2016 was a busy year! We will take a look at any legislative or administrative changes in laws and procedures that impact elections and local election officials and forecast what may be ahead for us in 2017, including the implementation of online voter registration.

The webcast will be posted by the Thursday following the session on the WEC website for clerks and election inspectors to review at their convenience: <http://elections.wi.gov/clerks/education-training/webinars>. The training counts toward recertification hours whether you participate in the live webinar or review the recording at a later date.

**Live Webinar Requirements**

You must be able to view videos on your computer, using a media application such as Windows Media Player. You will be connected to audio using your computer’s speakers. If you are unable to access the audio over your computer speakers, you may select “Use Telephone” after joining the webinar. Using the telephone for audio is a **toll charge**. If you have questions about the technical aspects of the webinar, please contact the Elections Help Desk at [elections@wi.gov](mailto:elections@wi.gov) or (608) 261-2028.

The webinar has a maximum of 500 participants. In response to input from clerks, phones will be muted to reduce ambient noise. Questions may be typed in and will be answered by WEC staff for the benefit of the participants as time allows. A list of Frequently Asked Questions (FAQs) generated from the webinar will be posted after the webcast.

We look forward to you joining us for the webinar on Wednesday. If you have any questions, please contact me: [allison.coakley@wi.gov](mailto:allison.coakley@wi.gov) or (608) 261-2033. Thank you.
