The response to the challenge from the campaign of JoAnna for Wisconsin made against the Enrique for the People campaign in regards to nomination signatures.

I, Enrique Murguia, allege that upon the information and the belief that:

Of the challenges to the residential addresses outside of District 8, 18 are in the district and should remain valid signatures. Please see attached Exhibit A for the full list of responses and addresses.

In addition, the challenger is assuming the first and last legal names of the 5 electors they have named. This goes against the presumptive validity of the signatures and there is no proof otherwise. These signatures should remain valid. Please see exhibit B for the full list of responses.

Lastly, the challenge states that there are 7 electors who did list a date of signing or the date is illegible. The dates are included and listed in Exhibit C. These signatures should remain valid.

Date: 6/8/20

Respondent's Signature

---

I, Enrique Murguia, being first duly sworn, on oath, state that I personally read the above response, and that the above responses are true based on my personal knowledge and, as to that stated information and belief, I believe them to be true.
