General Election Results Are Now Canvassed and Official

MADISON – The results of the 2024 General Election are now official after Wisconsin Elections Commission Chair Ann Jacobs publicly canvassed them Friday morning.

The signing of the canvass statements is the last major step of Wisconsin’s certification process. The results of all state-level and federal contests are now verified, and for most contests, a certificate of election will be issued.

In the U.S. Senate and Presidential contests, there are some administrative steps that remain. [More information about the process can be viewed here.](#)

Once ready, [the WEC will post copies of the canvass paperwork on the WEC website.](#) This paperwork will include copies of the signed canvass statements and official result totals for the state and federal contests.
