EL 24-53
Ann Stevning-Roe v. Elsa Duranceau

U.S. Congressional District 7

State of Wisconsin
Before the Elections Commission

The Complaint of **Ann Stevning-Roe**
Complainant

against **Elsa Duranceau**
Respondent

This complaint is under Wisconsin Administrative Code EL § 2.05 that sets forth the standards for determining whether nomination papers comply with Wis. Stat. Ch.8, and Wis. Adm. Code EL § 2.07 sets forth the bases for challenges to those nomination papers.

I, Ann Stevning-Roe, allege the following deficiencies:

1. The circulator's address, required by Wis. Stat. §§ 8.10(3), 8.15(4)(a), is insufficient because the circulator has not indicated the correct municipality of residence on pages 71, 73, 74, 75, 77, 78, 79, 80, 81, 82, 84, 86, 87, 88, 90, 92, 93, 94, 98, 70, 100, 99, 97, 91, 89, 76, 85, 83, 96, 95, 116, 114, 112, 111, 106, 108, 109, 110, 105, 101, 102, 113, 115, 107, 103, and 104. Merrill is not the correct voting municipality for the candidate based on the header information.

Candidate Response to Nomination Paper Challenge

The Response to Complaint against Elsa Duranceau
Respondent

by Ann Stevning-Roe
Complainant

Dear Wisconsin Elections Commission and Board,

I am writing in response to the challenge filed against my nomination papers for the office of Wisconsin's 7th Congressional District Representative in the upcoming 2024 election. I appreciate the opportunity to address the concerns raised and to provide clarification and additional information as needed.

The challenge raised against my nomination papers includes the following points:

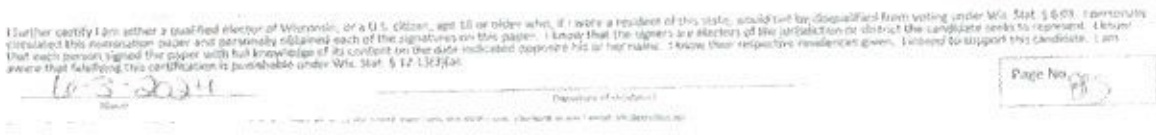
A. Challenge 1 pg 1 - The circulator's address, required by Wis. Stat.§§ 8.10(3), 8.15(4)(a), is insufficient because the circulator has not indicated the correct municipality of residence on pages 71, 73, 74, 75,77,78.,79,80,81, 82, 84.86, 87, 88, 90, 92 93,94. 98, 70. 100, 99,97,91, 89, 76, 85, 83,96.95,116, 114, 112, 11, 106, 108, 109, 110, 105, 101, 102, 113, 115, 107, 103, and 104. Merrill is not the correct voting municipality for the candidate based on the header information.

   Response: According to the document named Nomination Paper Challenges, January 2018, previous decisions of the State Elections Board, the Government Accountability Board and the Wisconsin Elections Commission shows on page 4 2.a. Circulator Address:

   > Challenge: The circulator's address, required by Wis. Stat. §§ 8.10(3), 8.15(4)(a), is insufficient because the circulator has not indicated the municipality of residence. Analysis: Staff has recommended finding substantial compliance for papers missing the municipality in the circulator's address where the circulator is the candidate and where the missing information is supplied by reference to other information on the same page (e.g., the candidate's address in the nomination paper heading).

   I respectfully request that this challenge be dismissed.

B. Challenge 4 pg 11 – The date of certification is incomplete or incorrect, as required by Wis. Stat. §§8.10(3), 8.15(4)(a)" on page 85:



I further certify I am either a qualified elector of Wisconsin, or a U.S. citizen, age 18 or older who, if I were a resident of this state, would not be disqualified from voting under Wis. Stat. § 6.03. I personally circulated this nomination paper and personally obtained each of the signatures on this paper. Re: Rebuttal to Nomination Paper Challenge

WEC Council:

Attached please find my rebuttal to the challenge of my nomination papers. The challenger submitted demonstrably false evidence in an effort to block ballot access to a primary opponent. She also attempted to disenfranchise rural voters by claiming their municipality does not exist. Because of how easily disproved these challenges are I would argue the complaints against these signatures are frivolous in nature.

Please review at your discretion.

(Pages 2-7) There is 1 signature that shows a down arrow indicating they also live in the same municipality as the person above them. (Page 7) The context of what they are saying is obvious and should count as well. While I understand that mistakes do happen, there are 20 signatures I believe are valid based on the solid evidence provided and affirm that these disputes are blatantly false by the challenger.

Ref: Retract Challenge to Alexia Unertl Nomination Papers

Dear Atty. Hunzicker,

I appreciate receiving the challenge reply through you from Alexia Unertl on June 7, 2024. I think I am coming up short on the 33 contested signatures needed to block Ms. Unertl's nomination for the 4th Assembly District and I withdraw my challenge.

When I read through the reply, I see Ms. Unertl proving my points repeatedly regarding the municipal residences. She looks up a contested address and provides a screen shot of the "polling place," including in fine print the revised municipal addresses. While the polling place is shown to be in Pensaukee Town Hall, for example, the address looked up is corrected automatically to show the municipal residence location of Little Suamico or Abrams, etc., "not" Pensaukee.

This is true on her reply pages 2-5 for the 14 contested addresses in Pensaukee.

Her research appears correct for Page 13, lines 6-10 (5 signature lines) for Green Bay addresses. I apologize that I did not get those right. Her corrections are found on her pages 5-7.

Regarding Ms. Unertl's page 7 referring to page 16, line 2, of the signatures, the pale pencil arrow from line 1 to line 2 in the "Municipality" field appears to have been added later without any initialization indicating a correction. It does not match the quote marks used in the "Residential Address" field to copy the street name of the field above it.

In counting the challenged signatures, there are not quite enough for the challenge to be successful (27, not 33, by my count). I apologize for taking your time and Ms. Unertl's time with the challenge. I do hope though that the exercise showed Ms. Unertl that I was acting in good faith. Just so she knows, I live in the country myself and do not want rural people excluded from representation. I want all of us candidates to have to follow the same rules, no matter where we live.

Complainant,

v.

Tony Wied

Respondent.

VERIFIED COMPLAINT

---

1. This Verified Complaint is made pursuant to Wis. Stat. § 5.06, Wis. Admin. Code § EL 2.07, and other Wisconsin laws governing elections and election campaigns.

2. Complainant Tony Theisen is a Wisconsin Elector residing at 931 S Baird St, Green Bay, Wisconsin 54301.

3. Upon information and belief, Respondent Tony Wiid is a resident of Wisconsin and resides at 514 Randall Ave, De Pere, WI 54115.

4. Respondent Tony Wied filed or caused to be filed on his behalf nomination papers with the Wisconsin Election Commission ("WEC") on June 3, 2024, to qualify for the ballot for U.S. Representative, 8th Congressional District of Wisconsin Special Election.

5. To qualify for the ballot as a candidate for Representative in Congress, Respondent was required to timely submit at least 1,000, and no more than 2,000, valid signatures of electors by June 1, 2024. Wis. Stat. § 8.15(6)(b).

6. Upon information and belief, the Respondent filed 1,670 signatures for verification to the Wisconsin Election Commission.

7. This Verified Complaint is timely filed on June 6, 2024, which is within three calendar days of the deadline for submission of nomination papers on June 1, 2024. Wis. Admin. Code § EL 2.07(1); Wis. Stat. § 8.15(1).

8. The Wisconsin Elections Commission has jurisdiction over this Complaint as provided in Wis. Admin. Code § EL 2.07.

Argument

9. As a result of fraudulent tactics to procure signatures, the Respondent has submitted numerous invalid nominating signatures to qualify for the August 13, 2024, Special election ballot.

10. These fraudulent signature-gathering tactics violated Wisconsin law and affronted the Republican Party's commitment to the rule of law and election integrity.

11. The Wisconsin Supreme Court has made clear that "[i]f the right to vote is to have any meaning at all, elections must be conducted according to law." *Teigen v. Wisconsin Elections Comm'n*, 976 N.W.2d 519, 529 (Wis. 2022).

12. "Elections are one of the most important features of our Republic, and upholding the rules and procedures prescribed for elections, according to the laws enacted by the Legislature, reinforces the sanctity of the rule of law and reassures all Americans of the integrity of our elections." *Id.*

13. As a candidate for public office, Respondent Wied "has the responsibility to assure that his or her nomination papers are prepared, circulated, signed, and filed in compliance with statutory and other legal requirements." Wis. Admin. Code § EL 2.05(1).

14. Respondent Wied has failed to uphold his responsibility to ensure his nomination papers were circulated and signed in compliance with the law.

15. The Complainant personally observed canvassers deploying fraudulent tactics to induce voters to sign the Respondent's nomination papers. *See* Af of Tony Theisen.

16. On May 25, 2024, at approximately 11:15 am, Complainant personally observed two of Respondent Wied's circulators collecting nomination signatures for the Respondent outside the Green Bay Farmers Market. *Id.*

17. The circulators deliberately misled electors to believe that they were providing signatures for "housing for the homeless" when, in reality, they were signing the Respondent's nominating papers. *Id.*

18. To be statutorily valid, nominating papers must include a signed certification that each elector "signed the paper with full knowledge of its content." Wis. Stat. §8.15(4). Because these circulators deliberately misrepresented the content and purpose of the nominating papers,

the electors did not have "full knowledge of its content"; therefore, these nominating papers included false certifications of the circulators.

19. These false witness certifications violated Wisconsin law and necessarily invalidated these nominating petitions. Wis. Stat. § 8.15(4)(a); Wis. Admin. Code § EL 2.05(14).

20. When a candidate's nomination papers are deficient on their face, no signatures on that paper may be counted toward the statutorily required number of signatures. *See* Wis. Admin. Code § EL 2.073)(a); Wis. Stat. § 8.07.

21. Further, the fraudulent conduct observed by the Complainant invalidates every nomination paper collected by this circulator. *See* Ex. A.

22. Upon information and belief, the Complainant has identified one of the two circulators that it observed misleading voters.

23. This identified circulator was responsible for 228 number of signatures for the Respondent.

Conclusion

24. For the foregoing reasons, Respondent Wied has submitted numerous nominating papers that WEC must determine are invalid.

25. Even if the removal of the explicitly cited signatures leaves the Respondent with sufficient valid signatures to appear on the ballot, given the evidence of fraudulent activity related to the circulations of the Respondent's nominating papers, WEC should conduct a thorough investigation into all of the nominating petitions by the Respondent and should not certify the Respondent until the conclusion of its investigation.

26. Alternatively, if WEC determines a thorough investigation of the alleged fraudulent activity is outside the scope of a challenge to the Respondent's nomination papers, WEC should utilize its statutory authority to investigate the alleged unlawful conduct.

STATE OF WISCONSIN
BEFORE THE WISCONSIN ELECTIONS COMMISSION

TONY THEISEN,

Complainant,

v.

TONY WIED

Respondent.

RESPONDENT'S RESPONSE TO COMPLAINTS

Tony Theisen ("Theisen") submitted two separate complaints both alleging that Joyce Klepacki, a particular circulator gathering nomination signatures for Tony Wied related to the Special and Primary/General Elections for the 8th Congressional District, misled "people" on May 25, 2024 that she was circulating a petition related to "housing the homeless." Theisen's allegations and complaints are substantially similar and, as a result, this response addresses both the complaint with respect to the Special Election and the complaint with respect to Primary/General Election for the 8th Congressional District of Wisconsin that were submitted by Theisen.[1]

Theisen's allegations are based on hearsay, are speculative, do not establish that anyone who actually signed any nomination paper was actually misled by Ms. Klepacki, and does not overcome the presumption of validity. In fact, Ms. Klepacki's sworn affidavit and verified

[1] Theisen submitted two separate affidavits (one in relation to his complaint with respect to the August 13th Primary Election, and one in relation to his complaint with respect to the August 13th Special Election), which are identical in substance. For the sake of brevity, this response refers collectively to both of the foregoing affidavits and complaints.

response directly refutes Theisen's allegations. Additionally, even if, *arguendo*, there was admissible, firsthand evidence to suggest that electors who signed any nomination paper were misled or didn't understand what they were signing, there is no basis to disregard or invalidate all signatures that were obtained through Ms. Klepacki's circulation of nomination papers, which covered numerous days. Furthermore, Tony Wied obtained a sufficient number of signatures in support of his nomination papers for both the Special and Primary/General Elections, with or without the challenged signatures of Theisen.

I. THERE IS NO EVIDENCE TO OVERCOME THE PRESUMPTION OF VALIDITY.

Theisen's complaints, in relation to both the Primary/General and Special elections, assert that on May 25, 2024, at 11:15 a.m., he overhead two circulators collecting nomination signatures for Tony Wied at the Green Bay Farmers Market state that the petitions were for "housing for the homeless." (Theisen Affs. ¶¶ 7-8). Theisen further alleges that the papers at issue "clearly had Tony Wied printed on the nomination papers." (*Id*. ¶ 9). Theisen then concludes that all valid signatures obtained by Ms. Klepacki (he alleges 228 signatures for the Special Election and 197 for the Primary Election) should be disregarded.

Ms. Klepacki obtained numerous signatures from electors supporting Tony Wied to be placed on the ballot for the Special and Primary/General elections over the course of several days, not just on May 25, 2024. (Klepacki Aff. ¶¶ 4-5; *see also* Wied Nom. Papers Special Elec. at pp. 34-38, 51, 142-154, 204-205, 209-219, and Wied Nom. Papers Gen. Elec. at pp. 114-123, 135-153). Ms. Klepacki informed everyone who signed the nomination papers that she was circulating the papers "in support of Tony Wied for the 8th Congressional District of Wisconsin." (*Id*. ¶ 6). Although she had many discussions with numerous people on May 25th, Ms. Klepacki never made any statement or representation to suggest that she was circulating papers, or

gathering signatures, for or in relation to housing for the homeless. (*Id*. ¶ 7). Furthermore, everyone that signed the nomination papers she circulated spoke English and appeared capable of reading the English language. (*Id*. ¶ 8). At all times material while Ms. Klepacki circulated the nomination papers, the header section was completely filled out and indicated that the nomination papers were for "Tony Wied" indicating that he was running in the "general" or "special" election, as applicable, for the "Republican Party," for the office of "Representative in Congress," in the "8th Congressional District of Wisconsin." (*Id*. ¶10).

Ms. Klepacki is confident that the certification of circulator that she signed was true and correct at the time she signed it in relation to the nomination pages she circulated. (*Id*. ¶11; Wied Nom. Papers Special Elec. at pp. 34-38, 51, 142-154, 204-205, 209-219, and Wied Nom. Papers Gen. Elec. at pp. 114-123, 135-153). The nomination papers circulated and certified by Ms. Klepecki, and the information therein, are presumed valid. In particular, the "information which appears on a nomination paper is entitled to a presumption of validity." Wis. Admin EL Code § 2.05(4). The presumption of validity includes the certification of the elector and the certification of the circulator. The certification of the elector expressly provides that, by signing, the undersigned "requests that the candidate, whose name and residential address are listed above, be placed on the ballot at the election described above as a candidate representing the part . . . indicated above." (*See e.g.* Wied Nom. Papers Special Elec. at 34). Likewise, the certification of the circulator expressly provides that "each person signed the paper with full knowledge of its content." (*Id.*) It is Theisen's burden to establish any insufficiency or invalidity of any signatures by clear and convincing evidence. *Id*. § 2.07(4). Theisen's vague and unsupported affidavit falls far short of his burden.

Thiessen's affidavit relies on inadmissible hearsay from two unknown circulators, one he suspects is named Joyce Klepecki, that he alleges overhearing use the phrase "housing for the homeless." This is inadmissible hearsay, and is not evidence. Wis. Stat. §§ 908.01(3) and 908.02. Furthermore, there is no evidence, or even indication, that any of the electors who signed Ms. Klepacki's nomination papers were actually misled, confused, or misunderstood about what they were signing. In fact, the complaint does not allege that a single person did not understand what they were signing—let alone provide evidence that someone was induced to sign the nomination papers based on a false statement that was verbally communicated by Ms. Klepacki. But, beyond that, the complaint does not even suggest that anyone who allegedly heard the statement about "housing for the homeless" actually signed any of the nomination papers. Put simply, Theisen's affidavit is speculative, at best.

Additionally, the complaint over looks the express and clear information set forth in the nomination papers. For example, the nomination papers clearly set forth the purpose of the nomination papers, they identified "Tony Wied" as the candidate, they identified he was seeking the office of "Representative in Congress" for the "8th Congressional District of Wisconsin," on behalf of the "Republican Party," and for the "general" or "special election" as applicable. (*See e.g.* Wied Nom. Papers Special Elec. at 34, and Wied Nom. Papers Gen. Elec. at 114). Indeed, Theisen's affidavit specifically states that the papers circulated by Ms. Klepacki "clearly had Tony Wied printed on the nomination papers." (*Id*. ¶ 9). Importantly, there is no evidence even alleged that anyone who signed Ms. Klepacki's nomination papers did not understand English or was unable to read English; or that anyone who took the time to sign their name, print their name, insert their address, insert their municipality, and date any form, overlooked the

nomination papers "clearly" indicating its connection to Tony Wied obtaining ballot access. Rather, Theisen's assertions to the contrary are pure speculation and should be denied.

II. EVEN IF, *ARGUENDO*, THERE WAS COMPETENT, ADMISSIBLE, FIRSTHAND EVIDENCE OF A MISPREPRESENTATION BY MS. KLEPACKI INDUCING ELECTORS TO SIGN A NOMINATION PAPER, ONLY SIGNATURES OBTAINED AS A RESULT OF SUCH INDUCEMENT SHOULD BE INVALIDATED.

For the sake of argument, even if there was admissible evidence of Ms. Klepacki stating that the nomination papers were for "helping for the homeless," and there was evidence that someone signed the nomination paper as a result of such statement—as well as disregarding the clear language and disclaimers in the actual document—only those signatures that were a direct result of her alleged statement should be invalidated. "The invalidity or disqualification of one or more signatures on a nomination paper shall not affect the validity of any other signatures on that paper." Wis. Admin. EL Code. § 2.07(3)(a). As such, there is no basis to invalidate all of the signatures obtained on every nomination paper circulated by Ms. Klepacki.

At most, only the signatures obtained on May 25, 2024 on nomination papers circulated by Ms. Klepacki would be subject to invalidation pursuant to EL Code § 2.07(3)(a). The nomination papers circulated by Ms. Klepacki for the Special Election garnered a total of 107 signatures on May 25, 2024, and the nomination papers circulated by Ms. Klepacki for the Primary/General Election garnered a total of 153 signatures on May 25, 2024. (Wied Nom. Papers Special Elec. at pp. 51, 147-154, 204-205, 209-218, and Wied Nom. Papers Gen. Elec. at pp. 140-153). As such, there is no basis to invalidate any number of signatures in excess of the foregoing amounts.

Furthermore, the end result would still leave Tony Wied with a sufficient number of signatures to be placed on the ballots for both the Special and Primary/General Election—

regardless of whether the total signatures are reduced by the number Theisen requests or whether limited to the number of signatures obtained by Ms. Klepacki on May 25, 2024. In particular, Tony Wied would still have over 1,500 signatures to his nomination papers for the Primary/General Election and over 1,400 signatures to his nomination papers for the Special Election in either case. In other words, no matter how these complaints are resolved, the Commission should reaffirm that Tony Wied garnered sufficient signatures to be placed on the ballots for the Special and Primary/General Elections for the 8th Congressional District of Wisconsin.

CONCLUSION

For the reasons set forth above, Respondent Tony Wied respectfully requests that the Commission dismiss the complaint and deny the relief requested.

Respectfully submitted this 9th day of June, 2024.

the electors did not have "full knowledge of its content"; therefore, these nominating papers included false certifications of the circulators.

19. These false witness certifications violated Wisconsin law and necessarily invalidated these nominating petitions. Wis. Stat. § 8.15(4)(a); Wis. Admin. Code § EL 2.05(14).

20. When a candidate's nomination papers are deficient on their face, no signatures on that paper may be counted toward the statutorily required number of signatures. *See* Wis. Admin. Code § EL 2.073)(a); Wis. Stat. § 8.07.

21. Further, the fraudulent conduct observed by the Complainant invalidates every nomination paper collected by this circulator. *See* Ex. A.

22. Upon information and belief, the Complainant has identified one of the two circulators that it observed misleading voters.

23. This identified circulator was responsible for 228 number of signatures for the Respondent.

Conclusion

24. For the foregoing reasons, Respondent Wied has submitted numerous nominating papers that WEC must determine are invalid.

25. Even if the removal of the explicitly cited signatures leaves the Respondent with sufficient valid signatures to appear on the ballot, given the evidence of fraudulent activity related to the circulations of the Respondent's nominating papers, WEC should conduct a thorough investigation into all of the nominating petitions by the Respondent and should not certify the Respondent until the conclusion of its investigation.

26. Alternatively, if WEC determines a thorough investigation of the alleged fraudulent activity is outside the scope of a challenge to the Respondent's nomination papers, WEC should utilize its statutory authority to investigate the alleged unlawful conduct.

STATE OF WISCONSIN
BEFORE THE WISCONSIN ELECTIONS COMMISSION

TONY THEISEN,

Complainant,

v.

TONY WIED

Respondent.

RESPONDENT'S RESPONSE TO COMPLAINTS

Tony Theisen ("Theisen") submitted two separate complaints both alleging that Joyce Klepacki, a particular circulator gathering nomination signatures for Tony Wied related to the Special and Primary/General Elections for the 8th Congressional District, misled "people" on May 25, 2024 that she was circulating a petition related to "housing the homeless." Theisen's allegations and complaints are substantially similar and, as a result, this response addresses both the complaint with respect to the Special Election and the complaint with respect to Primary/General Election for the 8th Congressional District of Wisconsin that were submitted by Theisen.[1]

Theisen's allegations are based on hearsay, are speculative, do not establish that anyone who actually signed any nomination paper was actually misled by Ms. Klepacki, and does not overcome the presumption of validity. In fact, Ms. Klepacki's sworn affidavit and verified

[1] Theisen submitted two separate affidavits (one in relation to his complaint with respect to the August 13th Primary Election, and one in relation to his complaint with respect to the August 13th Special Election), which are identical in substance. For the sake of brevity, this response refers collectively to both of the foregoing affidavits and complaints.

response directly refutes Theisen's allegations. Additionally, even if, *arguendo*, there was admissible, firsthand evidence to suggest that electors who signed any nomination paper were misled or didn't understand what they were signing, there is no basis to disregard or invalidate all signatures that were obtained through Ms. Klepacki's circulation of nomination papers, which covered numerous days. Furthermore, Tony Wied obtained a sufficient number of signatures in support of his nomination papers for both the Special and Primary/General Elections, with or without the challenged signatures of Theisen.

I. THERE IS NO EVIDENCE TO OVERCOME THE PRESUMPTION OF VALIDITY.

Theisen's complaints, in relation to both the Primary/General and Special elections, assert that on May 25, 2024, at 11:15 a.m., he overhead two circulators collecting nomination signatures for Tony Wied at the Green Bay Farmers Market state that the petitions were for "housing for the homeless." (Theisen Affs. ¶¶ 7-8). Theisen further alleges that the papers at issue "clearly had Tony Wied printed on the nomination papers." (*Id*. ¶ 9). Theisen then concludes that all valid signatures obtained by Ms. Klepacki (he alleges 228 signatures for the Special Election and 197 for the Primary Election) should be disregarded.

Ms. Klepacki obtained numerous signatures from electors supporting Tony Wied to be placed on the ballot for the Special and Primary/General elections over the course of several days, not just on May 25, 2024. (Klepacki Aff. ¶¶ 4-5; *see also* Wied Nom. Papers Special Elec. at pp. 34-38, 51, 142-154, 204-205, 209-219, and Wied Nom. Papers Gen. Elec. at pp. 114-123, 135-153). Ms. Klepacki informed everyone who signed the nomination papers that she was circulating the papers "in support of Tony Wied for the 8th Congressional District of Wisconsin." (*Id*. ¶ 6). Although she had many discussions with numerous people on May 25th, Ms. Klepacki never made any statement or representation to suggest that she was circulating papers, or

gathering signatures, for or in relation to housing for the homeless. (*Id*. ¶ 7). Furthermore, everyone that signed the nomination papers she circulated spoke English and appeared capable of reading the English language. (*Id*. ¶ 8). At all times material while Ms. Klepacki circulated the nomination papers, the header section was completely filled out and indicated that the nomination papers were for "Tony Wied" indicating that he was running in the "general" or "special" election, as applicable, for the "Republican Party," for the office of "Representative in Congress," in the "8th Congressional District of Wisconsin." (*Id*. ¶10).

Ms. Klepacki is confident that the certification of circulator that she signed was true and correct at the time she signed it in relation to the nomination pages she circulated. (*Id*. ¶11; Wied Nom. Papers Special Elec. at pp. 34-38, 51, 142-154, 204-205, 209-219, and Wied Nom. Papers Gen. Elec. at pp. 114-123, 135-153). The nomination papers circulated and certified by Ms. Klepecki, and the information therein, are presumed valid. In particular, the "information which appears on a nomination paper is entitled to a presumption of validity." Wis. Admin EL Code § 2.05(4). The presumption of validity includes the certification of the elector and the certification of the circulator. The certification of the elector expressly provides that, by signing, the undersigned "requests that the candidate, whose name and residential address are listed above, be placed on the ballot at the election described above as a candidate representing the part . . . indicated above." (*See e.g.* Wied Nom. Papers Special Elec. at 34). Likewise, the certification of the circulator expressly provides that "each person signed the paper with full knowledge of its content." (*Id.*) It is Theisen's burden to establish any insufficiency or invalidity of any signatures by clear and convincing evidence. *Id*. § 2.07(4). Theisen's vague and unsupported affidavit falls far short of his burden.

Thiessen's affidavit relies on inadmissible hearsay from two unknown circulators, one he suspects is named Joyce Klepecki, that he alleges overhearing use the phrase "housing for the homeless." This is inadmissible hearsay, and is not evidence. Wis. Stat. §§ 908.01(3) and 908.02. Furthermore, there is no evidence, or even indication, that any of the electors who signed Ms. Klepacki's nomination papers were actually misled, confused, or misunderstood about what they were signing. In fact, the complaint does not allege that a single person did not understand what they were signing—let alone provide evidence that someone was induced to sign the nomination papers based on a false statement that was verbally communicated by Ms. Klepacki. But, beyond that, the complaint does not even suggest that anyone who allegedly heard the statement about "housing for the homeless" actually signed any of the nomination papers. Put simply, Theisen's affidavit is speculative, at best.

Additionally, the complaint over looks the express and clear information set forth in the nomination papers. For example, the nomination papers clearly set forth the purpose of the nomination papers, they identified "Tony Wied" as the candidate, they identified he was seeking the office of "Representative in Congress" for the "8th Congressional District of Wisconsin," on behalf of the "Republican Party," and for the "general" or "special election" as applicable. (*See e.g.* Wied Nom. Papers Special Elec. at 34, and Wied Nom. Papers Gen. Elec. at 114). Indeed, Theisen's affidavit specifically states that the papers circulated by Ms. Klepacki "clearly had Tony Wied printed on the nomination papers." (*Id*. ¶ 9). Importantly, there is no evidence even alleged that anyone who signed Ms. Klepacki's nomination papers did not understand English or was unable to read English; or that anyone who took the time to sign their name, print their name, insert their address, insert their municipality, and date any form, overlooked the

nomination papers "clearly" indicating its connection to Tony Wied obtaining ballot access. Rather, Theisen's assertions to the contrary are pure speculation and should be denied.

II. EVEN IF, *ARGUENDO*, THERE WAS COMPETENT, ADMISSIBLE, FIRSTHAND EVIDENCE OF A MISPREPRESENTATION BY MS. KLEPACKI INDUCING ELECTORS TO SIGN A NOMINATION PAPER, ONLY SIGNATURES OBTAINED AS A RESULT OF SUCH INDUCEMENT SHOULD BE INVALIDATED.

For the sake of argument, even if there was admissible evidence of Ms. Klepacki stating that the nomination papers were for "helping for the homeless," and there was evidence that someone signed the nomination paper as a result of such statement—as well as disregarding the clear language and disclaimers in the actual document—only those signatures that were a direct result of her alleged statement should be invalidated. "The invalidity or disqualification of one or more signatures on a nomination paper shall not affect the validity of any other signatures on that paper." Wis. Admin. EL Code. § 2.07(3)(a). As such, there is no basis to invalidate all of the signatures obtained on every nomination paper circulated by Ms. Klepacki.

