SUBJECT: What's New for the 2014 Elections?

Last month, the G.A.B. launched its second year of election administration education and training using webinar programming. The fourth webinar in our "Building on the Basics" Election Administration training series is:

<p>Webinar for County, Municipal Clerks and Election Inspectors What's New for the 2014 Elections? Wednesday, December 11, 2013, 9:00 a.m. – 11:00 a.m. Web link: https://www1.gotomeeting.com/register/925050328</p>
--

The **What's New for the 2014 Elections?** Webinar will cover specific topics related to the duties and responsibilities of election officials that merit additional clarification, based on feedback we have received from county and municipal clerks:

- Legislative Updates
- Status of Voter Photo ID
- GAB-190 Election Data Reporting
- Appointing Election Inspectors
- Annexations
- Accessibility at the Polls
- Spring 2014 Contest Setup in SVRS
- Q & A – Bring your questions about anything election-related!

Reference materials for the webinar have been posted on our website as an attachment. The webcast will be posted by the Thursday following the session on the G.A.B. website for clerks to use for their own education and training their election inspectors: <http://gab.wi.gov/clerks/education-training/webinars>. The training counts toward clerk recertification whether you participate in the live webinar or review the recording at a later date.

Live Webinar Requirements

You must be able to view videos on your computer, using a media application such as Windows Media Player. You will be connected to audio using your computer's speakers. If you are unable to access the audio over your computer speakers, you may select "Use Telephone" after joining the webinar. Using

the telephone for audio is a toll charge. If you have questions about the technical aspects of the webinar, please contact the Help Desk at gabhhelpdesk@wi.gov or (608) 261-2028.

The webinar has a maximum of 500 participants. In response to input from clerks, phones will be muted to reduce ambient noise. Questions may be typed in and will be answered by G.A.B. staff for the benefit of the participants as time allows. A list of Frequently Asked Questions (FAQs) generated from the webinar will be posted after the webcast.

We look forward to you joining us for the webinar on Wednesday. If you have ideas or suggestions for future webinar topics, please contact me: allison.coakley@wi.gov or (608) 261-2033. Thank you.
