Shawano County Election Recount Minutes

APRIL 27, 2011

~~The~~ Shawano County began Day 1 of the Recount of ballots cast for Justice of the Supreme Court, candidates David T. Prosser and Joanne F. Kloppenburger. As directed by the Government Accountability Board of Wisconsin, Rooms A and B, lower level of the Shawano County Courthouse was designated for the recount process per Notice of the meetings that were posted in three places within Shawano County Courthouse, e-mailed to the Shawano Leader, WTCH Radio, and the Green Bay Press Gazette, mailed to the Board of Canvassers and Tabulators and placed on the Shawano County website at www.co.shawano.wi.us. Canvassing to begin at 9:00 AM each day, until 4:00 PM unless time differential is necessary to complete a municipality.

At 9:00 AM County Clerk and Assistant carted in the election materials and ballot bags, from a designated locked room. She explained the various materials returned from each municipality, and the importance of each to be reviewed for accuracy. All participants in the canvass were then paired in twos and proceeded as the Clerk directed. The Board of Canvassers are named in the minutes of April 26 and maybe recognized by only initials if necessary to include any individuals other than Clerk, in the minutes.

Prior to actual start, Clerk Bohm explained ground rules for everyone that ~~are~~ observing the recount, namely signing in and out each time of occurrence. No Brown or Black pens allowed. No phones used for incoming calls or making calls in the rooms being used for the recount. Cordial behavior is expected with no disruptive behavior. Questions are to be directed to the County Clerk only. Copies of the 'State' Rules for observers are available for each observer.

Co. Clerk indicated there were NO MILITARY ballots and NO PROVISIONAL ballots used for this election.

RECOUNT process adjourned at 4:30 P.M.; the Co. Clerk AND Assistants carted all materials back to the locked and secured area.

April 28, 2011

Board of RECOUNT CANVAS for Justice of Supreme COURT was convened at 9:00 A.M Thursday, in the Lower Level of Courthouse.

At specified Time Clerk and Assistant retrieved the carted materials from the secure area to continue the screening and counting of the ballots

An additional poll worker was added to the canvassing process.

At 11:05 AM the package was delivered containing cartridges need to tally votes on the machine for several municipalities including City Shawano.

Co. Clerk attempted to contact Red Springs Town Clerk regarding problem with incomplete poll list for County copy. Town list okay, but needed both to compare. Recount delayed due to no contact by phone. Left message (ASAP).

Recessed for lunch which was catered in each day - prohibiting the poll workers from leaving the area.

Municipalities completed this day referenced on the forms required by State

The time being 4:30 the count was recessed until the next day. Materials were carted to the secure area by County Clerk and her assistants.

April 29, 2011

The RECOUNT process for Justice of Supreme COURT was convened at 9:00 AM, Friday in the lower level of COURTHOUSE.

COUNTY Clerk and Assistant Retrieved the carted materials from the secure area To continue screening and counting of the ballots.

Pairs of Two worked to continue the municipal RECOUNT.

Town Wescott's Red Bag holding the ballots, etc with a "Lock" was questioned on the different security closure. The bag should have had a Red plastic type seal with a Number. The ^{RED} Seal was INCORRECTLY attached, but also had a Black UNNUMBERED different seal intertwined with the red tag. It appeared inappropriate, however all agreed the procedure used indicated no tampering or abuse to the seal by the Local or County. All agreed, including observers present, the bag was secured and to accept as is. No Challenges - No Requested exhibit stickers.

JM & CC, poll workers from Town Washington brought their voting machine to be used. It was a Optic Insight machine - 510,998 Protect Counter - 7,501 Town Washington - for I.D. purposes

They demonstrated with a "Test Machine Run" to educate the observers how they work on election day. Questions were fielded as JM explained possible problems and what to do if such problems should arise on voting day. Various obstacles were reviewed that have actually occurred. The machine was then used to RECOUNT ALL City of Shawano ballots (6 DISTRICTS/12 wards). City Clerk Markene Prath was present to assist with city ballots. Much interest was shown from onlookers at the process and discussion various problems that do occur for various reasons prompted by voter actions.

April 29, 2011

Nearing the completion, some poll workers left at 4:00 P.M.

After ballots all run through the machine, Shawanz was reviewed and ballot numbers documented with only one change in District one (Wards 1+2) giving Kloppenburg 9 additional votes due to clerical error by the City canvassers documenting totals.

All Municipalities have now been recounted. Changes in totals will be phoned to Madison this P.M. per their request. Other documentation to follow when complete. Observers left at 5:00 P.M. Materials were carted to security once more and Recount was declared completed.
