State of Wisconsin
Before the Government Accountability Board

The Complaint of Richard S. Sass, Complainant(s)
against Scott Feldt, Respondent, whose
address is 1815 Double Tree Dr., Janesville, WI, 53545

This complaint is under _____ (Insert the applicable sections of law
in chs. 5 to 12, subchapter III of ch. 13, or subchapter III of ch. 19, if known)

I, Richard S. Sass, allege that:

All the nomination papers of the candidate for state treasurer
Scott Feldt be discarded based on the following state
statutes. 8.15 (5) a RESIDENCY CHALLENGE
statutes 8.21 (4) b " "
statutes 8.28 " "
statutes 8.30 (a) & (b)

It is this Complainants belief that candidate Scott Feldt
lives in Iowa, where his wife & children live. If in fact
this is true than respondent was not truthful and did not
comply with state statutes above.

Note:

GOVERNMENT
ACCOUNTABILITY BOARD

If the allegations noted on page one are true then this respondent misled the signers on his nomination papers into believing that he is a Wisconsin citizen.

This manipulation certainly would have helped respondent in his quest for signatures on his nomination papers. It also would give him an unfair advantage in the primary election.

The respondent was employed in Illinois (East Moline) as a Director of Community Development. I don't think his car has WIS. License plates,

I also believe his children attend school in Iowa.

My big complaint is not that respondent may live in IOWA but rather if this is true that he lives in Iowa then this should have been put on the nomination papers. Based on the afore mentioned allegations I believe that I have established probable cause for your office to open an investigation so justice can be served to the Wisconsin citizenry.

I Richard S. Sass, being first duly sworn, on oath, state that I personally read the above complaint, and that the above allegations are true based on my personal knowledge, and to those stated on information and belief, I believe them to be true.

initials if desired, but no other abbreviations or titles) residing at (insert candidate's street address) be placed on the ballot at the (general or special) election to be held on (date of election) as a candidate representing the (name of party) so that voters will have the opportunity to vote for (him or her) for the office of (name of office). I am eligible to vote in (name of jurisdiction or district in which candidate seeks office). I have not signed the nomination paper of any other candidate for the same office at this election.

(b) Each candidate shall include his or her mailing address on the candidate's nomination papers.

What the statute requires, but does not say, is that the heading must be substantially complete before the nomination paper is circulated. Otherwise, the signers would have no knowledge of what they were signing and that would render their signatures meaningless. Therefore, none of the information in the heading of the nomination paper, (i.e., candidate's name, candidate's address, political party represented, date of election, office sought, name of jurisdiction or district in which candidate seeks office), may be altered, amended, or added after circulation of the nomination paper. A challenge to the heading of a nomination paper should identify the page or pages (by number) and the defect or deficiency in the heading. Some deficiencies -- the absence of the candidate's name, the office sought, the party whose nomination is sought, and/or the date of the election in which the candidate is running -- are more lethal to nomination than others, but the Board has considered the impact, on the validity of the nomination, of any information missing from the heading.

B. Challenges to the certification of the circulator

In most, if not all, cases, defects in the certificate of the circulator may be "repaired" by a correcting affidavit of the circulator -- because the defect has no effect on the validity of the signatures or on the information presented to the signatories when they signed. Defects in the heading of a nomination paper, however, may not be corrected or altered after the paper has been circulated.

II. Challenges to Individual Signatures

The second part of any challenge to nomination papers consists of challenges (if any) to individual signatures. Challenges to individual signatures on various pages should include a copy of each and every page on which one or more signatures are challenged. Each page should be numbered as described above and the challenge should refer to the signature(s) challenged, by page and line number. (For instance: John Smith p.#3, line #6 - the address of the signatory is outside the XX Assembly District.)

Challenges to individual signatures, like any other challenge, must be based on the personal knowledge of the complainant or that of a person whose affidavit or sworn statement accompanies the challenge. Therefore, as an example, a challenge to the eligibility to sign of various signers of a nomination paper, based on the non-residency of those signers, must be accompanied by a map of the district showing their address to be outside the district; or by a signed statement from the election official (municipal clerk or deputy clerk) whose responsibility it is to determine the residency of electors of the district. The allegation by the complainant -- that the signers are not residents of the district -- without the attached map or statement from the election official, or other corroborating forensic evidence, is not sufficient to show probable cause.
