WISCONSIN ELECTION COMMISSION

DOUGLAS HYANT, Political Director,
Assembly Democratic Campaign Committee,

Complainant,

Against

WEC 04JUN2018 10:04:00

LOREN OLDENBURG,

Respondent.

VERIFIED COMPLAINT

I, Douglas Hyant, upon information, personal knowledge, and belief, hereby allege and swear as follows:

1. This Complaint is brought against Loren Oldenburg pursuant to Wis. Admn. Code EL § 2.07, Wis. Stat. § 8.15(2), Wis. Stat. § 8.15(3), and Wis. Stat. § 8.15(4)(a).
2. I am a qualified elector in and resident of the State of Wisconsin. I am the Executive Director of the Assembly Democratic Campaign Committee, with offices located at 15 North Pinckney Street, Suite 200 in the City of Madison, Wisconsin, Zip Code 53703.
3. The Respondent, Loren Oldenburg, Wisconsin Elections Commission File Number 0106030, Receipt Number 161, maintains a residential address at E4299 County Road Y, in the Town of Harmony, Wisconsin, Zip Code 54665.
4. On or about June 1, 2018, Respondent filed nomination papers with the Wisconsin Elections Commission to be placed on the November 6, 2018 ballot for State Representative in

approximately 213 signatures as determined by initial review of the Wisconsin Elections Commission staff.

5. Upon a more detailed examination, Respondent's nomination papers contain numerous deficiencies, including but not limited to signers who live outside of the district, signers who previously signed papers for another candidate for the same office, signers who previously signed the Respondent's nomination papers, signers who failed to indicate their date of signing, signers who are not qualified electors due to felony convictions, and/or signers who did not provide their address and municipality information in the certification.

6. Respondent's nomination papers contained a total of twenty (20) signatures with insufficiencies pursuant to Wis. Admn. Code EL §§ 2.05 and 2.07, bringing the total number of valid signatures substantially below the 200 signature threshold required to be placed on the ballot for State Assembly.

I. ELECTORS RESIDING OUTSIDE OF THE DISTRICT

7. For nomination signatures to be valid pursuant to Wis. Stat. §§ 8.15(2) and (3), a signer of the nomination papers for a state office, including that of Representative in the Wisconsin State Assembly, must reside in the jurisdiction or district which the candidate names on the paper will represent if elected. Wis. Stat. §§ 8.15(2) and (3) (2015-16).

8. A copy of the insufficient signatures is attached hereto and incorporated herein as "Exhibit A". These signatures listed in Exhibit A are from outside the 96th Assembly District, failed to include essential address information, or failed to provide an address entirely. The proper Assembly District of each signer is provided where it is able to be determined and incorporated herein as "Exhibit B," which is comprised of screenshots taken directly from the "Who Represents Me?" search engine.

incorporated herein as “Exhibit B,” which is comprised of screenshots taken directly from the “Who Represents Me?” search engine.

9. Electors who reside outside of the Respondent’s district but signed the Respondent’s nomination papers were found on the following pages: Page 4-4; Page 6-10; Page 7-4; Page 13-6 (4 signatures eliminated).

10. District residency or nonresidency was determined utilizing the “Who Represents Me?” search engine available via the Wisconsin Legislature’s website and accessible to the public at the following internet address: <http://legis.wisconsin.gov/pages/waml.aspx>, per the direction of the Wisconsin Elections Commission. *See* Wisc. Elections Comm’n, *Nomination Paper Challenges* (Jan. 2018) at 6-7.

11. Where addresses from Respondent’s nomination papers were not found in the “Who Represents Me?” search engine, the issue with the provided address information is given in Exhibit A.

12. A copy of the address search for the insufficient signatures is attached hereto and incorporated herein as Exhibit B. These screenshots come directly from the “Who Represents Me?” search engine.

II. ELECTOR(S) SIGNED A DIFFERENT CANDIDATE’S NOMINATION PAPERS PRIOR TO SIGNATURES INCLUDED IN RESPONDENT’S PAPERS

13. For nomination signatures to be valid pursuant to Wis. Stat. § 8.15(2), the signing elector must not have previously signed the nomination papers for a different candidate running for the same state office, including that of Representative in the Wisconsin State Assembly. Wis. Stat. § 8.15(2) (2015-16).

14. Pages 4, 17, and 21 of Respondent's nomination papers include signature(s) from electors who previously signed nomination papers for a different candidate running for the same seat. This is a clear violation of Wis. Stat. § 8.15(2). Signatures at issue are as follows: Page 4-10; Page 17-8; Page 21-2 and 3 (4 additional signatures eliminated from Respondent's nomination papers).

15. Copies of the Respondent's nomination papers exhibiting this defect and the matching signatures from the Alicia Leinberger and Paul Buhr nomination papers are attached hereto and incorporated herein as "Exhibit C".

III. ELECTOR(S) SIGNED THE PETITIONER'S NOMINATION PAPERS MULTIPLE TIMES

16. For nomination signatures to be valid pursuant to Wis. Stat. § 8.15(2), the signing elector must not have previously signed the nomination papers for the same candidate running for the same state office. Wis. Stat. § 8.15(2) (2015-16).

