**SUBJECT:** SVRS Checklist III for the 2015 Spring Election

SVRS Checklist III for the April 7, 2015 Spring Election is now available. The Checklist contains Election Night Tasks, Post-Election Activities and GAB-190 Information.

Please review the document carefully and thoroughly. This is the best source of information regarding SVRS-related election cycle tasks and information, including the following items:

- Recording of each provisional ballot (or that no provisional ballots were issued) in the CRM ElectionData website. Please make sure ahead of Election Day that you can successfully access and log-in to the website.
- Processing of Late Registrations and Election Day Registrations; recording voter participation in SVRS, making sure total voter participation corresponds to the total number of voters in your poll book(s) by May 7, 2015.
- The GAB-190NF (Election Voting and Registration Statistics Report for Non-Federal Elections) is required for all counties/municipalities for the 2015 Spring Election. The GAB-190NF is entered in the Wisconsin Election Data Collection System (WEDCS) and is due by May 7, 2015.
- The GAB-191 (Election-Specific Costs Report) is required for **all** municipalities and counties. The GAB-191 is also entered in WEDCS and is due by June 8, 2015.

Please contact the G.A.B. Help Desk at [gabhhelpdesk@wi.gov](mailto:gabhhelpdesk@wi.gov) or (608) 261-2028, with any questions. Thank you for your hard work this election cycle!
