**The Government Accountability Board – Elections Division (GAB) has checked
 Milestone #3 for the State on Wednesday, May 9 2012.**

*** PLEASE NOTE – Although the checking of Milestone #3 in SVRS normally coincides with the certification of candidates for a specific election, Milestone #3 in SVRS is being checked prior to candidate certification in order to allow municipalities more time to generate Absentee Ballots Labels in SVRS. This will allow municipalities to be ready to issue absentee ballots to electors who have requested them within the tight statutory deadlines of the 2012 June 5 Recall Election**

◆ Note: Please contact the Government Accountability Board if there are any school, local or county races that need to be added to the ballot for the 2012 June 5 Recall Election. Contests and candidates for all school districts and multi-jurisdictional judge districts need to be entered by the state. Any additions or corrections must be communicated to the G.A.B. as soon as possible.

County Tasks:

*Steps 1 - 2 are performed by each county by the end of the day, Thursday, May 10, 2012.

- Step 1: Prior to adding any additional contests or candidates for the 2012 June 5 Recall Election, please contact the Government Accountability Board. Any additional contests or candidates must be added before municipalities generate absentee ballots.
- Step 2: Counties use the G.A.B. Canvass Reporting System to verify that all contests and candidates have been entered into SVRS correctly. The Election Night Call-In Return Sheet and the Contests By Reporting Unit for County Use reports both show all contests and candidates and can be used for this purpose. See the Canvass chapter of the SVRS Application Training Manual for more information.
- Step 3: Counties check Milestone #3 for the 2012 June 5 Recall Election no later than Thursday, May 10, 2012. (*Election Set-Up: Page 27*) Please notify Self-Providers that Milestone #3 has been checked at the county level.

Municipal Self-Providers/Provider Tasks:

- *NEW*** Step 4: If there are any school or municipal level contests on the ballot for this election please contact the Government Accountability Board. (County and State Offices will be entered by County and State users respectively.) (*Election Set Up: Pages 15-26, 21-26 are optional*)
- Step 5: Self-Providers/Providers check Milestone #3 no later than Friday, May 11, 2012. Do not complete this step until receiving notice that the county has checked Milestone # 3. Continue immediately through step 8 of this check list. (*Election Set-Up: Page 27*)
- Step 6: Self-Providers/Providers generate Ballot Styles. (*Election Set-Up: Page 28*)
- Step 7: Self-Providers/Providers set Milestone #4 for the election. (*Election Set-Up: Page 29*)
- Step 8: Self-Providers who use SVRS to track Absentee Ballots may begin issuing absentee ballot labels for all absentee electors. **NOTE:** All military absentee ballots must be tracked in SVRS.

SVRS Election Checklist II
2012 June 5 Recall Election
June 5, 2012

Wednesday, May 16, 2012 CLOSE OF VOTER REGISTRATION

- Enter all GAB-131s from voters who registered in person by close of business May 16, 2012.
 - ◆ “In Person” is defined as registering in front of an election official – a clerk or special registration deputy. Examples of in-person registration are: in your office, at libraries, and at schools. In-person registration can also occur during special registration drives in front of a special registration deputy.
- Enter all mailed-in GAB-131s that are postmarked on or before May 16, 2012.
 - ◆ You must enter into SVRS all mailed-in GAB-131s postmarked on or before May 16. In the Voter Application screen in SVRS, you will enter the postmark date into the field labeled **Effec. Reg. Date**. **Example:** John’s registration form is postmarked May 16 and it arrives in the clerk’s office on May 21; you should enter May 16 as the effective registration date. If you are transferring John into your municipality, make sure you update the effective date to reflect the postmark.