At most, only the signatures obtained on May 25, 2024 on nomination papers circulated by Ms. Klepacki would be subject to invalidation pursuant to EL Code § 2.07(3)(a). The nomination papers circulated by Ms. Klepacki for the Special Election garnered a total of 107 signatures on May 25, 2024, and the nomination papers circulated by Ms. Klepacki for the Primary/General Election garnered a total of 153 signatures on May 25, 2024. (Wied Nom. Papers Special Elec. at pp. 51, 147-154, 204-205, 209-218, and Wied Nom. Papers Gen. Elec. at pp. 140-153). As such, there is no basis to invalidate any number of signatures in excess of the foregoing amounts.

Furthermore, the end result would still leave Tony Wied with a sufficient number of signatures to be placed on the ballots for both the Special and Primary/General Election—

regardless of whether the total signatures are reduced by the number Theisen requests or whether limited to the number of signatures obtained by Ms. Klepacki on May 25, 2024. In particular, Tony Wied would still have over 1,500 signatures to his nomination papers for the Primary/General Election and over 1,400 signatures to his nomination papers for the Special Election in either case. In other words, no matter how these complaints are resolved, the Commission should reaffirm that Tony Wied garnered sufficient signatures to be placed on the ballots for the Special and Primary/General Elections for the 8th Congressional District of Wisconsin.

CONCLUSION

For the reasons set forth above, Respondent Tony Wied respectfully requests that the Commission dismiss the complaint and deny the relief requested.

Respectfully submitted this 9th day of June, 2024.

EL 24-57
LaKeshia Myers v. Dora Drake

Wisconsin Senate District 4
General Election

State of Wisconsin
Before the Elections Commission

The Complaint of
LaKeshia Myers, Complainant
against **COMPLAINT**
Dora Drake, Respondent 1

This complaint is under the requirements and standards related to nomination papers and challenges to nomination papers governed generally by Ch. 8, Wis. Stats, and EL Ch. 2, Wis. Admn. Code. I could not find the specific statue to fit the specific violation that I am alleging, but the complaint centers on a header violation.

I, LaKeshia Myers, allege that Dora Drake, candidate for the 4th Senate District, used the incorrect nomination form to obtain **ALL** of her signatures for the November 5, 2024 fall election. Ms. Drake incorrectly used the **Nomination Paper for Nonpartisan Office**. However, this is a partisan election and she should have used the form titled Nomination Paper for Partisan Office.

While Ms. Drake did write Democratic Party on the Nomination Paper for Nonpartisan Office, the header of the form is considerably larger and what most signers, most likely would see.

Further, Ms. Drake **did** use the correct Nomination Paper for Partisan Form when submitting signatures to get her name on the ballot for the July 2, 2024 primary and July 30, 2024 Special election, at times. A review of her special election papers, indicates that she used both nonpartisan and partisan nomination forms to obtain signatures for that election. I have attached a copy of a page of her nomination papers which reflects that ALL of her signatures were collected and submitted on the wrong form.

I believe that the incorrect use of the nonpartisan form is a violation and may have caused confusion for those signing her nomination forms. I am challenging the header of Ms. Drake's November 5, 2024 nomination papers, which I believe should result in declaring all signatures contained on nomination papers using that header to be invalid.

Re: Verified Response of Dora Drake

Dear Wisconsin Elections Commissioners:

The Complaint of LaKeisha Myers against Dora Drake should be dismissed for failure to properly establish any specific insufficiency (EL § 2.07(3)(a)), falling short of the medium burden requirement.

Failure to Meet Burden

The Complainant's challenge does not cite any specific state statute indicating the requirement that a nomination form state whether it is for a Partisan or Nonpartisan office, nor does she indicate what specific pages she is challenging. Essentially, the Complainant has challenged the validity of Drake's nomination papers generally, under all of the statutes in Chapter 8 of Wisconsin State Statute and within Wisconsin Administrative Code EL 2.

The Wisconsin Election Commission's May 31, 2024 "Challenger Procedure Memo" states:

> **All challenges must refer to the nomination paper page number** as shown on the nomination papers filed with the WEC for each nomination paper, **any part of which is challenged**. If a nomination paper page does not have a page number, contact the Commission's staff to establish a number for that page. (For instance: John Smith. Page 1 or Tom Jones Pages 3-12 and 15-23, etc.)
>
> **Challenges to nomination papers must allege a violation of Wis. Stats. ch. 8, the statutory chapter governing nominations for the General Election ballot**. In order to succeed, a challenger must establish a violation through "clear and convincing evidence." Wis. Admin. Code EL 2.07(4). This a medium burden of proof that requires more than a "preponderance of the evidence," but does not require proof "beyond a reasonable doubt." (Emphasis added.)

In further support, Wis. Admin. Code EL § 2.05 (5) provides the following:

> Where any required item of information on a nomination paper is incomplete, the filing officer shall accept the information as complete

if there has been substantial compliance with the law.
Wis. Admin. Code EL § 2.05 (5).

The burden is on the Complainant to establish any insufficiency. *See* Wis. Admin. Code EL § 2.07 (3). Complainant admits in her Complaint that she "could not find the specific statute to fit the specific violation…" By her own acknowledgment, Complainant fails to establish any statutory or administrative insufficiency as to Respondent's nomination papers. Furthermore, Complainant provides no proof whatsoever to support her claim that the Respondent's nomination papers "caused confusion for those signing her nomination forms". She simply speculates that there was confusion. She has not attached any affidavits from signers of the nomination papers claiming they were confused as to what they were signing. In fact, she readily admits that Respondent did inform the signers, in a box on the nomination paper that Respondent was running as a Democrat.

The Complainant has not cited any specific statute or administrative rule and has alleged that all of the Complainant's nomination papers for the November 5, 2024 General Election had the wrong title, which is not the case. As a result, the Complainant has not met the medium burden of proof required and the challenge should be dismissed.

Substantial Compliance

Should the Commission consider the merits of the unclear, unsubstantiated challenge, the Respondent concedes that she erroneously titled some of her nomination papers as "Nomination Paper for Nonpartisan Office." However, she provided notice on her nomination papers in the complaint header that she was running as a Democrat, substantially if not fully complying with the required information and causing no confusion to the voters who signed her nomination papers or the filing officer that reviewed her nomination papers prior to circulation.

All of the Respondent's nomination papers, regardless of whether *titled* "Partisan" or "Nonpartisan," have the statutorily required information in the header. Wis. Stat.§ 8.15 (5)(a) reads:

> Each nomination paper shall have substantially the following words printed at the top: I, the undersigned, request that the name of (insert candidate's last name plus first name, nickname or initial, and middle name, former legal surname, nickname or middle initial or initials if desired, but no other abbreviations or titles) residing at (insert candidate's street address) be placed on the ballot at the (general or special) election to be held on (date of election) ***as a candidate representing the (name of party)*** so that voters will have the opportunity to vote for (him or her) for the office of (name of office). I am eligible to vote in (name of jurisdiction or district in which candidate seeks office). I have not signed the nomination paper of any other candidate for the same office at this election. (Emphasis added.)

Had the respondent left her papers untitled, the header itself would still have clearly indicated to voters all of the information needed to nominate and subsequently vote for her – full name, address,

election date, ***political party***, office, and jurisdiction. While the Respondent admits that some papers were erroneously *titled*, the Complainant has failed to establish that there was confusion or non-compliance with the substantive requirements set forth in Wis. Stat. .§ 8.15 (5)(a).

The Complainant does not challenge and therefore concedes that the signatures she seeks to remove are qualified electors who correctly completed the nomination process. Wis. Stat.§ 5.01(1) instructs that the nomination paper requirements in Chapter 8, including Wis. Stat. § 8.04, the statute cited in the Complaint, "shall be construed to give effect to the will of the electors, if that can be ascertained from the proceedings, notwithstanding informality or failure to fully comply with some of their provisions." The statutes must therefore be construed to allow for the challenged signatures to be counted, despite the error in the title of the nomination paper, in order to give effect to the will of the electors who signed the petitions.

To further support that there was no confusion to the electors, Respondent provided the Wisconsin Elections Commission, ("WEC") staff with copies of her nomination papers for their review before she circulated them. *See* the attached emails to WEC. Clearly if WEC was not confused an elector would not be.

Furthermore, Respondent detrimentally relied upon the expertise of WEC when she asked them to review her nomination papers prior to circulating them.

For all the above reasons, Respondent respectfully requests the WEC allow her name to be listed on the ballot for the 4th Senate District for the November 5, 2024 General Election.

Very Truly Yours,

Hi Rep. Drake,

Yes, you will need to circulate two nomination petitions - one for the special election on July 30, 2024, and one for the regular election in November. I have taken a look at your nomination paper drafts and one issue I noticed is that the template for the special election has the general election marked in the "Type of Election" box. Please make sure that this is updated to show that this will be a special election.

Please let me know if you have any questions and I'd be happy to help.

West Bend, WI 53095,
Respondent.

I, Erin Esser, allege that there are multiple violations pursuant to Wis. Stats. Ch. 8, which governs nominations for the General Election ballot. Within this affidavit, I will establish a violation through "clear and convincing evidence" Wis. Admin. Code EL 2.07(4). These violations are of sufficient number to disqualify Andrew Beck from the ballot, as the required number of signatures will fall below the 1000 threshold.

The specific complaints are listed below, with any relevant supplemental information referenced and included. Red circles indicate addresses on respective maps.

Dear Wisconsin Elections Commissioners:

The complaint of Erin Esser against Andrew Beck challenging the inadequate number of signatures for him to run for representative of Congress in District 5 should be dismissed because Andrew Beck had more than one thousand (1,000) verified signatures on his nomination papers. Essentially, the Complainant has challenged most of the signatures as being illegible or failing to identify the information outside of the signature and address of the elector. The following is a synopsis of information on why her individualized challenges are contested:

RESPONSES TO ERIN ESSER'S CHALLENGES

• Page 4, Line 3 – The elector signed the nomination paper. Elector signature accepted by auditor. Challenge is that a Gmail address was added in addition to the printed name. The Gmail was just an add-on. It did not affect the validity of the elector.

In reviewing the Complaint from Erin Esser, it became very clear that a significant portion of her objections failed to meet the burden of clear and convincing evidence for the signatures not to be counted. In reviewing her complaint and objections, we believe that there is clear and convincing evidence that Andrew Beck did collect the necessary number of signatures to be placed the ballot for Wisconsin's 5th U.S. Congressional District.

In reviewing the Auditor's rejections, we believe that there is sufficient evidence that is clear and convincing that Andrew Beck obtained sufficient signatures to be placed on the ballot for the August primary for Wisconsin's 5th U.S. Congressional District.

APPENDIX

EL 24-59
Trevor Ford v. Kelly Clark

Wisconsin Assembly District 33

State of Wisconsin
Before the Wisconsin Elections Commission

The Complaint of Trevor Ford, Executive Director
Republican Assembly Campaign Committee,
148 East Johnson Street, Madison, WI 53703

Complainant,

Against

Kelly Clark,

Respondent.

Verified Complaint

I, Trevor Ford, on behalf of the Republican Assembly Campaign Committee, based on information and belief, hereby state as follows:

1. I am a resident of the State of Wisconsin, a qualified elector residing at 216 Yarrow Hill Drive, Cottage Grove, WI 53527, and the Executive Director of the Republican Assembly Campaign Committee with a mailing address of 148 East Johnson Street, Madison, Wisconsin 53703.

2. Respondent Kelly Clark, Candidate ID No. 0106881, who listed her address as 14129 Alexandra Dr., Sturtevant, WI 53177, filed nomination papers with the Elections Commission for certification as an Independent candidate in the general election for the 33rd Assembly District to be held on November 5, 2024.

3. On June 3, 2024, Kelly Clark submitted nomination papers containing 236 signatures to the Wisconsin Elections Commission.

4. Complainant asserts that Respondent submitted nomination paper containing 102 electors' signatures collected after the statutory deadline of 5:00 PM on June 1st established by Wisconsin Statute 8.15(1). Respondent should be precluded from being placed on the ballot because these post-deadline signatures are invalid.

5. Complainant further asserts that Respondent submitted only 134 valid signatures, which is an insufficient number as required by Wisconsin Statute 8.15(6)(d). Respondent should

be precluded from being placed on the ballot because the number of valid nomination paper signatures is less than the statutory minimum of 200 electors.

6. Attached as "Exhibit A" are copies of pages 3, 4, 5, 8, 10, 11, 13, 22, 23, 24, 25, 26, 27, 28, and 29 of Respondent's nomination papers which include signatures collected following the 5:00 PM deadline on June 1st, 2024. These 103 signatures are located on:

   - Page 3, Lines 8 and 9—indicates electors signed after the June 1st deadline;
   - Page 4, Lines 1 through 10—indicates electors signed after the June 1st deadline;
   - Page 5, Lines 1 through 6 and Lines 8 through 10—indicates electors signed after the June 1st deadline;
   - Page 8, Lines 1 through 10—indicates electors signed after the June 1st deadline;
   - Page 10, Lines 1 through 10—indicates electors signed after the June 1st deadline;
   - Page 11, Lines 1 through 10—indicates electors signed after the June 1st deadline;
   - Page 13, Lines 7 through 10—indicates electors signed after the June 1st deadline;
   - Page 22, Lines 6 through 10—indicates electors signed after the June 1st deadline;
   - Page 23, Lines 1 through 10—indicates electors signed after the June 1st deadline;
   - Page 24, Lines 1 through 8—indicates electors signed after the June 1st deadline;
   - Page 25, Lines 1 through 8—indicates electors signed after the June 1st deadline;
   - Page 26, Lines 1 through 6—indicates electors signed after the June 1st deadline;
   - Page 27, Lines 4 and 5—indicates electors signed after the June 1st deadline;
   - Page 28, Lines 1, 2, 4, and 5—indicates electors signed after the June 1st deadline; and
   - Page 29, Lines 1 through 4—indicates electors signed after the June 1st deadline.

7. As indicated on Respondent's nomination papers, Respondent collected these signatures after the 5:00 PM deadline on June 1st, 2024. These post-deadline signatures are therefore invalid. See Wis. Admin. Code § 2.07(3)(c). No exceptions apply to Respondent as the incumbent filed their declaration of non-candidacy in a timely manner. See Wis. Stat. § 8.15(1); *see also* Exhibit B (showing Assembly District 33 incumbent candidate Rep. Scott Johnson filed timely nomination papers).

8. Pursuant to Wisconsin Statute 8.15(1), the 102 signatures identified in "Exhibit A" should be ruled invalid because Respondent collected the signatures following the 5:00 PM deadline on June 1st, 2024.

9. Accordingly, pursuant to the Elections Commission's authority under EL 2.07, Wis. Admin. Code, I request the Commission strike these 102 signatures from the 236 signatures preliminarily accepted by the Elections Commission staff. This would result in

only 134 valid signatures for Kelly Clark which is below the 200 signature threshold required for ballot access pursuant to Wisconsin Statute 8.15(6)(d).

SIGNATURE AND CERTIFICATION

I, Trevor Ford, being duly sworn under oath, state that I personally read the above complaint and that the above listed allegations are true and correct based upon my personal knowledge and my review of the nomination papers and other public records, and as to those allegations states upon my information and belief, I believe them to be true.

Date this 6th Day of June, 2024.

WEC Challenge: EL 24-59

Respondent and Candidate for State Representative, District 33,

v.

Trevor Ford

Complainant and Challenger of Kelly Clark's Nominating Petitions.

VERIFIED RESPONSE OF RESPONDENT AND CANDIDATE KELLY CLARK

FORD'S COMPLAINT USED THE WRONG FILING DEADLINE OF JUNE 1, 2024

Trevor Ford, on behalf of the Republican Assembly Campaign Committee, falsely accused Kelly Clark of collecting 103 electors' signatures after his arbitrary and incorrect June 1, 2024 deadline. The Wisconsin Elections Commission (WEC) established a June 3, 2024 deadline to circulate and submit nominating petitions because a June 1, 2024 deadline would have been a Saturday. As with the IRS' April 15 deadline, the WEC chose the next business day after Saturday, June 1, 2024 for its Monday, June 3, 2024 circulation deadline. Ford's challenge fails because Kelly Clark gathered the 103 voter signatures that Ford challenged between April 15, 2024 to June 3, 2024—the dates the WEC set as the nomination paper circulation period.

The evidence in support of the WEC's June 3, 2024 circulation deadline are as follows:

- The WEC's November 9, 2023 Memorandum stated, "Monday June 3, 2024, Filing Deadline for Partisan Primary." (Exhibit A)
- The WEC's "2024 BALLOT ACCESS CHECKLIST FOR LEGISLATIVE OFFICE CANDIDATES" stated, "Circulate and Submit Nomination Paper for Partisan Office (Form EL-168) to the Wisconsin Elections Commission (WEC) no later than 5:00 pm.on Monday, June, 3 2024." (Exhibit B)
- The May 16, 2024 Commissioners' Meeting Agenda stated, "Nomination Paper Circulation Period: April 15, 2024 – June 3, 2024." (Exhibit C)[1]

Wherefore 33rd District state representative candidate and Respondent Kelly Clark respectfully moves the Wisconsin Elections Commission to **DENY** Trevor Ford's challenge and **APPROVE** Kelly Clarks's nominating petition.

DATE: **November 9, 2023**

TO: **Wisconsin County Clerks**
County of Milwaukee Elections Commission

FROM: **WEC Staff**

SUBJECT: **Monday June 3, 2024, Filing Deadline for Partisan Primary**

Introduction:

The Wisconsin Elections Commission (WEC) performed an analysis of relevant law, and consulted with the Wisconsin Department of Justice (DOJ), to determine if the upcoming June 1, 2024, candidate filing deadline moves due to the date falling on a Saturday. Ultimately, it was decided that the deadline should be moved to Monday, June 3, 2024, based on the statutory summary below.

The WEC has updated its election calendar and candidate checklists to show that 2024 General Election candidates with a June 1 filing deadline may file nomination papers no later than 5:00 p.m. on Monday, June 3.

Discussion:

Wisconsin Statute § 8.15(1) requires that nomination papers for the General Election "may be filed no later than 5 p.m. on June 1 preceding the partisan primary." In 2024, June 1 is a Saturday. Due to the Saturday deadline, the Commission turned to Wisconsin Statute § 990.001(4)(c), which provides, in relevant part, that:

> When the last day within which . . . an act [may be] done, which consists of . . . the filing with any [government entity], of any . . . statement, . . . or other document, falls on a Saturday and the duly established official office hours of such [entity] . . . with which such . . . statement . . . or other document is required to be filed, do not include any office hours thereof on such Saturday, . . . such act may be done on the next succeeding day that is not a Sunday or a legal holiday.

Since the June 1, 2024, deadline falls on a Saturday and the WEC does not have office hours on Saturday, this provision allows candidates to file instead on Monday, June 3, which is the next day that the WEC will be open for business. For this reason, the WEC updated its election calendar to show that nomination papers and declarations of candidacy for the General Election may be filed no later than 5 p.m. on Monday June 3, 2024. The failure of incumbents who have not filed a notice of noncandidacy to file nomination papers by this deadline would lead to an extension of 72 hours, for a deadline of no later than 5 p.m. Thursday, June 6. County offices administering this filing deadline should also examine these provisions and, if applicable, take the next steps below.

Suggested Next Steps:

The WEC staff will be notifying leadership of political parties, who have ballot access, about the June 3, 2024, ballot access deadline. The WEC staff will also be encouraging county clerks to alert their county-level political parties about the updated deadline. Staff also suggest clerks remind candidates of the June 3, 2024, deadline, and challenge deadlines, when answering questions concerning ballot access.

The WEC has updated the election calendars located on https://elections.wi.gov/resources/quick-reference-topics/2023-2024-calendar-election-events. The various candidate checklists have also been updated to reflect the June 3, 2024 filing deadline. Please replace any previously circulated or printed election calendars or candidate checklists so that all materials reflect the updated filing deadline.

Prepared and Presented by WEC Staff

SUBJECT: Election Administration Implementation Analysis
Special Election for the Fourth Senate District – July 30, 2024
Special Election for the Eighth Congressional District – November 5, 2024

Introduction

On May 14, 2024, Governor Tony Evers issued Executive Order #225 and Executive Order #226 pursuant to his authority under Wis. Stat. § 8.50. Executive Order #225 calls for a special election for the Fourth Senate District on July 30, 2024, to fill the seat vacated by former Senator Lena Taylor (D-Milwaukee). Executive Order #226 calls for a special election for the Eighth Congressional District on November 5, 2024, to fill the seat vacated by former U.S. Rep. Mike Gallagher (R-Wis.).

The offices of state senator for the Fourth Senate District and U.S. representative for the Eighth Congressional District are currently vacant. Without these special elections, those offices would remain vacant until January 2025, after which they would be filled by the winners of the November General Election. However, each special election will result in a candidate assuming office for the remainder of the vacant terms in 2024.

Commission staff anticipate that some candidates may be interested in running in the special elections, the general elections, or both for each of these offices. The purpose of this memo is to provide implementation analysis so that clerks, candidates, and the public can understand how these two special elections will be administered pursuant to Wisconsin law.

Senate District 4

The special election on July 30, 2024, will fill a state senate term for Senate District 4 that ends on January 6, 2025.

Declarations of candidacy and nomination papers for the Senate District 4 special election must be filed with the Commission no later than 5:00 p.m. on Tuesday, June 4, 2024.

Timeline for the Special Election:

- Nomination Paper Circulation Period: *May 14, 2024 – June 4, 2024*
- Challenge Period: *June 5, 2024 – June 10, 2024*

Congressional District 8

The special election on November 5, 2024, will fill a U.S. representative term for the Eighth Congressional District that expires on January 3, 2025.

Declarations of candidacy and nomination papers for the Congressional District 8 special election must be filed with the Commission no later than 5:00 p.m. on Monday, June 3, 2024. The Commission decided on May 14 that the Commission office would be open for business on Saturday, June 8, and Sunday, June 9, but that it would not be open on Saturday, June 1, or Sunday, June 2. Because the Commission office will be closed and candidates will not be able to file their nomination papers on June 1, candidates may file their nomination papers on the next business day, which is Monday, June 3. Wis. Stat. § 990.001(4)(c).

This reasoning should apply as well to the Governor's recent executive order concerning Congressional District 8. The application of § 990.001(4)(c) to the 5 p.m. June 1 deadline in Wis. Stat. § 8.15(1) for regular General Election candidates is identical to applying it to the June 1 deadline in the special election statute § 8.50(3)(a), which is the deadline for special elections held concurrently with the Partisan Primary and General Election. Because the Commission determined that the office will not be open on Saturday, June 1, all candidates with a June 1 filing deadline have the right to file their nomination papers on the next business day, which is June 3.

In regard to the Primary for this contest, the Executive Order says that Congressional District 8 will appear on the Primary ballot "if required." Staff believe this to mean that both the Special Congressional District 8 contest and the regular Congressional District 8 contest will only appear on the August 13 Primary ballot if there are enough candidates granted ballot access to force a primary.

Timeline for the Special Election:

Tuesday, June 4 – Nomination paper deadline for the Wisconsin Senate District 4 Special Election.

Wednesday, June 12 – Latest response deadline for candidates who filed under an extended deadline.

Candidates Interested in Running in Both Special Elections and General Elections

Candidacy for the special elections for Senate District 4 and Congressional District 8 should be treated as a completely separate candidacy from the full-term offices that will be on the November General Election ballot. This means that candidates for the special elections will need to file a separate declaration of candidacy, and will need to circulate and submit separate nomination papers. Candidates for state senate must collect not less than 400 nor more than 800 signatures from electors. Wis. Stat. § 8.15(6)(c). Candidates for representatives in Congress must collect not less than 1,000 nor more than 2,000 signatures from electors. Wis. Stat. § 8.15(6)(b).

State law does not preclude an elector from signing nomination papers for the same candidate for both the special election and the general election. However, candidates interested in running for both offices must still collect the required number of signatures for each office. If a candidate files nomination papers and a declaration of candidacy for the November General Election, that will not automatically grant them ballot access for the corresponding special election.

Candidates interested in running in both Special Elections and General Elections should take care to ensure that the header of their nomination papers is consistent with each election. Nomination papers filed that do not reflect the correct election type or election date will likely not be substantially compliant with Wis. Stat. § 8.15(5)(a). Candidates should be advised that the header portion of the

nomination paper may not be altered after the paper has been circulated. Candidates may not run copies of already-circulated nomination papers and change the type of election date or date of election in order to submit the same nomination papers for the Special Election or the General Election.

Counting Votes Analysis

Commission staff understand that a special election and a general election for the same office may confuse voters. Voters are permitted to cast a vote in the Special Election and the General Election, even if that means voting for the same candidate in each race. In other words, a vote for Candidate A in the Special Election will not invalidate a vote for Candidate A in the General Election, and vice versa.

Please be advised that in a partisan primary, cross-votes are generally not permitted in the same election. Cross-votes at the General Election, however, are generally permitted.

Consider the following examples for possible counting votes scenarios for these elections:

- Candidates A1, A2, B1, and B2 wish to run in both the special election and general election for Senate District 4. At the primary on July 2, 2024, voters would choose either A1/A2 OR B1/B2 OR a registered write in for the remainder of the 2024 term. At the partisan primary on August 13, 2024, voters would again choose either A1/A2 OR B1/B2 OR a registered write in for the full term **but** they would not be bound or committed to whoever they voted for on July 2. Let's say Candidate A1 won the primary for the special election, and Candidate B1 won the primary for the general election. At the July 30 Special Election, voters would choose between Candidate A1 and Candidate B1 for the remainder of the term until January 1, 2025. Then, at the November 5 General Election, voters would choose between Candidate A1 and Candidate B1 for the full term.

- Candidates C1, C2, D1, and D2 wish to run in both the special election and general election for Congressional District 8. On August 13, 2024, voters would vote in the partisan primary for **both** the special election and the general election. Voters must choose to vote for C1/C2 OR D1/D2, or a registered write-in, in either primary, but they would be permitted to vote for the same candidate in each election. So, a voter supporting C1 would cast 1 vote for C1 for the special election primary and 1 vote for C1 for the general election primary on the same ballot. A voter can still only choose one party's primary to vote in, but they may do so for each type of election on the ballot. So, a voter could vote for C1 in the special election primary, but for D2 in the general election primary. Let's say Candidate C2 won the primary for the special election, and Candidate B2 won the primary for the general election. At the November 5 General Election, voters would choose between C2 OR D2 for the remainder of

the 2024 term, AND between C2 or D2 for the full term beginning in January 2025. At the General Election, voters would be permitted to cross-vote and could vote for C2 for the special election AND D2 for the full term.

Ballot Templates

Before the Commission today are ballot templates for the Special Election and Primary in Wisconsin Senate District 4 and for the Special and Regular Elections and Primaries for ballots in Congressional District 8.

The ballot templates for the 8th Congressional District, show both the contest for the Special Election (term of November 2024-January 2025) and the contest for the regular Election (Full two-year term starting January 2025). To our knowledge, this combination of a congressional contest appearing on the same ballot for two different terms has not occurred previously, so there is no best practice for how this contest should appear or how to mitigate voter confusion. The templates currently show each contest for Representative for Congress, with the "Special" election being labeled as such. The Commission may wish to add the dates of the terms for clarity or may wish to adopt as presented. It should be noted that the additional contests mean there will be limited space for additional text on the ballot, which is an important consideration for counties when printing their ballots.

Recommended Motions

Recommended Motion 1: The Commission directs staff to implement and hold the special elections called for by Executive Order #225 and Executive Order #226, and to take all necessary steps relating to the administration of those elections and certification of the results.

Recommended Motion 2: The Commission approves the ballot templates for the Special Election and Primary in Senate District 4 and for the Elections and Primaries for Congressional District 8.

DATE: Prepared for the May 16, 2024, Commission Meeting

TO: Members, Wisconsin Elections Commission

FROM: Prepared and Presented by:
Jim Witecha, WEC Chief Legal Counsel

SUBJECT: Authorization for New Permanent Rulemaking

Administrative Rulemaking

The Commission is authorized to promulgate rules under chapter 227 of the state statutes "for the purpose of interpreting or implementing the laws regulating the conduct of elections or election campaigns, other than laws regulating campaign financing, or ensuring their proper administration." Wis. Stat. § 5.05(1)(f).

At its May 14, 2024, meeting, the Commission voted unanimously to "Direct staff to draft a scope statement pertaining to Section 7, (2), [of Article III of the Wisconsin Constitution] with minimum staff hours and the understanding that guidance on the topic will be released first."

Commission staff are accordingly seeking Commission authorization to begin the permanent rulemaking processes for new Wis. Admin. Code Chapter EL 16 ("Election Officials"). Commission staff were directed to bring a proposed scope statement back to a special meeting on May 16, 2024, and that scope statement draft is included with this memorandum in your meeting packets.

