**SUBJECT:** NEW Public Information Brochure on the New Photo ID Law  
(Focus on Indefinitely Confined and Voters in Care Facilities)

A new election brochure about the Voter Photo ID law and its impact on electors who are indefinitely confined and voters in care facilities is now available for clerks to distribute.

Our staff are creating election brochures on various aspects of the Voter Photo ID Law to ensure that uniform and consistent information is conveyed to all Wisconsin voters. All brochures are posted on the G.A.B. website at <http://gab.wi.gov/publications/brochures>. They are printable in Word format and can be customized to include municipal logo and contact information. They should be printed double-sided and tri-folded for distribution

In the upcoming weeks, additional brochures will be developed on other aspects of the Voter Photo ID Law and will be posted for distribution. They will focus on voter registration, proof of residency, and University or college student voters. If you would like for our staff to develop brochures around other areas of the Voter Photo ID Law, please contact Ross Hein, G.A.B. Election Supervisor, at (608) 267-3666, or [Ross.Hein@wi.gov](mailto:Ross.Hein@wi.gov).

As with any G.A.B. document produced, should there be changes necessitated by the Legislature or policy/rulings made by the Government Accountability Board, or DVM's changes that require revisions, we will be inform you as soon as possible. Please consider this when determining how many brochures to print.

NOTE: The election brochure titled "*How to Obtain a Free Wisconsin State ID for Voting Purposes*" was revised due to DMV changes regarding the effective date of the separate State ID application- MV 3004. Thank you.