Thursday, May 17, 2012 – Friday, June 1, 2012 LATE REGISTRATION PERIOD

- When voters register in your office after May 17, 2012, you must issue each of them a Certificate of Registration (GAB-133). Since the GAB-133 is used exclusively by clerks in their office, the form is available to clerks from the GAB Help Desk (608-261-2028) by fax, USPS, email or generated through SVRS. A fill-able version of the form, which can be typed-in rather than hand-written, is also available by email or generated through SVRS.
 - ◆ Late Registration may only take place:
 1. In the Municipal Clerk’s office
 2. In the County Clerk’s office if the municipality is relying on that County
 3. If a hospitalized elector registers by agent.
 - ◆ Anyone registering on or after May 17, 2012 must receive a Certificate of Registration.
 - ◆ Prior to permitting an elector to register to vote during late registration the municipal clerk shall review the list of Ineligible Voters provided to the G.A.B. by the Department of Corrections. The Ineligible Voter Lists are available online at <http://electiondata.gab.wi.gov/> . Clerks may search the Ineligible list online or print lists for use during this time period. Municipalities are responsible for printing the lists unless other agreements have been made between Provider and Relier clerks.
 - ◆ Providers who carry out late registration duties on behalf of their Relier(s) during this period must also issue Certificates of Registration (GAB-133). When Providers assign sequential numbers to the Certificates of Registration, the Provider should put a “C” after the number. **Example:** Jane lives in the Village of Elkhart Lake which Relies on Sheboygan County. Jane can go to the Sheboygan County Clerk’s office to register and receive a Certificate of Registration instead of visiting the clerk’s office in Elkhart Lake.
 - ◆ Counties cannot register voters on behalf of Self-Providers during Late Registration. **Example:** Mary lives in the City of DePere – a Self Provider. If Mary tries to register in the County Clerk’s office after March 14, she will be re-directed to the City of DePere Clerk to register and receive a Certificate of Registration.
 - ◆ All mail-in registration forms that are postmarked **AFTER May 16** are **INVALID** for the 2012 June 5 Recall Election. If you receive mail-in registration forms postmarked after May 16, please contact the voter and recommend that he/she choose one of the following:
 1. Visit the clerk’s office and register in person before the election – requires proof of residence

2. Register (EDR) at the Polling Place – requires proof of residence
3. Hold his/her registration for post election entry – this option means the person's registration will be entered after the election, if the voter does not register in the clerk's office or at the polling place.

NOTE: (Optional) If you are using SVRS to track absentees, continue to process absentee applications and issue absentee ballots in SVRS.

June 1, 2012 DEADLINE TO PRINT POLL BOOKS

When Should I Print My Poll Book?

Poll books cannot be printed before 5:00pm on May 16, 2012. The GAB Elections Division strongly encourages you to wait until at least May 25, 2012 to print your official poll book Please consider the following when determining when to print your poll book:

- ◆ Once you print your final poll book, anyone who registers after that will not show up on any pre-printed poll list, and will be required to provide a Certificate of Registration (GAB-133) at the polling place. Although all late registrants will have received a Certificate of Registration, only those not appearing on the pre-printed list will be required to provide it at the polling place.
- ◆ Poll workers will need to record voter information on the Supplemental Poll List (GAB-107) from those who provide Certificate of Registration (GAB-133) at the Polling Place and who do not appear on the pre-printed Supplemental Poll Book (see below).
- ◆ Providers should consider how long it takes to print and deliver poll books. Give yourself a reasonable timeframe to deliver poll books to your polling places on time.

The more names that appear on the printed poll book, the fewer names poll workers will have to manually add to the GAB-107 on Election Day and the fewer names clerks will have to later manually reconcile voter participation within SVRS. This will reduce confusion for poll workers, reduce inconvenience to voters, and reduce confusion for clerks.

Ineligible Voter Lists at the Polling Place

The Ineligible Voter List, a list of all felons who have addresses located in the area served by a polling place must be made available at each polling place. Prior to permitting an elector to register to vote on Election Day the inspectors or special registration deputies shall review the list. The list may be made available at the polling place in a searchable online format or as printed list. Municipalities are responsible for making the lists available at their polling places unless other agreements have been made between Provider and Relier clerks.

Check SVRS to make sure you have your poll books set up properly for the Recall Primary.

- ◆ The Polling Place Assignment Plan and the Reporting Unit Plan set up when the election was inherited in SVRS **MUST** match. Each line in the Polling Place Assignment Plan and in the Reporting Unit Plan represents a separate poll book and reporting unit, respectively. See the updated information on creating reporting unit plans on the Government Accountability Board Website here – <http://gab.wi.gov/node/2240>

What Happens After I Print My Poll Book?

- Prepare Poll Lists for use at Polling Places
- Provide poll workers with copies of blank Supplemental Poll List forms for your poll book binder.
(**GAB-107** from *Forms & Publications* at <http://elections.wi.gov/>)
- 2012 may see a large increase in the number of provisional ballots. Please review the *Provisional Voting* section in the *Electors* chapter of the Election Administration Manual, and make sure your election workers are prepared.
- Self-Providers and Providers for their Relier(s) set milestone #5.
Checking milestone #5 is an indication to GAB that you have printed out official poll books – do not do this until you know you are satisfied with your poll list.

Print an Absentee Ballot Log for each polling place. If you use SVRS to track your absentee electors, instructions for printing the WI Absentee Application Ballot Log from SVRS are on page 37 of the *Absentee Ballots* chapter of the SVRS Application Training Manual.
