SUBJECT: Accessible Voting Webinar – June 20, 2018 10:00 a.m. – 11:00 a.m.

Please join the Wisconsin Elections Commission, the Council for the Blind and Visually Impaired, and the City of Madison's Clerks office on June 20 from 10:00 a.m. to 11:00 a.m. for "Accessible Voting" – a webinar that will cover voter eligibility, voter registration, photo ID requirements, absentee voting, and Election Day voting with a focus on accessible options. The webinar will inform voters which requirements they must meet in order to vote and will identify where they have a choice in how they cast their ballot. [Please follow this link](#) to register for the event ahead of time. A recording of the webinar will be available to registered attendees after June 27.

This is not a required training event, but staff encourages clerks and election inspectors to consider attending as a refresher and chance to learn more about accessible voting options.

If you have questions or concerns, please contact the Elections Commission Help Desk at elections@wi.gov or (608-261-2028).
