Affidavit of Sere Leber

State of Wisconsin)

)ss

St. Croix County)

Sere' Leber, being first duly sworn on oath deposes, responds to Deina Shirmer Affidavit dated June 8, and says:

- 1.) Yes, Agree
- 2.) Yes, Sere advised Deina Shirmer of Sere's spouse William S Lebers candidacy for county supervisor and both agreed would not work April 7th election.
- 3.) **Yes, Agree**
- 4.) **Yes, Agree**
- 5.) Yes, Agree
- 6.) To my knowledge, I believe Max Hansen was a fairly new Election Official for Warren Township and had completed some training.
- 7.) Yes, Agree
- 8.) Yes, Agree
- 9.) Yes, Agree
- 10.) Yes, Agree
- 11.) No, do not agree. "Certain conversations and actions" Claims are false.
- 12.) Yes, Agree
- 13.) Abstain from opinion; Mr. Hansens resignation is not of this matter.
- 14.) Yes, with clarification. Correc;t The election and subject at matter took place **Feb 18, 2020**. Correct; Affidavits of Max Hansen and Doreen Kruschke were written and notarized **March 5, 2020**. Clarification: Deina Shirmer emailed William Leber's personal email **April 23 2020** (Note: this occurred after April 7th election, and 65 days after the events of Feb 18 2020) Deina Shirmer, Max Hansen and Doreen Kruscke did not take action nor followed through with filing their affidavits with the Wisconsin Election Commission until after emails of May 11 2020 and May 12 2020.
- 15.) Yes, Agree
- 16.) Yes, agree
- 17.) Abstain from opinion
- 18.) Yes, Agree
- 19.) No, do not agree. I have done nothing wrong and I am being persecuted under false allegations. I also feel Deina Shirmer has bias against me as a designated Republican Election Official. I should be reinstated as an Election Official for the Township of Warren in the County of St. Croix to serve out my civic duties. I ask the Wisconsin State Election Commission to inform Deina Shirmer she does not have the authority to remove me from the Town of Warren Election Official list.
