

To: Wisconsin Elections Commission

This is in response to a complaint filed against me, Lester Lewis.

On January 10, 2023 at 7PM, the posted time, I opened the caucus meeting for the Town of Molitor, Taylor County, Wisconsin. The first action was to call for the election of the caucus chairman. I was nominated and seconded. I then called for any other nominations. I repeated this 3 times. I then called for a vote. There were only Aye votes, no Nay votes. I was not, at this time on the ballot, as we don't have ballots. I also hadn't told anybody I was running for chairman. I then proceeded to take nominations for the supervisor #2 position. Trent Harris was nominated. There were no other nominations for the position. I then took nominations for supervisor #1. Gary Gretzinger was nominated. I ask for other nominations. Wayne Schmeiser was nominated. I again asked for other nominations. There being none I closed nomination for this position. I then asked for nominations for Board Chairman. I was nominated. I asked for any other nominations and repeated this 3 times. There being none I closed the nominations. Then the caucus was closed due to the fact that these were the only elected positions open.
