MEMORANDUM

TO: Wisconsin County Clerks
Milwaukee County Election Commission

FROM: Michael Haas
Elections Division Administrator

DATE: March 22, 2016

SUBJECT: County Websites for Election Night Results

As you know, 2015 Wisconsin Act 261 requires that county clerks post unofficial Election Night results on the county's website within two hours of receiving the results from municipal clerks. The Act also requires that the G.A.B.'s website list links to each county's website where the results can be viewed. While the results are unofficial, this will help to provide a more centralized method of obtaining them as soon as they are available.

The G.A.B.'s website already contains a list of county websites, as part of its Clerk Directory page, and it can be viewed at this link: <http://www.gab.wi.gov/clerks/directory/county-websites>. Please consult the list at that link to confirm that we have the correct website address for your current website. Also, please let us know if there is a separate link you would like to list for the location of your Election Night results posting.

This communication is being sent directly to county clerks. Please respond to gabhelpdesk@wi.gov by Tuesday, March 29, 2016, so that we may ensure that our links to your websites are correct for the Spring Election. Thank you very much for your assistance with this request.

If you have questions with respect to this memorandum, please contact the G.A.B. Help Desk at 608-261-2028 or gabhelpdesk@wi.gov.
