

COMPLAINT FORM

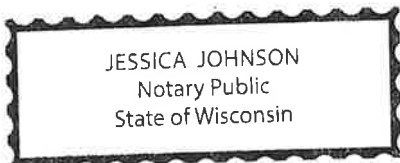

STATE OF WISCONSIN, ELECTIONS COMMISSION:
COUNTY OF KENOSHA

Re: Michelle Shramek Complaint

1. Ok, I don't know who the Chief Inspector was and didn't know titles of all the workers. I did not express anything to the Chief Election Inspector because I didn't know who it was.
2. There is no way the room is 15 feet in width. I didn't measure it but I estimate it is close to twice that width. Fifteen feet would be about the width of a typical living room and this room is much bigger than most living rooms.

NOTE: I don't believe that Ms Shramek intentionally did anything wrong. I believe that Mr Griswold took advantage of the setup to manipulate the voting process. In this current environment, I am just hoping that we can avoid future problems by continuously improving the voting processes. When I asked Mr Griswold, multiple times, to stop filling out ballots by himself, he ignored the request. When the clerk finally walked into the room and I let her know what was happening he slammed his pen down on the table and finally stopped and said a few words to me in an argumentative nature. She talked to him and did thank me for making her aware of what was happening.