Simultaneous Issuance of Guidance

The Commission indicated in its motion that it intends to consider and possibly issue guidance on this topic before promulgating the subsequent rule. Staff are adding this memo section to seek additional clarification or receive directives from the Commission on next steps for that guidance. This may include, but is not limited to, feedback on the following:

- The form and format of the intended guidance.
- The Commission's desired outcome or recommendations.
- Any legal analysis, research, topics, or data that should be conducted or incorporated.
- A directed deadline for draft guidance or the next items for consideration in a public meeting.

Staff Recommended Motion:

Recommended Motion: The Wisconsin Elections Commission authorizes staff to begin the rulemaking process for EL Chapter 16: Election Officials. Staff shall submit the statement of scope, hereby approved in this motion, to the Department of Administration and Office of Governor Evers for approval. Staff may proceed with all rulemaking processes preceding the next necessary review or approval from the Commission.

STATEMENT OF SCOPE
PURSUANT TO WIS. STAT. § 227.135
WISCONSIN ELECTIONS COMMISSION

Rule No.: Wis. Adm. Code EL Chapter 16

Relating to: Election Officials

Rule Type: Permanent Rule

RULE ANALYSIS
Pursuant to § 227.135(1):

a) A description of the objective of the proposed rule.

The Commission is statutorily charged with responsibility for the administration of chs. 5 to 10 and 12 and other laws relating to elections and election campaigns, other than laws relating to campaign financing. Included in those responsibilities are a definition of "Election official," (*See* Wis. Stat. § 5.02(4e)), and a statutory chapter relating to the responsibilities of those officials (*See* Wis. Stat. Chapter 7). In administering these provisions, and others, in accordance with its Wis. Stat. § 5.05(1) directive, the Commission must occasionally provide guidance or assistance to statewide officials and other interested parties in examining such election laws. The Commission seeks to codify such administrative interpretations using the multi-layered rulemaking process which includes legislative, executive, and general public approval and feedback.

b) Description of the existing policies relevant to the rule, new policies proposed to be included in the rule, and an analysis of policy alternatives.

This rule chapter will provide necessary interpretation and detail related to various election official responsibilities and processes, while ensuring uniformity and compliance across Wisconsin's decentralized election system. For example, according to recently ratified Section 7(2) of Article III of the Wisconsin Constitution, "No individual other than an election official designated by law may perform any task in the conduct of any primary, election, or referendum." While Wis. Stats. § 5.02(4e) and Chapter 7 provide detailed directives on election official conduct and processes, Wisconsin's clerks work with many vital, non-election-official parties for various "tasks" necessary for but separate from the "conduct of elections" (*e.g.* ballot printing vendors, voting equipment vendors, etc.). Portions of this rule would seek to define the tasks and duties of election officials while defining what tasks fall outside of the conduct of elections.

Additionally, the Commission does not have an existing rule related to election officials' conduct and procedure. This rulemaking effort will allow Commission members to identify, discuss, and approve various election administration guidance and agency manual material that may be ripe for movement into the formal rulemaking process. (*See* Wis. Stat. § 7.08(3) regarding the Commission's directive to publish an election manual on election official responsibilities). This rule will implement necessary definitional components and procedural uniformity elements, while also serving as a chapter that can be amended to later include sections of rulemaking pertaining to conduct and procedure of election officials as may become necessary.

The main alternative would be not to promulgate the rule, which would leave individuals without the clarity sought by election officials, clerks, and other parties at this time. The Commission could issue informal

guidance to all clerks to advise on this topic, but it would not have enforceability, create uniformity and compliance, or involve formal legislative and public feedback.

c) Detailed explanation of statutory authority for the rule (including the statutory citation and language).

General Authority pursuant to Wis. Stat. § 5.05(1): "General authority. The elections commission shall have the responsibility for the administration of chs. 5 to 10 and 12 and other laws relating to elections and election campaigns, other than laws relating to campaign financing. Pursuant to such responsibility, the commission may:

- (f) Promulgate rules under ch. 227 applicable to all jurisdictions for the purpose of interpreting or implementing the laws regulating the conduct of elections or election campaigns, other than laws regulating campaign financing, or ensuring their proper administration."

Specific Authority pursuant to Wis. Stat. § 7.08(3): "Election manual. Prepare and publish separate from the election laws an election manual written so as to be easily understood by the general public explaining the duties of the election officials, together with notes and references to the statutes as the commission considers advisable."

Agency rulemaking authority pursuant to Wis. Stats. § 227.11(2)(a): "Agency rulemaking authority. Each agency may promulgate rules interpreting the provisions of any statute enforced or administered by the agency, if the agency considers it necessary to effectuate the purpose of the statute, but a rule is not valid if the rule exceeds the bounds of correct interpretation."

d) An estimate of the amount of time agency employees will spend developing the proposed rule and of other resources needed to develop the rule.

WEC staff estimates that it would take approximately 100 staff hours to draft a scope statement and carry out the subsequent steps to promulgate an administrative rule.

e) A description of all of the entities that may be affected by the proposed rule.

This would primarily affect clerks and election officials, and it would be likely to provide necessary clarity, authority, uniformity, and compliance regarding election official practices and procedures. The proposed rule would do so by codifying existing practices, and addressing new questions of law. The implementation of this rule would require minimal compliance outreach and training to clerks because of their familiarity with many of the existing practices and guidance. The effect of the proposed rule, and subsequent processes, would largely not impact small businesses because the requirements affect election officials. However, the examination of issues such as non-election-officials performing certain activities could limit the involvement of election-adjacent vendors and impact businesses that had traditionally conducted those tasks. Requisite feedback and analysis will be sought from the clerk and vendor communities as part of the rulemaking process. These processes have voter implications only to the extent election official procedures change in a way that changes voter experiences. The Commission will seek to mitigate and/or educate on those impacts if they come to light as rule drafting and public comment processes proceed.

f) A summary and preliminary comparison of any existing or proposed federal regulation that addresses or is intended to address the activities to be regulated by the proposed rule.

SUBJECT: Final Drafts of Rulemaking
Nomination Paper Challenge Procedure; SS 091-23, SS 092-23
Declaration of Candidacy Challenge Procedure: SS 089-23, SS 090-23

APPENDICES: **Appendix A**:

Final Draft Rule Text for EL 2.05, 2.07

Appendix B:
Redlines for EL 2.06, 2.08 – Declaration of Candidacy Challenge Procedure Rule
Final Draft Rule Text for EL 2.06, 2.08

Introduction

On May 14, 2024, the Commission reviewed and discussed second drafts for the emergency and permanent rulemaking for the nomination paper challenge procedure rule (revised EL 2.05, 2.07) and the declaration of candidacy challenge procedure rule (new provisions EL 2.06. 2.08).

The Commission passed the following motion 6-0 for the nomination paper challenge procedure rule:

> The Wisconsin Elections Commission directs staff to implement edits to the proposed rulemaking draft for SS 091-23 and SS 092-23 for emergency and permanent rulemaking relating to the nomination paper challenge procedure rule consistent with the discussion during the meeting, and to bring back a revised version of the rulemaking draft for Commission review and approval at an upcoming meeting.

The Commission passed the following motion 5-1 for the declaration of candidacy challenge procedure rule:

> The Wisconsin Elections Commission directs staff to implement edits to the proposed rulemaking draft for SS 089-23 and SS 090-23 for emergency and permanent rulemaking relating to the declaration of candidacy challenge procedure rule consistent with the

discussion during the meeting, and to bring back a revised version of the rulemaking draft for Commission review and approval at an upcoming meeting.

Staff have accordingly prepared final drafts for all four rules consistent with the Commission's discussion and direction at the May 14 meeting. In addition to those edits, staff made a handful of minor edits to correct subsection numbers, updated a few cross-cites to other provisions to be consistent with renumbering, and a handful of other small edits to clean up the rule text and correct anything necessary to prepare the draft text for final review by the Commission. Redline versions for the rules have been provided in the meeting materials that account for each change made by staff since the May 14 meeting. Final, cleaned up versions, with all changes accepted, have also been provided.

Discussion

If the Commission has no further edits or revisions to the rule text, it may authorize Commission staff to take the corresponding next steps in the rulemaking process. Those steps are different for the emergency rules and the permanent rules.

Emergency Rulemaking Next Steps:

- Submit the proposed emergency rule in final draft form to Governor Evers. Wis. Stat. § 227.24(1)(e)1g.
- Wait for Governor Evers approval or rejection of the emergency rule in writing. Wis. Stat. § 227.24(1)(e)1g.
- While the rule is pending with Governor Evers, staff will draft the rule order, which will include the plain language analysis, and the fiscal estimate. Wis. Stat. § 227.24(1)(e)1m.
- Submit the rule to the Legislative Reference Bureau. Wis. Stat. § 227.24(1)(e)1g.
- Submit the final rule order to be printed in the Wisconsin State Journal. Wis. Stat. §§ 227.24(1)(c); 227.24(1)(e)1m. The newspaper generally requires at least four calendar days of notice prior to publication. For example, if the Commission approves the emergency rule to be published June 3, the final rule order and rule text would have to go to the newspaper no later than 5 p.m. on Wednesday, May 29.
- The emergency rule becomes effective the day it is published in the Wisconsin State Journal.
- The Joint Committee for the Review of Administrative Rules begins its review the day it is published and can decide to suspend it at any time.
- Within 10 days of publishing the rule, prepare a fiscal estimate and send it to the Legislature and to the Legislative Reference Bureau. Wis. Stat. § 227.24(1)(e)2.
- Within 45 days of the rule's effective date, the Commission must approve and notice a public hearing and comment period, unless the permanent rule steps are completed quickly enough that the provision for a combined hearing can be achieved. Wis. Stat. § 227.24(4).

Permanent Rulemaking Next Steps:

- Staff will draft an Economic Impact Analysis (EIA) and notice a comment period for the EIA. The comment period will run for a little over 2 weeks. The EIA will be published on the Commission's website, published in the Administrative Register, and circulated to local clerks via a clerk communication and publication in the Commission's clerk newsletter.
- The Commission will review any comments received for the EIA (if any).
- Staff will prepare the final rule order for the Commission's approval before submission to the Rules Clearinghouse.

- The Commission will also approve and notice a public hearing and comment period for the text of the rule.
- The Legislative Council will provide comments on the text of the proposed permanent rule. The Commission can hold the public hearing after receiving those comments back, or 21 days after the rule order was submitted, whichever is sooner.
- The Commission will then consider a revised version of the rule text after staff have implemented the feedback from the Legislative Council.

At the May 14 meeting, there was a discussion among the Commissioners regarding when the emergency rule versions of the nomination paper challenge procedure rule and the declaration of candidacy procedure rule should take effect.

Staff have accordingly provided a series of possible motions for the Commission to consider below. The Commission's motion today should include guidance for staff of when these emergency rules are intended to go into effect. Based on discussion at the May 14 meeting, staff are seeking clarity from the Commission as it was not clear whether a consensus had yet been reached regarding the intended effective date of the emergency rules.

If the Commission intends to promulgate the emergency rules in time to take effect for the June 2024 challenge period, there are a number of factors to consider. Most importantly, there is no guarantee that the emergency rules can be promulgated that quickly. After the final rule text for the emergency rules is approved, Governor Evers will decide whether to approve or reject the rules. There is no way to know how soon that review or approval will occur. Additionally, the emergency rules would not be effective until they are published in the official state newspaper. The newspaper would need at least 4 days of notice to publish a legal notice like this, which would shorten the time period to promulgate the rule even further. In any event, even if his approval did come quickly, the end result would be that the emergency rules would go into effect very close to the start of the challenge period. If the emergency rules were effective at the beginning of June, or soon before, it may be difficult to convey the changes to candidates and train clerks before the new deadlines come into effect.

If the Commission chooses not to try to promulgate the emergency rules in time for them to take effect for the June 2024 challenge period, it is much more likely that they would instead be effective later this summer. This would still be helpful because they would very likely be in place in time for use for the independent presidential candidate filing and challenge period in August.

The only difference in the possible motions below is a choice between when the emergency rules should try to go into effect:

- Option 1 - Staff are directed to take action on the steps authorized by this motion with a goal of promulgating this emergency rule before the first day that challenges can be filed to nomination papers filed by June 3, 2024.
- Option 2 - Staff are directed to take action on the steps authorized by this motion with a goal of promulgating this emergency rule before the first day that challenges can be filed to nomination papers filed by August 13, 2024

2.05(2) PURPOSE. This section is promulgated pursuant to the direction of, and under the authority granted by, s. 8.07, Stats., and is to be used by filing officers in determining the validity of all nomination papers and the signatures and information on those papers.

2.05(3) FILING NOMINATION PAPERS

2.05(3)(a) Each candidate for public office bears responsibility for assuring that their nomination papers are prepared, circulated, signed, and filed in compliance with applicable statutory provisions and requirements under the administrative code.

FINAL DRAFT

2.05(3)(b) In order to be timely filed, all nomination papers shall be in the physical possession of the filing officer by the statutory deadline. Physical possession means the filing officer must have taken possession of the original nomination papers. No other format is acceptable.

2.05(3)(c) Each of the nomination papers should be numbered, before they are filed, and the numbers should be assigned sequentially, beginning with the number "1". Notwithstanding any other provision of this chapter, neither the absence of a page number nor incorrect or non-consecutive numbering will invalidate the page or the signatures on that page.

2.05(4) SUFFICIENCY OF NOMINATION PAPERS, GENERAL

2.05(4)(a) The filing officer shall review all nomination papers filed with it, up to the maximum number permitted by the statute applicable to the relevant office, to determine the facial sufficiency of the papers filed. The filing officer shall utilize the procedure in ss. 8.10(7) and 8.15(9), Stats. for determining the maximum number of signatures necessary to establish whether the candidate has collected enough valid signatures. In determining facial sufficiency, the filing officer may consult maps, directories, and other extrinsic evidence to ascertain the correctness and sufficiency of information on a nomination paper, where circumstances and the time for review permit. Nothing in this provision shall constitute a defense against a challenge to the sufficiency of nomination papers. Facial review completed by a filing officer before the filing deadline is done as a courtesy only and does not bind a filing officer to a final determination of ballot access.

FINAL DRAFT

2.05(4)(b) Any facially sufficient information which appears on a nomination paper is entitled to a presumption of validity.

2.05(4)(c) Correcting Affidavits

2.05(4)(c)1. Notwithstanding any other provision of this chapter, errors or omissions in information contained in a nomination paper, committed by either a signer or a circulator, may be corrected by an affidavit of the circulator, an affidavit of the candidate, or an affidavit of the signer. The person giving the correcting affidavit shall certify that they have personal knowledge of the correct information. Defects in the header of a nomination paper may not be ~~corrected by~~changed or amended by affidavit after the paper has been circulated.

2.05(4)(c)2. Any correcting affidavit shall be filed with the filing officer not later than 5 p.m. central time on the ~~sixth~~ third calendar day after the ~~nomination papers are filed with the appropriate filing officer~~applicable statutory due date for when a challenge to nomination papers may be filed. Correcting affidavits may be submitted electronically. If a correcting affidavit is submitted on a Saturday, Sunday, or legal holiday, it must be submitted via facsimile transmission or electronic mail directly to the filing officer.

2.05(4)(c)3. If a correcting affidavit is submitted, it amends the affected nomination papers on its own, and it is not necessary for the filing officer to edit or mark the nomination papers to be consistent with the changes in the affidavit.

FINAL DRAFT

2.05(4)(c)4. The filing officer shall determine whether any correcting affidavit resolves the identified error or omission.

2.05(4)(c)5. Correcting affidavits may not provide new or additional signatures or signature pages in addition to what was originally submitted to the filing official.

2.05(4)(d) Where any required item of information on a nomination paper is incomplete, the filing officer shall accept the information as complete if there has been substantial compliance with applicable statutes and the administrative code.

2.05(4)(e) After a nomination paper has been signed, but before it has been filed, a signature may be removed by the signer or the circulator. After a nomination paper has been filed, no signature may be added or removed. After a nomination paper has been filed, it may be amended, or an error or omission corrected, only through a valid correcting affidavit.

2.05(5) SUFFICIENCY OF NOMINATION PAPERS, SIGNATURE LINES

2.05(5)(a) Nomination papers shall contain at least the minimum required number of signatures from the circuit, county, district or jurisdiction which the candidate seeks to represent.

2.05(5)(b) The filing officer shall accept nomination papers which contain biographical data or campaign advertising. A nomination paper is substantially compliant if it does not contain the disclaimer specified in s. 11.1303(2).

FINAL DRAFT

2.05(5)(c) A signer shall sign his or her own name unless unable to do so because of physical disability. A signer unable to sign because of physical disability shall be present when another person signs on behalf of the signer and shall specifically authorize the signing.

2.05(5)(d) A person may not sign for his or her spouse, or for any other signer, even when they have been given a power of attorney by that signer, unless sub. (5)(c) applies.

2.05(5)(e)1. Except as provided in sub. (e)1.a.~~(e)(2)~~, only one signature per signer for the same office is valid.

2.05(5)(e)1.a. Where a signer is entitled to vote for more than one candidate for the same office, that signer may sign the nomination papers of as many candidates for the same office as the signer is entitled to vote for at the election.

2.05(5)(f) Each signature on a nomination paper shall be accompanied by the signer's address, printed name, and date of signature.

2.05(5)(g) A signature shall be counted when identical residential information or dates of signature for different signers are accurately indicated by ditto marks**,** another form of punctuation, or if an adjacent signer writes "same" or similar words to indicate that the residential information or signature dates are identical.

2.05(5)(h) No individual signature on a nomination paper may be counted if the signature is dated after the date that the circulator completed and signed the certification contained on the nomination paper. Any signature that is dated on or before the date of the circulator

FINAL DRAFT

certification may be counted even if it appears on the same page as signatures dated after the circulator certification. The circulator shall provide their residential address. No signature on the page may be counted when the residential address of the circulator cannot be determined by the information given on the nomination paper. No signature may be counted if the date of circulator certification is incomplete or incorrect.

2.05(5)(i) An individual signature on a nomination paper may not be counted when any of the following occurs:

2.05(5)(i)1. The date of the signature is missing, unless the date can be determined by reference to the dates of any of the other signatures on the paper, including those dates above or below the signature.

2.05(5)(i)2. The signature is dated after the date on which the circulator signed the certification.

2.05(5)(i)3. The address of the signer is missing or incomplete, unless the address can be determined by the information provided on the nomination paper ~~pursuant to 2.05(5)(h).~~.

2.05(5)(i)3.a. If the signer has abbreviated the name of their municipality, the address is substantially compliant provided the municipality can be determined from other information contained on the nomination paper.

2.05(5)(i)3.b. Nicknames & Initials. If the signer has used a nickname or initials for their first or middle name, whether in their printed name or their

FINAL DRAFT

signature, the printed name or signature is substantially compliant provided the printed name or signature complies with 2.05(5)(i)7. No nickname or initial is considered substantially compliant for the signer's last name.

2.05(5)(i)5. The signer has been adjudicated not to be a qualified elector on the grounds of incompetency or limited competency as provided in s. 6.03 (3), Stats., or was not, for any other reason, a qualified elector at the time of signing the nomination paper.

2.05(5)(i)6. The signer resides outside the circuit, county, district or jurisdiction that the candidate seeks to represent.

2.05(5)(i)7. Legibility. If the filing officer cannot discern the signer's first and last name, after reviewing both the signature and printed name, it is illegible pursuant to s. 8.10 (4) (b) or s. 8.15 (2), Stats., and shall not be counted. The filing officer is not required to consult extrinsic sources of information to attempt to discern the signer's name but may do so in their discretion if it assists in discerning a possible name.

2.05(5)(j) The death of a signer after a nomination paper has been signed does not invalidate the signature.

2.05(6) SUFFICIENCY OF NOMINATION PAPERS, HEADER.

2.05(6)(a) Office Title and District Designation. As to Office title and district designation, the header of a nomination paper is sufficient as long as the filing officer finds

FINAL DRAFT

that the signers could determine the office and district the candidate was pursuing based solely upon information provided in the header.

2.05(6)(b) Election Date. When the date of the election is entirely missing from the header of any nomination paper, the filing officer shall not count any of the signatures on the page. Incomplete or incorrect election dates can be found substantially compliant as long as the filing officer finds that signers could have determined based solely upon information provided in the header that the nomination papers corresponded with the correct election date.

2.05(6)(c) Candidate Name. The candidate shall provide their last name and first name. They may provide a nickname or initial for their first or middle name. In addition to their name, they may provide a former legal surname. The candidate may not provide any other abbreviations or titles.

2.05(6)(d) Candidate Address. A candidate must provide their residential address, their mailing address, if different from their residential address, and their voting municipality in the header of each nomination paper. The residential address must be the street address where the candidate resides; no other address is acceptable in lieu of a residential address.

2.05(7) SUFFICIENCY OF NOMINATION PAPERS, OTHER ISSUES

2.05(7)(a) Failure to provide an indicator of a candidate's gender in the header does not invalidate any nomination papers.

FINAL DRAFT

2.05(7)(b) If the date of circulator certification is incomplete or incorrect, the nomination paper is not substantially compliant, and no signatures on that page may be counted, subject to EL 2.05(4)(c).

FINAL DRAFT

2.07(~~1~~2) Any challenge to the sufficiency of nomination papers brought under this section shall be filed with the appropriate filing officer. The filing officer shall apply the standards in EL 2.05 to determine the sufficiency of nomination papers with the exception of EL 2.05(4)(b). The filing officer shall make filed nomination papers available for public inspection, either physically or electronically, within 1 business day of when they are filed.

2.07(~~2~~3) PROCEDURE AND TIMELINE. Unless otherwise specified, this subsection contains the exclusive procedure by which challenges to nomination papers may be brought.

2.07(~~2~~3)(a) Form of challenges to nomination papers. A challenge is a short, plain statement of the basis upon which the challenger seeks to invalidate any signature(s) on one or more nomination papers. All factual allegations upon which the challenge relies must be verified by one or more persons who certify that they possess personal knowledge of the facts alleged therein. Individuals other than the challenger may support a challenge with sworn affidavits or declarations pursuant to s. 887.015, Stats. A brief or summary of the legal standards applicable to a challenge and their application to the alleged facts may be filed simultaneously with, or as a part of, the challenge and any affidavits or declarations pursuant to s. 887.015, Stats. The brief or summary need not be verified, but if it is prepared by an attorney, that attorney must sign the brief and that signature should meet the requirements of s. 802.05, Stats.

2.07(~~2~~3)(b) Deadlines for filing a challenge. Any challenge shall be filed by 5 p.m. on the third calendar day after the filing deadline for the challenged nomination papers ~~are filed with the appropriate filing officer~~. The challenge must be in the physical or electronic

FINAL DRAFT

possession of the filing officer by 5 p.m on the challenge deadline. If a challenge is submitted on a Saturday, Sunday, or legal holiday, it must be submitted via facsimile transmission or electronic mail. Challenges received after 5 p.m. on the challenge deadline shall not be accepted.

2.07(~~2~~3)(c) Filing challenges to nomination papers.

2.07(~~2~~3)(c)1. Filing challenges electronically to nomination papers. A challenger may choose to file a challenge electronically. The filing officer will make instructions for filing challenges electronically publicly available no less than 24 hours before the challenge deadline ~~start of the circulation period~~. Challenges that are filed electronically must conform to those instructions. If the challenge and all supporting materials are filed in electronic form, the filing officer shall electronically transmit a copy of the challenge to the challenged candidate within 4 hours of the deadline for filing of the challenge complaint. Along with a copy of the challenge, the filing officer shall also provide the challenged candidate with notice of the response deadline, notice of how and when the challenged candidate may file rebuttal, as well as notice that the procedures governing nomination paper challenges are covered by this chapter.

2.07(~~2~~3)(c)2. Filing challenges in paper form to nomination papers. If the challenge and supporting materials are filed in paper form, the filing officer shall deliver a copy to the challenged candidate, either in paper or electronic form, no later than noon the day after the challenge is filed. Along with a copy of the challenge, the filing officer shall also provide the challenged candidate with notice

FINAL DRAFT

of the response deadline,- notice of how and when the challenged candidate may file rebuttal, as well as notice that the procedures governing nomination paper challenges are covered by this chapter.

2.07(~~2~~3)(d) The challenge shall be established by clear, convincing, and satisfactory evidence, presented in the sworn challenge, an accompanying affidavit, or exhibits, which demonstrate that the nomination papers are not substantially compliant. The filing officer must review the evidence submitted when deciding the challenge.

2.07(~~2~~3)(e) A response to a challenge is a short, plain statement of the basis upon which the challenged candidate asserts that any challenged signature(s) on one or more nomination papers, or the nomination papers themselves, are sufficient. All factual allegations upon which the response relies must be verified by one or more persons with personal knowledge of the facts alleged therein. Individuals other than the challenged candidate may support a response with additional affidavits (Correcting Affidavits). A brief or summary of the legal standards applicable to the challenged signatures or pages and the application of those legal standards to the alleged facts may be filed simultaneously with the response and any affidavits. The brief or summary need not be verified, but if it is prepared by an attorney that attorney must sign the brief and that signature should meet the requirements of s. 802.05(1), Stats.

2.07(~~2~~3)(f) If the challenged candidate elects to file a response to the nomination papers, that response shall be filed by the candidate challenged by 5 p.m. of the third calendar day after the date the challenge was filed. The response must be in the physical or electronic possession of the filing officer by 5 p.m. of the response deadline. If a response is submitted on a Saturday, Sunday, or legal holiday, it must be submitted via facsimile transmission or

FINAL DRAFT

electronic mail. Responses received after 5 p.m. on the response deadline shall not be accepted. If the challenged candidate elects to file a response ~~and/or~~and any correcting affidavits electronically, the filing officer shall electronically transmit a copy of those materials to the challenger within 4 hours of the deadline for filing those materials; if the challenge and supporting materials are filed in paper form, the filing officer shall deliver a copy to the challenger, either in paper or electronic form, no later than noon the day after those materials are filed.

2.07(~~2~~3)(g) If a challenged candidate files a response ~~and/or~~and one or more correcting affidavits, the challenger may file a short rebuttal brief ~~and/or~~and one or more rebuttal affidavits. If the challenger elects to file a rebuttal brief ~~and/or~~and rebuttal affidavits, those materials shall be filed by the challenger within 24 hours of the filing officer's transmission of the response and/or correcting affidavits. A rebuttal brief need not be verified, but if it is prepared by an attorney, that attorney must sign the brief and that signature should meet the requirements of s. 802.05, Stats. The rebuttal brief and/or rebuttal affidavits must be in the electronic possession of the filing officer within 24 hours from the filing officer's transmission of the response and/or any correcting affidavits. Any rebuttal brief ~~and/or~~and any rebuttal affidavits must be submitted via facsimile transmission or electronic mail. Paper copies of rebuttal briefs ~~and/or~~and rebuttal affidavits will not be accepted. Rebuttal briefs ~~and/or~~and rebuttal affidavits received after the applicable deadline shall not be accepted.

2.07(~~2~~3)(h) After the deadline for filing any rebuttal brief ~~and/or~~and rebuttal affidavits, but not later than the date for certifying candidates to the ballot, the filing officer shall decide the challenge. In deciding the challenge, the filing officer may elect to hold a hearing if the

FINAL DRAFT

filing officer deems that such a hearing would assist them in adjudication of the challenge; however, a filing officer is not required to hold a hearing.

2.07(~~2~~3)(i) Hearing. If the filing officer elects to hold a hearing, the procedures for the hearing shall accord with this section. The hearing should be noticed in advance and open to the public in compliance with ss. 19.81 - 19.98, Stats. The filing officer shall conduct the hearing in a manner that affords the same offered rights and opportunities to all parties. If the filing officer elects to accept oral presentations from the parties or their assigned representative, the same opportunity must be afforded to all parties. Factual evidence should not be received at a hearing unless the filing officer elects to swear in witnesses, in which case all witnesses must be sworn in.

2.07(~~3~~4) BURDENS. The initial burden is on the challenger to establish any deficiency in the challenged candidate's nomination papers. If the challenger makes an initial showing by clear, satisfactory and convincing evidence that establishes one or more of the challenged candidate's nomination papers is deficient, the burden shifts to the challenged candidate to establish the sufficiency of their nomination papers by clear, satisfactory and convincing evidence.

