SUBJECT: Staffing Change – Zachary Robinson Departure

We are sorry to announce that Zachary Robinson will be leaving the Wisconsin Elections Commission to start employment with the Legislative Technology Services Bureau (LTSB) in mid-August. Zach has done a great job over the last four and a half years building up our mapping and GIS capabilities in the statewide voter registration system. Aside from his technical expertise, a significant part of his success has been his ability to develop strong working relationships with local clerks and land information office staff. Zach also stepped in to play a significant role in the run-up to the launch of WisVote and in keeping that project on track.

We will certainly miss him and his skills and work ethic, and we appreciate all of his contributions to the success of Wisconsin elections. His new position will continue to make use of his GIS skills, including during the legislative redistricting process, and we look forward to continuing a strong partnership. Zach's last day in the office will be August 12, and we will work to fill his position as soon as possible. In the meantime, if you have questions or concerns related to mapping or GIS data after his departure, please contact the Elections Commission HelpDesk at elections@wi.gov or at (608) 261-2028.
