All county and municipal clerks who will be using the new WisVote system are encouraged to attend one of two webinars designed to provide insight and information into the transition from SVRS to WisVote as well as some of the first steps to take as soon as you have access to WisVote.

The webinar is expected to contain approximately two hours of material with an hour allotted for questions to be answered throughout the presentation. The WisVote E-Learning Website provides companion material.

A short document containing companion materials will be posted on the G.A.B. website the day before the webinars at: <http://www.gab.wi.gov/clerks/education-training/webinars>.

Both webinars will be recorded and posted to both the G.A.B. website as well as the WisVote Learning Center website for the benefit of those who are unable to attend the live broadcast.

Live Webinar Requirements

You must be able to view videos on your computer, using a media application such as Windows Media Player. You will be connected to audio using your computer's speakers. If you are unable to access the audio over your computer speakers, you may select "Use Telephone" after joining the webinar. Using the telephone for audio is a **toll charge**. If you have questions about the technical aspects of the webinar, please contact the Help Desk at gabhelpdesk@wi.gov or (608) 261-2028.

You are encouraged to register for the webinar in advance. The webinar has a maximum of 500 participants. In response to input from clerks, phones will be muted to reduce ambient noise. Questions may be typed in and will be answered by G.A.B. staff for the benefit of the participants as time allows. A list of Frequently Asked Questions (FAQs) generated from the webinar will be posted after the webcast.

We look forward to you joining us for the webinar on Wednesday. If you questions, please contact me: Juanita.borton@wi.gov or (608) 261-2004. Thank you.