2.07(~~4~~5) BASIS FOR CHALLENGES. A challenge to the sufficiency of nomination papers may be brought on one or more of the grounds in this subsection. The challenge should specify one or more of the following ground or grounds:

2.07(~~4~~5)(a) Signature Line. Any aspect of individual signature lines of signers may be challenged, including the form of the signature itself, the information provided by the signer, the signer's eligibility to sign the nomination paper, and the fact that a signer signed one candidate's nomination papers more than once or signed the nomination papers of more

FINAL DRAFT

than one candidate for the same office. The filing officer should rely upon EL 2.05 when determining challenges to signature line. If a challenger establishes that the information provided by a signer is not substantially compliant, the signer's signature may not be counted. The invalidity or disqualification of one or more signatures by a signer on a nomination paper does not necessarily affect the validity of any other signatures by signers on that nomination paper.

2.07(45)(b) Header. Any aspect of the header of the nomination paper, as defined by EL ~~2.05 (6)~~2.05(1)(j). The filing officer should rely upon EL 2.05 when determining challenges to the header. If the filing officer sustains a challenge to the header of a nomination paper, none of the signatures on that page may be counted.

2.07(45)(c) Circulation. Any aspect of how a candidate circulated their nomination papers. A challenge may be brought against any aspect of how a circulator circulated a candidate's nomination papers, including the signature, date of signature, certification, or eligibility of the circulator. A challenge brought against the certification includes a challenge that a circulator did not comply with any of the statements contained within the certification. The filing officer should rely upon EL 2.05 when determining challenges to the circulator of nomination papers. Improper circulation negates all signatures on any page that was not properly circulated and certified.

2.07(45)(d) Filing. Any aspect of how a candidate filed their nomination papers. Improper filing negates all signatures on nomination papers so filed.

2.07(56) DECISION OF FILING OFFICER. If the filing officer elects not to hold a hearing, the filing officer must promptly issue a written decision on the challenge and a signed order memorializing their disposition of the challenge not later than the date for certifying candidates to the ballot. If

FINAL DRAFT

the filing officer elects to hold a hearing and announces an oral ruling during that hearing, any party seeking to appeal from the filing officer's adjudication of a challenge decided at the hearing may submit a proposed order, memorializing the filing officer's ruling, to the filing officer for adoption and signature. The filing officer shall promptly transmit all signed orders to the challenger and the challenged candidate electronically. The filing officer may draft and sign their own order rather than using a version proposed by any party.

2.07(~~6~~7) APPEAL. Any order of a local filing officer disposing of a challenge may be appealed to the commission pursuant to ss. 5.05 or 5.06, Stats. The party aggrieved by the filing officer's decision shall notify the commission of its intent to appeal within 48 hours of receipt of the filing officer's signed order. The commission administrator, in consultation with the commission chair, shall establish a briefing schedule that will allow for commission decision before the deadlines for ballot printing. Any signed order of the commission disposing of a challenge or adjudicating an appeal from a local filing officer's order disposing of a challenge may be appealed to a circuit court pursuant to s. 5.06 (8), Stats.

2.05(1)(e) "Clear, satisfactory, and convincing evidence" is defined as in Wis JI-Civil 205 to mean evidence which when weighed against that opposed to it clearly has more convincing power to a reasonable degree of certainty. A "reasonable certainty" means persuasion based upon a rational consideration of the evidence. Absolute certainty is not required, but a guess is not enough to meet this burden of proof. If Wis JI-Civil 205 is amended, the definition in this paragraph shall be interpreted to be consistent with that amendment. Clear, satisfactory, and convincing evidence cannot be shown by bare assertions unsupported by a sworn affidavit or declaration.

FINAL DRAFT

2.05(1)(g) "Elector" means an eligible voter of the State of Wisconsin, as determined by the qualifications of ss. 6.02 and 6.03, for the election in which the candidate is seeking ballot access.

If the race is for a partisan office, the header shall include the political party of the candidate. If the race is for a non-partisan office, the header shall not include the political party of the candidate.

FINAL DRAFT

2.05(1)(m) "Nomination Paper" means a petition to collect eligible signatures from persons who wish to nominate a candidate for an upcoming election. Nomination Papers must meet the requirements set forth in ss. 8.10 and 8.15, Stats., and the administrative code.

2.05(1)(n) "Printed Name" means a handwritten name that is sufficiently legible, such that the signer's name can be discerned by the filing officer.

2.05(1)(o) "Qualified Circulator" has the meaning given by 5.02(16g), and means a qualified elector of this state or any U.S. citizen age 18 or older who, if he or she were a resident of this state, would not be disqualified from voting under s. 6.03.

2.05(1)(q) "Signer" means a person who chooses to place their signature and related information on a nomination paper to support a candidate seeking ballot access. No person under the age of 18 may sign nomination papers. Age is determined on the date of signature, not based on the date of the election.

FINAL DRAFT

2.05(1)(r) "Substantial compliance" means actual compliance in respect to every reasonable objective of the statute. Substantial compliance with a statute is not shown unless it demonstrates intent to fully comply with the statute and that the purpose of the statute is shown to have been served.

2.05(1)(s) "Voting Municipality" means that municipality that a signer is eligible to vote in for an election held on the date of signing as determined by the filing officer.

2.05(2) PURPOSE. This section is promulgated pursuant to the direction of, and under the authority granted by, s. 8.07, Stats., and is to be used by filing officers in determining the validity of all nomination papers and the signatures and information on those papers.

2.05(3) FILING NOMINATION PAPERS

2.05(3)(a) Each candidate for public office bears responsibility for assuring that their nomination papers are prepared, circulated, signed, and filed in compliance with applicable statutory provisions and requirements under the administrative code.

2.05(3)(b) In order to be timely filed, all nomination papers shall be in the physical possession of the filing officer by the statutory deadline. Physical possession means the filing officer must have taken possession of the original nomination papers. No other format is acceptable.

2.05(3)(c) Each of the nomination papers should be numbered, before they are filed, and the numbers should be assigned sequentially, beginning with the number "1". Notwithstanding any other provision of this chapter, neither the absence of a page number

FINAL DRAFT

nor incorrect or non-consecutive numbering will invalidate the page or the signatures on that page.

2.05(4) SUFFICIENCY OF NOMINATION PAPERS, GENERAL

2.05(4)(a) The filing officer shall review all nomination papers filed with it, up to the maximum number permitted by the statute applicable to the relevant office, to determine the facial sufficiency of the papers filed. The filing officer shall utilize the procedure in ss. 8.10(7) and 8.15(9), Stats. for determining the maximum number of signatures necessary to establish whether the candidate has collected enough valid signatures. In determining facial sufficiency, the filing officer may consult maps, directories, and other extrinsic evidence to ascertain the correctness and sufficiency of information on a nomination paper, where circumstances and the time for review permit. Nothing in this provision shall constitute a defense against a challenge to the sufficiency of nomination papers. Facial review completed by a filing officer before the filing deadline is done as a courtesy only and does not bind a filing officer to a final determination of ballot access.

2.05(4)(b) Any facially sufficient information which appears on a nomination paper is entitled to a presumption of validity.

2.05(4)(c) Correcting Affidavits

2.05(4)(c)1. Notwithstanding any other provision of this chapter, errors or omissions in information contained in a nomination paper, committed by either a signer or a circulator, may be corrected by an affidavit of the circulator, an affidavit of the candidate, or an affidavit of the signer. The person giving the correcting affidavit shall certify that they have personal knowledge of the correct information.

FINAL DRAFT

Defects in the header of a nomination paper may not be changed or amended by affidavit after the paper has been circulated.

2.05(4)(c)2. Any correcting affidavit shall be filed with the filing officer not later than 5 p.m. central time on the third calendar day after the applicable statutory due date for when a challenge to nomination papers may be filed. Correcting affidavits may be submitted electronically. If a correcting affidavit is submitted on a Saturday, Sunday, or legal holiday, it must be submitted via facsimile transmission or electronic mail directly to the filing officer.

2.05(4)(c)3. If a correcting affidavit is submitted, it amends the affected nomination papers on its own, and it is not necessary for the filing officer to edit or mark the nomination papers to be consistent with the changes in the affidavit.

2.05(4)(c)4. The filing officer shall determine whether any correcting affidavit resolves the identified error or omission.

2.05(4)(c)5. Correcting affidavits may not provide new or additional signatures or signature pages in addition to what was originally submitted to the filing official.

2.05(4)(d) Where any required item of information on a nomination paper is incomplete, the filing officer shall accept the information as complete if there has been substantial compliance with applicable statutes and the administrative code.

2.05(4)(e) After a nomination paper has been signed, but before it has been filed, a signature may be removed by the signer or the circulator. After a nomination paper has

FINAL DRAFT

been filed, no signature may be added or removed. After a nomination paper has been filed, it may be amended, or an error or omission corrected, only through a valid correcting affidavit.

2.05(5) SUFFICIENCY OF NOMINATION PAPERS, SIGNATURE LINES

2.05(5)(a) Nomination papers shall contain at least the minimum required number of signatures from the circuit, county, district or jurisdiction which the candidate seeks to represent.

2.05(5)(b) The filing officer shall accept nomination papers which contain biographical data or campaign advertising. A nomination paper is substantially compliant if it does not contain the disclaimer specified in s. 11.1303(2).

2.05(5)(c) A signer shall sign his or her own name unless unable to do so because of physical disability. A signer unable to sign because of physical disability shall be present when another person signs on behalf of the signer and shall specifically authorize the signing.

2.05(5)(d) A person may not sign for his or her spouse, or for any other signer, even when they have been given a power of attorney by that signer, unless sub. (5)(c) applies.

2.05(5)(e)1. Except as provided in sub. (e)1.a., only one signature per signer for the same office is valid.

FINAL DRAFT

2.05(5)(e)1.a. Where a signer is entitled to vote for more than one candidate for the same office, that signer may sign the nomination papers of as many candidates for the same office as the signer is entitled to vote for at the election.

2.05(5)(f) Each signature on a nomination paper shall be accompanied by the signer's address, printed name, and date of signature.

2.05(5)(g) A signature shall be counted when identical residential information or dates of signature for different signers are accurately indicated by ditto marks**,** another form of punctuation, or if an adjacent signer writes "same" or similar words to indicate that the residential information or signature dates are identical.

2.05(5)(h) No individual signature on a nomination paper may be counted if the signature is dated after the date that the circulator completed and signed the certification contained on the nomination paper. Any signature that is dated on or before the date of the circulator certification may be counted even if it appears on the same page as signatures dated after the circulator certification. The circulator shall provide their residential address. No signature on the page may be counted when the residential address of the circulator cannot be determined by the information given on the nomination paper. No signature may be counted if the date of circulator certification is incomplete or incorrect.

2.05(5)(i) An individual signature on a nomination paper may not be counted when any of the following occurs:

FINAL DRAFT

2.05(5)(i)1. The date of the signature is missing, unless the date can be determined by reference to the dates of any of the other signatures on the paper, including those dates above or below the signature.

2.05(5)(i)2. The signature is dated after the date on which the circulator signed the certification.

2.05(5)(i)3. The address of the signer is missing or incomplete, unless the address can be determined by the information provided on the nomination paper.

2.05(5)(i)3.a. If the signer has abbreviated the name of their municipality, the address is substantially compliant provided the municipality can be determined from other information contained on the nomination paper.

2.05(5)(i)3.b. Nicknames & Initials. If the signer has used a nickname or initials for their first or middle name, whether in their printed name or their signature, the printed name or signature is substantially compliant provided the printed name or signature complies with 2.05(5)(i)7. No nickname or initial is considered substantially compliant for the signer's last name.

2.05(5)(i)5. The signer has been adjudicated not to be a qualified elector on the grounds of incompetency or limited competency as provided in s. 6.03 (3), Stats., or was not, for any other reason, a qualified elector at the time of signing the nomination paper.

FINAL DRAFT

2.05(5)(i)6. The signer resides outside the circuit, county, district or jurisdiction that the candidate seeks to represent.

2.05(5)(i)7. Legibility. If the filing officer cannot discern the signer's first and last name, after reviewing both the signature and printed name, it is illegible pursuant to s. 8.10 (4) (b) or s. 8.15 (2), Stats., and shall not be counted. The filing officer is not required to consult extrinsic sources of information to attempt to discern the signer's name but may do so in their discretion if it assists in discerning a possible name.

2.05(5)(j) The death of a signer after a nomination paper has been signed does not invalidate the signature.

2.05(6) SUFFICIENCY OF NOMINATION PAPERS, HEADER.

2.05(6)(a) Office Title and District Designation. As to Office title and district designation, the header of a nomination paper is sufficient as long as the filing officer finds that the signers could determine the office and district the candidate was pursuing based solely upon information provided in the header.

2.05(6)(b) Election Date. When the date of the election is entirely missing from the header of any nomination paper, the filing officer shall not count any of the signatures on the page. Incomplete or incorrect election dates can be found substantially compliant as long as the filing officer finds that signers could have determined based solely upon information provided in the header that the nomination papers corresponded with the correct election date.

FINAL DRAFT

2.05(6)(c) Candidate Name. The candidate shall provide their last name and first name. They may provide a nickname or initial for their first or middle name. In addition to their name, they may provide a former legal surname. The candidate may not provide any other abbreviations or titles.

2.05(6)(d) Candidate Address. A candidate must provide their residential address, their mailing address, if different from their residential address, and their voting municipality in the header of each nomination paper. The residential address must be the street address where the candidate resides; no other address is acceptable in lieu of a residential address.

2.05(7) SUFFICIENCY OF NOMINATION PAPERS, OTHER ISSUES

2.05(7)(a) Failure to provide an indicator of a candidate's gender in the header does not invalidate any nomination papers.

2.05(7)(b) If the date of circulator certification is incomplete or incorrect, the nomination paper is not substantially compliant, and no signatures on that page may be counted, subject to EL 2.05(4)(c).

REVISED EL § 2.07 – CHALLENGES TO NOMINATION PAPERS

2.07(2) Any challenge to the sufficiency of nomination papers brought under this section shall be filed with the appropriate filing officer. The filing officer shall apply the standards in EL 2.05 to determine the sufficiency of nomination papers with the exception of EL 2.05(4)(b). The filing officer shall make filed nomination papers available for public inspection, either physically or electronically, within 1 business day of when they are filed.

2.07(3) PROCEDURE AND TIMELINE. Unless otherwise specified, this subsection contains the exclusive procedure by which challenges to nomination papers may be brought.

2.07(3)(a) Form of challenges to nomination papers. A challenge is a short, plain statement of the basis upon which the challenger seeks to invalidate any signature(s) on one or more nomination papers. All factual allegations upon which the challenge relies must be verified by one or more persons who certify that they possess personal knowledge of the facts alleged therein. Individuals other than the challenger may support a challenge with sworn affidavits or declarations pursuant to s. 887.015, Stats. A brief or summary of the legal standards applicable to a challenge and their application to the alleged facts may be filed simultaneously with, or as a part of, the challenge and any affidavits or declarations pursuant to s. 887.015, Stats. The brief or summary need not be verified, but if it is prepared by an attorney, that attorney must sign the brief and that signature should meet the requirements of s. 802.05, Stats.

2.07(3)(b) Deadlines for filing a challenge. Any challenge shall be filed by 5 p.m. on the third calendar day after the filing deadline for the challenged nomination papers. The challenge must be in the physical or electronic possession of the filing officer by 5 p.m on

FINAL DRAFT

the challenge deadline. If a challenge is submitted on a Saturday, Sunday, or legal holiday, it must be submitted via facsimile transmission or electronic mail. Challenges received after 5 p.m. on the challenge deadline shall not be accepted.

2.07(3)(c) Filing challenges to nomination papers.

2.07(3)(c)1. Filing challenges electronically to nomination papers. A challenger may choose to file a challenge electronically. The filing officer will make instructions for filing challenges electronically publicly available no less than 24 hours before the challenge deadline. Challenges that are filed electronically must conform to those instructions. If the challenge and all supporting materials are filed in electronic form, the filing officer shall electronically transmit a copy of the challenge to the challenged candidate within 4 hours of the deadline for filing of the challenge complaint. Along with a copy of the challenge, the filing officer shall also provide the challenged candidate with notice of the response deadline, notice of how and when the challenged candidate may file rebuttal, as well as notice that the procedures governing nomination paper challenges are covered by this chapter.

2.07(3)(c)2. Filing challenges in paper form to nomination papers. If the challenge and supporting materials are filed in paper form, the filing officer shall deliver a copy to the challenged candidate, either in paper or electronic form, no later than noon the day after the challenge is filed. Along with a copy of the challenge, the filing officer shall also provide the challenged candidate with notice of the response deadline, notice of how and when the challenged candidate may file

FINAL DRAFT

rebuttal, as well as notice that the procedures governing nomination paper challenges are covered by this chapter.

2.07(3)(d) The challenge shall be established by clear, convincing, and satisfactory evidence, presented in the sworn challenge, an accompanying affidavit, or exhibits, which demonstrate that the nomination papers are not substantially compliant. The filing officer must review the evidence submitted when deciding the challenge.

2.07(3)(e) A response to a challenge is a short, plain statement of the basis upon which the challenged candidate asserts that any challenged signature(s) on one or more nomination papers, or the nomination papers themselves, are sufficient. All factual allegations upon which the response relies must be verified by one or more persons with personal knowledge of the facts alleged therein. Individuals other than the challenged candidate may support a response with additional affidavits (Correcting Affidavits). A brief or summary of the legal standards applicable to the challenged signatures or pages and the application of those legal standards to the alleged facts may be filed simultaneously with the response and any affidavits. The brief or summary need not be verified, but if it is prepared by an attorney that attorney must sign the brief and that signature should meet the requirements of s. 802.05(1), Stats.

2.07(3)(f) If the challenged candidate elects to file a response to the nomination papers, that response shall be filed by the candidate challenged by 5 p.m. of the third calendar day after the date the challenge was filed. The response must be in the physical or electronic possession of the filing officer by 5 p.m. of the response deadline. If a response is submitted on a Saturday, Sunday, or legal holiday, it must be submitted via facsimile transmission or electronic mail. Responses received after 5 p.m. on the response deadline shall not be

FINAL DRAFT

accepted. If the challenged candidate elects to file a response and any correcting affidavits electronically, the filing officer shall electronically transmit a copy of those materials to the challenger within 4 hours of the deadline for filing those materials; if the challenge and supporting materials are filed in paper form, the filing officer shall deliver a copy to the challenger, either in paper or electronic form, no later than noon the day after those materials are filed.

2.07(3)(g) If a challenged candidate files a response and one or more correcting affidavits, the challenger may file a short rebuttal brief and one or more rebuttal affidavits. If the challenger elects to file a rebuttal brief and rebuttal affidavits, those materials shall be filed by the challenger within 24 hours of the filing officer's transmission of the response and/or correcting affidavits. A rebuttal brief need not be verified, but if it is prepared by an attorney, that attorney must sign the brief and that signature should meet the requirements of s. 802.05, Stats. The rebuttal brief and/or rebuttal affidavits must be in the electronic possession of the filing officer within 24 hours from the filing officer's transmission of the response and/or any correcting affidavits. Any rebuttal brief and any rebuttal affidavits must be submitted via facsimile transmission or electronic mail. Paper copies of rebuttal briefs and rebuttal affidavits will not be accepted. Rebuttal briefs and rebuttal affidavits received after the applicable deadline shall not be accepted.

2.07(3)(h) After the deadline for filing any rebuttal brief and rebuttal affidavits, but not later than the date for certifying candidates to the ballot, the filing officer shall decide the challenge. In deciding the challenge, the filing officer may elect to hold a hearing if the filing officer deems that such a hearing would assist them in adjudication of the challenge; however, a filing officer is not required to hold a hearing.

FINAL DRAFT

2.07(3)(i) Hearing. If the filing officer elects to hold a hearing, the procedures for the hearing shall accord with this section. The hearing should be noticed in advance and open to the public in compliance with ss. 19.81 - 19.98, Stats. The filing officer shall conduct the hearing in a manner that affords the same offered rights and opportunities to all parties. If the filing officer elects to accept oral presentations from the parties or their assigned representative, the same opportunity must be afforded to all parties. Factual evidence should not be received at a hearing unless the filing officer elects to swear in witnesses, in which case all witnesses must be sworn in.

2.07(4) BURDENS. The initial burden is on the challenger to establish any deficiency in the challenged candidate's nomination papers. If the challenger makes an initial showing by clear, satisfactory and convincing evidence that establishes one or more of the challenged candidate's nomination papers is deficient, the burden shifts to the challenged candidate to establish the sufficiency of their nomination papers by clear, satisfactory and convincing evidence.

2.07(5) BASIS FOR CHALLENGES. A challenge to the sufficiency of nomination papers may be brought on one or more of the grounds in this subsection. The challenge should specify one or more of the following ground or grounds:

2.07(5)(a) Signature Line. Any aspect of individual signature lines of signers may be challenged, including the form of the signature itself, the information provided by the signer, the signer's eligibility to sign the nomination paper, and the fact that a signer signed one candidate's nomination papers more than once or signed the nomination papers of more than one candidate for the same office. The filing officer should rely upon EL 2.05 when determining challenges to signature line. If a challenger establishes that the information

FINAL DRAFT

provided by a signer is not substantially compliant, the signer's signature may not be counted. The invalidity or disqualification of one or more signatures by a signer on a nomination paper does not necessarily affect the validity of any other signatures by signers on that nomination paper.

2.07(5)(b) Header. Any aspect of the header of the nomination paper, as defined by EL2.05(1)(j). The filing officer should rely upon EL 2.05 when determining challenges to the header. If the filing officer sustains a challenge to the header of a nomination paper, none of the signatures on that page may be counted.

2.07(5)(c) Circulation. Any aspect of how a candidate circulated their nomination papers. A challenge may be brought against any aspect of how a circulator circulated a candidate's nomination papers, including the signature, date of signature, certification, or eligibility of the circulator. A challenge brought against the certification includes a challenge that a circulator did not comply with any of the statements contained within the certification. The filing officer should rely upon EL 2.05 when determining challenges to the circulator of nomination papers. Improper circulation negates all signatures on any page that was not properly circulated and certified.

2.07(5)(d) Filing. Any aspect of how a candidate filed their nomination papers. Improper filing negates all signatures on nomination papers so filed.

2.07(6) DECISION OF FILING OFFICER. If the filing officer elects not to hold a hearing, the filing officer must promptly issue a written decision on the challenge and a signed order memorializing their disposition of the challenge not later than the date for certifying candidates to the ballot. If the filing officer elects to hold a hearing and announces an oral ruling during that hearing, any party seeking to appeal from the filing officer's adjudication of a challenge decided at the hearing

FINAL DRAFT

may submit a proposed order, memorializing the filing officer's ruling, to the filing officer for adoption and signature. The filing officer shall promptly transmit all signed orders to the challenger and the challenged candidate electronically. The filing officer may draft and sign their own order rather than using a version proposed by any party.

2.07(7) APPEAL. Any order of a local filing officer disposing of a challenge may be appealed to the commission pursuant to ss. 5.05 or 5.06, Stats. The party aggrieved by the filing officer's decision shall notify the commission of its intent to appeal within 48 hours of receipt of the filing officer's signed order. The commission administrator, in consultation with the commission chair, shall establish a briefing schedule that will allow for commission decision before the deadlines for ballot printing. Any signed order of the commission disposing of a challenge or adjudicating an appeal from a local filing officer's order disposing of a challenge may be appealed to a circuit court pursuant to s. 5.06 (8), Stats.

2.06(3) SUFFICIENCY OF DECLARATION OF CANDIDACY, GENERAL

2.06(3)(a) The filing officer shall review all declarations of candidacy filed with it to determine the facial sufficiency of the declaration filed. Nothing in this provision shall constitute a defense against a challenge to the sufficiency of a declaration of candidacy. 2.08(2)(d) The challenge shall establish by clear and convincing evidence, presented in the sworn challenge, an accompanying affidavit, or exhibits, which demonstrate that the declaration of candidacy is insufficient pursuant to s. 8.21. All factual allegations upon which the response relies must be verified by one or more persons with personal knowledge of the facts alleged therein. 2.08(5) DECISION OF FILING OFFICER. If the filing officer elects not to hold a hearing, the filing officer must promptly issue a written decision on the challenge and a signed order memorializing their disposition of the challenge within 3 calendar days of the date for certifying candidates to the ballot. If the filing officer elects to hold a hearing and announces an oral ruling during that hearing, any party seeking to appeal from the filing officer's adjudication of a challenge decided at the hearing may submit a proposed order, memorializing the filing officer's ruling, to the filing officer for adoption and signature. The filing officer shall promptly transmit all signed orders to the challenger and challenged candidate electronically. The filing officer may draft and sign their own order rather than using a version proposed by any party.

Chapter EL 2 – Election Related Petitions

EL 2.06 Treatment and Sufficiency of Declarations of Candidacy

2.06(1) DEFINITIONS. Except as provided below, all applicable definitions from EL 2.05(1) are incorporated into this section.

2.06(1)(a) "Declaration of Candidacy" means a document that meets the requirements of s. 8.21, and is filed by any candidate, except a presidential elector, seeking local, state, or federal office.

2.06(2) FILING OF DECLARATION OF CANDIDACY

2.06(2)(a) Each candidate for public office has the responsibility to assure that his or her declaration of candidacy is prepared, sworn, signed and filed in compliance with statutory and other legal requirements.

2.06(2)(b) In order to be timely filed, all declarations of candidacy shall be in the possession of the filing officer by the statutory deadline. Emailed or faxed copies of declarations of candidacy will be accepted pursuant to EL 6.04(2) and (3).

2.06(2)(b)1. An amended declaration of candidacy filed pursuant to s. 8.21(6) does not make the declaration of candidacy untimely filed so long as the original declaration of candidacy was filed by the statutory deadline.

2.06(3) SUFFICIENCY OF DECLARATION OF CANDIDACY, GENERAL

FINAL DRAFT

2.06(3)(a) The filing officer shall review all declarations of candidacy filed with it to determine the facial sufficiency of the declaration filed. Nothing in this provision shall constitute a defense against a challenge to the sufficiency of a declaration of candidacy. Facial review completed by a filing officer before the filing deadline is done as a courtesy only and does not bind a filing officer to a final determination of ballot access.

2.06(3)(b) Any facially sufficient information which appears on a declaration of candidacy is entitled to a presumption of validity.

2.06(3)(c) Errors in information contained in a declaration of candidacy may only be corrected by filing an amended declaration of candidacy. Declarations of candidacy cannot be amended by filing a correcting affidavit.

2.06(3)(d) The declaration of candidacy must contain all of the information required by s. 8.21. If it does not, the filing officer shall not accept it. This section does not apply if there are errors in the sworn certification made before any officer authorized to administer oaths.

2.06(4) SUFFICIENCY OF DECLARATION OF CANDIDACY, CERTIFICATION INFORMATION. In this section, "certification information" means the candidate's name and the official name of the office sought.

2.06(4)(a) In the candidate certification information section, a candidate must provide their name in the form specified under s. 8.10(2)(b) for candidates for nonpartisan office or s. 8.15(5)(a) or 8.20(2)(a) for candidates for partisan office.

FINAL DRAFT

2.06(4)(b) In the official name of office line, a candidate must provide the named office required by s. 8.21(2)(a). The named office shall include the district, branch, or seat number.

2.06(4)(b)1. For legislative offices, the named office shall include the title and district number.

2.06(4)(b)2. For district attorneys, the named office shall include the title and the county.

2.06(4)(b)3. For circuit court offices, the named office shall include the title, county, and branch number.

2.06(4)(b)4. For municipal and school board offices, the named office shall include the title and any district seat number.

2.06(5) SUFFICIENCY OF CANDIDATE ADDRESS AND NAME ON BALLOT

2.06(5)(a) State and local candidates must provide their residential address and municipality for voting purposes. The residential address shall include the street and number, and cannot be a mailing address. This information is not required for federal offices.

2.06(5)(b) All candidates must include their name in the form in which it will appear on the ballot. The candidate's preferred ballot name cannot contain the word "incumbent," include a professional title, or include an attempt to manipulate the electoral process. An

intended name containing a nickname or initial, middle name, or former legal surname is permitted, provided that it does not include quotation marks or parentheses.

2.08 Challenges to Declarations of Candidacy

2.08(1) Definitions All applicable definitions from EL ss. 2.05(1), 2.06(1), and 2.07(1) are incorporated into this section.

2.08(2) Procedure and Timeline. Any challenge to the sufficiency of a declaration of candidacy brought under this section shall be filed with the appropriate filing officer. The filing officer shall apply the standards in EL 2.06 and s. 8.21 to determine the sufficiency of declarations of candidacy. Unless otherwise specified, this subsection contains the exclusive procedure by which challenges to declarations of candidacy may be brought. The filing officer shall make declarations of candidacy available for public inspection, either physically or electronically, within 1 business day of when they are filed.

