Resources available to help clerks with reconciliation

For clerks who manage their own elections in WisVote, now that the election is done, it's time for post-election reconciliation.

Need help finding that "missing" absentee participation/ballot? Section 5.4 of the WisVote User Manual will walk you through step-by-step how to do that and more. You can find that manual on WEC's [The Learning Center](#) (also known as "TLC").

Still have questions? Then be sure to sign up for the WisVote Election Reconciliation webinar on Tuesday, August 23rd at 10 a.m. where WEC staff will present an updated review of the reconciliation process. You can find the sign up for that on [TLC](#) as well.
