## State Name and Address

- ▶ Voters must **state** their name and address in accordance with Wis. Stat. 6.79 (2).
- ▶ WI 2019 Act 48: Creates an exemption for voters who cannot state their name and address and allows an election worker or assistor do so on their behalf.
- ▶ If a voter is unwilling to state their name and address, the election inspector can read it from their photo ID.

## State Name and Address

## Voting Equipment

- ▶ All polling places must be equipped with at least one accessible voting component.
- ▶ Voting equipment must be turned on, don't wait until a voter asks to use it.
- ▶ Election inspectors should know how voting equipment operates – attend the pre-election test and use the equipment to cast your vote.
- ▶ In municipalities that use DRE's, voters must also be offered the option of a paper ballot.
- ▶ In municipalities that use ICE as voting equipment, election inspectors must be familiar with its accessible voting features.

### **ERIC Movers List**

## Confidential Voters

- ▶ Confidential voters are victims of domestic abuse, sexual assault or stalking and have opted to be listed confidentially on poll lists.
- ▶ Confidential voters will be listed in the confidential section in the back of the poll list.
- ▶ Confidential voters may present their Identification Card for Protected Individual number rather than announce their name and address.

## Confidential Voters

- ▶ A voter makes a mistake on their ballot?
- ▶ A ballot won't go through the voting equipment or is marked in red ink?
- ▶ A voter has an "absentee issued" notation on the poll book and wants to vote at the polls on Election Day?

## What If...?

## Provisional Ballots

- ▶ What's changed?
  - "POR Required" no longer appears on the poll list
  - Only two situations in which a voter may be issued a provisional ballot
- ▶ Who must be offered a provisional ballot?
  1. A voter who has been issued a WI driver license or state ID card and is unable or unwilling to provide the number
  2. A voter who is unable or unwilling to provide photo ID
- ▶ Who may not be issued a provisional ballot?
  - A voter who does not have acceptable proof of residence
  - A voter in the wrong polling place
  - A voter in a situation that doesn't have a "neat resolution" to give the voter the opportunity to cast a ballot

## Draw Downs

- ▶ If there are more ballots than voters, inspectors may face a draw down situation.
- ▶ Before drawing down ballots, be certain that there is no alternative reason for the ballot overage. For example:
  - The issuance of the same ballot number to two or more voters.
  - For two or more reporting units, there are more ballots than voters for one reporting unit and less ballots for the other reporting unit, but the total is equal to or less than the total number of voters.
  - Known inspector error such as allowing a voter to vote more than once.
  - Process outlined in Election Day Manual.
- ▶ Note the reason for difference on the Inspectors Statement (EL-104)

## Draw Downs