2.08(2)(a) Form of challenges to declarations of candidacy. A challenge is a short, plain statement of the basis upon which the challenger seeks to invalidate a declaration of candidacy filed by a candidate. All factual allegations upon which the challenge relies must be verified by one or more persons who certify that they possess personal knowledge of the facts alleged therein. Individuals other than the challenger may support a challenge with sworn affidavits or declarations pursuant to s. 887.015, Stats. A brief or summary of the legal standards applicable to a challenge and their application to the alleged facts may be filed simultaneously with, or as part of, the challenge and any affidavits or declarations pursuant to s. 887.015, Stats. The brief or summary need not be verified, but if it is prepared

by an attorney, that attorney must sign the brief and that signature should meet the requirements of s. 802.05, Stats.

2.08(2)(b) Deadlines for filing a challenge. Any challenge shall be filed by 5 p.m. on the third calendar day after the filing deadline for the challenged declaration of candidacy. The challenge must be in the physical or electronic possession of the filing officer by 5 p.m. of the challenge deadline. If a challenge is submitted on a Saturday, Sunday, or legal holiday, it must be submitted via facsimile transmission or electronic mail. Challenges received after 5 p.m. on the challenge deadline shall not be accepted.

2.08(2)(c) Filing challenges to declarations of candidacy.

2.08(2)(c)1. Filing challenges electronically to declarations of candidacy. A challenger may choose to file a challenge electronically. The filing officer will make instructions for filing challenges electronically publicly available no less than 24 hours before the start of the circulation period. Challenges that are filed electronically must conform to those instructions. If the challenge and all supporting materials are filed in electronic form, the filing officer shall electronically transmit a copy of the challenge to the challenged candidate within 4 hours of the deadline for filing the challenge complaint.

2.08(2)(c)2. Filing challenges in paper form to declarations of candidacy. If the challenge and supporting materials are filed in paper form, the filing officer shall deliver a copy to the challenged candidate, either in paper or electronic form, no later than noon the day after the challenge is filed. Along with a copy of the challenge, the filing officer shall also provide the challenged candidate with notice

FINAL DRAFT

of the response deadline, as well as notice that the procedures governing declaration of candidacy challenges are covered by this chapter.

2.08(2)(d) The challenge shall establish by clear and convincing evidence, presented in the sworn challenge, an accompanying affidavit, or exhibits, which demonstrate that the declaration of candidacy is insufficient pursuant to s. 8.21. The filing officer must review the evidence submitted when deciding the challenge.

2.08(2)(e) A response to a challenge is a short, plain statement of the basis upon which the challenged candidate asserts that their declaration of candidacy is sufficient pursuant to s. 8.21, Stats. All factual allegations upon which the response relies must be verified by one or more persons with personal knowledge of the facts alleged therein. Individuals other than the challenged candidate may support a response with additional affidavits. A brief or summary of the legal standards applicable to the challenged declaration of candidacy and the application of those legal standards to the alleged facts may be filed simultaneously with the response and any affidavits. The brief or summary need not be verified, but if it is prepared by an attorney, that attorney must sign the brief and that signature should meet the requirements of s. 802.05, Stats.

2.08(2)(f) If the challenged candidate elects to file a response to the challenge to their declaration of candidacy, that response shall be filed, by the candidate challenged, by 5 p.m. of the third calendar day after the date the challenge was filed. The response must be in the physical or electronic possession of the filing officer by 5 p.m. of the response deadline. If a response is submitted on a Saturday, Sunday, or legal holiday, it must be submitted via facsimile transmission or electronic mail. Responses received after 5 p.m. on

FINAL DRAFT

the response deadline shall not be accepted. If the challenged candidate elects to file a response and/or any correcting affidavits electronically, the filing officer shall electronically transmit a copy of those materials to the challenger within 4 hours of the deadline for filing those materials; if the challenge and supporting materials are filed in paper form, the filing officer shall deliver a copy to the challenger, either in paper or electronic form, no later than noon on the day after those materials are filed.

2.08(2)(g) If a challenged candidate files a response, the challenger may file a short rebuttal brief and one or more rebuttal affidavits. If the challenger elects to file a rebuttal brief and rebuttal affidavits, those materials shall be filed by the challenger within 24 hours of the filing officer's transmission of the response. A rebuttal brief need not be verified, but if it is prepared by an attorney that attorney must sign the brief and that signature should meet the requirements of s. 802.05, Stats. The rebuttal brief and rebuttal affidavits must be in the electronic possession of the filing officer within 24 hours from the filing officer's transmission of the response. Any rebuttal brief and any rebuttal affidavits must be submitted via facsimile transmission or electronic mail. Paper copies of rebuttal briefs and rebuttal affidavits will not be accepted. Rebuttal briefs and rebuttal affidavits received after the applicable deadline shall not be accepted.

2.08(2)(h) After the deadline for filing any rebuttal brief and rebuttal affidavits, but not later than the date for certifying candidates to the ballot, the filing officer shall decide the challenge. In deciding the challenge, the filing officer may elect to hold a hearing if the filing officer deems that such a hearing would assist them in the adjudication of the challenge; however, a filing officer is not required to hold a hearing.

FINAL DRAFT

2.08(2)(i) Hearing. If the filing officer elects to hold a hearing, the procedures for the hearing shall accord with this section. The hearing should be noticed in advance and open to the public in compliance with ss. 19.81 – 19.98, Stats. The filing officer shall conduct the hearing in a manner that affords the same offered rights and opportunities to all parties. If the filing officer elects to accept oral presentations from the parties or their assigned representative, the same opportunity must be afforded to all parties. Factual evidence should not be received at a hearing unless the filing officer elects to swear in witnesses, in which case all witnesses must be sworn in.

2.08(3) BURDENS. The initial burden is on the challenger to establish any deficiency in the challenged candidate's declaration of candidacy. If the challenger makes an initial showing by clear, satisfactory, and convincing evidence that establishes the declaration of candidacy is insufficient pursuant to s. 8.21, Stats., the burden shifts to the challenged candidate to establish the sufficiency of the declaration of candidacy by clear, satisfactory, and convincing evidence.

2.08(4) BASIS FOR CHALLENGES. An administrative challenge to the sufficiency of a declaration of candidacy may only be brought on one or more grounds in this subsection. The challenge should allege with specificity the ground or grounds of each challenge.

2.08(4)(a) Certification, Missing Information. A challenge may be brought if any of the information in the candidate certification section is missing or incomplete, including the candidate's name and the official name of the office.

2.08(4)(b) Certification, Qualifications. A challenge may be brought to the candidate's certification on the declaration of candidacy that they possess qualifications to run for the

FINAL DRAFT

office identified. A challenge under this ground shall be limited to the sworn statements that are required by ss. 8.21(2) and 8.21(4), Stats. A challenge to sworn statements required by s. 8.21(4), Stats., shall only be brought against candidates for state and local office.

2.08(4)(c) Candidate Address. A challenge under this ground may only be brought against candidates for state and local office pursuant to ss. 8.21(4). A challenge may be brought if the present address, including the municipality for voting purposes, is missing, incomplete, or incorrect. A challenge may also be brought under this ground if this information is inconsistent with a candidate's nomination papers.

2.08(4)(d) Candidate Name on Ballot. A challenge may be brought if the name the candidate wishes to appear on the ballot is missing. A challenge may also be brought under this ground if this information is inconsistent with a candidate's nomination papers. A challenge may also be brought if the intended name of the candidate on the ballot contains the word "incumbent," includes a professional title, or includes an attempt to manipulate the electoral process. This section cannot serve as a basis for a challenge if the candidate has provided a last name plus first name, nickname or initial, middle name, or former legal surname, provided the name does not otherwise violate this provision and also does not include quotation marks or parentheses.

2.08(4)(e) Sworn Statement. A challenge may be brought if the declaration of candidacy has not been sworn to before any officer authorized to administer oaths per ss. 8.21(2) and 8.21(5), Stats.

FINAL DRAFT

2.08(4)(f) Timeliness of Filing. A challenge may be brought if the declaration of candidacy was not timely filed pursuant to s. 8.21(1), Stats.

2.08(5) DECISION OF FILING OFFICER. If the filing officer elects not to hold a hearing, the filing officer must promptly issue a written decision on the challenge and a signed order memorializing their disposition of the challenge within 3 calendar days of the date for certifying candidates to the ballot. If the filing officer elects to hold a hearing and announces an oral ruling during that hearing, any party seeking to appeal from the filing officer's adjudication of a challenge decided at the hearing may submit a proposed order, memorializing the filing officer's ruling, to the filing officer for adoption and signature. The filing officer shall promptly transmit all signed orders to the challenger and challenged candidate electronically. The filing officer may draft and sign their own order rather than using a version proposed by any party.

2.08(6) APPEAL. Any order of a local filing officer disposing of a challenge may be appealed to the commission pursuant to ss. 5.05 or 5.06, Stats. The party aggrieved by the filing officer's decision shall notify the commission of its intent to appeal within 48 hours of receipt of the filing officer's signed order. The commission administrator, in consultation with the commission chair, shall establish a briefing schedule that will allow for a commission decision before the deadlines before ballot printing. Any signed order of the commission disposing of a challenge or adjudicating an appeal from a local filing officer's order disposing of a challenge may be appealed to a circuit court pursuant to s. 5.06(8), Stats.

EL 24-60
Trevor Ford v. Steve Rydzewski

Wisconsin Assembly District 37

State of Wisconsin
Before the Wisconsin Elections Commission

The Complaint of Trevor Ford, Executive Director
Republican Assembly Campaign Committee,
148 East Johnson Street, Madison, WI 53703

Complainant,

Against

Steve Rydzewski,

Respondent.

Verified Complaint

I, Trevor Ford, on behalf of the Republican Assembly Campaign Committee, based on information and belief, hereby state as follows:

1. I am a resident of the State of Wisconsin, a qualified elector residing at 216 Yarrow Hill Drive, Cottage Grove, WI 53527, and the Executive Director of the Republican Assembly Campaign Committee with a mailing address of 148 East Johnson Street, Madison, Wisconsin 53703.

2. Respondent Steve Rydzewski, Candidate ID No. 0106655, who listed his address as N8241 Kellom Rd, Beaver Dam, WI 53916, filed nomination papers with the Elections Commission for certification as a Republican candidate in the general election for the 37th Assembly District to be held on November 5, 2024.

3. On June 3, 2024, Steve Rydzewski submitted nomination papers containing 253 signatures to the Wisconsin Elections Commission.

4. Complainant asserts that Respondent submitted nomination paper containing 103 electors' signatures collected after the statutory deadline of 5:00 PM on June 1st established by Wisconsin Statute 8.15(1). Respondent should be precluded from being placed on the ballot because these post-deadline signatures are invalid.

5. Complainant further asserts that Respondent submitted only 149 valid signatures, which is an insufficient number as required by Wisconsin Statute 8.15(6)(d). Respondent should

be precluded from being placed on the ballot because the number of valid nomination paper signatures is less than the statutory minimum of 200 electors.

6. Attached as "Exhibit A" are copies of pages 1a, 1b, 2a, 2b, 5, 14, 15, 16, 17, 18, 19, 20, 21, 22 and 23 of Respondent's nomination papers which include signatures collected following the 5:00 PM deadline on June 1st, 2024. These 104 signatures are located on:

   - Page 1a, Line 1 and Lines 3 through 7—indicates electors signed after the June 1st deadline;
   - Page 1b, Lines 1 and 2 and Lines 4 through 7—indicates electors signed after the June 1st deadline;
   - Page 2a, Line 9—indicates electors signed after the June 1st deadline;
   - Page 2b, Lines 3 through 9—indicates electors signed after the June 1st deadline;
   - Page 5, Line 10—indicates electors signed after the June 1st deadline;
   - Page 14, Lines 9 and 10—indicates electors signed after the June 1st deadline;
   - Page 15, Lines 1 through 10—indicates electors signed after the June 1st deadline;
   - Page 16, Lines 1 through 10—indicates electors signed after the June 1st deadline;
   - Page 17, Lines 1 through 10—indicates electors signed after the June 1st deadline;
   - Page 18, Lines 1 through 10—indicates electors signed after the June 1st deadline;
   - Page 19, Lines 1 through 10—indicates electors signed after the June 1st deadline;
   - Page 20, Lines 1 through 6 and Lines 8 through 10—indicates electors signed after the June 1st deadline;
   - Page 21, Lines 1 through 10—indicates electors signed after the June 1st deadline;
   - Page 22, Lines 1 through 7—indicates electors signed after the June 1st deadline; and
   - Page 23, Lines 8 through 10—indicates electors signed after the June 1st deadline.

7. As indicated on Respondent's nomination papers, Respondent collected these signatures after the 5:00 PM deadline on June 1st, 2024. These post-deadline signatures are therefore invalid. *See* Wis. Admin. Code § 2.07(3)(c). No exceptions apply to Respondent as the incumbent filed their declaration of non-candidacy in a timely manner. *See* Wis. Stat. § 8.15(1); *see also* Exhibit B (showing Assembly District 37 incumbent candidate Rep. William Penterman filed timely statement on non-candidacy for this district).

8. Pursuant to Wisconsin Statute 8.15(1), the 104 signatures identified in "Exhibit A" should be ruled invalid because Respondent collected the signatures following the 5:00 PM deadline on June 1st, 2024.

9. Accordingly, pursuant to the Elections Commission's authority under EL 2.07, Wis. Admin. Code, I request the Commission strike these 103 signatures from the 253

signatures preliminarily accepted by the Elections Commission staff. This would result in only 149 valid signatures for Steve Rydzewski which is below the 200 signature threshold required for ballot access pursuant to Wisconsin Statute 8.15(6)(d).

SIGNATURE AND CERTIFICATION

I, Trevor Ford, being duly sworn under oath, state that I personally read the above complaint and that the above listed allegations are true and correct based upon my personal knowledge and my review of the nomination papers and other public records, and as to those allegations states upon my information and belief, I believe them to be true.

Date this 6th Day of June, 2024.

To whom it may concern,

A complaint was filed by Trevor Ford on behalf of the Republican Assembly Campaign Committee, challenging 103 and then 104 signatures on my nomination papers as a candidate for State Assembly District 37 due to them being collected after their purported deadline of June, 1 2024. This complaint cites state statute 8.15 (1) and contends it is reason for me to be "precluded from being placed on the ballot".

I refute this complaint and respond that the signatures acquired on my nomination papers are valid as WEC/representatives thereof, moved the deadline to June 3, 2024; therefore, the obligation to acquire a minimum of 200 nomination signatures is met and these signatures were turned in before the 5pm June 3, 2024 deadline required by WEC. Therefore my name should be placed on the ballot for the partisan primary for State Assembly District 37 for the following reasons:

- First I contacted WEC by phone and spoke with Erin Hoag on May 30, 2024 and asked if I had until June 3, 2024 to acquire signatures on nomination papers or if June 1, 2024 was the cut off. She asked one of the attorneys present and they told her, (paraphrasing her/their words here) that I could acquire signatures up until the 5pm, June 3, 2024 deadline for handing in the papers.
- I then emailed Erin on May 31, 2024 for proof of our phone conversation on May 30, 2024, that I had until June 3, 2024 to acquire signatures for my nomination papers. See her reply in the excerpt below, and I also am attaching a screenshot of the email conversation in Attachment A.

  " Hi Steve,

  Thank you for reaching out. According to one of our attorneys, statute just says a turn in day, and does not separate out gathering, so if candidates can turn in Monday because the office is closed, there is no reason to think that would mean they cannot gather signatures until they turn in the papers.

  While we will not strike those signatures in review, I can't promise another candidate won't challenge those. If that happened, then the Commissioners (who moved the deadline back) would make the call on whether to accept them."

- As WEC oversees this process statutorily, and is the expert on the subject, I took the advisement from Erin Hoag, under the advisement of the above mentioned WEC attorney in good faith and proceeded in acquiring signatures for my nomination papers.
- Candidates with questions about this process are directed to WEC for guidance. Therefore, candidates navigating this process, depend on their expertise being reliable. Erin's email indicated the WEC commissioners moved the date back because the office was closed on the original deadline June 1, 2024.
- This seemed reasonable in lieu of the common practice/precedent in Wisconsin of deadlines being extended when the deadline falls on a Saturday, Sunday or legal holiday. The deadline/due date then becomes the next business/working day.
- If the email from Erin had declared June 1, 2024 as the hard cut-off date, I would have adjusted my calendar on Friday and Saturday and asked others collecting signatures on my behalf to acquire the proper number of signatures by then as well and would not have turned away others who had asked if they could help. The email clearly led me to believe that the deadline was June 3, 2024 at 5pm and that there was "no reason to think" that I could not acquire signatures until then.

Therefore, I believe I followed all guidance from WEC correctly, in good faith and that the deadline for acquiring signatures was 5pm on June 3, 2024. Therefore, I believe all of the signatures (whether it is 103 or 104) the aforementioned complainant is challenging (See attached signature pages and lines in "Exhibit A" from the complainant, of which I also list pages and lines below as a screenshot from that attachment) should not be deemed invalid because they were collected after their purported 5pm June 1, 2024 deadline. Rather, they should be included as valid signatures as long as they meet the other statutory requirements for valid signatures, because they were collected before the 5pm June, 3rd deadline set forth by WEC. Therefore, no extension was needed, I did fulfill my obligation to acquire a minimum of 200 valid nomination signatures, and my name should be placed on the ballot for the upcoming partisan primary election for State Assembly District 37.

Hi Erin,
I called yesterday. Just making sure that if I collect signatures on my nomination paperwork on June 2 and June 3, that they will not be discounted because they are after the June 1 deadline.
thanks,

Hi Steve,
Thank you for reaching out. According to one of our attorneys, statute just says a turn in day, and does not separate out gathering, so if candidates can turn in Monday because the office is closed, there is no reason to think that would mean they cannot gather signatures until they turn in the papers.
While we will not strike those signatures in review, I can't promise another candidate won't challenge those. If that happened, then the Commissioners (who moved the deadline back) would make the call on whether to accept them.
Best,
Erin Hoag

APPENDIX
9

EL 24-61
Trevor Ford v. Dave Heffel

Wisconsin Assembly District 70

State of Wisconsin
Before the Wisconsin Elections Commission

The Complaint of Trevor Ford, Executive Director
Republican Assembly Campaign Committee,
148 East Johnson Street, Madison, WI 53703

Complainant,

Against

David Heffel,

Respondent.

Verified Complaint

I, Trevor Ford, on behalf of the Republican Assembly Campaign Committee, based on information and belief, hereby state as follows:

1. I am a resident of the State of Wisconsin, a qualified elector residing at 216 Yarrow Hill Drive, Cottage Grove, WI 53527, and the Executive Director of the Republican Assembly Campaign Committee with a mailing address of 148 East Johnson Street, Madison, Wisconsin 53703.

2. Respondent David Heffel, Candidate ID No. 0106596, who listed his address as 12363 US Highway 12, Tomah, WI 54660, filed nomination papers and a Declaration of Candidacy with the Elections Commission for certification as a candidate for the Democrat Party in the general election for the 70th Assembly District to be held on November 5, 2024.

3. On May 15, 2024, David Heffel submitted nomination papers containing 294 signatures to the Wisconsin Elections Commission.

4. On March 25, 2024, David Heffel submitted a Declaration of Candidacy to the Wisconsin Elections Commission.

5. Complainant asserts that Respondent has three fatal errors on the documents mentioned in bullet point #3 and #4 above: Incorrect Municipality for Voting Purposes on Nomination papers and Declaration of Candidacy, and incorrect address for Respondent on nomination paper header.

6. Complainant asserts that Respondent's Declaration of Candidacy listed their address as 12363 US Highway 12, Tomah, WI 54660, and incorrectly listed their Municipality of Residence for Voting Purposes as the "City of Tomah" (see Exhibit A).

7. Complainant asserts that based on the address listed by the Respondent on their Declaration of Candidacy the correct Municipality of Residence for Voting Purposes should be the Town of La Grange according to a search of 12363 US Highway 12, Tomah, WI 54660 on Myvote.wi.gov (see Exhibit B).

8. Complainant asserts that because Respondent's Declaration of Candidacy does not list the Town of La Grange as their Municipality of Residence for Voting Purposes, it does not fulfill the requirement listed under Wisconsin Statute 8.21(4)(b) for ballot access to be granted (see Exhibit C).

9. Complainant also asserts that Respondent listed 12326 U.S. Highway 12, City of Tomah as their address on all 38 pages of their nomination papers. Additionally, Respondent signed as the circulator on 37 of the 38 pages of nomination papers, and listed 12363 U.S. Highway 12, Tomah as their address. Complainant notes that these are two different addresses (see Exhibit I).

10. Complainant notes that the Respondent listed 12363 U.S. Highway 12, City of Tomah as their address on their Declaration of Candidacy (see Exhibit A), their address on 37 nomination papers Respondent signed as a circulator (see Exhibit I), and as their address on their CF-1 (see Exhibit J). Complainant asserts that due this address being used on these three official documents, it is reasonable to believe that this is Respondents actual address.

11. Complainant additionally asserts that the address of 12326 U.S. Highway 12, Tomah, 54660 does not exist. Searches for this address on Myvote.wi.gov (Exhibit D) and the Monroe County Property Search Web Portal (Exhibits E and F), do not produce a single result. A search using the Find My Legislator function on the Wisconsin State Legislature website does not produce an "address found" result but instead matches to a "street segment" (see Exhibit H).

12. Complainant asserts that the address of 12326 U.S. Highway 12, City of Tomah used by Respondent in the header of their nomination papers is not their actual address and is therefore incorrect.

13. Therefore, all 38 pages of Respondent's nomination papers containing 294 signatures should be struck for failing to satisfy Wisconsin Statute 8.15(5)(b) that requires a candidates address.

14. Finally, based upon the general location provided in Exhibit H, if a residence did exist in that location it would be in the Town of La Grange and not City of Tomah (see Exhibit G). Therefore, the Municipality of Residence for Voting Purposes listed as "City of Tomah" on Respondent nomination papers is incorrect.

15. Accordingly, based upon the evidence presented in bullet points #5 through #14 and pursuant to the Elections Commission's authority under EL 2.07, Wis. Admin. Code, Complainant requests the Commission strike Respondent's Declaration of Candidacy for failure to include the correct Municipality of Residence for Voting Purposes and strike all 38 pages of signatures submitted by Respondent and preliminarily accepted by the Elections Commission staff. This would result in 0 valid signatures for David Heffel which is below the 200 signature threshold required for ballot access pursuant to Wisconsin Statute 8.15(6)(d).

SIGNATURE AND CERTIFICATION

I, Trevor Ford, being duly sworn under oath, state that I personally read the above complaint and that the above listed allegations are true and correct based upon my personal knowledge and my review of the nomination papers and other public records, and as to those allegations states upon my information and belief, I believe them to be true.

Date this 6th Day of June, 2024.

Report Generated On: 04/12/2024

My name is David heffel candidate ID number 0106596 and this this is my response to the complaints of Trevor Ford.

I'm not going to dispute the complaints (attached) leveled against my nomination papers and Declaration of candidacy mistakes. These were mistakes, and there was nothing fraudulent or misleading intended by them.

I do contend though that these mistakes should not invalidate my viability for candidacy. Having the wrong address, and municipality on these papers should not matter, as they would still fall within the district that I wish to represent. The voters that signed my nomination papers and wish me to be in office, we're concerned that I was a local person, and with the platform that I presented to them. There were no voters that I spoke to that signed or didn't sign my nomination papers that were concerned with my exact mailing or voting location. I believe that enforcing these complaints and removing me from the ballot would restrict the voters opportunity and rights to cast a ballot for the candidate of their choice.

Once again, I apologize for these errors. I have limited reading and writing abilities due to medical conditions, which should not be an excuse. In the future when I have someone else do paperwork for me, I will be sure to have a third pa review it.

Thank you very much for your time and consideration.

Sub: Challenging Declaration of Candidacy for Tim Rogers

Dear Commissioners of Wisconsin Election Commission:

In regards to the instructions of seeking ballot status where it requires a candidate must fill the paperwork properly, the declaration of candidacy for Tim Rogers as submitted failed to properly complete the DOC. Two points of concerns:

1. Top section was not filled to indicate ***whether the DOC was or was not an amendment***
2. Additionally, for the office which he is seeking failed to properly write the official name of the office ***i.e., congressional NOT congressinal***

The person has failed to complete the DOC properly and has missed the deadline to do so. I duly request that the person be denied access to the ballot as he failed to complete declaration of ~~the~~ candidacy properly.

Dear Wisconsin Election Commission.

Please accept this letter as my official sworn response to your letter dated June 6, 2024, that challenges aspects of Declaration of Candidacy letter. The Declaration paper was filed in a timely manner according to the guidelines set in place by the Wisconsin Election Commission. Please see below to resolution to the items being challenged.

Challenges:

1. "Top section was not filled to indicate whether the DOC was or was not an amendment form".
    a. Resolution: **"NO"** Box checked to show that the DOC filed is not an amended form.
2. "Additionally, for the office which he is seeking failed to properly write the official name of the office of candidacy properly as congressinal instead of congressional."
    a. Resolution: Typo on the form corrected to show as Congressional.

Sincerely,

Tim Rogers

1 A 1996 constitutional amendment bars any candidate convicted of a misdemeanor which violates the public trust from running for or holding a public office. However, the legislature has not defined which misdemeanors violate the public trust. A candidate convicted of any misdemeanor is not barred from running for or holding a public office until the legislature defines which misdemeanors apply.

Morgan Hess v. Deanna Alexander

Wisconsin Assembly District 12

STATE OF WISCONSIN
WISCONSIN ELECTIONS COMMISSION

IN THE MATTER OF:
NOMINATION PAPERS FILED BY DEANNA ALEXANDER
WITH RESPECT TO THE NOVEMBER 5, 2024 FOR
REPRESENTATIVE TO THE ASSEMBLY – DISTRICT 12, STATE OF WISCONSIN

MORGAN HESS, Executive Director,
Assembly Democratic Campaign Committee

Complainant,

v. Case No._____

Deanna Alexander
11520 W Appleton Pl.,
Milwaukee, WI 53224

Respondent.

VERIFIED COMPLAINT

---

1. This Verified Complaint is brought against Deanna Alexander ("Alexander") pursuant to Wis. Stat. § 5.06, Wis. Admin. Code § EL 2.07, and other Wisconsin laws governing elections and election campaigns.

2. The WEC found that Alexander submitted 218 valid signatures in support of her candidacy for Representative to the Assembly – District 12, State of Wisconsin ("Representative") in the November 5, 2024 election.

3. However, 22 of her signatures are invalid due to incomprehensible or otherwise defective nomination paperwork. Consequently, the number of valid signatures of eligible electors on her nomination papers is 196, not 218.

4. Accordingly, Alexander has not gathered the required 200 valid signatures and must be excluded from the ballot. Wis. Stat. § 8.15(6)(d).

BACKGROUND

5. Complainant Morgan Hess is a qualified elector and resident of the State of Wisconsin. Hess is the Executive Director of the Assembly Democratic Campaign Committee, with offices located at 16 North Carroll Street, Suite 300, Madison, Wisconsin 53703. Hess resides at 10 N. Livingston Street, Unit #333, Madison, Wisconsin 53703.

6. Respondent Deanna Alexander is a resident of Wisconsin, who, upon information and belief, resides at 11520 West Appleton Place, Milwaukee, Wisconsin 53224.

7. Respondent Alexander holds herself out as a candidate for Representative to the Assembly – District 12, State of Wisconsin ("Representative") in the November 5, 2024 election, as an "Independent."

8. To secure a place on the ballot as a candidate for Representative, Respondent Alexander filed, or caused to be filed, nomination papers with the Wisconsin Elections Commission (the "WEC") on or around June 3, 2024. Wis. Stat. § 8.50(3).

9. Under Wisconsin law, a candidate for Representative to the Assembly – District 12, State of Wisconsin was required to timely submit to the WEC nomination papers containing at least 200 but no more than 400 valid signatures of electors. Wis. Stat. § 8.15(6)(d).

10. The WEC determined that Respondent Alexander submitted a total of two hundred eighteen (218) signatures to the WEC on 28 separate, numbered nomination papers. The full set of nomination papers submitted by Respondent Alexander is attached to this Verified Complaint as Exhibit A.

11. This Verified Complaint is timely filed on June 6, 2024, which is within three calendar days after the filing deadline for the challenged nomination papers." EL § 2.07(2)(a).; Wis. Stat. § 8.15(1).

12. The WEC has jurisdiction over this Verified Complaint as provided in Wis. Stat. § 5.06 and Wis. Admin. Code § EL 2.07.

