Joy Braeger, being first duly sworn on oath, deposes and states as follows:

1. I am an adult resident of the 12th State Senate District and I am a qualified elector, i.e., either registered to vote or eligible to register and vote.

2. On \_\_\_\_\_ at The 7<sup>th</sup> Day Thrift Shop - Rhine, I spoke with an individual who was soliciting me to sign a document. Based on what the individual told me, I signed the document.

3. Later, I learned that the document was a petition seeking a recall election for the State Senate seat currently held by Senator Holperin. The individual who requested I sign, did not tell me that the document was part of an effort to have a recall election ordered for Senator Holperin. Instead I was told [led to believe] that the purpose of the document was to be sure Sen. Holperin was on the ballot and I could support and vote for him.

4. Had I not been misled about the purpose of effect of the petition, I would not have signed it. I do not and have not supported efforts to have a recall election held for Senator Holperin's seat.
