Attached is my cost estimate for the potential recount. You will see these costs are significantly higher than the 2016 presidential recount. Here are the reasons why:

1. Higher wage because of the pandemic
2. More people needed. Running 3 municipalities at a time.
3. Estimate is based on the entire 13 days and there are more ballots.
4. More people helping because of the number of absentees
5. Renting a facility for social distancing
6. Supplies because of the pandemic (shields, masks, sanitizer, gloves)

Thank you, Karen
Karen J. Gibson

Subject: Cost estimate

Hi.

I am out of the office with COVID-19. I would estimate the cost of doing the recount in Jackson County to be \$7,000. Kyle

Hi Jamie,

Thank you for that total estimate amount. However, would you be able to please put that into the estimate spreadsheet so that we have more detail on that figure if our agency is asked for detail? If not, please indicate which method of recount you will be using: hand count, machine count, or a combination.