THE RELEVANT CATEGORIES OF DEFECTS

13. Under Wisconsin law, nomination papers must contain certain information for the signatures on those papers to be valid and counted toward the minimum number of required signatures. Wis. Stat. § 8.15(4)-(6).

14. This Complaint falls into two general categories: (1) a challenge to two full pages for having illegible elector certifications; and (2) a challenge to signatures of electors who either identify on the nomination papers a residential address outside of Assembly District 12, are registered to vote at an address outside District 12 and thus are not eligible to vote in in that District, or who provide an address that does not exist.

The Requirements For Individual Valid Signatures.

15. For nomination signatures to be valid, a signer of the nomination papers for a state office, including that of Representative in the Wisconsin State Assembly, must reside in the jurisdiction or district which the candidate names on the paper will represent if elected. Wis. Stat. § 8.15(3).

16. In addition, an "individual signature on a nomination paper may not be counted" when any of the following apply:

> (a) The date of the signature is missing, unless the date can be determined by reference to the dates of other signatures on the paper.

(b) The signature is dated after the date of certification contained in the certificate of circulator.

(c) The address of the signer is missing or incomplete, unless residency can be determined by the information provided on the nomination paper.

(d) The signature is that of an individual who is not 18 years of age at the time the paper is signed. An individual who will not be 18 years of age until the subject election is not eligible to sign a nomination paper for that election.

(e) The signature is that of an individual who has been adjudicated not to be a qualified elector on the grounds of incompetency or limited competency as provided in s. 6.03 (3), Stats., or is that of an individual who was not, for any other reason, a qualified elector at the time of signing the nomination paper.

Wis. Admin. Code § EL 2.05(15).

17. In addition, for nomination signatures to be valid, the signer must be a qualified elector in the district. Wis. Stat. § 8.15(3).

18. District residency or non-residency was determined utilizing the "Who Represents Me?" search engine available via the Wisconsin Legislature's website and accessible to the public at the following internet address: https://maps.legis.wisconsin.gov/?version=2022.

19. The non-existent address on Page 27, Line 2 produced no responsive address on either the "Who Represents Me?" address and https://tools.usps.com/zip-code-lookup.htm?byaddress.

20. As for page 14 at signature number 10, a voter file secured from the Wisconsin Election Commission indicates that the address used on the nomination papers is invalid. Specifically:

a. The Democratic Party of Wisconsin regularly purchase from WEC data regarding the voters in the State of Wisconsin.

b. They then put that data into software called the DNC Votebuilder, to which I have access. They refresh Votebuilder regularly with voter registration data directly from WEC.

c. Votebuilder indicates that the voter, Gilberto Mangual, uses 10443 W. Birch (the address he provided on Page 14, line 10 of the nomination papers) for a mailing address, but the address at which he is currently registered to vote is listed as 427 S. 70th St., within Assembly District 14. *See* Exhibit B, hereto.

The Signatory / Elector Certification Requirement.

21. Complainant also challenges pages 8 and 24 in their entirety, and therefore challenges all signatures on both pages. Collectively, these defective papers contain 14 signatures. (Exhibit A at 8, 24) This defect, therefore, reduces the total number of valid signatures on Alexander's nomination papers by 14 signatures.

22. Wis. Stat. § 8.15(5)(a) dictates that "[e]ach nomination paper shall have substantially the following words printed at the top" and sets forth the following:

> I, the undersigned, request that the name of (insert candidate's last name plus first name, nickname or initial, and middle name, former legal surname, nickname or middle initial or initials if desired, but no other abbreviations or titles) residing at (insert candidate's street address) be placed on the ballot at the (general or special) election to be held on (date of election) as a candidate representing the (name of party) so that voters will have the opportunity to vote for (him or her) for the office of (name of office). I am eligible to vote in (name of jurisdiction or district in which

candidate seeks office). I have not signed the nomination paper of any other candidate for the same office at this election.

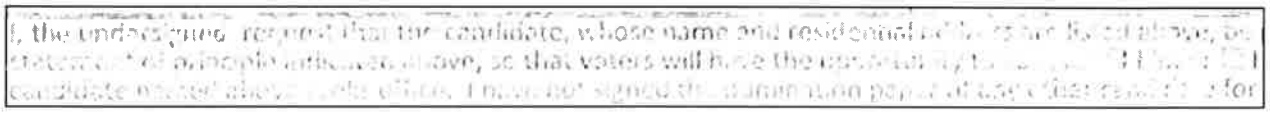
Wis. Stat. § 8.15(5)(a).

23. If a person does not clearly see that they can only sign nomination candidates for one candidate, they may be deprived of the opportunity to select the candidate of their choosing. *See* Wis. Stat. § 8.04 ("If any person signs nomination papers for 2 candidates for the same office in the same election at different times, the earlier signature is valid and the later signature is invalid.").

24. On page 8, containing ten signatures, the certification is entirely illegible:

(Exhibit A at 8)

25. Page 24, containing four signatures, likewise contains words that are almost entirely illegible:



(Exhibit A at 24)

26. All told, 22 of the 218 signatures that WEC counted as being valid on nomination papers submitted by Alexander are not, in fact, valid, reducing the total number of valid signatures to 196, which is four signatures less than the required 200 signature threshold to appear on the ballot.

ARGUMENT

I. Legal Framework.

27. At the outset, it bears emphasizing that this Complaint presents solely a statutory question. "While the right to vote is an inherent or constitutional right, the right to be a candidate is not of that character. It is a political privilege which depends upon the favor of the people and this favor may be coupled with reasonable conditions for the public good." *State ex rel. Frederick v. Zimmerman*, 254 Wis. 600, 617, 37 N.W.2d 473, 482 (1949).

28. Consistent with *Frederick*, courts hold that "limiting the choice of candidates to those who have complied with state election law requirements is the prototypical example of a regulation that, while it affects the right to vote, is eminently reasonable." *Burdick v. Takushi*, 504 U.S. 428, 440 (1992); *see also, e.g.*, *Burdick v. Takushi*, 504 U.S. 428, 440 n.10 (1992); *Beller v. Kirk*, 328 F. Supp. 485, 486 (S.D. Fla. 1970), *aff'd sub nom. Beller v. Askew*, 403 U.S. 925 (1971) ("The State has the right and duty to establish reasonable regulations for the conduct of elections for state offices. There is no constitutional right to have one's name printed on the ballot.").

29. Thus, the sole question before the Commission is whether Alexander met the statutory requirements.

30. She did not—as a candidate for public office, Respondent Alexander "has the responsibility to assure that [her] ... nomination papers are prepared, circulated, signed, and filed in compliance with statutory and other legal requirements." Wis. Admin. Code § EL 2.05(1); *see also* Wis. Stat. § 8.07.

31. Our statutes mandate that Alexander may not appear on the ballot if she failed to secure 200 valid signatures:

> Only those candidates for whom nomination papers containing the necessary signatures acquired within the allotted time and filed before the deadline may have their names appear on the official partisan primary ballot.

Wis. Stat. 8.15(1); *see also* Wis. Admin. Code § EL 2.05(6) ("Nomination papers shall contain at least the minimum required number of signatures from the circuit, county, district or jurisdiction which the candidate seeks to represent.").

II. The Invalid Signatures.

32. "All signers on each separate nomination paper for all state offices, county offices, and the offices of U.S. senator and representative in congress shall reside in the jurisdiction or district which the candidate named on the paper will represent, if elected." Wis. Stat. § 8.15(3). That language is dispositive, as "the word 'shall' is presumed mandatory when it appears in a statute." *Bank of New York Mellon v. Carson*, 2015 WI 15, ¶21, 361 Wis. 2d 23, 859 N.W.2d 422 (internal quotations omitted); *State v. Cox*, 2018 WI 67, ¶11, 382 Wis. 2d 338, 913 N.W.2d 780 ("Whenever we encounter a dispute over the meaning of 'shall,' we presume it is introducing a mandate."). However, Wis. Stat. 8.15(1) provides a penalty for failure to secure the requisite number of signatures and the Administrative Code also confirms that the signatures must be "from the circuit, county, district or jurisdiction which the candidate seeks to represent." Wis. Admin. Code § EL 2.05(6).

III. The Defective Headers.

33. Where a candidate's nomination paper is itself deficient, no signatures on that paper may be counted toward the statutorily required number of signatures. *See* Wis. Admin. Code § EL 2.07(3)(a).

34. That makes sense because, as the WEC Ballot Access manual explains, Section 8.15(5) is designed "to provide signers the opportunity to evaluate the candidate prior to supporting

their nomination."[1] For similar reasons, WEC does not allow a circulator to alter the header portion of nomination papers (including the candidate's name) after circulation—because "[t]his is the nomination information that each signatory saw and relied upon in deciding to sign the paper in support of placing the candidate's name on the ballot."[2]

35. Significantly, for the electors who sign the nomination paper to understand what they are attesting to with their signature, the header must be legible; if the header is not legible, the electors cannot know what they are attesting to, and the attestations cannot be valid.

36. As the Supreme Court recognized, it may be an "unfortunate and regrettable" result to exclude a candidate from the ballot, but "nevertheless, the burden was on the petitioner to properly file." *Ahlgrimm*, 82 Wis. 2d at 597. "Ultimately, it is the candidate's responsibility to ensure that the nomination papers they file have the minimum number of required signatures." Exhibit C (Decision and Order in *Lipscomb v. Sullivan*) at 7. "A candidate who does not vet their nomination papers prior to filing assumes the risks and mistakes resulting from circulators who are unaware of or do not comply with the regulations governing the circulation of nomination papers." *Id.*

37. This result is also compelled by the WEC's Administrative Code, which provides that "[e]ach of the nomination papers shall be numbered" but that "the absence of a page number will not invalidate the signatures on that page." Wis. Admin. Code § EL 2.05(2). It follows that other defects in the requirements—including the certification—***do*** "invalidate the signatures on that page." Wis. Admin. Code § EL 2.05(2); *see also Steinlein v. Halstead*, 52 Wis. 289, 8 N.W.

881, 883 (1881) ("Nor must the maxim *expressio unius exclusio alterius* be ignored or underrated in in the interpretation and construction of this statute. There are many of the requirements of this statute whose performance is essential to the validity of the assignment, and made so in express terms; but this, as we have seen, is not one of them.").

38. Even if substantial compliance is all that is required, certificates or headers omitting words do not substantially comply. Here, the Challenged Pages are not just faint. Rather, words and portions of words are missing entirely. Under such circumstances, there has been no substantial compliance. *See Schreiner v. Allen*, 13 A.D.2d 871, 871, 216 N.Y.S.2d 57, 58 (1961) (applying substantial compliance standard and drawing distinction for purposes of a required statement in a poll book between statements that are "faint" versus those that do not "appear in such form as to be visible and comprehensible").

39. In a similar challenge last year, the Commission made clear that these sort of faint or blotchy nomination papers would not be tolerated in the future:

> Commissioner Jacobs: I don't think we should have to do microscopic examination of nominating papers to, you know, with magnifying glasses and then assume that people knew what they were signing or understood those dates. And I, I think this is the first time we've seen nominating papers this bad, because they're terrible. Almost every page has a failure in printing.
>
> And my, my gut is that if I, if I were to see papers like this again, now that we've had a decision on it and we can (inaudible) the people listening, I don't think I would be voting in favor of a lot of these pages because it, it's, this is not rocket science. You had better make sure that the actual information is on it, and if you had a hard time printing them you can handwrite the top of your pages as long as you've done so before people sign it.

(Exhibit D at 41:18-42:5)

40. Despite ample warning, Alexander failed to provide sufficient papers. Consequently, Alexander's nomination papers are not valid, even if only substantial compliance were required, and her name cannot be placed on the ballot for the November election.

CONCLUSION

41. For the foregoing reasons, Respondent Deanna Alexander has not properly submitted nominating papers with the requisite number of signatures to be placed on the ballot for Wisconsin's November election.

42. Complainant Morgan Hess respectfully requests that the Wisconsin Elections Commission conduct any investigation it deems appropriate pursuant to Wis. Stat. § 5.06 and Wis. Admin. Code § EL 2.07, promptly hold a hearing on this matter to the extent it deems necessary, and ultimately rule that the nomination papers submitted by Respondent Alexander are legally deficient for the reasons set forth in this Verified Complaint.

Pursuant to Wis. Stat. §§ 5.05(1)(e) and 5.06(6), the Wisconsin Elections Commission ("Commission") is provided with the inherent, general, and specific authority to consider the submissions of parties to a complaint, and to issue findings and orders. Theodore Lipscomb, Sr. has filed a verified complaint with the Commission appealing the decision of the Milwaukee County Election Commission ("MCEC") to approve ballot access for Candidate Jim Sullivan for the 2020 Spring Election as a candidate for County Executive. The Commission has reviewed the complaint and supporting documentation as well as the response of the MCEC filed by Milwaukee County Clerk George Christenson and Elections Director Julietta Henry. The Commission issues the following Decision and Order.

Procedural Background

Candidate Jim Sullivan filed nomination papers for the Office of Milwaukee County Executive containing 2,690 signatures with the Milwaukee County Election Commission on January 7, 2020. Following a review of these signatures, MCEC staff determined that Candidate Sullivan had submitted 2,450 valid signatures[1], which exceeds the total of 2,000 valid signatures required to qualify for ballot access for the Office of Milwaukee County Executive.

On January 10, 2020, Theodore Lipscomb, Sr. filed a challenge to the nomination papers of Candidate Sullivan. The challenge asserted that 1,001 signatures should be struck as invalid because the circulators who collected those signatures had previously circulated nomination papers for another candidate for the same office, in violation of Wis. Stat. § 8.04.

[1] Paragraph 13 of the complaint alleges that MCEC staff determined that 2,397 signatures were valid, but page 7 of the MCEC hearing transcript indicates that its staff accepted 2,450 signatures as valid. For purposes of this decision, the Commission uses the figure cited by MCEC staff in the hearing transcript.

Candidate Sullivan's response to the challenge argued that Wis. Stat. § 8.04's prohibition regarding the same circulator collecting signatures for multiple candidates is directory rather than mandatory, there was no evidence of fraud on the part of the circulator or Candidate Sullivan, and that counting the signatures as valid gives effect to the will of the electors as required by Wis. Stat. § 5.01(1).

Based on the complaint filed with the Commission as well as the challenge and response filed with the MCEC, the relevant facts are not in dispute. Following its review, MCEC staff determined that Candidate Sullivan had filed nomination papers containing 2,450 valid signatures and qualified for ballot status. Mr. Lipscomb challenged 1,001 of the 2,450 signatures. The basis of the challenge was that four individuals who circulated nomination papers for Candidate Sullivan (Alisha Pettis, Lesa Trotter, Keith Pettis and Dominique Thomas) also circulated and submitted nomination papers for David Crowley, another candidate for Milwaukee County Executive. Striking the challenged signatures would disqualify Mr. Sullivan from having his name on the Spring Election ballot.

The four individuals first circulated nomination papers for Candidate Crowley and subsequently circulated nomination papers for Candidate Sullivan. Candidate Sullivan's response to the challenge stated that the three circulators were hired by a vendor, Simon Warrant, who was retained by Sullivan's campaign to assist with the circulation of nomination papers. Candidate Sullivan asserts that his campaign was assured by Simon Warren that its employees would not circulate nomination papers for any other candidates for County Executive.

On January 14, 2020, the Milwaukee County Election Commission conducted a hearing regarding the challenge filed by Mr. Lipscomb, Sr. After considering arguments of both parties, the MCEC considered a motion to approve the challenge and strike 1,001 signatures. The motion failed on a vote of 1-1, with one member of the MCEC being absent. As a result, the decision of MCEC staff to approve Candidate Sullivan for ballot status stood.

On January 17, 2020, the Commission received a timely, verified complaint from Mr. Lipscomb, Sr. appealing the MCEC's decision. The complaint asserts that Wis. Stat. § 8.04 requires striking the 1,001 signatures which were challenged before the MCEC, and that the MCEC abused its discretion by determining that § 8.04 was discretionary and permitting Candidate Sullivan's name to be placed on the Spring Election ballot. The complaint requests that the Commission strike signatures collected in violation of § 8.04 and determine that Candidate Sullivan does not qualify for ballot access.

On January 17, 2020, MCEC staff submitted a letter in response to the complaint. The letter states that, in light of the MCEC's tie vote regarding the challenge to Candidate Sullivan's nomination papers, the MCEC's response is limited to submitting the filings of the parties and the record of the proceedings. The Commission also notes that, while Candidate Sullivan is not a party to the appeal, the Commission has reviewed and considered his response to Mr. Lipscomb's challenge that was filed with the MCEC as well as the arguments made at the MCEC's January 14, 2020 hearing.

Candidate Sullivan chose not to file a reply to the MCEC's response to the complaint.

The Commission's role in resolving verified complaints filed under Wis. Stat. § 5.06, which challenge the decisions or actions of local election officials, is determining whether a local official acted contrary to applicable election laws or abused their discretion in administering applicable election laws.

Commission Findings

The Commission makes the following findings:

Wis. Stat. § 8.04 states as follows:

> Nomination paper signatures. If any person signs nomination papers for two candidates for the same office in the same election at different times, the earlier signature is valid, and the later signature is invalid. *If any person circulates a nomination paper for two candidates for the same office in the same election at different times, the earlier paper is valid, and the later paper is invalid.*
>
> *Emphasis added.*

There is no dispute that four individuals circulated nomination papers for two candidates for the same office at the same election at different times. The affidavits of each of the circulators state that they first circulated nomination papers for Candidate Crowley and subsequently circulated nomination papers for Candidate Sullivan. Based upon the plain language of Wis. Stat. § 8.04, these circumstances appear to require that the earlier papers circulated for Candidate Crowley are valid, and the later papers circulated for Candidate Sullivan are invalid and the signatures on those pages should be struck as invalid.

In his response to the challenge filed with the MCEC, Candidate Sullivan argued that the circulators' actions constituted a "good faith error" on the part of the vendor and circulators, and in the absence of any fraudulent intent, Candidate Sullivan should not be penalized. Candidate Sullivan noted that he was assured by Simon Warren that the circulators he retained would not circulate nomination papers on behalf of any other candidate for Milwaukee County Executive. Candidate Sullivan's response to the challenge argued that Wis. Stat. § 8.04 should be construed as directory, not mandatory, and that counting the challenged signatures as valid would give effect to the will of the electors as required by Wis. Stat. § 5.01(1) which states as follows:

> CONSTRUCTION OF CHS. 5 TO 12. Except as otherwise provided, chs. 5 to 12 shall be construed to give effect to the will of the electors, if that can be ascertained from the proceedings, notwithstanding informality or failure to fully comply with some of their provisions.

Candidate Sullivan cited several court decisions to attempt to support his assertion that Wis. Stat. § 8.04 should be construed as directory rather than mandatory and that counting the

challenged signatures as valid would give effect to the will of the electors pursuant to Wis. Stat. § 5.01(1). The Commission concludes that the cases cited do not support this conclusion for several reasons.

Candidate Sullivan is correct that Wisconsin courts have long recognized that some election statutes should be construed as directory rather than mandatory, and that in such cases, the term "shall" is construed to mean "may." For example, in 1867 the Wisconsin Supreme Court found that

> the statutory regulations for conducting an election are directory and not jurisdictional in their character, the main object of such laws being to afford all persons entitled to vote an opportunity to exercise the elective franchise, to prevent illegal votes, and to ascertain with certainty the true number of votes cast, and for whom. *State ex rel. Bancroft v. Stumpf*, 21 Wis. 586 (1867).

In 1966, the Wisconsin Supreme Court summarized the effect of determining whether an election statute is mandatory or directory:

> An act done in violation of a mandatory provision is void, whereas an act done in violation of a directory provision, while improper, may nevertheless be valid. Deviations from directory provisions of election statutes are usually termed "irregularities," and as has been shown in the preceding subdivision, such irregularities do not vitiate an election. *Gradinjan v. Boho*, 29 Wis. 2d 674, 682, 139 N.W.2d 557 (1966).

And in 1968, the Wisconsin Supreme Court described the type of election statutes which should be construed as directory instead of mandatory:

> Statutes giving directions as to the mode and manner of conducting elections will be construed by the courts as directory, unless a noncompliance with their terms is expressly declared to be fatal, or will change or render doubtful the result, as where the statute merely provides that certain things shall be done in a given manner and time without declaring that conformity to such provisions is essential to the validity of the election. *Lanser v. Kaconis*, 62 Wis. 2d 86, 91, 214 N.W.2d 425 (1974).

Candidate Sullivan cited other court decisions which have construed election statutes as directory. In each case, however, the statute at issue involved the mode or manner of conducting an election, such as processing and counting ballots, not the requirements or procedures for circulating and completing nomination papers and qualifying for ballot access. In 1978, the Wisconsin Supreme Court held that the deadline for filing nomination papers and the place of filing are mandatory requirements, and failing to satisfy those requirements disqualified a judicial candidate from ballot access. *Ahlgrimm v. State Elections Bd.*, 82 Wis.2d 585, 263 N.W.2d 152 (1978). In *Ahlgrimm*, the Court noted that the statute regarding the place of filing was not ambiguous, and also stated:

> We view the requirements of sec. 8.10(2), Stats., and sec. 8.10(6), Stats., as being reasonable regulations of the right to be a candidate for public office. These regulations governing the time and place of filing nomination papers must be strictly enforced in order to insure the orderly exercise of such right. . . Because the petitioner did not timely file with the State Elections Board his nomination papers for the office of circuit judge, his name cannot appear on the ballot. As unfortunate and regrettable as this result might be, especially in this situation where there will be no candidate for circuit judge in the 21st Judicial Circuit on the ballot, nevertheless, the burden was on the petitioner to properly file. He did not do so. *Ahlgrimm*, 82 Wis. 2d at 597. (Citation omitted).

The Court of Appeals subsequently summarized how the "will of the electors" phrase in Wis. Stat. § 5.01(1) should be interpreted in determining whether an election statute is directory or mandatory:

> However, our supreme court has interpreted this statute as applying only after an election has been held and the will of the electors manifested. See *State ex rel. Oaks v. Brown*, 211 Wis. 571, 579, 249 N.W. 50, 53 (1933). This holding remained undisturbed by our supreme court's decision in *State ex. rel. Ahlgrimm v. State Elections Bd.*, 82 Wis.2d 585, 263 N.W.2d 152 (1978). Accordingly, § 5.01(1) is inapplicable to the instant case, as there was no election from which the will of the electors had manifested. *City of Chippewa Falls v. Town of Hallie*, 231 Wis. 2d 85, 604 N.W.2d 300 (Ct. App. 1999).

In short, Wisconsin courts have determined that assessing the will of the electors is relevant to the determination of whether an election statute is directory or mandatory only in the context of conducting an election or when the will of the electors can be observed at an election or through examining ballots cast. The courts have not extended that analysis to the processes for circulating and reviewing nomination papers. To the contrary, regulations regarding nomination papers have been construed as mandatory, as in the *Ahlgrimm* decision, and regulations pertaining to the qualifications of circulators of a referendum petition have also been construed as mandatory, as in the *City of Chippewa Falls* decision.

Viewed in the framework established by the court cases cited above, it seems apparent that the prohibition on serial circulation of nomination papers in Wis. Stat. § 8.04 does not fit in the category of a directory statute. It is not related to the actual conduct of an election, the exercise of the right to vote, or the interpretation of a vote on a ballot. Rather, it is a regulation regarding the conduct of nomination paper circulators. It must be construed as mandatory and "must be strictly enforced in order to insure the orderly exercise" of the nomination process and ballot access decisions. *Ahlgrimm*, 82 Wis. 2d at 597.

In addition, because § 8.04 governs the process of circulating nomination papers and not the content of the papers, the challenged signatures cannot be counted as valid by virtue of EL § 2.05(5), Wis. Adm. Code, which states that "[w]here any *required item of information* on a nomination paper is incomplete, the filing officer shall accept the information as complete if there has been substantial compliance with the law." (Emphasis added). "Substantial

compliance with the law" applies to the completeness of information on a nomination paper, not the process of circulating nomination papers.

The Commission recognizes that ruling the Sullivan nomination papers at issue are invalid may seem a harsh result when the candidate was assured by the vendor that its circulators would not collect signatures for other candidates for the same office, and where there is no evidence of fraudulent intent on the part of either the candidate or the circulators. However, as in *Ahlgrimm*, the statutory prohibition is unambiguous and it is a reasonable regulation regarding of the right to be a candidate for office, which the Legislature has created and the Commission is required to administer and enforce. As part of Chapter 260, Laws of 1979, the Legislature amended Wis. Stat. 8.04 as follows:

> SECTION 55m. 8.04 of the statutes is amended to read:
>
> 8.04 Nomination paper signatures. If any person signs nomination papers for 2 candidates for the same office in the same election at different times, the earlier signature is valid and the later signature ~~shall be stricken. Any person who signs or circulates nomination papers for one candidate may later circulate nomination papers for another candidate for the same in the same election if he changes his mind and intends to support the latter candidate~~ is invalid. If any person circulates a nomination paper for 2 candidates for the same office in the same election at different times, the earlier paper is valid and the later paper is invalid.

This amendment specifically eliminated the ability of a circulator to collect signatures for multiple candidates for the same office at the same election, even if they changed their mind and intended to support the latter candidate. Instead, the Legislature created a strict prohibition against counting signatures as valid on the second set of nomination papers submitted. It is also instructive to note that even the earlier version of § 8.04 did not permit counting signatures as valid for both candidates involved.

Candidate Sullivan's response to the challenge argues that § 8,04 should be construed as directory because the Legislature has not "included an express and clear command," citing a 1981 decision of the Court of Appeals, *Matter of Hayden*, 105 Wis. 2d 468, 483, 313 N.W.2d 869 (Ct. App. 1981). In the Commission's opinion, however, § 8.04 itself is the "express and clear command." Rather than using the terms "shall" or "may," the statute plainly states that "the earlier paper *is* valid and the later paper *is* invalid." It leaves no room for the filing officer to guess as to whether the prohibition is mandatory or directory.

In addition, the first clause of Wis. Stat. § 8.04 invalidates signatures of individuals who have signed the nomination papers of another candidate for the same office at the same election. This is consistent with Wis. Stat. § 8.10(4)(b) which states that "[o]nly one signature per person for the same office is valid." Candidates would be hard pressed to argue that signatures of the same individual can be counted on nomination papers of two candidates, and yet that would be the logical result of treating the serial circulator provision of Wis. Stat. § 8,04 as directory.

Declining to enforce the prohibitions in Wis. Stat. § 8.04 would put other candidates that comply with the rules at a disadvantage. Also, if § 8.04 is construed as directory rather than

mandatory, applying the same logic to other procedural requirements would effectively eliminate all rules governing the nomination paper process. Such an interpretation would also eliminate any certainty regarding what, if any, rules apply to the circulation process and govern review by filing officers.

Ultimately, it is the candidate's responsibility to ensure that the nomination papers they file have the minimum number of required signatures. "Each candidate for public office has the responsibility to assure that his or her nomination papers are prepared circulated, signed and filed in compliance with statutory and other legal requirements." *EL § 2.05(1), Wis. Adm. Code*. The circulation period affords candidates the opportunity to screen their nomination papers and to proactively strike signatures that are invalid prior to filing. "After a nomination paper has been signed, but before it has been filed, a signature may be removed by the circulator. . .." *EL § 2.05(16), Wis. Adm. Code*.

A candidate who does not vet their nomination papers prior to filing assumes the risks and mistakes resulting from circulators who are unaware of or do not comply with the regulations governing the circulation of nomination papers. It is true that a violation of Wis. Stat. § 8.04 cannot be detected by simply reviewing the candidate's own nomination papers. But given the number of candidates circulating nomination papers for the Office of County Executive, the apparently common practice of relying on paid circulators rather than circulators who support a single candidacy, and the filing of nomination papers late in the circulation period, candidates are responsible for ensuring that procedural requirements such as § 8.04 are satisfied,

Noncompliance with the requirements of nomination paper circulation cannot be excused simply because circulators acted based upon their mistaken understanding of or disregard for the laws. Furthermore, the consistent evaluation of nomination papers by filing officers cannot be based upon the knowledge or expertise of individual circulators.

Conclusion

For the reasons stated above, the Wisconsin Elections Commission finds that the Milwaukee County Election Commission did not comply with the election laws when it accepted signatures on nomination papers for Candidate Jim Sullivan which were collected by circulators who had previously collected signatures for Candidate Crowley in violation of Wis. Stat. § 8.04. The Commission finds that § 8.04 is unambiguous and is to be construed as a mandatory regulation of the circulation process.

