As directed by the Legislature, Wisconsin has joined an inter-state data sharing consortium called the Electronic Registration Information Center or ERIC. As part of our membership in ERIC, the Wisconsin Elections Commission will be sending postcards in late September to over a million Wisconsin residents who may be eligible to vote but are not currently registered, encouraging them to register before Election Day. Tune in to find out more about this mailing, and what responsibilities municipal clerks may have in this process.

The webcast will be posted following the webcast on the WEC website: <http://gab.wi.gov/clerks/education-training/webinars>. The training counts toward clerk certification whether you participate in the live webinar or review the recording at a later date.

Live Webinar Requirements

You must be able to view videos on your computer, using a media application such as Windows Media Player. You will be connected to audio using your computer's speakers. If you are unable to access the audio over your computer speakers, you may select "Use Telephone" after joining the webinar. Using the telephone for audio is a **toll charge**. If you have questions about the technical aspects of the webinar, please contact the Elections Help Desk at elections@wi.gov or (608) 261-2028.

The webinar has a maximum of 500 participants. In response to input from clerks, phones will be muted to reduce ambient noise. Questions may be typed in and will be answered by G.A.B. staff for the benefit of the participants as time allows. A list of Frequently Asked Questions (FAQs) generated from the webinar will be posted after the webcast.
