Meeting ID: 853 1131 7767
Passcode: 980168

There will be a Voting Equipment Review Panel Meeting and Public Demonstration of Clear Ballot Group's (CBG) ClearVote 2.3 Voting System at the above times and location. This system is being tested and considered for certification by the Wisconsin Elections Commission.

WEC staff is testing four pieces of CBG equipment:

- ClearCount (central count ballot scanner and tabulator)
- ClearDesign (Election Management System and ballot design)
- ClearCast (polling place scanner and tabulator)
- ClearAccess (ADA-compliant ballot marking device)

The Wisconsin Voting Equipment Review Panel will meet at the above time and place to view a demonstration of the system and provide feedback of the system which is included in the test report presented to members of the Wisconsin Elections Commission.

Under Administrative Code Chapter 7, the Commission may use a panel of local election officials and electors to assist in the review of the voting system. The WEC is asking the Voting Equipment Review Panel to serve this purpose. Input from the review panel will be made part of the staff recommendation to be submitted to the Commission for consideration. The Public Demonstration and Voting Equipment Review Panel meeting are open to the public. Direct participation in the Voting Equipment Review Panel meeting will be limited to Review Panel members.
