Subject: Sworn Complaint - Clerk, Town of Middle Inlet, Marinette County

The Primary Election of February 16, 2021 included a primary for the Town Board Supervisors of the Town of Middle Inlet. The Clerk failed to provide required Notice and publication of a facsimile ballot and the information to the electors as per Chapter 10.02, Wisconsin Statutes. Therefore, the majority of the electors were not aware of the impact of this primary.

During the election, reportedly the Clerk was confronted regarding this lack of compliance, and the response was .... "I forgot!". Another individual was told that ..."Yes, it was published!". No one recalls seeing said publication. The "Official Newspaper of Record" - PESHTIGO TIMES, was contacted by telephone and they indicated that no required publication was presented by the Town of Middle Inlet for the primary election.
