Accessible Voting

Wednesday, June 20
10 am to 11 am

A voter with low vision listens to audio instructions before casting a practice vote.

Have you given up voting due to a lack of access in the system? We are committed to ensuring that residents know all the options they have to cast their vote. Join Sara Linski, WisVote Elections Specialist, and Jennifer Haar, City of Madison Clerk's Office, to learn about the voting options available to individuals with disabilities who want to vote, whether it is voting prior to Election Day or voting on Election Day at the polls. Hear about the voting experiences of Randy and Virginia Black. Find out what you can do to have an effective voting experience, and how we are trying to make it more positive.
