The Wisconsin Elections Commission wants to help you keep your voter registration record up-to-date.

A transaction with the WisDOT Division of Motor Vehicles or United States Postal Service indicates your address may be different than your current Wisconsin voter registration.

**If you do not affirm your current address or register at a new address your voter registration status may be changed to Inactive and you may be required to re-register the next time you vote.**

Contact your local clerk to keep your registration active.

See options inside for next steps.
