a) Less than 10% of the electors voting in the last school board election voted at the polling place.**
- b) The polling place is located in a municipality that is not entirely within the school district.**
- c) The municipality agrees that certain polling places may be closed.**
- d) No handicapped voters vote at the polling place.**

ANSWER: a and b are the correct answers. Whether the municipality agrees or disagrees with your decision to close a polling place is not relevant. The school district makes the decision. Whether handicapped voters vote at the polling place is not relevant. All polling places must be accessible to voters with disabilities.
