Kenosha County Board of Canvass Minutes

Recount for the Justice of the Supreme Court
Wednesday, April 27 – May 4, 2011 & May 9, 2011

The Kenosha County Board of Canvass convened at 9:00 am in the North 2 Conference Room in the Kenosha County Job Center/Human Services Building for the purpose of conducting an election recount of the April 5, 2011 spring election for the Justice of the Supreme Court. The Recount was properly noticed as a public meeting in the Kenosha News on Tuesday, April 26, 2011 and Saturday May 7, 2011.

Present: Matt Augustine, Republican Representative, Caroline Rivera, Democrat Representative, Mary T. Schuch-Krebs, County Clerk, Edie LaMothe, Deputy County Clerk. Observers and tabulators also present (sign-in sheets attached).

Election Inspectors and Municipal Clerks who volunteered to assist with the recount were appointed as tabulators and poll book verifiers and signed an Oath of Appointment which was administered by County Clerk Mary T. Schuch-Krebs. An overview of the recount process was explained.

Each reporting unit was reviewed according to the procedures outlined in the Election Recount Procedures manual and the Supreme Court Recount Plan provided by the Government Accountability Board. The Board of Canvass along with the County Clerk checked all election materials. All ballots and election materials were kept in a locked room. County Clerk Mary T. Schuch-Krebs, and Deputy County Clerk Edie LaMothe were the only ones with keys to the room. Two teams consisting of 2 each were assigned to reconcile poll books. Two volunteers were assigned as tabulators. These two tabulators plus the County Clerk would inspect each ballot for any irregularities. Any irregularities found would be presented to the Board of Canvass for hand count and inspection. The tabulators along with the County Clerk fed each ballot through the Accu-vote voting machine. Memory cards for the Accu-vote were borrowed from the City of Kenosha, Village of Pleasant Prairie and Town of Salem and rented from Dominion Election. They were then programmed to only count votes cast for the Justice of the Supreme Court. Testing of the equipment was done for every reporting unit. Testing was found to be accurate.

All ballot bags/boxes were inspected for security seals and verified by either the County Clerk or the Deputy County Clerk.

On election night there were 415 ballots cast on the optical scan. 227 for Prosser, 164 for Kloppenburg and 1 write-in for a total of 392. With the difference being 23 under votes. At the recount there were 10 under votes in the Justice of the Supreme Court for Paddock Lake Wards 1-6 making a difference of 13. This should explain and account for the 13 additional votes counted at the recount.
