RE: Complaint Filed by Jonathan Hunt on November 5th Regarding Overcounting Ballots

This letter is in response to the November 5, 2020 (received by the Milwaukee Election Commission on November 6, 2020), complaint filed by Jonathan Hunt alleging that the City of Milwaukee overcounted ballots in the November 3, 2020 General Election.

The Complainant cites incorrect data that was taken from an inaccurate news story. All City of Milwaukee ward-by-ward results were able to be viewed on the Milwaukee County Election Commission website at 3:56am on November 4, 2020 (<https://county.milwaukee.gov/EN/County-Clerk/Off-Nav/Election-Results/Election-Results-Fall-2020>). The statistics cited in the news story, forming the basis for the complaint, did not use accurate voter registration or turnout statistics.

Sincerely,

Claire Woodall-Vogg
