MEMORANDUM

TO: Wisconsin County Clerks
Milwaukee County Election Commission
Wisconsin Municipal Clerks
Milwaukee City Election Commission

FROM: Michael Haas
Elections Division Administrator

DATE: March 16, 2016

SUBJECT: 2015 List of Agency Accomplishments

After each calendar year, staff of the Elections Division compiles a summary list of significant accomplishments. The 2015 list of accomplishments was presented to the Government Accountability Board at its March meeting and is posted here for your information. The list reflects the tremendous amount of work completed by our very talented and dedicated staff, which has focused on the G.A.B.'s mission and responsibilities throughout a busy and challenging legislative session.

Just as importantly, this list represents progress we have made together and is only possible because of the consistent and conscientious efforts of every county and municipal election official, who pay attention to the important details on a daily basis and serve each individual voter and candidate. On behalf of the Board and its staff I thank you for your service and for your partnership in administering fair and impartial elections in the State of Wisconsin. We look forward to continuing our work together during the remainder of 2016.