17. Pages 16, 17, 18, 19, and 20 of Respondent's nomination papers include signature(s) from electors who previously signed nomination papers for the same candidate running for the same seat (i.e., duplicate signatures). This is a clear violation of Wis. Stat. § 8.15(2). Signature matches at issue are as follows: Page 16-5 and 19-9 and 20-7; 17-1 and 20-4; Page 17-2 and 20-8; Page 17-3 and 20-2; Page 18-2 and 20-3. (6 additional signatures eliminated from Respondent's nomination papers).

18. Copies of the Respondent's nomination papers exhibiting this defect and the matching duplicate signatures from the Respondent's nomination papers are attached hereto and incorporated herein as "Exhibit D". In particular, one signatory, Ronald "Ron" Hoff signed the Respondent's nomination papers three (3) times, using two addresses, one of which was

duplicated. A comparison of the signatures clearly shows that each of the three was the same individual. (See Signatures 16-5, 19-9, and 20-7).

IV. SIGNERS WERE NOT QUALIFIED ELECTORS DUE TO FELONY CONVICTIONS

19. For nomination signatures to be valid, the signer must be a qualified elector in the district. Individuals who have been convicted of a felony and are currently serving any portion of their sentence, including extended supervision, probation, or parole, are not eligible to vote, and therefore are not electors qualified to sign nomination papers. *See* Wis. Stat. § 6.03(1)(b) (2015-16).

20. Page 21 of Respondent's nomination papers includes a signature from an elector disqualified due to a felony conviction, as confirmed via a CCAP search, *available at* wcca.wicourts.gov. Respondent's nomination signatures exhibiting this defect are located at Page 21-1 (1 additional signature eliminated from Respondent's nomination papers).

21. Copies of the Respondent's nomination papers exhibiting this defect are attached hereto and incorporated herein as "Exhibit E". Screenshots of the CCAP records for each disqualified signatory are attached hereto and incorporated herein as "Exhibit F".

V. ELECTOR DID NOT PROVIDE REQUIRED ADDRESS AND MUNICIPALITY OF RESIDENCE

22. For nomination signatures to be valid pursuant to Wis. Stat. § 8.15(2), an elector signing the nomination papers for a state office, including that of Representative in the Wisconsin State Assembly, must provide their address and municipality of residence for voting purposes. Wis. Stat. § 8.15(2) (2015-16).

23. Pages 13, 15, and 16 of Respondent's nomination papers fail to correctly identify the address and/or municipality of residence of the Elector. This is a clear violation of Wis. Stat. § 8.15(2).

24. Copies of the Respondent's nomination papers exhibiting this defect and a screenshot of the "Who Represents Me?" map demonstrating an invalid or non-existent address are attached hereto and incorporated herein as "Exhibit G". Signatures exhibiting this defect are as follows: Page 13-6; Page 15-6, 9; Page 16-5 (4 additional signatures eliminated from Respondent's nomination papers).

VI. SIGNATURES WERE INVALID BECAUSE THE DATES LISTED WERE NOT ORIGINAL AND ADDED AFTER THE FACT

25. For nomination signatures to be valid pursuant to Wis. Stat. § 8.15(2), an elector signing the nomination papers for a state office, including that of Representative in the Wisconsin State Assembly, must provide the date the elector signed the nomination papers. Wis. Stat. § 8.15(2) (2015-16).

26. Page 11 of Respondent's nomination papers include signatures where the elector failed to include the date of signature. Copies of the Respondent's nomination papers exhibiting this defect are attached hereto and incorporated herein as "Exhibit H". Signatures exhibiting this defect are as follows: Page 11-9 and 10 (2 additional signatures eliminated from Respondent's nomination papers).

27. The circulator could have fixed this error on the date of circulation based on personal knowledge. However, it is clear that either the circulator or a different individual retroactively added a date they were unsure of, as exhibited by the question mark ("?") that followed each date. The uncertain date fails to fulfill the statutory requirements for signatures on

nomination papers. This is a clear violation of Wis. Stat. § 8.15(2) and the two noncompliant signatures should be struck.

28. Respondent's nomination papers contained a total of 20 signatures with insufficiencies pursuant to Wis. Admn. Code EL §§ 2.05-2.07 and Wis. Stat. § 8.15, *et. seq.*, bringing the total number of valid signatures below the threshold of 200 signatures necessary to be placed on the ballot for State Assembly. The contested signatures are contained in the above-referenced exhibits, accompanied by a detailed explanation of their insufficiency.

29. Complainant respectfully submits that the foregoing facts warrant the Commission's attention, and the Commission should take prompt action to eliminate from the nomination papers filed by Respondent all pages that are insufficient or do not comply with Wis. Admn. Code EL §§ 2.05 - 2.07.

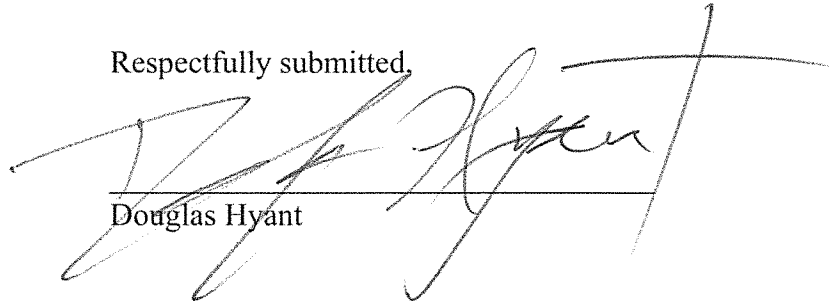

30. Complainant reserves the right to amend this complaint with additional information.
