SUBJECT: The Government Accountability Board has created the 2011 April Spring Election NEW Checklist I is now available and the 2011 April Spring Election may be Inherited

NEW Checklist I for the 2011 April Spring Election is now available on the Recent Clerk Communications page of the G.A.B. website: <http://gab.wi.gov/clerks/recent-communications>. This checklist covers activities from inheriting the election through entering Contests and Candidates.

- 2011 April Spring Election is available to inherit in SVRS.
- Counties and municipalities can inherit now to track the candidate filing status for county and municipal level offices for the 2011 April Spring Election.
- Counties must inherit the 2011 April Spring Election by December 29, 2010.
- Municipalities must inherit the 2011 April Spring Election by January 5, 2011.

Counties and municipalities can inherit the 2011 April Spring Election before the 2011 February Primary. The 2011 February Primary should only be inherited if a Primary is necessary. Please see our memo from Friday, November 12, 2010, regarding the Spring Primary and the sending of military electors their ballots in January. This is a change from past practice. Please let us know if you need any assistance. Thank you for your continued cooperation. We look forward to an exciting and successful Spring Election Cycle.
