

Good afternoon. Pursuant to 28 U.S.Code § 1746, I declare under penalty of perjury that the foregoing is true and correct; I have attached copies of email correspondence to support my the following; letter B of the respondents response is UNTRUE. The respondents did not consult EXTRINSIC evidence but used their own intrinsic highly biased website not provided by the board as mandated by law. My nomination papers were subjected to heighten standards not promulgated by law as shown in the emails attached. Letter c is omitting that that was all I was told and I was told to go out and get more signatures. I was NOT informed as to what was alleged to be incorrect nor that I had 3 days to correct anything. I repeatedly requested the alleged errors be shown to me and stated in person I had 3 days and did not have to go out and get additional signatures. Letter d is UNTRUE as the attached emails show she only stated she attached exhibits and I had to not at any time been shown the alleged errors although I repeatedly requested such. Letter e is misleading. My first affidavits were not accepted as true because and this is evident by the emails, I had to do two affidavits and both times I still was not told if exact errors. I had to go on a fishing expedition. Letter F is misleading, after reviewing my SECOND affidavit and ignoring my emails and requests for information and using inflammatory remarks such as though her actions are unusual. On number 2 the election commission has allowed Cavalier Johnson on the ballot as well as Lena Taylor although I submitted a verified complaint and there is video of nominations papers left unattended. Further more, Cavalier Johnson has been allowed to submit nomination papers by circulatory who live OUTSIDE the city of Milwaukee. Lastly, Bob Donovan was convicted in federal court of what would be a misdemeanor and felony in state court and is allowed on the ballot all which is contrary to law and UNCONSTITUTIONAL pursuant to the Wisconsin Constitution and federal voting laws. My signature is as such Ieshuh Griffin, pursuant to 28 U.S.Code § 1746, I declare under penalty of perjury that the above as well as attached emails are true and correct.-Ieshuh Griffin