The Commission finds that 1,001 signatures submitted by Candidate Sullivan shall be stricken as invalid, resulting in a total of 1,449 valid signatures, which is less than the 2,000 valid signatures required to obtain ballot status.[2] The Commission orders that Jim Sullivan's name

[2] Based upon the record in the companion appeal regarding nomination papers of Candidate Bryan Kennedy, the actual number of invalid signatures may be greater because circulators collected signatures for both Candidate Kennedy and Candidate Sullivan, and the dates of circulation appear to overlap. The record does not reflect a calculation of these additional signatures by the complainant, Candidate Sullivan or the MCEC. The Commission's calculation of invalid signatures is therefore the minimum number that should be stricken.

shall not appear on the ballot for the Office of County Executive at the 2020 Spring Primary or Spring Election.

NOMINATION CHALLENGE HEARING

Morgan Hess v. Paul Melotik Nomination Challenge

June 1, 2023

Excerpt 4:15 - 1:00:00

CHAIR MILLIS: Okay. I apologize for our -- so let's consider the challenge, again, today we're going to consider the challenge to a candidate's nomination papers. Candidates were able to circulate nomination papers for the Assembly District 24th Special, Special Election cycle between May 5th and May 23rd. Challenges were due to the Commission by Friday, May 26th, all dates 2023, and responses from candidates would be three days after filing of the challenge with statutory, with the statutory holiday extending the deadline by one day. Challengers and candidates were provided with detailed instructions about appearing at today's meeting. Candidates were also asked to identify by yesterday if they'd be appearing (inaudible) or someone would be appearing on their behalf. We have I believe a challenger and a candidate, is that correct?

So today's meeting has two parts, the Commission (inaudible) challenges in both, to accept or deny the challenge. Once the challenges are complete the Commission will then approve the ballot access for the parties which are to appear on the July 18, 2023 ballot.

(Inaudible.)

So today we're going to hear the challenge of Hess versus Melotik, is that pronouncing that correctly -- I apologize if I'm mispronounce -- in Assembly District 24. Let's hear an overview of the complaint from Brandon.

MR. HUNZICKER: Right, yep. And I also want to make clear that the packet associated with this item is a separate packet with its own page numbers, so I'll be referring to those page numbers, the AB 24 Ballot Access Challenge packet.

So candidates, candidate Melotik initially, after the staff review, had submitted 369 signatures. The challenge Morgan Hess versus Paul Melotik challenged a total of 294 of those signatures. And the challenge breaks down into two different parts. I'm going to cover the second part first.

So the second part of the challenge was to individual signature lines and very much follows a normal process for challenges that we have seen before. We did a standard staff review of those challenges and we determined that 9 out of the 34 that were challenged were ineligible to vote because they are ineligible to sign the nomination papers because they lived out of the proper district. So we are recommending to find that

those 9 challenges succeed.

On the separate packet, the Commission worksheets where we go individually through each line, is on page 162 to, let me see, 172. So each individual staff assessment of sufficient or insufficient for each of those lines is on that packet. But again, overall of the individual line challenges we found that 9 out of the 34 were properly challenged and should not be counted toward the total.

The second part of this challenge is the more significant one, it challenges 260 total signatures. All of these challenges relate to the form of the nomination paper itself and the lack of information appearing on the form. And I think the first thing to say about this is that the nomination papers here are not in pristine condition, they certainly do have issues. They are missing letters and they are missing individual words. However, in almost all cases, after, you know, staff reviewed every single certification of circulator, every single certification of signatory, and every header on every paper, we did not believe that any essential information was missing so that someone signing it would have understood what they were signing and would have been able to see every statutory, statutorily required piece of information on it.

The one exception to that was on page, let's see, page 12 of the nomination papers, which is, one moment (inaudible) packet, page 34 in the packet, we found that the type of election box in the header was entirely missing in terms of distinguishing between a general election or special election. And that is a required piece of information on every nomination papers, in addition to the date, in addition to all of those other boxes by Wisconsin statute 8.15(5)(a).

CHAIR MILLIS: Excuse me, Brandon. Did you say page 12?

MR. HUNZICKER: Page 34 of the packet, page 12 --

COMMISSIONER JACOBS: Packet, our packets don't have page numbers.

CHAIR MILLIS: (Inaudible.) So there's a page 12 --

COMMISSIONER: It's page 12.

CHAIR MILLIS: -- lower right-hand corner page 12, right?

MR. HUNZICKER: Yeah. (Inaudible.)

CHAIR MILLIS: (Inaudible.)

COMMISSIONER: It has the page number on the, page number at the bottom right-hand corner?

MR. HUNZICKER: Yes.

Page 6

COMMISSIONER JACOBS: 12.
CHAIR MILLIS: Page 12.
MR. HUNZICKER: 12, yeah.
CHAIR MILLIS: I see what you're saying.
MR. HUNZICKER: So does everyone have that page? I didn't realize there were --
COMMISSIONER JACOBS: Yep.
MR. HUNZICKER: -- page number issues. So basically yeah, that box that says type of election. Looking at that you can, you can make out the word general, so if this had been general election that would have been checked, I think we would have found that that was fine. But even if you can read the word special I don't believe that you can see the box or see that it is checked in any way. And I think, I do have the original copies of the nomination papers here. For one specific one you may want to look at the original copy. But we didn't think that we could see the word special or, or see a check, so we are recommending striking this page because it is a required element and I don't think that it is present.
A couple other pages are also worth examining. So page 16 in the, of the submitted nomination papers. I have page 38, I'm not sure anyone else has the page numbers. On the scanned version you

Page 7

really cannot see the date. You cannot see 7/18/2023. However, on the original copy, which I have with me and I can pass around if commissioners would like to look at it, I believe that you can clearly see that it is July 18. It is very faint but it is visible on the nomination paper. So if any, if anyone would like that I did, I did bring initial, the (inaudible).
COMMISSIONER JACOBS: I would like to see page 16. So maybe all of us, we could pass it --
MR. HUNZICKER: I think we can pass it around.
COMMISSIONER JACOBS: Okay.
MR. HUNZICKER: And these are all noted here. I can pass around the whole packet or I can pass around just this page. I (inaudible).
COMMISSIONER JACOBS: Let's start with just the page.
MR. HUNZICKER: Okay. So that is 16.
COMMISSIONER: What are we looking for here?
MR. HUNZICKER: It's the date, the date of the election. And it should be legible to say 7/18.
CHAIR MILLIS: You can, you can continue this presentation while we look at this page.
MR. HUNZICKER: Okay. Yeah. So then,

Page 8

only a couple others I think are, are worth going to. I want to use page 9 as an example, which is page 31 in the packet if anyone does have those numbers. I think page 9 is, is probably the example of the worst version in terms of what's missing from the circulator position, which was challenged on a number of these. In that case we are missing full words. There, there's "I" is missing in the start of many of them. But on, on page 9 on the left-hand side there are a number of words missing, including "I personally circulated this nomination paper," "I know each person signed the paper," and "I am aware that falsifying." So those, those words are missing on the left-hand side.
However, I believe even if you cut out those words and start the sentence at the next reasonable spot, the essential information is there. So probably the worst example is the last sentence, which is required to be there. "Falsifying this certification is punishable under Wisconsin Statute 12.13(3)(a)." So that, the circulator needs to, to state that they are aware that falsifying is punishable under that statute. I think the sentence reading just from falsifying does accomplish that goal. It's not elegant, it's not, it's not particularly clear, but I think the required information is on the nomination paper and can be

Page 9

understood, particularly by a circulator who would overall be aware of what these are, are saying. And I think the same is true with the other missing information, that every required piece of information is present on these, on these papers.
COMMISSIONER JACOBS: What about at the top where it's missing the fact that the first sentence applies to the person signing? It doesn't say "I the undersigned," it just says "signed".
MR. HUNZICKER: It does say, it does say signed. I think there is another "I" at the end, so the last sentence in that paragraph says "I," and I think it's clear from the context that it applies, that whole paragraph applies to each person who is signing it. So I don't think the loss of the "I" initially obscures the fact that it is each individual person who is certifying to that language when they sign their individual name. Because I mean it's going to be out of context, each, each of these people received this and signed their name to it with that language above it.
And there are other examples where words in the middle are obscured. Again, I think that in each of those instances the context can be, can be seen on each, each nomination paper.
COMMISSIONER BOSTELMANN: So just a

Page 10

question, do I understand that this is scanned, (inaudible) the scanning just was off?

MR. HUNZICKER: Yeah. So the originals the scanning went, so I'm not exactly sure how the error occurred, it was on the candidate's side, but the originals contain the same errors. The scans, it's not our, it's not our error.

COMMISSIONER BOSTELMANN: It's not a scan, okay.

MR. HUNZICKER: So it's, so, you know, this is, this is a scan of the originals; the originals, you know, contain the same.

COMMISSIONER BOSTELMANN: Okay. So the original looks exactly like this?

MR. HUNZICKER: The original looks almost exactly like that but I think, if anything, the original is slightly better. But substantially, at least in terms of the missing information, they are exactly identical.

CHAIR MILLIS: On, on my page 9, first name and candidate (inaudible).

MR. HUNZICKER: I agree with that. That was not actually challenged, surprisingly enough. But there's a chart -- I do have a lot of documents in front of me.

CHAIR MILLIS: Staff reviewed them they

Page 11

said it was okay?

MR. HUNZICKER: You know the chart, I think that's worth pointing out. On page 7 of the challenge, 12 of my packet, they challenged Exhibit B, 1 through 6 and 8 through 10, so that included page 9, and they just say, "Signatory circulator certification and circulator certification." So it was not challenged in, in is, in this packet. We checked all the --

COMMISSIONER JACOBS: Can you speak louder.

MR. HUNZICKER: Yes, sorry.

COMMISSIONER JACOBS: It is really loud under this and I have no idea what you're saying.

MR. HUNZICKER: Yeah, sorry.

COMMISSIONER JACOBS: That's okay.

COMMISSIONER SPINDELL: From page 9?

MR. HUNZICKER: Page, page 9 was challenged based on the elector certification and the circulator certification.

CHAIR MILLIS: The charts on page 7.

MR. HUNZICKER: The chart is on page 7 of the --

CHAIR MILLIS: Complaint.

MR. HUNZICKER: -- challenge. They did not list header as one of the defects among those pages.

Page 12

I do agree that that is a problem and that's, you know, that's something that the Commission can, can consider on, on this specific page. This is the only page where the candidate's name is partly missing. I would say that that was simply missed in the initial staff review when this was turned in. Being in the upper left-hand corner it was probably held and flipped through and probably not seen is my, is my thought. But it's, this was not challenged so this was, you know, these were included in the initial staff review of, of, of, you know, recommended signatures recommended for approval and it, it was not challenged within this challenge. So I, you know, we do not add additional challenges that aren't on the face of it, on the face of the challenge.

CHAIR MILLIS: Brandon, are you saying that you had, had the staff paid attention that would be something, that would have been, staff would have, may, may have or would have disqualified him?

MR. HUNZICKER: I think I, I think I would probably defer to Riley on that, but it, first name is, is required by the staff sheet.

RILEY: Yeah. Typically what folks will look for is a substantial compliance on there. And with this what -- with this, honestly, I, my guess is that it's just missed during the review. And typically if

Page 13

there is something like this and it is noticed, because you can see, you know, small portion of the name, typically what we instruct our staff to do is just draw like a question mark towards that to indicate that there's some questions with it for the second reviewer to also then weigh in and determine ultimately if they would strike that page due to those insufficiencies or if they believe that it's substantially compliant.

MR. HUNZICKER: And just for the statutory reference if we're, you know, talking about the, that issue, 8.15, subsection (5)(a) does require candidate's last name plus first name, nickname, or initial, and then middle name. But first name, nickname, or initial is required. You know, what's visible here is not the first name or the nickname or, I assume, the initial. So, you know, that is, again, it was not challenged, it was not noted in the initial staff review, but, you know, that is something for the Commission to consider. It would eliminate an additional 10 signatures.

CHAIR MILLIS: Right.

COMMISSIONER BOSTELMANN: But they would still be (inaudible).

MR. HUNZICKER: They would still be far above the required number. It would be 2 -- 342 instead

Page 14

of 352.
CHAIR MILLIS: So you said this, but I just want to clarify. None of these things should (inaudible), right?
MR. HUNZICKER: No, they were not.
CHAIR MILLIS: Okay.
COMMISSIONER JACOBS: On page 8 there's a three that have their addresses crossed out. Are those included in this total or what's up with those?
MR. HUNZICKER: Let me see.
CHAIR MILLIS: Page what? 8?
COMMISSIONER JACOBS: 8, um-hum.
RILEY: Looking at those, that's the (inaudible) somebody includes the municipality in their street address. So that's just done by the reviewer to indicate that that information is present but typically is in the, the next box.
COMMISSIONER JACOBS: Okay.
MR. HUNZICKER: So I think the, the only other thing I wanted to bring up just in this presentation was a couple of the line by line. Again, these are not going to be outcome determinative, there aren't enough of them. But -- lost my page. So on page 8 of the nomination papers, line 1 of that nomination paper we determined that the name was Donald Gibbs among

Page 15

the ones that were challenged for being illegible. And the line address that was challenged for being illegible, on page, let's see, 43, line 7, we determined that that was 1203 Coop Road in Grafton, Wisconsin, which does exist and we did look at it on Google Maps. Those are more provided as, you know, borderline examples that someone may have thrown out that we, you know, did determine that we thought were legitimate addresses or legible names.
Obviously there's quite a few other challenges in here, I didn't want to go through each one line by line, but we do have that staff worksheet document and we can go through, you know, and explain our decision-making on any specific page or line if the Commission would like, or after the presentation from parties.
COMMISSIONER BOSTELMANN: Could I please see page 44?
MR. HUNZICKER: Yes. I'm happy to take questions and I know the parties are standing by to present as well.
COMMISSIONER: Question.
CHAIR MILLIS: Go ahead, Commissioner.
COMMISSIONER: How many total are you recommending? 3, 352?

Page 16

MR. HUNZICKER: Yep, 352 is the recommendation. So that would be 9, accepting 9 of the line by line challenges and accepting 8 of the full page challenges. And that was the page I believe 12 with the (inaudible) at issue.
COMMISSIONER JACOBS: I was looking at the election date at the top.
COMMISSIONER: Oh, yeah. Okay. So if we struck, is it page 9?
MR. HUNZICKER: If you struck page 9 that would come down to 314, yep.
COMMISSIONER: It's unchallenged.
COMMISSIONER: Page 44, what are we supposed to look at? (Inaudible) dates.
MR. HUNZICKER: That is, you know, it's the initial staff review so, you know, these nomination papers have not been accepted by the Commission so of course, you know, in your review you can, you know, note additional things. It's just not --
CHAIR MILLIS: We're not criticizing staff, we just --
COMMISSIONER: (Inaudible.)
CHAIR MILLIS: No, that's fine. Okay, if those are all the questions we want get on with appearances?

Page 17

COMMISSIONER JACOBS: Yeah.
CHAIR MILLIS: Okay. So challenger Morgan Hess is being represented by Jeffrey Mandel and David Hollander. Are you, are both of them cued up and ready to go?
MR. HOLLANDER: I'm here. I don't believe you can see me but I'm here if you can hear me.
RILEY: You both have permission to speak.
COMMISSIONER JACOBS: And are we going to see them?
RILEY: Yes, we can put them on the screen.
CHAIR MILLIS: And then also, just so you know, presentation's limited to five minutes. Sarah will be keeping count, so. Mr., Misters Mandel and Hollander, you're up.
MR. HOLLANDER: Yes, can, can you hear and see me? This is David Hollander.
CHAIR MILLIS: We can hear you.
COMMISSIONER: We can't see you yet.
MAN: Looks like their cameras are not on or not --
(Inaudible conversation.)
CHAIR MILLIS: It's more important that

Page 18

we hear you than we see you.
COMMISSIONER: (Inaudible.)
CHAIR MILLIS: As much as we want to see you.
COMMISSIONER JACOBS: I think we do want to see.
CHAIR MILLIS: Okay, go ahead. Let's, let's, what are we waiting on?
MAN: Their video is not transmitting to us.
COMMISSIONER: Is his camera on?
COMMISSIONER JACOBS: Is attorney Mandel there?
MR. MANDEL: Yes, I am.
COMMISSIONER JACOBS: Is your video?
MR. MANDEL: I, I do not, having logged into your, into, into the Zoom link, I do not have in the lower left-hand corner a video icon like I usually do and I do not see myself. All I see is, is, is Brandon and the commission room where I can see some but not very many of you.
MR. HOLLANDER: And this is David Hollander, I'm in the same position.
COMMISSIONER: Let's just hear them.
COMMISSIONER JACOBS: Let's let them

Page 19

present (inaudible) hear.
COMMISSIONER: There it is, John.
COMMISSIONER: There it is.
MAN: There we go. We have attorney Mandel. There we go.
CHAIR MILLIS: Okay. Go ahead.
MR. HOLLANDER: Thank you, Commissioner. David Hollander and Jeff Mandel for the complainant, Morgan Hess. Thank you to the staff for their assistance this week and the short turnaround.
Respectfully, however, the staff memo reached the wrong results because it applies the wrong standard, substantial compliance instead of strict compliance. The, the staff memo has no citation of any statute, regulation, case, or other authority on this point.
I, I, I believe I, you know, I understand them to more or less be adopting Mr. Melotik's argument then. Mr. Melotik's argument was based almost exclusively on the Summerfeld case from the Wisconsin Supreme Court where the Court was adopting a shell statute and determined that it would look to, quote, "fulfill the spirit of our election law in order to not disqualify ballots that had been already cast." Far more recently the Wisconsin Supreme Court has held that a

Page 20

shell statute is presumptively mandatory. It's only directory if it is necessary to carry out the legislature's clear intent. That's Village of Elton Grove, 2013 Wis 54. Here no ballots have been cast and, and we all know the Court now does not look to the spirit of statute, it looks to the text of the statutes.
The Supreme Court, the Court of Appeals authorities consistently hold, as this Commission found in the Sullivan case, that Section 5.01 relating to the will of the electors does not come into play on a ballot access challenge. This Commission formally adopted a motion to that effect on February 27th, 2020 stating that 5.01 sub 1 is not relevant to ballot access challenges. So the, the incorrect standard was applied here, and under the proper standard, each of the challenged papers should be excluded.
However, I'm going to pivot a bit here because there's actually a, what might even be a bigger issue that was injected into this case some 40 hours or so ago with Mr. Melotik's response. Mr. Melotik, in response to this complaint, included three affidavits of circulators, including himself, who collectively gathered 265 of his 369 signatures, the vast majority of his signatures. Those affidavits were apparently intended to cure defects in the nomination paperwork, but they in

Page 21

fact they had the opposite effect. Those three circulators essentially reneged on their statutorily required certifications.
Those three affidavits, at paragraphs 5 or 6, depending on the affidavit, clarified that their earlier certifications on those nomination pages were only, quote, "to the best of my knowledge." To the best of my knowledge is not the same as actual knowledge. It is not what the statute requires.
I looked this morning and in 38 instances throughout our statutes, the legislature contemplates a person certifying something through the best of my knowledge. It's all over the statutes, from same-day registration to the residential real estate disclosure form. That's a standard the legislature is well familiar with, but here, Wisconsin Statute 8.15 sub 4 requires a circulator to certify that, quote, "he or she knows certain things to be true." That he or she knows. It uses that phrase, "he or she knows," five times.
But now the circulators are no longer affirming that they know these things to be true about the voters on their pages, and they're instead saying that it's to the best of their knowledge. That is a fundamentally different thing. The Wisconsin Supreme Court has held, quote, "An affidavit on information and

belief is an anomaly. It is not an affirmance on knowledge." That's McChain versus Fond du Lac, 7 Wis 2nd 286. The 7th Circuit has likewise held that for an affidavit to have, quote, "any value," end quote, then, quote, "to the best of my knowledge and belief is insufficient." That's America's Best Inns versus Best Inns of Abilene, 980 F.2nd 1072.

The plain text of Wisconsin Statute 8.15 sub 4 requires circulators to certify that he or she knows. Certifying those facts to the best of your knowledge does not remotely comply with the statute, and amounts to no certification at all. Those three circulators circulated 265 of Melotik's 369 signatures, bringing him down to only 104 signatures that are even arguably valid signatures. So he does not have the required 200 threshold to be placed on the ballot and he should not be placed on the ballot. Thank you.

CHAIR MILLIS: Thank you for your presentation. Any questions of either attorney Hollander or attorney Mandel? Commissioner Thomsen.

COMMISSIONER THOMSEN: The, I guess my question, in, in paragraph 41 you cited a 1859 Arkansas case involving mortgages, and I'm trying to find out why that was added. Made me go look up the law what was happening in Arkansas in 1859. It had just passed an act

to remove the free Negroes and mulattoes from the state. Why would a case involving a slave state 11 years after we became a free state provide us any guidance on how we should conduct elections in the State of Wisconsin using a mortgage case?

MR. HOLLANDER: I'm sorry, Commissioner, what paragraph are you referring to?

COMMISSIONER THOMSEN: 41.

MR. HOLLANDER: 41, thank you. Well certainly understand that it arose in a factual context that's very different form this, but it's still a question of the, what, of strict compliance versus -- mandatory versus directory statute. And so there is a lot going on there, to be sure, Commissioner, but it's a question of interpreting a statute. And so that's why we, we, we cited it. But I think, frankly, that there are plenty of other authorities, primarily within the Sullivan opinion that we cited, that dictate that result.

COMMISSIONER THOMSEN: It just seemed to me that we should be looking to expand democracy. And I sort of like our staff's approach on substantial compliance and my thoughts are that we should let the voters have an election and not take this election away. Anyway that's the comment, really a question, sorry.

MR. HOLLANDER: I, I think --

CHAIR MILLIS: We'll (inaudible) another question. Commissioner, did you have a question? Commissioner Jacobs.

COMMISSIONER JACOBS: So following up on the argument regarding "to the best of my knowledge," how do you reconcile, for example, I'm looking at the Paul Marty affidavit which has paragraph 5 reading, "I knew," paren, "to the best of my knowledge," close paren, "that each elector signing the nomination form," et cetera, et cetera. How do you reconcile that paragraph with paragraph 10 of that affidavit which says, "When executing the certification I was aware of and agreed to the terms."

MR. HOLLANDER: It's a, it's a different, it's a different fact now. He, I mean the, the simple fact is that we don't look at that certification in a bubble. We've challenged certain of those, of those signatures as being, for example, outside the district. Mr. Marty did not challenge certain of those, he drops a footnote in his brief where he says I'm not going to argue that. And so he was in fact was wrong about some of these. And, and for whatever the reason may be he's now, he's now saying something fundamentally different. He's saying I knew to the best of my knowledge, and that's just not what the statute says.

CHAIR MILLIS: Are you, let me ask a question, are you asking us to interpret these three affidavits as repudiating their certification?

MR. MANDEL: Yes.

MR. HOLLANDER: Commissioner, Commissioner, yes, that's what they're doing. They, they're retroactively saying when I signed that here's what I meant. And if you can submit an affidavit to correct a nomination paper and fill in voids where you, where, where it was deficient, if you swear to something under oath and submit it, the same -- the opposite has to be true too that something that was once perhaps effective no longer is because you've sworn under oath that's something different.

CHAIR MILLIS: I want to follow up on one of Commissioner Thomsen's questions. I understand you're saying that the will of the people, I think your argument is, doesn't translate into -- is not an argument to weigh in favor of ballot access. But isn't, isn't ballot access in and of itself a legitimate goal? I mean certainly people who don't qualify don't qualify, but it seems to be if there are close questions we want to, we want to make it easier to get on the ballot and we want to promote ballot access as opposed to making it harder. So isn't that a policy consideration that the Commission

Page 26

and the courts should take into account?
MR. HOLLANDER: I guess my response to that is two-fold. The first is the Commission has already decided this issue in that February 27, 2020 meeting. Commissioner Thomsen, you were one of the two to, to object to that, so consistent here. But it did pass in that February 2020 meeting. That says that that will of the voters issue, that stuff does not matter for purposes of ballot access. A candidate can still go and have folks vote for them, it's just a question of whether you're on the ballot or not.
The second point I would say to this is that this really fairly -- falls squarely within the Sullivan opinion where in the Sullivan opinion a candidate was excluded, that's the last exhibit to our challenge. The, the candidate was excluded from the ballot because circulators who that candidate had gather votes for them had circulated for two candidates. And so all of those circulators' votes were excluded and the candidate was kept off the ballot. The Commission, this Commission did that even though the candidate supported, provided affidavits from those circulators saying basically we lied to the candidate, we told him we were only going to circulate for him, and we didn't. So the candidate, through no fault of their own in Sullivan was

Page 27

excluded. But here we have a candidate who's saying, you know, you, you can, you can talk about how big of a problem it is, but he's saying the problem was his fault. He says in the affidavit that it was photocopying error, okay. So if you're going to exclude the candidate who, through no fault of their own, does not have the right number of ballots, of signatures, you also have to do that for the candidate who, through their own faults, despite warnings from this Commission that you really got to have this stuff together, did not meet the statutory requirements.
CHAIR MILLIS: Any further questions for challenger's counsel? If not, thank you very much. Next Paul Melotik, the challenge party has indicated he'll be represented by Matthew Thome or Thome, I apologize. Would the challenger's representative raise his hand and see if he out there. Is he out there?
MAN: He is connecting.
CHAIR MILLIS: Okay.
MR. THOME: Good afternoon, can you hear me?
CHAIR MILLIS: We can hear you. Are you appear, planning to appear without benefit of a camera?
COMMISSIONER: He's here.
CHAIR MILLIS: He's there. See mine is,

Page 28

mine is behind. There we go. Okay, go ahead. And I probably mispronounced your name. Is it --
MR. THOME: It's Mr. Thome.
CHAIR MILLIS: Mr. Thome. Okay, Mr. Thome, go ahead. You have five minutes. Sarah will keep, keep the clock.
MR. THOME: Thank you, Commissioner. I, obviously we agree with the staff's recommendation relating to the treatment of this challenge. I guess I'd like to make three primary points in response to the argument of the challenger's counsel a moment ago.
I mean first, I guess with respect to this affidavit issue, they compare this to an affidavit on information and belief. That's not what it says. The candidate made an affidavit based on their knowledge. You know, frankly I think this is grasping at straws in an attempt to deny the voters of this particular district a choice between candidates, but I think, I think the affidavit speaks for itself. It does not renege the certification. There's nothing in that affidavit that would indicate that the candidate is, you know, reneging on the certification, the nomination papers. There's certainly not clear and convincing evidence that the candidate is reneging on the certification in the nomination papers that was submitted. So I think that's

Page 29

all we'll say about that but I, I think that argument is, is really a stretch.
Second, I think the challenger's counsel is conflating two different issues in their argument. They're conflating the issue between whether or not a particular requirement is mandatory and directory, and the issue of whether or not substantial compliance complies with the requirement. If a statutory requirement only requires substantial compliance, you don't even get to the question of whether or not it is a mandatory or directory requirement. The relevant law here is Wisconsin Administrative Code EL 2.055, "Where any required item of information on a nomination paper is incomplete, the filing officer shall accept the information as complete if there has been substantial compliance with the law."
All of the challenges here relate to the content of the nomination papers. They do not relate to the conduct of the circulators, which is what was at issue in Sullivan, they relate to the actual content that is on the nomination papers themselves. Commission staff was clearly correct to apply the substantial compliance standard EL 2.055, it squarely covers this issue. That is what we would be primarily relying on in terms of substantial compliance being sufficient to fulfill the

Page 30

necessary requirements here.
And I guess on the substantial compliance point, I guess two things. One, the challengers, in their papers, at no point make any argument with respect to a particular page as to why the particular letters or words omitted as a result of the copying or creasing issues actually change the meaning or actually were, were material in terms of changing the meaning there. They've never made that argument. They didn't make it in their presentation here today. I, we think Commission staff is clearly correct when they say that the omissions of particular letters or particular words here don't materially alter the meaning of the certifications. The essential information is there and people knew what they were signing.
I think I would like to just make one quick point with respect to page 16. That is the date issue that staff is recommending not accepting those particular signatures. We did just want to emphasize that in the Commission's January 2018 guidance it does say, you know, "When a date is listed but incomplete or incorrect, e.g. using the date of the primary, not indicating the year, indicating the month and year but not the day, indicating an incorrect date or incorrectly indicating general as the type of election on a petition

Page 31

heading, past policy for this Board and the former Election Board found substantial compliance where there was sufficient notice to the signers that the candidate was seeking office at the election immediately following circulation of the nomination papers."
Our position would be that here, I think there's probably sufficient notice to these signers that this candidate is seeking election at this upcoming election, notwithstanding the, the absence of a check mark on special election versus general election. As far as I'm aware it's the only upcoming election. It would be the only election for which papers would be being circulated, but if I'm, if I'm incorrect on that that's, I guess. But certainly for that particular assembly seat. So I, our argument there would be this is substantial compliance.
And with respect to the first name of the candidate issue on page 9, I guess I would just emphasize this is not a situation where the first name was not provided such that it is missing. It is a situation where the information is incomplete. There is a U and an L there, so again the substantial compliance standard would apply and we, we think there's enough there to support that.
But again, I think the key points in

Page 32

response to challenger's argument is we are not really relying on 5.0 (inaudible) mandatory versus directory distinction, although we would emphasize that those (inaudible) --
CHAIR MILLIS: Thank you very much. We're good.
MR. THOME: All right. Thank you.
CHAIR MILLIS: Any questions for attorney Thome?
COMMISSIONER JACOBS: Yes, I have one.
CHAIR MILLIS: Commissioner Jacobs.
COMMISSIONER JACOBS: What is the purpose of putting in paragraph 5 on the affidavits regarding information to the best of the affiant's knowledge? Why was that included?
MR. THOME: I, I don't know that I can speak to why that was included. I am, you know, I think, I think saying I know and to the best of my knowledge I know, you're saying you know. And the certification says that these petition circulators knew. I don't think there's any clear and convincing evidence that they were attesting to something they don't actually know.
COMMISSIONER JACOBS: Did you not draft these affidavits?
MR. THOME: I, I believe at one point I

Page 33

reviewed them, but I am not the individual who drafted them.
COMMISSIONER JACOBS: Who drafted them?
MR. THOME: I --
CHAIR MILLIS: You can see the notary public.
COMMISSIONER JACOBS: I know it's a lawyer who, who affirmed them. Is Jacob Curtis someone in your office?
MR. THOME: Mr. Curtis is in my office.
COMMISSIONER JACOBS: Okay. Did Mr. Curtis draft these affidavits?
MR. THOME: I, frankly I think that gets into matters of attorney work product and attorney/client privilege.
COMMISSIONER JACOBS: So you don't know why you put in "to the best of my knowledge" on paragraph 5 for those three affidavits?
MR. THOME: I do not.
COMMISSIONER JACOBS: Okay. And how is it that you distinguish "to the best of my knowledge" as opposed to "on information and belief"?
MR. THOME: Well if you're attesting to something on information and belief, you are actually saying you're not attesting based on your knowledge.

