MEMORANDUM

DATE: August 29, 2013

TO: Wisconsin Municipal Clerks
City of Milwaukee Election Commission

FROM: Michael Haas, Elections Division Administrator

SUBJECT: Survey Regarding Political Parties Nominating Local Election Officials

The Legislature is considering several recently-proposed pieces of legislation related to the nominations of local election officials by political parties. The Senate Committee on Elections and Urban Affairs has scheduled a public hearing for Wednesday, September 4.

In preparation for this hearing, the Wisconsin Government Accountability Board is conducting a brief survey of clerks about their experiences with political parties nominating election officials. Our goal is to provide a better understanding to the Legislature of clerk experiences about this topic.

The survey, which asks up to nine questions and should take less than five minutes, is available here:

Please complete this survey as soon as possible so that we can provide feedback from municipal clerks to the Legislature while it is considering the relevant proposals. We greatly appreciate your assistance. If you are not able to respond immediately, we will keep the survey open for a few weeks and provide the Legislature with updated results at future hearings.
