SUBJECT: “Elector Challenges” Pamphlet Publication

At the October 4, 2024, meeting of the Wisconsin Elections Commission, the Commissioners unanimously adopted an “Elector Challenges” pamphlet and directed staff to publish it. Wisconsin’s election officials may now print a copy of that approved tri-fold pamphlet to keep handy for when they receive elector challenges to a voter’s qualifications. A copy of this document has been included with this communication for easy printing and reference.

Additionally, the pamphlet contains a QR code that can be scanned by voters and election observers, should they wish to personally review a copy. This code can be scanned by the voter/observer using their phone, and it is located on the back page of the paper version of the pamphlet. When scanned, the QR code will take the person right to a website-readable version of the pamphlet’s content. The code appears in the pamphlet as follows:

The printable and foldable pamphlet can also be found here: <https://elections.wi.gov/elector-challenges>. Please contact the WEC Help Desk at 608-261-2028 or elections@wi.gov if you have any additional questions.
