An overview and review webinar! Tune in to this webinar for general best practices in SVRS and a good summary of how SVRS interacts with our other election administration systems, like MyVote Wisconsin, WEDCS and Canvass.

Reference materials for the webinar have been posted on our website as an attachment. The webcast will be posted by the Thursday following the session on the G.A.B. website for clerks to use for their own education and training their election staff: <http://gab.wi.gov/clerks/education-training/webinars>. The training counts toward clerk certification whether you participate in the live webinar or review the recording at a later date.

Live Webinar Requirements

You must be able to view videos on your computer, using a media application such as Windows Media Player. You will be connected to audio using your computer's speakers. If you are unable to access the audio over your computer speakers, you may select "Use Telephone" after joining the webinar. Using the telephone for audio is a **toll charge**. If you have questions about the technical aspects of the webinar, please contact the Help Desk at gabhlpdesk@wi.gov or (608) 261-2028.

The webinar has a maximum of 500 participants. In response to input from clerks, phones will be muted to reduce ambient noise. Questions may be typed in and will be answered by G.A.B. staff for the benefit of the participants as time allows. A list of Frequently Asked Questions (FAQs) generated from the webinar will be posted after the webcast.

We look forward to you joining us for the webinar on Wednesday. If you have ideas or suggestions for future webinar topics, please contact Allison Coakley: allison.coakley@wi.gov or (608) 261-2033.
Thank you.
