Jodi Kitts, WisVote Elections Specialist

SUBJECT: WisVote Live Update #11

Recent Updates to WisVote

On the evening of Thursday, October 6, updates were made to the WisVote system. This update contained several minor system modifications with a few noticeable updates to improve the functionality of WisVote.

- **Absentee Central Count Report** has increased font size to make it easier for poll workers to read.
- The **Post Supplemental Poll Book** section on the poll book screen now has a grid similar to the other poll book sections, to facilitate recording and unrecording votes.
- The **Absentee Ballot Certificate** report used for voters, who are requesting ballots via fax and email, now includes the mailing ID and barcode, as well as the email and fax.
- The GAB190 – Election report has been renamed to the **EL-190 Election Statistics Report**.
- New features have been added to support new and former residents who receive a **Presidential Only Ballot**.

MyVote Reminders

MyVote information is WisVote information. The myvote.wi.gov website that voters use retrieves all of its data from the WisVote system. If information is entered incorrectly into WisVote, then it will display incorrectly on the MyVote website. If voters report any issues with what they see in MyVote, please check WisVote and contact the WEC Help Desk if you need further assistance at: 608-261-2028 or Elections@wi.gov.
