SVRS (version 8.1) was installed on Thursday, January 26, 2012. The SVRS now contains features required by Wisconsin Act 23, the Voter Photo ID Law.

- Three new fields were added to the voter record to track Photo IDs provided with mail-in absentee request, voters exempt from showing Photo ID, and voters exempt from signing the poll book.
- The Poll Book has been modified to accommodate the signature requirements for voters. The overall Poll Book design has been fine-tuned based upon the recommendations made by clerks.
- The Voter Redistrict Trifold Mailing is available for clerks to use to notify voters of new districts or polling places.
- The Listing for Redistricting Report has been added to provide lists of district changes and polling place changes.
