RECOUNT JUSTICE OF THE SUPREME COURT
2011 April 5, 2011 Spring Election
April 27, 2011 thru May 3, 2011**

Wednesday, April 27, 2011

Meeting was called to order at 9:00 a.m. The Board of Canvassers met on Wednesday, April 27, 2011, at the St. Croix County Government Center in the County Board Room, Hudson, Wisconsin to conduct a recount of the April 5, 2011 Justice of the Supreme Court Spring Election. The notice was posted on April 25, 2011.

Those present were:

County Clerk Cindy Campbell (and member of the Board of Canvass)

Canvass Board: Skip Jewett (Dem), Mary Johnson (Rep)

First Deputy County Clerk Amy Geurkink (minutes and runner)

Tabulators Present: Marilyn Antiel, Barb Dillow, Tom Redner, Jim Harer, Linda Hawkins

Observers Present: Prosser Campaign – Hugh H. Gwin, Martin Boomsma, Jesse Garza, Bill Tucker, Elisabeth Friesen, Diane Joachum, Jennifer Butterfield, Peyton Butterfield, Parker Butterfield, Desiree Friesen; Kloppenburg Campaign – Laurie Gruber; Bill Sorem of Uptake Media

County Clerk Campbell welcomed everyone and thanked them for their time. Campbell asked each representative to identify themselves and who they presented and indicated only one representative is allowed to address the Board of Canvass with challenges throughout the recount. Campbell explained the process to all present. Observer ground rules were read. Campbell requested all workers and observers must sign in and out. Campbell reported this recount involves all 43 St. Croix County reporting units in which 16,726 ballots were cast. Candidate Prosser received 8,272 votes, Candidate Kloppenburg received 7,953 votes and there were 10 write-ins.

Campbell explained the duties of the members of the Board of Canvass and indicated tabulators will be responsible for poll book reconciliation, ballot verification and ballot tabulation. The Board of Canvassers will review absentee ballot documentation. Geurkink will take minutes, gather documentation per reporting unit and retrieve election materials and ballots secured in the County Clerk's office throughout the recount.

Campbell administered the oath of the office to the St. Croix County Recount Election Officials.

Recount Process

The recount began and the procedures listed below were followed for each of the 43 reporting units.

- a. Poll lists were reviewed, comparing the numbers on both the County's and reporting unit's lists.
- b. Number of voters were tallied from the poll lists.
- c. Lists of absentee voters were reviewed and compared with the number of used absentee certificate envelopes, and the notations on poll lists, verifying the number of people voting by absentee ballot.
- d. Municipal clerk absentee ballot logs with applications provided were reviewed.
- e. Rejected absentee ballot envelopes were reviewed and noted as necessary.
- f. Defective absentee ballot envelopes were reviewed and noted as necessary.
- g. All ballot bags were inspected for locking seals and signatures.

- h. All ballot bag seals were cut and ballots were individually counted by reporting unit, inspected for initials of election inspectors; all ballots were then separated into piles for regular, absentee, questionable marks, write-ins, and undervotes.
- i. The number of absentee ballots were balanced by reporting unit with the number of potential absentee voters as listed above.
- j. The Board of Canvass confirmed the number of voters to ballots throughout all of the reporting units.
- k. There were no provisional ballots issued in St. Croix County during the April 5, 2011 Spring Election.

Town of Forest initially reported 198 Prosser; 129 Kloppenburg. The recount tally revealed 33 hand count votes for Prosser plus 169 touchscreen = 202 for Prosser; hand count votes for Kloppenburg revealed 24 plus 104 touchscreen = 128 for Kloppenburg. There were 26 undervotes.

Rejected two absentee ballots – Krefts witnessed each other's certificate, but neither signed. GAB confirmed reason to reject Kreft absentee ballots. BOC did a draw-down of two absentee ballots. Result was -2 for Prosser.

Notes:

Inspectors Statement indicated ballot jammed in optical scan and did not know if ballot counted. Inspectors Statement reported 373 voters and 372 ballots. At recount, counted 373 ballots. Results increased Kloppenburg by 2. Town Clerk explained the jammed ballot must not have counted on Election Day and that a voter who received a ballot did not want to wait for a voting booth and voted at the election officials' table in red ink and ran the ballot through optical scan. BOC determined ballot marked in red ink did not count at town hall, but when ran through optical scan at recount, votes counted.

Confirmed absentees.

The absentee elector receiving ballot via email did not sign the certificate envelope, but it was witnessed. Election officials counted ballot on election day. Called GAB and asked since we know which ballot it was (only remade ballot), do we draw down from entire absentee ballots or remove the remade ballot. GAB recommends removal of the ballot marked as remade. BOC removed the remade ballot (-1 Prosser)
