SUBJECT: Bi-weekly Wisconsin Election Commission Newsletter

The Wisconsin Elections Commission is pleased to announce that this week marks the beginning of the WEC Newsletter!

This email newsletter will supplement recent clerk communications and be a reliable source of information for clerks every two weeks about timely topics and events, upcoming deadlines and trainings, or just interesting developments in election administration and WisVote, among other things. The newsletter will serve as a replacement to the bimonthly reminder email to check the recent clerk communications page on the agency website.

As we launch this publication, we would love to hear from you about what you think it should include. Are there specific deadlines about which you'd appreciate a reminder? In short, what would make this newsletter useful and interesting to you and your staff? Please send your ideas and thoughts to Jacob Walters at jacobs.walters@wisconsin.gov or via telephone at (608) 267-0474.

As always, thanks for all that you do for your communities.