Page 34

You're saying I have information, and based on that information I believe something. I would, I would (inaudible) saying I know to the extent of my knowledge that this is, that this is true. But he's not, an allegation on information and belief is an allegation that says I'm piecing pieces of information together and I'm making an allegation based on that belief. You're not making an allegation based on knowledge. The affiant here is saying I know to the extent of my knowledge, which is saying they're doing it on knowledge. If it was on information and believe belief I think it would have said on information and belief.

COMMISSIONER JACOBS: So the one on the page 16 that is, I think it was page 16 that was missing.

COMMISSIONER: Page 12, first page.

COMMISSIONER JACOBS: Page 12 that was missing the special election, I noticed that Mr. Melotik's affidavit does not state that he told the people that it was a special election. Was that a choice made by Mr. Melotik to decline to include that information?

MR. THOME: I do not know the answer to that question.

COMMISSIONER JACOBS: Okay. I think that those are my questions for him.

Page 35

CHAIR MILLIS: Any other questions for respondent's counsel? If not, thank you very much.

MR. THOME: Thank you.

COMMISSIONER JACOBS: Are we allowed to have the first attorneys come in and tell us what the difference is between why they say information and belief?

CHAIR MILLIS: If you have, if you have a question for any representative you can, you can ask them.

COMMISSIONER JACOBS: Oh, okay. Okay.

CHAIR MILLIS: We can certainly do that. (Inaudible.) So is it Mr. Hollander or Mr. Mandel?

MAN: Let's take a moment to --

CHAIR MILLIS: Okay.

MAN: -- reconnect them.

CHAIR MILLIS: Keep, why don't you keep Mr. Thome available because we may end up asking him some. Go ahead. We got --

MR. HOLLANDER: This is David Hollander. I'm here with audio but it's saying the host is blocking my video.

CHAIR MILLIS: There you go.

MR. HOLLANDER: Thank you.

CHAIR MILLIS: Okay. You heard the

Page 36

question, Mr. Hollander? (Inaudible) --

COMMISSIONER JACOBS: So my question to you, Mr. Hollander, is what is the -- on what do you base the contention that "to the best of my knowledge" is equivalent to "information and belief"?

MR. HOLLANDER: The 7th Circuit case that I referred to, which was America's Best Inn, is a case that says to the best of my knowledge or belief. Same thing right there in that case. And --

COMMISSIONER JACOBS: And can you give me that citation again?

MR. HOLLANDER: Yes, Commissioner. It is America's Best Inns versus Best Inns of Abilene. That's 980 F.2nd 1072. That's a 1992 7th Circuit case that says to the best of my knowledge and belief is insufficient.

And then as a, as just kind of a more bring us back to the Wisconsin code, I think that the distinction makes sense within the scheme the Commission has set up because the Commission allows, first requires that the circulator does not sign until all of the signatures are filled out and then goes in and signs and makes that certification. And then also, the, the code allows that circulator to strike through any of those individual signatures on a page before submitting it. And so taken together, those show that you can't just say

Page 37

blindly I'm going to submit everything. You have some obligation to do some degree of searching versus just shifting that onto the Commissioner, hoping nobody notices.

CHAIR MILLIS: So none of the affiants use the phrase "to the best of my knowledge and belief," right?

MR. HOLLANDER: Right. It's "to the best of my knowledge."

CHAIR MILLIS: Any other questions? Mr. Thome, do you have any -- you don't have to respond. You have anything you want to say in response?

MR. THOME: I, I, I think, Commissioner, you just, you just hit the nail on the head. The 7th Circuit case related to somebody saying "to the best of my knowledge and belief," and that circumstance is, I would say, materially different because they're talking about belief as opposed to knowledge.

CHAIR MILLIS: Okay. Okay. Thank you. Why don't we move on to taking action on this. Is there any, unless anyone has a real desire to ask any more questions.

COMMISSIONER SPINDELL: I make a motion that we approve the motion of staff.

CHAIR MILLIS: Made by Commissioner

Page 38

Spindell, is there a second?
CHAIR MILLIS: You want to --
COMMISSIONER: I don't know what the motion (inaudible).
COMMISSIONER SPINDELL: I made the motion 352 to 342 (inaudible).
CHAIR MILLIS: Bob, here's my, my suggestion. I think that, in all fairness to the staff, we should also, we should approve 342 signatures. I think the one that they, doesn't have the full name, and that, what number is that, 8, 9 or 8?
COMMISSIONER: It's page 9.
CHAIR MILLIS: Page 9. Is, to make it clear, is your motion to adopt the recommendation of the staff, with the exception that we would also exclude page, nomination page number 9, which would be, it would be 342 instead.
COMMISSIONER SPINDELL: You know, on the one that was not raised as an objection, I might take that as a friendly motion but I think we should discuss that because we might be setting precedent if we're going to start also going after ones that have not been previously --
CHAIR MILLIS: Okay. Well I'll second your motion and for purposes of discussion. Is there a

Page 39

motion to amend? To, to also, to --
COMMISSIONER: I make a move to 342 instead of 352.
CHAIR MILLIS: Is there a second to that?
COMMISSIONER: Second.
CHAIR MILLIS: Seconded by (inaudible). Actually I would speak in favor to that. I understand what you're saying, Bob. We don't want to second guess the staff, but this is a situation where, I think based on what Riley and Brandon have said, had they, had they --
COMMISSIONER SPINDELL: Had more time.
CHAIR MILLIS: -- more time or whatever they would have, that would have been one that probably would have been disqualified. So we're not second guessing them, we're just implementing staff's procedure.
COMMISSIONER SPINDELL: That's fine.
CHAIR MILLIS: Okay. So on the, on the amendment I'm going to call the roll. Commissioner Bostelmann.
COMMISSIONER BOSTELMANN: Aye.
CHAIR MILLIS: Commissioner Czarnezki.
COMMISSIONER CZARNEZKI: Aye.
CHAIR MILLIS: Commissioner Jacobs.
COMMISSIONER JACOBS: Aye.

Page 40

CHAIR MILLIS: Commissioner Spindell.
COMMISSIONER SPINDELL: Aye.
CHAIR MILLIS: Commissioner Thomsen.
COMMISSIONER THOMSEN: Aye.
CHAIR MILLIS: Chair Millis, aye. So the amendment is adopted.
So now the main motion is to approve the recommendation, with the exceptions that we would disqualify paper number 8 -- 9, and the number of signatures would be 342, is that --
COMMISSIONER JACOBS: I, I have a (inaudible).
COMMISSIONER: A recommendation motion number 1.
CHAIR MILLIS: Right, that's recommended motion number 1. Would it be 27 challenge sustains -- well 17 challenges and then also you reject (inaudible) 277, but we'd find that Melotik (inaudible).
COMMISSIONER JACOBS: No. We would reject 267 challenges.
CHAIR MILLIS: Well that was, that was actually not a challenge. They actually didn't challenge that. So we would just say the Commission finds that he submitted 342. The math doesn't, the minutes will, the minutes will bear this out, so. That's the motion. We

Page 41

call the roll.
COMMISSIONER JACOBS: I want to talk about this.
CHAIR MILLIS: Oh. Okay, sure.
COMMISSIONER JACOBS: I am really troubled by the condition of these nominating papers. And I think it's a really close call on several of these pages that we're not including. I don't think that there's enough pages to change the outcome of putting him on the ballot, but if we're going to have nominating papers that say things like required, then they ought to be there. And they're not there in a lot of it and they're barely there, and I appreciate staff pointing out that live and in person some of these are, are there, but I don't think we should have to do microscopic examination of nominating papers to, you know, with magnifying glasses and then assume that people knew what they were signing or understood those dates. And I, I think this is the first time we've seen nominating papers this bad, because they're terrible. Almost every page has a failure in printing.
And my, my gut is that if I, if I were to see papers like this again, now that we've had a decision on it and we can (inaudible) the people listening, I don't think I would be voting in favor of a lot of these

Page 42

pages because it, it's, this is not rocket science. You had better make sure that the actual information is on it, and if you had a hard time printing them you can handwrite the top of your pages as long as you've done so before people sign it. But this is, this is sort of right on the edge. I would have struck 30 additional signatures outside of page 9, but I don't think it makes a difference so I'm not going to hold up the Commission on that.

The other thing is, is I, not sure what to make about the best of my knowledge part. I'm assuming that somebody tried to cover their tush on the fact that they submitted without review people who didn't live in the district. And I'm assuming that's what that phrase was put in, that they thought they were right, they were wrong. So the saving grace they have is that number 10, which sort of says when I did it I swore it was, I, I knew it then, but this was just a weird, this was a weird filing. It was also a weird filing because it never said that they told the people the information that was missing at the top.

So I'm troubled by this. I'm not, I don't think troubled enough to hold up the nomination, but we can't have this. And just following up on what Commissioner Spindell said, we have overruled staff

Page 43

before on these, because the buck stops with us. So if, you know, staff does a great job of reviewing hundreds of pages, but sometimes they're going to miss stuff. And that's okay. And, but it is incumbent on us, even without a challenge, I think, to take the appropriate action on that. We are the fail safe and the decision-makers, and I think that was definitely the right decision for page, page 9 missing the name. So I appreciate that.

CHAIR MILLIS: I agree that, that it's appropriate to take out page 9. I also agree that, you know, get a better copy machine or whatever. I mean it, it, in this day and age we have the ability to get good, clean copies. I understand, I mean many of these had margin issues. I understand you're trying to make the paper as big as possible so people have room to sign and all that sort of stuff, but it's really important that with the technology that's available today you should be able to print these off and have better quality copies. And if they come out bad quality, spend another couple bucks and print new ones, so. Any other comments on the motion?

COMMISSIONER: Just a brief comment on the to the best of my knowledge thing.

CHAIR MILLIS: Yeah. Right.

Page 44

COMMISSIONER: The certification of the circulator twice says I know, and it says full knowledge. Doesn't say to the best of my knowledge.

CHAIR MILLIS: No, I understand. I understand. And I think, you know, again, I'm not familiar with 7th Circuit case. Typically upon information and belief is what you'll see in allegations, but an affidavit on information and belief is not, is not an affidavit. So I was taught when I was a young lawyer, younger lawyer. But to the best of my -- I think, I'm guessing that 7th Circuit case, knowledge was a substitute for information. So it seemed like it was the same sort of thing. I didn't read the decision but anyway, I'm satisfied that we're making the right decisions.

Any other comments on the motion? If not let me call the roll. Commissioner Thomsen.

COMMISSIONER THOMSEN: Aye.

CHAIR MILLIS: Commissioner Bostelmann.

COMMISSIONER BOSTELMANN: Aye.

CHAIR MILLIS: Commissioner Czarnezki.

COMMISSIONER CZARNEZKI: Aye.

CHAIR MILLIS: Commissioner Jacobs.

COMMISSIONER JACOBS: Aye.

CHAIR MILLIS: Commissioner Spindell.

Page 45

COMMISSIONER SPINDELL: Aye.

CHAIR MILLIS: Chair Millis, aye. Next motion is --

COMMISSIONER: I'd just like to make one comment. I think also in the list of instructions, even though it's pretty obvious, I think we should put that the, they must be readable, must be well printed and so forth. Obviously these were not well printed and I think we need to maybe point that out as Ann said.

CHAIR MILLIS: Well I'll just ask staff, to the extent that's not clear we'll, we'll consider that.

Okay. Recommended motion number 2, is there anyone who wants to take a crack at that? That's, that's putting approving ballot access for Paul Melotik and Bob Patterson.

COMMISSIONER SPINDELL: I'll make a motion.

CHAIR MILLIS: Commissioner Spindell moves, seconded by Commissioner Thomsen. Any discussion?

All in favor say aye as your name is called. Commissioner Spindell.

COMMISSIONER SPINDELL: Aye.

CHAIR MILLIS: Commissioner Thomsen.

COMMISSIONER THOMSEN: Aye.

CHAIR MILLIS: Commissioner Bostelmann.
COMMISSIONER BOSTELMANN: Aye.
CHAIR MILLIS: Commissioner Czarnezki.
COMMISSIONER CZARNEZKI: Aye.
CHAIR MILLIS: Commissioner Jacobs.
COMMISSIONER JACOBS: Aye.
CHAIR MILLIS: Chair Millis, aye. Motion is adopted, 6 to nothing.

WISCONIN ELECTIONS COMMISSION

IN THE MATTER OF:
Nomination Papers Filed by Deanna Alexander with Respect to the November 5, 2024 Election for Representative to the Assembly, District 12, State of Wisconsin

THE RESPONSE OF:
Deanna Alexander, Independent Candidate for Representative to the Assembly – District 12
11520 Appleton Pl. Milwaukee, WI 53224,

RESPONDENT,

v.

Morgan Hess, Executive Director, Assembly Democratic Campaign Committee,

COMPLAINANT.

VERIFIED RESPONSE OF DEANNA ALEXANDER

INTRODUCTION

1. This Verified Response is submitted by Deanna Alexander, Independent Candidate for Representative to the Assembly – District 12 ("Respondent") to answer the Verified Complaint of Morgan Hess, Executive Director of the Assembly Democratic Campaign Committee ("Complaint").

2. Alexander submitted 218 signatures in support of her candidacy for Representative to the Assembly – District 12, State of Wisconsin ("Representative") in the November 5, 2024 election and the WEC accepted all 218 of those signatures as valid toward the sufficient number of 200 valid signatures required to be included on the ballot.

3. The Complainant alleged that 22 of the 218 signatures were invalid, causing the number of valid signatures to fall below the necessary threshold of 200 for the candidate's name to appear on the ballot.

4. The Complainant did not sufficiently rely on valid evidence, logic, and the law to properly support the allegations and conclusion brought in the complaint. The Respondent herein supplies valid

evidence, logical reasoning, and reliance on the law to clearly defend the validity of the Candidate's nomination papers. The Respondent asserts that the Complaint is without sufficient basis, that it should be dismissed and the relief it seeks should be denied.

5. Accordingly, Alexander has gathered and submitted the required 200 valid signatures and must be included on the ballot for the Fall 2024 election to Representative to the Assembly – District 12. Wis. Stat. Wis. Stat. § 8.15(6)(d).

BACKGROUND

1. Respondent Deanna Alexander is resident of Wisconsin and resides at 11520 W Appleton Place in Milwaukee, Wisconsin, 53224.

2. Respondent Alexander is an independent candidate for Representative to the Assembly – District 12, State of Wisconsin, and has sought ballot placement in the November 5, 2024 election.

3. Under Wisconsin law, a candidate for Representative to the Assembly – District 12, State of Wisconsin, was required to timely submit to the WEC, nomination papers containing at least 200 but no more than 400 valid signatures of electors. Wis. Stat. § 8.15(6)(d).

4. Respondent Alexander filed her nominating papers for said position, containing 218 signatures across 28 pages, with the WEC on June 3, 2024, prior to the 5:00p.m. statutory deadline.

5. The Commission subsequently validated all 218 signatures. The Complainant included the full set of nomination papers as EXHIBIT A of the Complaint.

6. This Verified Response is timely filed on June 9, 2024, which is within three calendar days after the filing deadline for challenging nomination papers. (EL § 2.07(2)(a).;

7. The WEC has jurisdiction over valid Verified Complaints and Verified Responses as provided in Wis. Stat. § 5.06, Wis. Admin. Code § EL 2.07, and Wis. Admin. Code § EL 20.

ARGUMENT

Validity of the Challenge and Complaint

1. Wis. Admin Code. EL 20 provides rules regarding the Complaint Procedure including the form of a complaint and the requirement that a Complainant provide a copy of the Complaint directly to the Respondent prior to filing with the Commission.

2. The Complaint was not made pursuant to the code as the Complainant did not "mail to, or personally serve on, the respondent a copy of the complaint no later than the time of filing the complaint with the commission" (§EL Bd 20.03(6), Wis. Admin. Code) nor did the Complainant comply with the rules established by the WEC that state the Complainant "shall certify to that service on the complaint or in a cover letter filed with the complaint," (§EL Bd 20.03(6), Wis. Admin. Code).

3. Respondent hereby requests that the challenge brought through the Complaint be dismissed on the grounds that it did not meet the requirement to be considered a valid verified complaint under the law and was not in compliance with the filing procedure required by the WEC.

4. Thus, the Complaint should be rejected based on non-compliance with the filing procedure required by the WEC.

Sufficiency of Nomination Signatures

Allegation – Out of district – Page 3, line 3-4; Page 7, line 1; Page 27, lines 9-10

5. The Challenger Memo – 2024 Special Elections and General Election, supplied by WEC Staff to candidates and challengers, directed that challenges "should be accompanied by affidavits or other relevant documentation. Any challenge which is not established by the materials submitted as of the deadline for challenges will be denied."

6. The Complaint only made a statement of allegation but did not include sufficient information, exhibits, or documentation to demonstrate that five addresses listed on Page 3, line 3-4; Page 7, line 1; and Page 27, lines 9-10 are not located within District 12, and thus did not comply with the policies and instructions of The WEC necessary to demonstrate the basis of the challenge.

Allegation – Out of district - Page 15, Line 3

7. Respondent asks the WEC to examine this page and recognize that the Complaint has assumed their own interpretation of the address provided. This should not be mis-understood as "4420 N 108th St" but rather as "4920 N 108th St," which is an address in consecutive order in alignment with all addresses on the page. Respondent has mis-read the address, demonstrated further by the signer's differentiation between the first two digits in "4920" not being identical.

Allegation – Address does not exist - Page 27, Line 2

8. Complaint argues that residency or non-residency can be determined using the "Who Represents Me?" search engine. However, this search tool only identifies the district location of a given address and can not determine whether or not an individual elector has residency at such address.

9. Respondent asks the WEC to examine this page and recognize that the Complaint has assumed their own interpretation of the address provided. The individuals that signed line 3, and the lines directly above and below it (lines 2 and 4) each signed at the same time and all lived at the same address. While the notation of "street" as "st" was duplicated on the first line and then repeated on the subsequent lines, this should not be mis-understood as "5205 N. 101" but rather as "5205 N. 107" St.

10. As "ditto marks" are traditionally accepted by persons living at the same address, Respondent asks The WEC to recognize the cushioning of this address by those in the same household, signing at the same time, directly above and below it.

11. Whether or not the address at 5205 N 107 St is within or not within the district (which they are in the district) has not been challenged.

Allegation – Elector is not registered to vote at address shown - Page 14, Line 10

12. Respondent argues that they have a voter file indicating the address used is invalid and their voter file is based off of WEC data, and that Gilberto Mangual is currently registered to vote at another address, in another district. (SEE COMPLAINT EXHIBIT B).

13. The EXIBIT B provided by Complaint doesn't show where the signer lives, it shows where he was last registered to vote.

14. Complainant is using a partisan party's third-party software, of which the complainant knows the Respondent, as an independent non-party affiliated candidate, and the members of the WEC would not have or be able to gain access to. This is not clear and convincing evidence. Rather, the inclusion of this exhibit and the allegation it purportedly supports appears to be an attempt to deceive the public and the WEC, especially in light of Respondent's Exhibits.

15. Respondent personally met with the nomination paper signer, Mr. Gilberto Magual, who was shocked and dismayed to hear that the Complainant was accusing him of lying about his status as an elector in the district and challenging his residency. In response, Mr. Mangual not only signed an affidavit (See EXHIBITS) confirming his residency within the district and at the address originally reported, but provided his photo ID card as evidence that he legally changed his long ago, demonstrated by the fact that his address reported on the nomination paper matches the address listed on his Wisconsin Driver's Licenses.

16. Thus, Respondent asks the WEC to dismiss the challenge against the signature on page 14, line 10 and confirm the signature as valid and to be counted.

Allegation – Page 8, Lines 1-10 and Page 24, Lines 1-4 – Elector Certification Requirement

17. Complainant argues the papers are defective because Wis Stat 8.15(5)(a) dictates that "[e]ach nomination paper shall have substantially the following words printed at the top" and sets forth that paragraph. They argue that a person must be able to see clearly or they might not be able to sign for the candidate of their choosing.

18. Complainant shows a snapshot of the certification claiming that it is almost (but not) entirely illegible on page 24 and a similar snapshot from page 8. Respondent requests the WEC to examine the original paper as it appears to have been lightened further in the Complaint.

19. On page 7, line 29, Complainant asserts that the sole question before the WEC is "whether Alexander met the statutory requirements," namely to file 200 valid signatures. (Wis Stat 8.15

20. Complainant claims that if the nomination paper is deficient, no signatures may be counted. See Wis. Admin. Code §ss EL 2.07(3)(a). They also claim that Section 8.15(5) is designed "to provide signers the opportunity to evaluate the candidate prior to supporting their nomination." AND that WEC does not allow a circulator to alter the header portion of nomination papers after circulation – because "[t]his is the nomination information that each signatory saw and relied upon in deciding to sign the paper in support of placing the candidate's name on the ballot."

21. Respondent hereby informs and confirms to the WEC that the nomination papers were not poorly printed, photocopied, or scanned causing a poor initial copy, but rather that Respondent recognized that some pages of nomination papers had computer-printed ink that began deteriorating AFTER the nomination papers were signed and certified. Respondent brought this voluntarily to the attention of WEC staff on the day of submission. Respondent offered to clarify the writing so that it would not deteriorate further and was advised that would not be allowed because she was already present for the purpose of submitting the papers. Respondent asked WEC staff to be very careful with the papers because further ink was degrading as the papers were handled by staff – evidenced by the clip marks on page 1 that also began deterioration. The WEC was aware of the ink problem and DID STILL count the signatures.

22. Complainant quotes Jacobs in saying that they should not have to assume that people knew what they were signing or understood. However, in this case, the papers were properly printed before people signed them. This is supported by the affidavits from signers and circulators in the attached exhibits.

CONCLUSION

The Complaint should be denied, and Deanna Alexander should be included on the ballot. The Respondent has submitted a sufficient number of signatures, which were verified by the filing officer, to be placed on the ballot.

THEREFORE, Respondent respectfully requests that the WEC Commission deny the complaint and determine the nomination papers of the Respondent remain sufficient for the reasons set forth in this Verified Response.

My name is FRANCES E. BROWN, and being duly sworn, I state:
I certify I reside at 11937 W. Appleton Ave #14 **Milwaukee, Wisconsin**. This affidavit is made to supplement and support nomination papers for candidate Deanna Alexander for the office of Representative to the State Assembly, District 12, in the Fall 2024 General Election as described in this affidavit.

I certify that when I signed a nomination paper for Deanna Alexander (candidate), page number 8, **all original print on the papers was printed and legible and the information about the candidate and the nominators' statement was visible and legible in its entirety, similar to the print (or header information) shown below and printed on the other un-challenged nomination papers shown online as submitted by the candidate to the Wisconsin Election Commission.** Any smudging or degradation of ink on the papers occurred after the signatures had been collected. I was surprised to see the degraded page presented by the challenger because the paper did not look like that when I signed it and circulated it.

The information on the paper at the time of each nominator's signing included the following information:
"I, the undersigned, request that the candidate, whose name and residential address are listed above, be placed on the ballot at the election described above as a candidate representing the party or statement of principle indicated above, so that voters will have the opportunity to vote for _him or X her for the office listed above. I am eligible to vote in the jurisdiction or district in which the candidate named above seeks office. I have not signed the nomination paper of any other candidate for the same office at this election."

This statement was on the nomination paper as pictured below. I could read the paper, I did read the paper, and I understood what I signed. I ask the Election Commission to resist the complainant's request to invalidate my nomination signature.

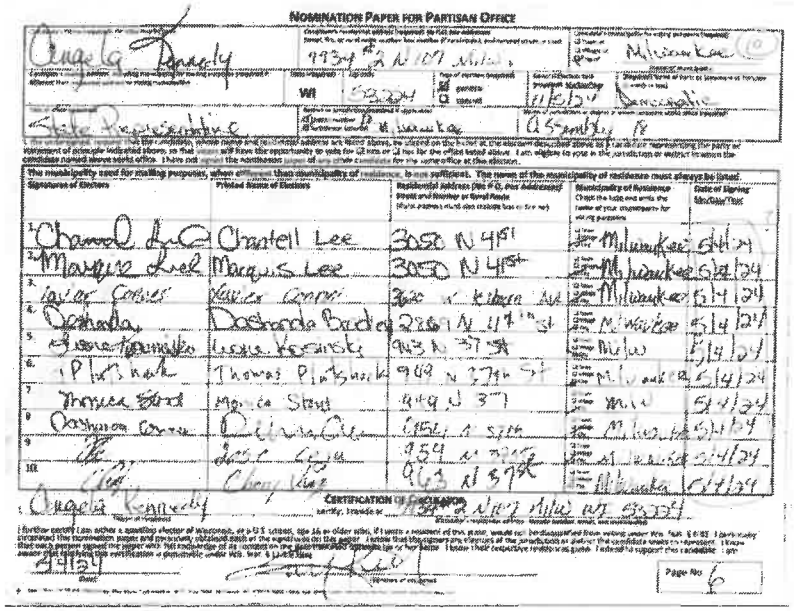
SECTION TWO

INVALID DATES FILLED BY DUPLICATE BY UNKNOWN ELECTOR OR CIRCULATOR

ERROR IN DATES:
The date of the elector's signature, as required by Wis. Stat. §§ 8.10(4)(a), 8.15(2), is incomplete or missing.- Wis. Admn. Code EL § 2.05(15)(a) allows for a signature to survive an incomplete date challenge if "the date can be determined by reference to the dates of other signatures on the paper."

If dates were missing, Wis. Admn. Code EL § 2.05(15)(a) allows for dates to survive. However, many dates, and municipalities, were filled out in duplicated by an unknown and undocumented elector or circulator. Because of being filled out en masse with duplications and/or without documentation, these signatures are invalid.

Circulator: Angela Kennedy, Page: 6 - ALL 10 signatures invalid - dates are duplicated incorrectly and without documentation.



NOMINATION PAPER FOR PARTISAN OFFICE

PAGE 21 - This page shows clearly invalid signatures, where either the elector or circulator prefilled all dates and municipalities - calling into question who entered these dates, and are they correct or valid. Were dates missing - rules allow the dates to be inferred by other clues on the paper, but because these were improperly filled by an unknown person, that evidence is gone and these blank dates pre filled or filled in later constitute a program or method of this circulator to incorrectly gather signatures that are often glaringly invalid. Even with documentation for one sheet or one error, one occurrence etc etc wouldn't explain this method being seen again and again, erroneously not documenting the date by not having the wet signature of the elector themselves.
